MISSIONS SURVEY: During the year, opportunities develop of special interest to students who have had or are considering involvement in vocational missions-Home, Foreign or with some other agency. It would be of great help to the Student Affairs office and faculty members who are contacted by churches, mission sending agencies and others if we had a list of names of those with experience or interest in vocational missions. If you have had such experience (beyond the local church) or if you are contemplating a vocation in missions please complete the form below, detach and drop in one of the boxes located in Mackie Hall, Appleby or Johnson.
