## **Dedication**

C.H. GREENE

The year 1912 marked the birth of C.H. Greene, who was destined to a long useful life in dedicated service to his Saviour. He was ordained in the Calvary Baptist Church in Canton, North Carolina. For 44 years he faithfully served churches in Haywood, Buncombe, Madison, Lincoln, Henderson and Jackson Counties. Each church he served prepared him for the next. After 44 years of dedicated service he retired from the Scotts Creek Baptist Church but continued to serve as interim pastor in other churches until his death in 1984.

He served with the Home Mission Board for 9 years during which time he organized 17 churches in the State of Washington. Wherever he served, C.H. Greene was original, bold and brilliant in his work.

He was truly God's servant. He was strongly dedicated to his work, kind, but determined and courageous. He was not afraid to venture into the unknown for he had a strong faith that the work he was doing was God called. The Holy Spirit endowed him with the gift of prophecy and he utilized that gift to the very best of his ability. He was an apostle in the sense that he was sent with a message to those who were unsaved. The saved he taught with patience, promoting their spiritual growth, thus enabling them to live a full life in God's will.

The Reverend Greene married Mabel Sutton. Their home was blessed with a son, Charles Greene of Gastonia, a daughter, Claudia Smith of Tampa, Florida, and three grandchildren. While C.H. has now gone beyond the "Hills of Time into the Sunset glow" he will be waiting there in God's eternal love while his friends go to meet him.

- 36. The Moderator, Johnny Enloe called the second session of the 155th Annual Associational meeting to order at 9:00 a.m. in the Moses Creek Baptist Church.
  - 37. Harry Vance led the messengers in singing "Amazing Grace."
- 38. Dillard Moore, pastor of the church, brought a devotional using II Corinthians 10 as scripture.

- 40. Don Taylor brought the report for the Christian Action League. He spoke of the value of a uniform drinking age 21 years. The Lottery bill being defeated by a very narrow majority. Pornography and the lack of action on this issue by the State; the need of getting a commitment from the legislature delegates, if we are to stop the use of State funds for the purpose of abortion. He said that all we needed to be defeated was to do nothing. He distributed copies of "Tomorrow."
- 41. Luther Osment brought a message on the Baptist Children's Homes, stressing particularly the proposed Moody Farm Ministry project. He closed his remarks with the quote "Inasmuch as you have done it unto the least of one of these, ye have done it unto me."

- 42. John Reid gave the report on Truett Camp. He recognized Trenton Connelly, Mildred Cowan, and Jack Robinson, who had served on the administrative staff of the camp this summer. Each gave a brief testimony of the work they did, the needs of the camp and the outcome of their work.
- 43. Roy Smith brought a timely message on missions, the work that was being done for the mission work in West Virginia and the Togo relationship. He urged more giving for missions and the urgent need in the mission fields.
- 44. Calvin Knight spoke on the Baptist Hospital and the new work that had been added. He spoke of the need for financial support on a stronger basis, pointing out how the Baptist Hospital received its portion of the money from the Cooperative Program. The counseling ministry is growing and requires more financial support. The benevolent fund needs increasing.
- 45. Gene Sauls told of the change in names for the "Homes for the Aging." This agency is now known as the North Carolina Baptist Homes, Inc. There is an urgent need for expansion in this agency.
- 46. Jack Hinson spoke for the Hospital Chaplaincy program. The report is recorded in the Report section.
- 47. Charles Carnes gave the Time, Place and Preacher Report. See report in the Report Section of this publication.

He recommended that in 1985 the Tuckaseigee Baptist Association hold the Friday session on Friday evening rather than on Friday morning in order that more of the "working" people could attend. This was made in the form of a motion. The motion carried.

48. Robert Blanton presented the proposed changes in the Constitution. All changes were agreed upon except the new addition to ARTICLE XIV - Director of Missions job description which would have been SECTION 5 - Grievance Procedures. Each of the sections were discussed and voted on separately. All carried except the Grievance Procedure. When the motion was made by Robert Blanton that this section be added, the motion was seconded. Jack Hinson made an amendment to the motion that Matthew 18:15-17 be used in settling grievances. Amendment passed.

After some discussions of the original motion, Hardin Nicholson moved that the Section 5 Grievance Procedures be tabled. The motion carried.

- 49. John Reid presented a gift to Johnny Enloe for his faithfulness and efficiency in serving as Moderator for a period of two years.
  - 50. Robert Blanton presented the following Resolutions:

Whereas Moses Creek Baptist Church exercising its legitimate rights as an autonomous Baptist Church took exception to the inclusion of Rev. Sue Fitzgerald on the Associational Program and as one who would speak on the Associational Program scheduled for their church...

And, whereas Moses Creek Baptist Church, as was their right, appraised the Tuckaseigee Baptist Associational Moderator of their decision to deny Rev. Sue Fitzgerald the opportunity of speaking in their church during this session of the Association . . .

And, whereas the Associational Program Committee acting in what they felt was the best interest of associational harmony requested that Rev. John Reid, Director of Missions, travel to Mars Hill, North Carolina and inform Rev. Sue Fitzgerald of the action of Moses Creek Baptist Church...

And, whereas Rev. Sue Fitzgerald has for the past several years spoken to the Tuckaseigee Baptist Association without any controversy; has for almost three decades served in one of our Baptist Colleges (Mars Hill) with great distinction; has provided for the small churches of Western North Carolina one of the finest curriculum libraries for church programming; and has been invited to speak to over 100 churches in Western North Carolina...

And, whereas the actions taken in the current situation have proven to be a public embarrassment to some of our Baptist people and contrary to the policies of some of our member churches...

I move that the Tuckaseigee Baptist Association present this motion as a formal statement to the Rev. Sue Fitzgerald indicating that the decision to deny her the privilege of speaking did

not and does not reflect the position of all of the churches of our association on the matter of the ordination of women, their role in the work of the local church and their right to follow the leading of the Holy Spirit in giving their lives in ministry.

The motion to present the resolution as a formal statement to the Rev. Fitzgerald did not carry.

It was suggested that individual churches might sign and send the Resolution to Sue Fitgerald at their own discretion.

50. Johnny Enloe presented the gavel to Eddie Stillwell, the incoming Moderator.

52. Harry Vance led the group in a song.

53. S.J. Waters, pastor of the Shoal Creek Baptist Church, brought the message using Thessalonians 5 as his text.

54. The 155th Annual session of the Tuckaseigee Baptist Association was adjourned to enjoy a delicious noon meal served by the host church - Moses Creek.

#### Director of Missions Report 1984

I am now well into my third year as Director of Missions. Let me take this opportunity to thank you for the support and encouragement that you as an association have given me. You have made me feel welcome as you have opened up your hearts and your lives and permitted me to share with you the things God has laid on my heart.

There are many roles I have to fulfill and activities that I must help plan, promote and facilitate. I consider myself first and foremost a preacher. The thrust of my preaching has been to encourage and to challenge the local church to be the church that is pleasing to God. I have preached in more than half of the churches since my last annual report. My most frustrating part of the work is my inability to get around to as many churches as quickly as I would like. I delight in every opportunity to visit churches and to teach Sunday School or to preach. Another part of my responsibility is that I am an administrator - coordinating the planning and implementation of associational programs and maintaining adequate communication for associational action, activities and working relationships. Each month Mrs. Hoyle and I prepare breakfast for the Pastors' Conference. Recently Mildred Cowan and the W.M.U. and Mrs. Hoyle and I planned a Pastor and wife luncheon to honor Pastors' and their wives. I have helped the Evangelism Committee plan for the Evangelism Conference. I planned the Stewardship Conference for the pastors this spring. I assisted Burdette Robinson in the Sunday School Enlargement Campaign. I helped with the planning and preparation of the float in the Sylva and Cashiers Christmas Parade. I helped plan for the annual Christmas party. I have received hundreds of phone calls and have sent hundreds of letters to church leaders, pastors, denominational workers, and others in communicating associational activities.

I have also served as a consultant with churches. I have worked with Pulpit Committees, have been called upon to be pastor to discouraged and frustrated pastors, to offer advice concerning buildings and decor, to help churches who struggle with internal problems, and answered questions about denominational programs and emphasis.

I desire to serve more as a mission strategist helping churches individually and collectively identify mission goals and then develop plans to meet these goals. I've worked with W.M.U. groups, given programs, hosted tour groups desiring to see the Baptist Center, and conducted a weekly radio program. The thrust of the radio program is to teach the Sunday School lesson encouraging participation and study in Sunday School and to interview local, state, and Southern Baptist Convention agency leaders on items of importance and concern. The radio program has been a faith ministry. One church, Locust Field, has been very supportive infinancing one program per month.

Also I have served as a teacher, equipping church leaders in practical skills and Biblical knowledge, interpreting Christian Doctrine in training sessions and group studies, and have been a study leader. I also enjoy teaching the Sunday School lession in churches. I taught the January Bible Study for Pastors at the Baptist Center. I taught an equipping center in the Cashiers Church.

Significant conferences I attended were a symposium on the Small Church in Oxford, Mississippi; a Director of Missions Orientation to the Baptist Sunday School Board in Nashville, Tennessee; the Southern Baptist Convention in Kansas City, Missouri; and the General Board and Convention Director of Missions staff meetings each quarter.

Last year we adopted and met a challenging budget, the largest in the history of the association. It also was the largest single increase in one year. Most churches responded with increased giving. This year's budget increase is not as dramatic as last year's; however, it is a challenging budget and will require a serious financial commitment to associational work if it is met. We are trying to develop resources through program structures, equipment, and materials that will directly benefit each local church that will support the association as they have the vision of ministering to Jackson County through the association. I commend you for this vision.

Several churches have increased their level of financial support; however, we still have churches who are not giving any financial support or who have not increased their level of giving in several years. If Baptists in Jackson County are to be faithful to the Biblical requirements of ministering to the needs not only of the local community, but also to those outside our own local community we must have the financial support to do the things that are pleasing to God.

We must always keep before us the objectives of the Association. One of these objectives is to promote harmony, understanding and spiritual power between the churches. Another is to provide such programs, projects and organizations as will strengthen the churches and assist them in achieving their goals and objectives. That which holds us together is the person of Jesus Christ, His love in us and His working through us to accomplish kingdom dreams in our world. Not always will we agree in method or approach, not always will we look alike or sound alike; but, that which causes us to work together is greater than our individual differences. May it ever be so!!

John Reid, Director of Missions

#### 1984 Annuity Report

The Annuity Board is a story of people helping people. The motto is "Serving Those Who Serve The Lord." The Board provides relief assistance, insurance benefits and annuities to active, retired or disabled Southern Baptist Missionaries, Ministers, their widows and orphans. As the board has grown, a Memorial Fund and an Endowment Department have been added.

Flexibility and variety play key roles in getting good returns from retirement income account investments. The Annuity Board offers four investment funds to Southern Baptist retirement plan members with the option of investing in one or a combination of these funds.

The fixed fund is invested primarily in fixed income assets and they are arranged where the principal is guaranteed. In 1983 the Fixed Fund credited 11.3 percent. The Balanced Fund is invested in several asset categories, including but not limited to common stocks, bonds, and mortgage loans. The investment ratio will change as economic conditions warrant. The Balance Fund yielded an effective annual rate of 17.2 percent for 1983.

The Variable Fund is primarily invested in common stocks. Monthly contributions by units similar to shares in a mutual fund. The short term fund is invested in short-term money market instruments with maturities of 12 months or less. The yield from this fund closely relates to trends in short-term interest rates.

In 1983 we had two more churches adopt the Annuity plan to provide retirement benefits for their pastor: Yellow Mountain and Locust Field. We now have 18 churches involved in this plan.

-11-

Churches employ a pastor. They should adequately compensate him for his service. Part of each commpensation plan should include a retirement and a protection section. Even though a pastor may not serve one church for all of his life, he will be serving other churches. Seventy percent of our churches are bivocational. It is very possible that a man could serve five or six or more churches in this association over a 20 or 30 year span of time, retire, and not draw any retirement because churches don't participate in the Annuity program. It is the responsibility of God's people through the local church to care for God's servant.

#### 1984 Associational Deacons Report

The Deacons and Pastors with their wives met four times during the past year. The July meeting was held with the Sylva First Baptist Church. The speaker was J.W. Hutchen, from the Baptist State Convention. He talked on Evangelism. Our October meeting was hosted by theOld Savannah Baptist Church with 62 present. The Reverend Eddie Deitz brought the message. A special feature was the singing by the True Spirits quartet of Sylva.

The January meeting was hosted by the East Sylva Baptist Church with 126 present. The Scotts Creek Church quarted rendered the special music on this occasion. Brother Harry Vance received special recognition for his many years of faithful service in the Lord's work.

Our April meeting was hosted by the Ochre Hill Baptist Church with 105 present. The Lockridge Family Evangelistic team presented the program. It was a great blessing to all those present.

#### 1984 Baptist Children's Homes

Often our mountains are called "The Land of Four Seasons." In relation to Baptist Children's Homes our area is soon to become the land of four residential services for needy boys and girls.

Our lead service will continue to be the ministry provided by Broyhill Baptist Children's Home at Clyde. The beautiful chalet style cottages clustered around the lake, nestled in our mountain cove, provide one of the lovliest settings to be found anywhere in the world. This year approximately seventy-five children have been served in this beautiful facility.

Our second program of residential care is the Maternity Home in Asheville. More than thirty girls will be served through this redemptive ministry this year.

As indication of the quality Christian care provided is the commitment of the caring staff. The regular houseparents are Frances and Alvoid Foxx of Brevard. In spite of their Maternity Home schedule the Foxxes still maintain such a close relationship with the Turkey Creek Baptist Church in Brevard that Alvoid continues to serve as an active deacon.

With all of our lovely facilities an even greater asset is our dedicated Christian staff.

Our third residential service is emergency care at Haywood Cottage on the Broyhill campus and Thermal Belt Baptist Youth Shelter in Forest City. At both of these facilities a child can come in at a moment's notice and be cared for while things stabilize at home or while a long-term placement is being arranged. The stresses of our day have made this ministry the most in demand of all of the services we offer.

Now our fourth residential service is on the horizon. This will be a ministry for children who have suffered unusual degrees of abuse and neglect making the intensity of life on a campus, with numbers of children, difficult. Moody Farm Ministries in Macon County is being developed especially for those boys and girls.

Currently we are at thee task of raising \$500,000 to complete the first stage of construction, and we project that by October 1985, we will have children in care.

In the "Land of Four Seasons" these four residential services are there for needy children because of our wonderful Christian friends who have been "instant in-season" meeting the needs.

#### 1984 Baptist Foundation Report to Associations

In the midst of our attention to space exploration, adventures of science fiction personalities, and the real-life exploits of astronauts, the lovable character, "E.T." was born. He became the object of our sympathy and affection, as well as the source of revenue for his creators. For the North Carolina Baptist Foundation, the letters "E.T." have taken on another and especially significant meaning during the year 1983-84. The most exciting new idea was the creation of the Endowment Trust - Everybody's Trust. It is now possible for practically every adult in our churches to participate in sustained support of Baptist work through a perpetual trust. Each of us wishes we could continue our witness forever. We know that we should plan for such continuing witness. And now each of us can participate in permanent support of our particular Baptist interest.

The Endowment Trust you create may be started with as small a gift as \$25.00. You may add a tax deductible gift to it as often as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine, (usually \$1,000), then the income earned is distributed to the Baptist cause which you have also predetermined. The income will be paid every year, after year, after year - forever!

The potential?

If friends of just one-half the members of our churches who die each year should place their memorial gifts in Endowment Trusts to honor those persons, we could increase the support base of Baptist work by six million dollars each year!

If 1,000 of us with vision should honor retiring pastors or faithful church leaders, or recognize the birthdays of venerable members with Endowment Trusts, that would place one million dollars in trust for Baptist causes!

If those of us who shop and search for a meaningful gift for parent or other loved one should give them, instead, a trust in their name, we would instantly make available millions of dollars for mission outreach!

One example is worth a million descriptive words. Just a few months ago, a widow in Thomasville created an Endowment Trust in memory of her husband. Her initial gift was \$100. At Christmas, she and her children added to the Trust. As this report is being written, five checks totaling \$300 to be placed in the Trust have arrived from this family "in memory of him on Father's Day." Surely a more loving and significant gesture is difficult to find. Each of us has equal access to such joy!

The impact of the E.T. Trust, and the increasing awareness that we each have a responsibility for the eternal use of our material resources, has caused Baptists of North Carolina to give this past year through new trusts, designated additions to existing trusts - income which is all paid out to Baptist causes or annuitants - was over \$534,000 last year. A half-million dollars distributed, much of it in the name of persons no longer living here on earth!

Rapidly increasing, and very evident in this past year, is the service rendered as executor of estates and through exercising power of attorney. This is a service which the Foundation happily affords and which will soon be expanded when a staf person will be assigned this responsibility.

No author of science fiction generates more excitement than you who make commitment of self and substance for the Lord's work - forever! The Foundation exists to help you discover ways to demonstrate your own commitment through planned stewardship of those resources which you leave after life on earth ceases.

#### 1984 Baptist Hospital

During the past year Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatient clinic visits and 31,930 visits to the emergency room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants.

Several clinical advances during the past year serve as examples of the hospital's quality of care. (1) Neurosurgeons have developed a new procedure for treating head injuries which has resulted in our having the lowest mortality rate for patients with this type of injury of any major medical center in the world. (2) Improvements in perinatal care with special emphasis on prevention of preterm labor have resulted in a lower infant mortality rate and in a 15 percent reduction in the number of babies in Forsyth County needing to be admitted to the intensive care nursery. (3) A new treatment offers relief without surgery for many patients suffering form ruptured vertebral discs. (4) Many patients with kidney stones should benefit from the use of new equipment being acquired in the section on Urology. It uses ultrasound to break up stones of the urinary tract so that, in many instances, surgery is not necessary.

The School of Pastoral CAre during the past year provided clinical pastoral education to 276 ministers through 47 clinical-pastorsl programs. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. The department also provided more than 20,000 hours of pastoral counseling at its various centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. This program was supported in part from gifts through the Cooperative Program which amounted to \$515,556 during the past year. Dr. J. Dewey Hobbs began his work on March 15 as the new director of the Department of Pastoral Care.

The hospital received \$351,801 through the North Carolina Missions Offering during the fiscal year. A total of 418 patients received financial assistance on their bills through this fund. These bills ranged in size from \$20 to \$21,000.

The trustees, staff and especially the patients at Baptist Hospital are deeply grateful to the Baptist churches for their continuing support.

Cerald Quinn, Chairman, Board of Trustees John E. Lynch, President

#### The Biblical Recorder

History was made last year when the Biblical Recorder, fourth oldest of the 35 state Baptist papers in the Southern Baptist Convention, celebrated 150 years of Baptist papers in North Carolina. And history was made again in 1984 when for the first time in more than 72 years, the Recorder moved into its own building, becoming the fourth state paper to have its own building.

In February 1912, the *Recorder* moved into its own building in the heart of Raleigh. In July 1984, the paper moved into its own building in the middle of one the fastest growing areas of the Capital City. Coming to Raleigh in 1838 from New Bern, the *Recorder* is the oldest business in Raleigh and exceeded in terms of operations in Raleigh only by Brown-Wynne Funeral Home which begun in 1836.

The business of the *Biblical Recorder* is the Lord's business! Since it was founded by Thomas Meredith, the Baptist paper of North Carolina has been committed to the advancement of the Kingdom of God as Baptists coordinate their resources to spread the Gospel to the ends of the earth. The purpose of the *Recorder* is to inform, indoctrinate, enlist, inspire and provide a forum for unity in the fellowship as we fulfill the Great Commission.

For the third consecutive year, subscription rates will NOT be raised. In 1982, a gigantic increase in the cost of second-class postage (260 percent) necessitated the increase in subscription rates but now that the rates have moderated some (they are still 80 percent higher than 1981) and the new Biblical Recorder Building was entered debt-free, the paper will hold the line on subscription rates. We want to make it as easy as possible for churches to send the paper to every family.

Never has there been a greater time than now when Baptists needed to be well informed. There is so much misinformation, exploitation and manipulation in our time that Baptists need a source of new that can be trusted to present facts as they are available and apply them to the betterment, not the harm, of Baptists.

"Every true Baptist believer a faithful Recorder reader" sounds like an impossible dream but we have set that as a goal for the ministry of the paper which from its beginning was designed to serve the cause of Christ by serving all of His people not just a limited few. We are grateful for the support we have received across the years and request your continued prayers, support and readership. We continue our march toward making the Biblical Recorder the best state paper in the Southern Baptist Convention. Tar Heel Baptists deserve no less!

## Department of Christian Citizenship Education

The work of Christian Citizenship Education has centered on two types of activities: voter participation and legislative information. Voter registration and turnout remain low. In the May primaries, for example, only about a third of the North Carolinians of voting age went to the polls. This Department had encourages Baptists to register and to vote by making available a bulletin insert, used in more than 300 churches, which supplied necessary information and encouraged participation. The Legislative Information Network has continued to provide reports on the work of the General Assembly to about 800 contact persons in churches throughout the state. The legislature met briefly in early persons to redraw several of the state's legislative districts in ways the General Assembly convened for its regular short session, at which time the budget during the short session went for education, primarily as salary raises for teachers and other personnel. A Moral Concerns Rally in the South Roanoke Association helped alert Baptists to the growing menace of legalized gambling.

World hunger continued to be a matter of concern to many Baptists. Once again June was designated as World Hunger Month in North Carolina. The Council made available bulletin inserts, posters, hunger banks, placemats, giving guides, and pamphlets, in addition to world hunger offering envelopes. North Carolina Baptists' response to hunger took on two new forms this year. First, the NC/Togo Partnership channeled some of our financial contribution and the efforts of a host of volunteers into an exciting missions effort to help some who are hungry and thirsty in the small West African country of Togo. This Partnership will continue for another two and a half years. Second, the NC Hunger Fund began to give assistance to churches and associations combating hunger here at home. Already this money has been used in exciting and worthwhile ministries, helping for example, to provide hot meals for the elderly in Belhaven and to make food available to migrants in rural parts of Wake County. North Carolina Baptists, like those across the Southern Baptist Convention, continue to give increasingly large amounts to help the hungry, but so much remains to be done While our giving in 1983 was the highest ever (and is running even higher thus far in 1984), the average Southern Baptist's gift was less than 75 cents for the entire year.

## **Christian Higher Education**

Christian Higher Education is alive and doing well in the Baptist Colleges and Universities of North Carolina. We had 4,602 pupils enrolled in undergraduate studies with many more enrolled in the graduate programs. But even with the good number we now have enrolled, there are reasons for Baptist as well as all private schools to be continually aware of the enrollment situation.

Our churches are urged to promote a Baptist College Day either on February 19 or February 26, 1985 to make students and parents aware of the many benefits available on one of our campuses.

Life is never still with Baptist Colleges. This past year has seen feasibility studies at both Chowan and Wingate.

At Wingate a study has been underway for some time now to determine if they should put in a graduate program.

Chowan has just chosen to remain a Junior College since they are now recognized as one of the finest Junior Colleges in America.

This year Baptist Education will lose one of its finest friends to our employment when Miss Grace Yow, secretary to the Council on Higher Education retires on August 31,1984. Miss Grace, as she is affectionally known, has served several years in her present position. She will be greatly missed.

There is one other interesting thing to note at this point. Mary Gowan, whose father was pastor at Lovedale, and whose mother served as Secretary in our associational office is now Dean of Women at Wingate College.

There is a piece of legislation before Congress at this time which is giving private schools a great deal of concern. The legislation is know as HR 5490 in the U.S. House of Representatives and as S 2568 in the U.S. Senate. This legislation could very well take away much of the independency Baptists have believed in.

If any of our Baptist folks wish to know more about this legislation, you may talk with your General Board member, Robert Blanton, for more details.

Robert Blanton, Representative

#### 1984 Church Training

A key Leadership Conference was held at the Webster Baptist Church for Church Training on September 12, 1983. Seven Church Training Directors from the local churches attended.

"M" Night was held on November 21 at the Ochre Hill Baptist Church. 205 people attended representing 15 churches. A special singing from all the choirs of the Association was a special feature. The Reverend Johnny Enloe, pastor of the Scotts Creek Church, was the speaker. The Long Branch Church won the banner, with an attendance of 56 people.

Two banners will be given next year (1984-85); one for high attendance and one for the highest percentage of persons attending Church Training during the year.

I attended the Bold Growth Team Training Conference at Fruitland on January 20-21,1984.

On February 13, 1984 The Doctrine of the Holy Spirit was taught by the Reverend Mark Corts at the First Baptist Church in Sylva. Seventy-eight attended the course.

I have visited with several churches during the year and hope to visit all of the churches during the coming year.

## 1984 Evangelism Report

"Waft it on the rolling tide: Jesus Saves, Jesus Saves! Tell to Sinners far and wide: Jesus Saves, Jesus Saves!"

These two lines from a familiar hymn describe the ultimate of missions of God's church; the proclaiming of God's life-changing gospel to a world lost in the despair of sin.

Your Associational Evangelism Committee exists to motivate and encourage the churches of the Tuckaseigee Baptist Association to keep their evangelistic mission at the top of their priority list.

This past April we held an Associational Evangelism Conference. We invited Dr. Vance Havner to come and be our guest speaker. For two nights, we listened as Dr. Havner, as the Reverend Roy Burnette, as the Reverend S. J. Waters spoke from God's Word. We listened as the East Sylva Church Choir and the First Baptist Church Choir was used of God to thrill our hearts. Other churches participated by providing ushers and by their pastors serving on various parst of the program.

Your response to this conference was so positive that plans are in the making for a 1985 Evangelism Conference. Also plans are being made to hold a Revival Training Seminar this year for the purpose of preparing our churches for "Good News America"; the 1986 Simultaneous Revivals that will be held in Southern Baptist Churches from coast to coast in March and April.

You are encouraged to attend the 1985 State Evangelism Conference to be held at the Greenboro Coliseum Complex on February 4-5. The service on the first evening will be an evangelistic rally, the invitation to be given by Dr. John Bisango, First Baptist Church, Houston, Texas. A goal of 8,000 professions of faith has been set for that one service. Make plans NOW to attend and to bring your lost people!

If your Evangelism Committee can help your church perform its evangelistic task, please let us know. We respect your autonomy and will come only upon YOUR REQUEST. Our purpose is to serve. Use us if you need us.

Tim Burleson, Chairman

#### Historian's Report

The year 1983-84 was filled with programs and activities. Many of these were new, with a few being revitalized and some continuous. The key leadership was especially active in most of the programs. The Key Leadership Conference held September 12, 1983 at the Webster Baptist Church provided training and enthusiasm for the work and pointed out the duties of each leader. This conference was well attended. The enthusiasm and dedication of the leaders permeated the committee work throughout the year.

The Evangelism Committee under the leadership of Rev. Tim Burleson not only encouraged evangelism in the several churches but brought a highlight to the program in the form of a two day Evangelism Conference led by Dr. Vance Havner.

Burdette Robinson and his ASSIST team conducted a Sunday School Enlargement Program that was participated in fully by the Scotts Creek, Sylva First, Cashiers and Green Creek Churches. Several churches participated on a part time basis. As a result of this, Sunday School ches. Several churches as well as a new interest created in Sunday School work. The ASSIST presented leadership training in several churches.

Kathleen Buchanan had two interesting meetings relating to the North Carolina Baptist Homes, Inc. Hugh Starnes brought three members from the Home in Asheville to a covered dish dinner. The visitors told of their life in the Home. Another event called "Harvest Day" was a planned trip to the Home in Asheville carrying canned goods, fruits and vegetables to the Home. These activities resulted in current knowledge of the Home and how it functioned and a closer relationship with the association.

Singings under the direction of Harry Vance drew large crowds, resulting in good fellowship and entertainment. The feature was so popular that requests were made for the singing to be repeated. The first singing was held in the East Sylva Baptist Church. After that initial one the association was divided into districts with singings scheduled for each district.

The Monday morning pastors' conferences were changed from 10:30 a.m. to eight a.m. with breakfast. These meetings were held at the Baptist Center.

"M" Night which has been an annual event for several years was held at the Ochre Hill Baptist Church. A large enthusiastic crowd attended. Instead of giving just one banner for the largest attendance on "M" Night, an additional banner for the best percentage of attendance at the training sessions in the churches throughout the year was added. Norman Parris is the chairman for Church Training.

A Christmas party for pastors and their families proved to be an outstanding first. Fun and fellowship prevailed throughout the evening.

For the first time an associational float was entered in the Christmas parades in Sylva and Cashiers. A committee did the decorating of the floats. Kenneth Crawford provided the "float body" and the tractor to pull it.

In February a doctrinal study "Send I You" was held at the Sylva First Church. This drew a large crowd not only from this association but from surrounding associations. Dr. Mark Corts taught the class.

In May a Pastors' Appreciation dinner was served at the Baptist Center to approximately 90 pastors and their families. In the fall the Director of Missions, John Reid, encourage each church to have an appreciation day for its pastor. Several churches did this with very gratifying results for both the pastors and their congregations.

During the early summer a supper meeting for the vocational pastors was held at the Baptist Center. The speakers for this occasion were Dale Holloway and Corbin Cooper. Enthusiasm and interest were so good that plans are now being made to reactivate the vocational pastors fellowship meeting.

The individual churches in the association experienced a period of growth in both physical plants and in spiritual knowledge. Balsam added a fellowship hall, a baptistry and classrooms, a pastor's study and organized a W.M.U. After the building additions were completed they held a dedication service. The church also ordained a man for the ministry, Charles Hesterly, and licensed Herman Conner.

Cullowhee Baptist Church granted a leave of absence for their pastor and wife, Jack and Sara Hinson, to become members of an archeology team digging in Israel. On their return they presented a program of their experience.

Jarrett Memorial started an outreach program with Vincent L. Sisti as leader. Kenneth Crawford was serving as interim pastor at that time.

Long Branch paid off its church debt and added new tile to the floors.

Lovedale enthusiastically went to work on their new sanctuary. They are planning to have this project completed for dedication on Homecoming Day on September 16, 1984. The Reverend Forest Blankenship served as interim after Joe Coker resigned. They called the Reverend Roy Cable as pastor in August.

Moses Creek held its 65th anniversary celebration. The congregation has added a fellowship hall and made many improvements in the church building. They have added new carpet, upholstered the pews, improved the lighting and air conditioned the building. Dillard Moore is the pastor.

New Hope added an addition to the building, added new carpet and bought adjoining land for expansion in the future. Both the building and acreage were dedicated at a special service. Earl Holden is the pastor.

-18-

Ochre Hill added a lower level to the fellowship hall. It is complete with a kitchen. J.D. Griffin is pastor.

Rockdale Church held a ground breaking for a fellowship hall. Mike Farmer is pastor.

The Tuckasegee Church purchased a new piano and organ for their sanctuary. Everett Wilson is pastor.

Scotts Creek repainted the trim on the church and Sunday School building. Johnny Enloe is pastor.

Unity Church has done some work on their building, added new lights and dug a well. Steve Webb is pastor.

In the Baptist Center is displayed the photos of the Directors of Missions for the association up to the present. A file of annuals was enriched by a gift from Ina Turpin of old annuals. The office now has copies of most of the annuals from 1890-1983. Old annuals of any date are still appreciated and will filed for use.

The Baptist Center also has a section of the entrance hall covered with a large map of the association with each church and its pastors' name pinpointed.

The Promise Land Baptist Church was constituted and has applied for admission to the Association. The church is now serving its watch care period of one year. Among the new pastors in the Association are David Mull, Jack Robinson, Tommy Ashe, Dennis Burrell, Roy Cable, Tony McCall, Davis Hooper, Kenneth Pressley, Johnny Ray Davis, Joe McDowell, J.D. Griffin, G.K. Crawford, Jerry Massey, Billy Stiles, John Jenkins and perhaps others whose names were not reported.

The associational year came to a close with the largest attendance and church representation over a ong period of time. The Tuckaseigee and the Moses Creek churches served as hostesses. Certainly the Baptist people of the Tuckaseigee Association are endeavoring to live within God's will.

Several problems have arisen within some of the churches. Where there is progress and growth their must be "growing pains." When the pain is such that it causes hurt, it is sad. There were some problems in some churches that related to the Resolution passed by the Southern Baptist Convention pertaining to the ordination of women. We still strive for unity and cooperation so that all Christians can work together as brothers.

## 1984 Hospital Chaplaincy Program

Twenty-seven churches, fourteen individuals and one community service group gave \$8,132.02 to the current expenses of the Chaplaincy Program. This is an increase of \$1,931.30 over the previous year - an all-time record high for the Chaplaincy Fund.

The Chaplaincy Foundation has grown from \$30,000 of last year to approximately \$60,000. Let it be remembered that only the interest from the Foundation can be used for current expenses. The Board of Trustees of the Hospital has the responsibility of investing the funds of the Foundation.

The Chapel Library continues to be used by the patients. From their remarks it is evident that the library is meeting a real need. "Volunteers" and others are helping in this service.

July 18, 1981, a worship service began by means of closed circuit television. The service is taken into every room on Sunday at 9 a.m. The Chaplain, in person or by videotape, seeks to bring a message of comfort and hope.

May 27, 1984, the Hospital Chapel was dedicated as the "Stella Hennessee Chapel." Mr. Hennessee has been most generous and influential in his support of the Chaplaincy Foun-

dation.

Three thousand nine hundred seventy-one (3,971) patients passed through the hospital from July 1, 1983 through June 30,1984. This is an average of 331 patients per month. What a privilege! What a challenge! What a stewardship - the churches of Jackson County will one day be called upon to give an account.

All gifts and communications concerning the Chaplaincy should be addressed to the "Chaplaincy Fund" and or "The Chaplaincy Foundation."

#### 1984 Missions Committee Report

Our work has centered around three projects during the past year:

- (1) Planning for an Associational World Missions Conference for 1985.
- (2) Assisting the Director of Missions in various projects relating to the Baptist State Convention.
- (3) Assisting the Promise Land Baptist Church in getting established.

It is our sincere desire that every church in the association will give serious and prayerful consideration in planning and participating in the World Missions Conference. This excellent opportunity for meeting and nearing missionaries from places near and far fuels our own spirit to do more for the Lord here in Jackson County as well as on the Mission Field. We can realize a definite hook-up to the heartbeat of missions as we join together for a week of concentrated prayer and preaching across the association.

If your church takes part you will hear a different missionary every night preach and announce the challenges, needs, and victories for the Lord from around the world.

We look forward to a great time at the World Missions Conference to be held the fall of 1985. Requests for financial aid, an evaluation of our Director of Missions, and participation inthe Key Leadership Conference at Ridgecrest are examples of involvement at the convention level. We appreciate the support of our North Carolina Baptist Convention and its effort to uphold the purpose of our association.

We wish God's blessings to be with the newest church in our association, Promise Land. Continued guidance and help will be given by our committee as requested and needed.

Thank you for the opportunity to serve as your Missions Committee. Let's pray for each other in the days ahead that God might be honored in all that we do.

Jack Hinson, Chairman

#### Music

More than five hundred times in the Scriptures, God speaks of music. Many have said that Colossians 3:16, "Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord," is the John 3:16 of Sacred Music.

The children of Israel had much music in their lives and practices. The Bible teaches that the heart of man needs to be in tune with God.

The music of our churches in the association should be like a wrench, a tool to get something done. The main purpose being, "Preparing the hearts and minds of the people for the preaching of the Word." The music should be the best we can make it. It should be with faithfulness, prayer, and bathed in love.

We have a wonderful music program in our association but we must admit that with every choir, chorus, or whatever group, there is great opportunity for greater things. We have the greatest number ever taking part in the music. We have the greatest number in youth work, in music in the history of our association.

This past year we had three singings with the association divided into three districts and twenty different churches participating.

This year has been the start of music schools to be held in different churches, teaching note reading and a better understanding in all phases of the music.

Looking ahead to the new associational year, we see a great involvement of youth and adults, in our churches in the church music. Also we plan a program of better instrument use and better trained leaders as a result of the enlargement of the programs made by our local colleges. We would encourage a great program in instrumental learning be employed by our association to encourage more youth and adults to take part.

#### 1984 Baptist Retirement Homes of North Carolina

Through this annual report, I want to share with you some of the events and activities that are blessing the lives of residents through the special people who are giving unselfishly of themselves to the ministry of the Baptist Retirement Homes. Heading the list of special people are you - North Carolina Baptists. From October 1983 - April 1984, you gave 26.3 percent of the Homes total income through your Cooperative Program, North Carolina Missions Offering and special gifts. This support covered 77 percent of the Homes' benevolent care ministry. Benevolent care projections for the fiscal year ending September 30, 1984 are running at about \$1,000,000. Mission gifts, it appears, will fall short of the need by some \$250,000. During the 1983 fiscal year, mission support was \$306,000 less than the need. Currently, approximately 40 percent of the residents in the five Homes are able to cover their full cost of care. As you can see, your mission gifts are vital to the benevolent care ministry of the Retirement Homes. The 1983 change in the Homes' Cooperative Program allocation greatly added to the support which you have given.

To operate effectively a \$2.2 million ministry takes a diverse group of individuals looking from many different perspectives at financing, planning, upkeep, development, etc. One special group of these individuals are the Trustees whom you have elected. These 20 individuals are your voice in the overall operations of the Homes' ministry. Numerous major

decisions have been made by the board in the last several months. These decisions have launched a Capital Funds Campaign - "A Call To Remember . . . ", revised admission policies, secured consulting services to reveiw the total operations of the Homes. Members of the Trustees are comprising a Search Committee to locate my successor upon my retirement in October, 1985. In an effort to more effectively depict the ministry which the Homes are rendering, the Trustees voted to change the Homes' name to the Baptist Retirement Homes of North Carolina Inc. The name change was approved by the Convention during the 1983 session. I'm grateful for each of our Trustees.

Operating expenses for the Homes' ministry increased approximately 3 percent during the 1983 fiscal year. Currently expenses are running 3.6 percent ahead of the same period last year. The 220 Baptist Homes' employees are responsible for such a modest increase.

During the past months, another group of important people have come together for a special purpose and work in the life of the Retirement Homes. For the first time in the Homes' history, a state-wide Capital Funds Campaign has been undertaken. Fred Lovette, retired President and Chairman of the Holly Farms, had given unselfishly of his time to pull together key leaders across North Carolina to formulate an Advisory Team and leadership people to raise 21/2 million dollars through the "A Call to Remember . . . " Campaign. Gifts to this fund will be used to renovate and update the Hayes Home facility. This includes a new kitchen facility, support facilities for the Nursing Care Unit, and improvements to the grounds of the Hayes Home Campus.

Long term care of older persons mean just that. Life expectancy figures indicate that the Homes can anticipate providing approximately 8 years of care for 80 year old residents. Also, the growing segment of our population is the 65 plus group.

The Homes' 33 year heritage has been marked by the deepest concern and the most genuine of Christian love for the older persons who have made their "homes" in the Baptist Retirement Homes. Our future is as bright as the promises of God Himself and the love and support that you give as North Carolina Baptists.

William A. Poole, President

#### **Sunday School**

As we approach the final year of "8.5 by '85," the Southern Baptist emphasis to enroll 8.5 million persons in Sunday School by September 1985, many gains have been made in our convention, our state and our association.

The latest figures show the Southern Baptist Convention having an enrollment of 7,815,443 through the Sunday School. This is the highest in the history of our denomination. Figures from 1983 showed our association with a Sunday School enrollment of over 4,800, the highest in over ten years.

The theme for the 1984-1985 Sunday School year is to "Reach 5 in '85." While it can be used in setting church, age-group and class goals, it is to be a personal challenge to each member and leader of the Sunday School to enroll five new Sunday School members in the study of God's word during the year.

There have been a number of highlights in 1983-1984 associational Sunday School work led by a capable ASSISTeam (Associational Sunday School Improvement Support Team). The team:

> -led the training for Sunday School Directors provided at the Associational Key Leadership Conference, September 12, 1983.

-led a Curriculum workshop for Cullowhee Baptist Church on December 1, 1983.

-attended training for ASSISTeams at the "Send I You" conference on January 30, 1984 and publicized attendance of local church leaders at the evening conference that same day.

-assisted in the study of the new "Understanding" Books at First Baptist, Sylva, April 29, 1984.

-held a Pastors-Sunday School Director Workshop on May 21, 1984.

-held meetings on August 20, November 12, January 7, March 5, and on June 9 for planning of 1984-1985 associational Sunday School work.

A highlight of the year was our Associational Sunday School Enrollment/Enlargement Campaign on October 15-23, 1983. Four churches participated the entire week (Scotts Creek, Greens Creek, Cashiers and Sylva First). Five churches held one-night rallies on improvement of the Sunday Schools in their churches (Lovedale, East Sylva, Shoal Creek, Cullowhee and Webster).

Below are tentative plans for Sunday School ministry in the association. Please put these on vour church calendar.

-Key Leadership Conference, August 27, 1984. Training for Sunday School Directors.

-Sunday School Outreach-Witnessing Clinic, October 9, 1984, 7:00 p.m.

-Associational High Attendance Day in the Sunday School, October 28, 2984. Each church in the association will be encouraged to set an attendance goal to be reported in that day.

-December, 1984. Pastor-Sunday School Director Dinner Meeting.

Ianuary 21, 1985 "Effective WORKERshop" will be held in Western North Carolina.

-February 14, 1985. Pastor-Sunday School Director Workshop

-May, 1985. Pastor-Sunday School Director Workshop

## 1983-1984 George W. Truett Baptist Camp

This report finds us in the midst of our season here at Truett Camp. This has been another good season for the camp. Our attendance has been more than 400 people who have used the camp this year. This number includes family reunions, week-end retreats from the churches and other group meetings in our area. Many churches down state have sent their children here this year.

We are truly grateful for the support from this association again this year. You have supported us in so many ways, through your prayers, your finances and by sending us your boys and girls. We are here to minister to people in every way we can and the people come here because you care for them. Those who have come have been blessed richly. We have registered 16 professions of faith in Christ. Along with this there have been 9 rededications and 6 have committed themselves to full time mission service. We are praying for even more in the coming weeks. Bible study and worship have always been a very important part of the camp program.

As you know the Truett Camp Committee voted last May a year ago to move ahead with plans for a new dining hall here at the camp. This is something that is badly needed to make our dining quarters up-to-date. Some of the associations have already set goals for raising money for this most important project. The funds are beginning to come in and we are hoping to start construction on the dining hall this fall. Will you please make this a matter of prayerful concern and lend us your support in the coming weeks. I believe that God will be honored as we seek to serve Him through this camp as we minister to His people.

This report cannot be completed at this time for we have three more weeks of regular camp in addition to other bookings in the month ahead. We trust that God will continue to use this camp to His Glory. Again, "THANK YOU" for your prayers and your support.

#### 1984 Vacation Bible School

This year we held two Vacation Bible School clinics, and Early Bird Clinic was held April 12 at the Baptist Center for pastors and V.B.S. Directors. The purpose of this clinic was to get some early preparations started and to begin setting the mood in our churches for V.B.S. We hope to offer this again next year. Hopefully we hope to have a larger attendance.

Our Associational Clinic was held April 26 at the Lovedale Baptist Church. We had 74 attending, representing 15 churches and four pastors. Our leaders were very enthusiastic and committed to the V.B.S. work. Each leader attended the state-wide clinic in Waynesville, which was a day long training session. Our team members were: Joyce Dyer from Scotts Creek, Annie Hoyle from Cullowhee.

This year we added a music class to our clinic which was well received. We hope to make this an annual asset.

Many thanks of appreciation go to the team this year for all the hard work, time, effort and dedication for making the clinic a success. We do appreciate these people. May God continue to bless and keep them in his service is our prayer.

The theme this year was "Thanking God for His Love." Studies included learning about the church, the Bible, how we got the Bible, People of the Bible. The theme was most appropriate for these times for we as a nation do not stop to thank God for His love and concern for us. Our daily lives should be lived as a praise for God's wonderful gift. We hope that all of our schools were able to get this message across to our very young people. "We love Him, because He first loved us."

I ask that everyone pray for next years' clinics and schools. We must wake up and realize that V.B.S. is one of the most effective teaching times we have to reach young people for Christ. Let us not fail in utilizing this time.

Nancy R. Sherill, Director

#### 1984 Woman's Missionary Union

It seems that some of our churches have really "Caught The Spirit of W.M.U." this year. The older organizations have shown more interest and cooperation in association services. We also have several new organizations. Rockdale, Dicks Creek and Balsam are the three newest ones. Several new youth organizations have been reported and for this we praise the Lord.

In the past months a number of study courses have been conducted in foreign missions, home missions and state missions. There is also increasing interest in World Day of Prayer and in World Hunger. We would like for more of our ladies to take advantage of programs, studies, and conferences on W.M.U. at Ridgecrest Conference Center.

During 1984-85 the Association Directors anticipate more interest in all phases of W.M.U. work, especially on witnessing, missions support and enlargement. Also, this year the W.M.U. and the Brotherhood State officers are making plans for better support and cooperation throughout the state. More will be heard concerning these plans.

The Annual Woman's Missionary Union meeting of the Tuckaseigee Association was held on May 17, at the New Hope Church. This was a very inspirational meeting. The pastor, Reverend Earl Holden, brought a most appropriate message in his devotion and the program throughout was very good. Seventeen churches were represented by an attendance of 68.

## Report of Youth and Campus Ministries

Four Caswell Weeks, with the theme "Run in the Son," involved over 3,500 young people. Special conferences for youth ministers and the beginning of a coordinated convention youth calendar are other projects undertaken in 1983-84 by Rick Traylor. A drama conference, youth council retreats, resources for local ministers and specific consultation with several associations are other emphases within the total scope of Youth Ministries. Our job in this way is to help the churches do their work more effectively.

In Campus Ministry you as North Carolina Baptists expect us to minister on your behalf AND to serve as consultants with some of those who work with students from within the local church. Baptist Student Union can be found on campuses from Cullowhee to Murfreesboro, in residential settings like Appalachian or Duke or Gardner Webb and in commuter institutions such as Wilkes and Central Piedmont and Davidson Community College. These students raised more than \$40,000 for missions, learned and practised evangelism and personal witnessing, worshipped, studied the Bible, found ways of serving others in their spiritual, social and intellectual lives.

Joe Clontz is beginning in July, 1984 his work as coordinator of volunteer ministries on campuses in the Central area of North Carolina. Geneva Metzger will spend 1984-85 in Japan, learning to work more effectively with students from a local church perspective and to serve and understand internationals. Joe David Fore will sharpen his skills in Biblical studies, ministry with engaged couples and enabling of volunteers before he assumes the position of facilitator of ministry in the Western area in June of 1985. Sheree Smith and Wanda Kidd will serve as interim campus ministers at UNC-G and WCU respectively. Seminary interns at ECU, UNC-CH, and ASU will major in outreach and increase the depth of our ongoing programming. All these persons will need your prayer in a special way in the fall of 1984.

A Student Convention at Ridgecrest in late September will focus on our Christian family and emphasize missions. A special conference for International Students is scheduled for Charlotte in November. Hundreds of students from a score of campuses will go into churches for youth revivals or special church-wide programs. NC students will be part of a major Missions Conference in Nashville in late December. Perhaps the most important dimension of our work in Christ's name and on your behalf, however, are the day-to-day conversations and regular programs on a local level which emphasize prayer, churchmanship, ethical decision-making, world issues in Christian perspective, personal stewardship or commitment and life-planning.

As we, employees of your General Board or the Baptist campuses, consult with Sunday School teachers, lead worship, train student leaders and bear witness to God's life-changing power and love in Jesus Christ, we give thanks for your support through the Cooperative Program and in other significant ways. May God continue to bless us together.

James Y. Greene, Director Division of Youth and Campus Ministries
