Dear Dave:

I have enclosed some information on Dr. John Warwick Montgomery who is scheduled to speak at the luncheon meeting of the Rotary Club of Santa Ana on April 21, 1981.

In spite of Dr. Montgomery's rather intimidating credentials, he is particularly appreciated for his lively and dynamic speaking style. He has recently traveled to Australia and Canada to present lectures. In May he will be going to France for the summer program of the International Institute of Human Rights.

Regards,
