NOTICES:

CAMPUS BULLETIN: The Campus Bulletin is an information/communications service provided by the Student Affairs office for the seminary community. Students, faculty and staff may use this service by submitting notices and announcements to the Student Affairs office in Mackie Hall. Notices must be signed and no more than 130 words in length. Items should be limited to on-campus events or services of interest to the seminary community. The weekly deadline is 12 noon on Wednesdays.

CANTATA CHOIR: Cantata Choir is open to all students. We will be singing for chapel from time to time and for two special services including the presentation of "Amahl and the Night Visitors". There are no auditions. Meet in Binkley 106 on Thursdays at 3:00. Contact Michael Hawn if you have questions.

READERS NEEDED: An entering blind student needs students or others to serve as readers. If interested, contact Felicia Polo at 556-9982, Women's Dorm.

SCHOLARSHIP DEADLINES: The deadline to submit applications for fall semester financial aid scholarships is Friday, September 17. No applications will be accepted after this date. Forms are available in the Student Affairs office, Mackie Hall.

CHILD CARE AT WAKE FOREST BAPTIST CHURCH: The Wake Forest Baptist Church provides a Preschool Program and Afterschool Care Program (K - 5th grade) which is available to Seminary families. The Afterschool Program offers school pick-up and has openings for full-time and part-time children. If you want to take an afternoon class and would like a convenient place for your

(OVER)

child to stay, the Afterschool Program may be a solution. For more information about either program, call 556-5980 (Mrs. Erskine) or 556-5141 (Church Office).

DROP/ADD DEADLINES: All students are reminded that matriculation closes at 4:30 p.m. on Monday, September 13. Students may withdraw from seminary or add courses without penalty through this date. Friday, September 24 is the deadline to drop courses without penalty.

LIBRARY EXIT BOOK DETECTION SYSTEM: Though we all regret the realities that create the need for the exit book-detection system now installed in the Library, we are glad to look forward to our users experiencing increased availability of library materials. I want to share with you a few facts regarding the system and how we will operate it. (1) Your procedure for checking out books is unchanged, and the time required for a staff member to check out a book has increased by no more than a second. (2) Books and other materials have been sensitized such that they must be desensitized in the checkout process in order to be taken through the exit gate without alarming the system. (3) Once desensitized, an item remains so until it is checked back in at the Circulation Desk. (4) When the system alarms, the exit gate locks' a staff member at the Circulation Desk will immediately seek the cooperation of the user in determining the cause. The approach will be to assume that an innocent oversight (either ours or the user's) has occurred, unless there is a very clear indication to the contrary. (5) Passing through the exit gate poses absolutely no threat either to one's health or to anything one might be carrying. This system, unlike some on the market, will not affect a heart pacemaker.

--H. Eugene McLeod, Librarian

"PRAISE CELEBRATION": The "1982" Praise Celebration" will take place on Thursday, September 2, at 7:00 p.m. on the steps of Binkley Chapel. If there's rain it will be held inside Binkley Chapel. Dr. Lolley will be the Master of Ceremonies along with outstanding singing and testimonies. Free refreshments are to be served. The entire Seminary and Wake Forest community is invited to attend. Sponsored by Student Council and Seminary Wives.

FMB REP: Norman Burnes, Foreign Mission Board Representative, will be on campus Tuesday and Wednesday, September 7 and 8, 1982, to speak to persons interested in missions. Please sign up in FIM for interviews.

AEROBICS CLASSES OFFERED: Through a special arrangement with the Llewellyn Exercise Studio of Cary, N.C. the seminary will be offering classes, beginning September 6, in body conditioning and aerobic conditioning. Depending on enrollment, there will be two or three one hour sessions offered on Mondays and Thursdays between 5 pm - 8:30 pm in the Commons room of Mackie Hall. All classes are closed sessions with a maximum of 20 persons per class. Saturday classes will be offered if there is enough interest. Body Conditioning I and II is for the beginning exerciser with an emphasis on muscle toning and increasing endurance. Aerobic conditioning will be offered for those who are presently involved in an active exercise routine. All sessions are professionally planned and are led by a trained instructor with a degree in physical education. A special rate of \$1.00 per session has been arranged for the seminary. For more information, contact Ann Vincent at 556-9982.
