Roll called and minutes of Friday read and approved.

On invitation, Elder C. D. Cambell from Serreptha (Ga.) Association accepted a seat with the body.

The following report on Missions was adopted:

DEAR BRETHREN: Missions is, or should be, the subject of this Association; yet what can we say? What has been done in our mission field? and where our missionaries! We have been informed that but little has been done by our missionary this year. While "the field is white already to harvest" we should send forth laborers. The destitution among us is so great we should have one or more missionaries constantly in the field.

Our Foreign Missionaries are doing wonders for that far-off land. This seems to be the favored time with the Lord to Christianize those benighted souls, and he requires us to aid those brethren in their labors.

T. C. BRYSON,  
J. A. FRANKS,  
J. P. YARBOROUGH,  
Committee.

On motion the body took recess for one hour.

#### AFTERNOON SESSION.

R. L. WATSON, Ch'm'n.

The following report on Education was read, and, after remarks by several of the brethren, adopted:

We are convinced that the great need of Western North Carolina is education, and we are happy to report that there is a great uplook in that direction. But the interest manifested is not yet as great as it should be. We recommend the school at Holly Springs, at Waynesville, and all the good schools within the bounds of this Association, and hope that they will have the hearty co-operation and support of the people in general; for we believe in general education.

Judson College at Hendersonville, N. C., cannot be too highly recommended. It is the greatest enterprise of the Baptists of this country,

and when it flourishes our cause will flourish. The building is large and commodious, and when finished will be one of the best college buildings in the State. The school so far has been a success under the management of Profs. Brown and Morris; the average attendance during last session being about ninety. There is a lack of three thousand dollars to finish the building and pay off the old indebtedness, and we do sincerely hope that our brethren will heartily lend a helping hand to this work. We are sorry that Dr. W. A. Nelson will no longer be connected with the faculty; but we are glad to say that Prof. W. C. McCarthey, former President of Weaverville College, and his wife, will be added to the faculty at the opening of the next session on the 30th day of August, 1880.

We must educate if we would prosper, for the time is coming and now is when the uneducated will labor under many and great disadvantages. We need an educated ministry more than all things else.

May God bless us in this work.

E. ALLISON,  
JOHN M. DAVIS.

On motion of Elder B. N. Queen, speeches were limited to ten minutes.

The following report on Temperance was read and adopted:

Human experience has taught that throughout all ages temperance has been one of the great essential elements requisite to human happiness; and that intemperance is one of the supreme evils that disturb and affect the social condition of mankind. Therefore, be it

*Resolved*, That the members of this Association pledge themselves to assist in every available means for the promotion and establishment of Temperance, and for the overthrow of intemperance.

J. I. BUCHANAN,  
W. H. HIGDON,  
S. C. HERREN.

The following report on Sabbath Schools was adopted:

In 1879 our minutes show that we had 2,174 pupils and 170 teachers, making a total of 2,344 engaged at that time in Sabbath School work. Reports this year show 1,990 scholars and 157 teachers, making a total of 2,148; showing a decrease of 196. This is owing in part to the fact that four churches report schools and give no numbers, and five reporting no school at all. This we deeply regret, for the Sabbath school is the place to bring them up in the nurture and admonition of the Lord. Thankful for the blessings of our Heavenly Father on past efforts, we, with increased faith are looking for a brighter future in this noble work.

W. HAYNES, Chm'n.

We are sorry to say that it seems that many of our brethren do not appreciate religious periodicals as they should; for we find many families taking political papers and neglecting to take any of our religious periodicals. Why it is so we cannot say. We do earnestly insist on every brother to take at least one of our religious papers. We endorse and do heartily recommend to our brethren the *Biblical Recorder*, published at Raleigh, N. C., and the *Foreign Mission Journal*, published at Richmond, Va.
