*THE SEMINARY HYMN

Ordained of God, His Prophets rise, They seek not gain nor earthly prize, They heed the challenge of Christ's call, They ask to give and spend their all.	The rights of man we shall defend, Our strength to justice ever lend, The sins of greed, of caste and war, Bring men and nations to abhor.
--------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------

Anointed heralds bold to speak, But in our ways like Jesus meek, In lowly place or distant land, We go forth now to take our stand.	We thank our God for kindly years, For fellowship through joy and tears, For learning and for friendly toil, For faith to sow in every soil.
----------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------

Our message be the gospel plain, Our joy its power o'er sin's dark stain; Born from above the sinner lives, New life in Christ the Spirit gives!	Bind us in brotherhood, we pray, As from this place we go today, And keep our feet in paths made light, By Jesus' truth and glory bright!
-----------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------

*Benediction..... *President S. L. Stealey*

*Recessional—"Festal March"..... *Roberts*

*Congregation will stand.
