E GAME TONIGHT

SPORTS ROUNDUP

By Hugh S. Fullerton, Jr.

(Wide World Sports Columnist)
New York, June 18—Has your softball team played a "magazine game" yet? . . . The idea comes from Louisville's Bollycastle Club and it sounds like a swell way to make a big little contribution to the armed forces . . . The club merely established an admission price for its Saturday night double headers of "one or more" copies of a current issue of a good magazine . . . First night's receipts were \$149 pieces of reading matter which went to the air base unit at Bowman Field.

Second Guess

Playing a round of golf during a recent alumni outing at Cleveland, Frank Leahy, Notre Dame coach, cut loose a drive that made a three-point landing on the noggin of a player emerging from the woods ahead . . . Frank rushed up only to find his dazed victim offering

My dear Mrs. Williamson:

You will generously forgive me for not writing sooner to say "Thank you" for your splendid article for our December Week of Prayer. There has not seemed to be a good chance until now to write.

Your article is truly fine. It will be gladly and most gratefully used in our W. M. U. folder for the December Week of Prayer.

Also I thank you for letting me see the Kuruya picture which is herewith enclosed. It is easy to believe that the child's very attractive smile is typical of the joy of each of them in being together once more.

Don't worry to get the Kei-ya picture or
life-story for "Royal Service". You know however
that I thank you for being willing to do so.
Certainly it seems somewhat if not miracu-
lously providential that our September
topic is Japan and October topic is
China - now when all of us are so anx-
ious about the war situation in the
orient.

With greetings to Dr. Williamson and Thomas
Jr.,
I am,

yours in loving gratitude,
Kathleen Walling.

Mrs. Armstrong says that Mrs. Dozier
made a truly lovely and most informing
talk at Ridgecrest last Wednesday. She
also spoke with pleasure of the presence
there of Miss Shimose.
