

Dr. James Pleitz, pastor First Baptist Church, Pensacola, Florida, visited the campus October 5. He brought a check from the church and friends of Southeastern's former Trustee, J. Nixon Daniel, Jr., to establish a memorial scholarship fund. The Trustees voted to add the fund already established, largely through the efforts of Mr. Daniel for student aid, to the corpus. The total of \$17,645.79 has gone into the J. Nixon Daniel, Jr. Memorial Scholarship fund. Income from the fund will be available for student aid, beginning in the Fall, 1977.

The Trustees received with delight the news that a North Carolina family, who prefer to remain anonymous, have made a challenge gift of \$100,000 to the Seminary for the endowment of a Professorship in Evangelism. The gift will cover the next 26 months (calendar years 1976, 1977, 1978), during which time the Seminary will seek to match the challenge \$2.00 to \$1.00 thus assuring an adequate corpus.

PROFESSORSHIP  
IN EVANGELISM

Immediate plans are underway to shape our response to this significant challenge. The Trustees intend to develop their particular response during the March, 1977 meeting of the Board. Hopefully, administration, faculty, students, and alumni will participate in the response.
