# PRESIDENT'S GREETING

Dear Co-Laborer in Christ:

What a joy and blessing it is to work together for the gospel of Jesus Christ. God has brought together a unique and gifted community that is known as Southeastern Baptist Theological Seminary. This directory is a reflection of the many different persons God has called to this place. It will be a helpful and invaluable tool this academic year and a keepsake in the years to come.

The first section provides a picture and name of each member of our administration and staff. These are dedicated individuals who love our Lord and serve Him faithfully in their particular areas. This information can be used to gain a better understanding of our various offices and their services.

The second section contains important information about our faculty, those who have been elected, appointed, or serve in an adjunctive or visiting role. You will want to familiarize yourself with these pages in order to know more about our excellent faculty and their teaching disciplines. Following our faculty you will find the picture and names of each member of our Board of Trustees who have been elected by the Southern Baptist Convention. These faithful men and women love our school, and they are making a priceless investment in their service to our Lord.

The remainder of this publication is dedicated to our student body. This section will be an excellent aid in helping you become better acquainted with your fellow students. Also, it will be an invaluable resource as you remember those persons who made a contribution or lasting impression on you life. Hold onto it as you have your old yearbooks and annuals - or church directories, for that matter. These pictures of your colleagues in Kingdom Enterprise will be of tremendous value to you for years to come. Friends that you make here are for eternity; some of them will become accountability partners and best friends - even if you are halfway around the world from each other. You need at least one good photo to reminisce about how precious they are, because it may be years, or even heaven, before you see them again.

May God abundantly bless you as we labor together here at Southeastern. Let us make this year one of the greatest ever in the history of our seminary for the glory of God (1 Cor. 10:31). It is my prayer that we will all work together toward this end.

Until Jesus Comes Again,

A handwritten signature in black ink, which appears to read "Daniel L. Akin". The signature is written in a cursive, flowing style.
