Publicity people are needed in the dorms and apartments as well as callers before the visit. We also need someone to line up and coordinate the student volunteers who work in the various areas on Blood Day. If you have time or talents to offer, please meet with Garland on Friday, October 1 at 10:00 AM in the cafeteria for a doughnut and strategy.

P.R.E.A.C.H.: Please Recycle Empty Aluminum Cans Here... on campus, that is. Through the efforts of your Student Council, empty aluminum cans are now being recycled. Your participation is not only an act of good stewardship of our natural resources, but also will benefit the needy of Wake County. Money from the sale of aluminum will be used to purchase food and fuel for those in need. Receptacles are located by the drink machines and in the classroom buildings. For information, contact Dennis Testerman at 556-1571.
