and give ourselves to the Lord who that promised
to receive such and be their God.

Regeneration and Sanctification by the Influence and operation of the Holy Spirit, The final perseverance of the Saints in ~~grace~~ ^{grace}, The Resurrection of the dead and the Eternal Judgment, that the happiness of the Righteous, And the torments of the wicked will be endless.

Finally we do voluntarily and jointly engage in the strength of the Lord to do all things which he hath commanded us to do, particularly to deny ourselves, Take up our cross and follow the Lord in all his Examples and precepts, Assembling ourselves together as often as we conveniently can, attend our Church Conferences and keep up a

The building and finance committee met Monday night, March 31st and discussed on how to borrow the money to finish the church. We have a sufficient amount of people that are willing to sign the note. We are borrowing two thousand dollars to be paid back in two years but if possible we will pay it back sooner. We want to know if it will be satisfactory with the church to use any excess money in the treasury to pay off the note. And we want to know if the church will accept this plan unanimously.

Yours truly
C. W. Perry
