AN AGENCY OF THE SOUTHERN BAPTIST CONVENTION

Wake Forest, North Carolina

October 16, 1961

BYDNOR L. STEALEY
PRESIDENT

Dear Fellow Students and Friends:

I pause to rejoice that I have the privilege of writing another introduction in a new Directory prepared this year for over 700 students and colleagues and for many other friends of Southeastern Seminary.

We begin this year a new decade, the eleventh year of our operation. Our Seminary has written a bright page of Baptist history during the first decade of our existence. We grew faster than any seminary in the history of Christendom, so far as I can learn. We were accredited in shorter time than any other. We have earnestly tried to be strong, solid, useful. Please resolve with me that in the second decade we will be even stronger and more useful. If we realize this ideal, it will be because we recognize that we are a God-called fellowship and that each may be happily responsible to God and to the fellowship.

May we study, serve, worship - each one. God guide you.

Sincerely,

Sydnor L. Stealey
President

Southeastern Baptist Theological Seminary
AN AGENCY OF THE SOUTHERN BAPTIST CONVENTION
Wake Forest, North Carolina

October 1, 1961

Dear Fellow Students:

With each publication of the Directory, Southeastern Seminary adds another year of excitement to its young history. Each year is new and different from the last; each is the stage upon which our life drama continues to unfold.

The student body is always changing, for the highways which bring students to our campus travel from varying towns, states, and countries. We come to Wake Forest, study together, and then depart for various points of the compass to apply our knowledge. As we go, we carry new theological truths, and the memories of friends, faculty members. We hope that with the aid of this Directory, each of us can become better acquainted while we are here so that in the future these memories will be much stronger; and though we will be widely separated then, we can continue to participate in the warm fellowship of our seminary family.

The Council joins me in extending to you our best wishes for the future.

Sincerely,

Ken Bryant

The Academic Rules and Regulations of Southeastern Baptist Theological Seminary.*

A *Senior* is a student who has completed sixty semester hours of work. He must take the last twenty-six hours leading to the Bachelor of Divinity degree at Southeastern Seminary.

A *Middler* is a student who has completed thirty hours of work.

A *Junior* is a student who has earned fewer than 30 semester hours toward the Bachelor of Divinity degree.

After the last day for matriculating and scheduling, a student cannot enter a class for credit. After that date, a student may withdraw from a course only for providential reasons and after consultation with the Dean of the Faculty.

Absences for any reason from as many as one-fourth of the scheduled meetings of the class in any course will preclude the student from taking the examination in that course for that semester.

Excuses for absences will be handled by each professor according to his own discretion.

The Minimum Number of Hours for which a student may register in any one semester is eight. This rule does not apply to special students or candidates for the Th.M. degree.

The Maximum Number of Hours for which a student may register in any one semester is eighteen.

Satisfactory Work is expected of all students in at least eight hours each semester.

All Changes in Courses must be cleared with the Registrar and must be made not later than the dates specified in the Catalogue.

All Incompletes not removed by the end of the sixth week of the next semester will be recorded as F's whether or not the student registers.

* This is only a digest of the Academic Rules and Regulations. A full statement can be found in the Catalogue.

SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY MEDICAL SERVICE PROGRAM

In the interest of the highest level of health among students and families, the Seminary provides a medical care program, available to all registered students. In order that all such students may understand what they may expect from this medical service and what is expected of them in co-operating with the campus physician and nursing staff, the following statement of prevailing policies has been formulated.

General Policy

Students needing medical care are asked to report to the Infirmary for treatment. Appointments to see the campus physician at the Infirmary must be made with the nurse before the physician's duty hours. Appointments must be kept punctually. Should a person need emergency medical care after the Infirmary closes, *for acute disorders or accidents only*, the nurse on call will give the attention needed. The nurses are off duty at the times when the Infirmary is closed and are only available in the *case of emergency*.

A weekly schedule indicating which nurse is on call will be posted at the Infirmary and with the telephone operator. You are to call the number of the nurse on call. The "on call" nurse is on call from 5:00 p.m. to 8 a.m. the following morning; on weekends from 8:00 a.m. Saturday until 8:00 a.m. Monday.

No student will under any circumstances call the campus physician without first consulting the nurse on call. If a campus visit by the campus physician is necessary, the nurse will then notify the campus doctor. If you choose to call someone other than the campus physician you are, of course, free to do so at your own expense. House calls off the campus or office calls at the private office of the campus physician are at the expense of the patient and the fee is payable to the physician.

The nurse on call for emergencies is not to be called to the dormitory or apartments to give injections merely for the convenience of the student or his family. Such injections are to be given during Infirmary hours in the Infirmary only.

Purchase of Medicines

All students may secure general medicines and medical supplies through the Infirmary at prices which cover cost plus handling. Drugs prescribed by a physician and not in stock will be ordered if the patient so desires. Since drug service is rendered on a non-profit basis, the student is asked to *pay cash for all medicines at the time he receives them.*

If it is necessary for a patient to be hospitalized in the Infirmary, a charge of \$4.00 per day will be made to cover room and board. Hospitalization other than in the Infirmary is solely the responsibility of the student.
