## PRESIDENT'S MESSAGE

Dear Co-Laborer in Kingdom Enterprise:

Imperative it is that you not misplace this informative and sometimes humorous publication. It is a far more valuable resource than you might initially imagine. I implore you to take heed to my suggestion as I shall provide several illustrations to demonstrate its significance for the present and future.

First, this publication will come in rather handy as a source of reference as you attend classes. This book provides personal information about those with whom you are in school with the added benefit of a picture. And too, it can be frustrating and even embarrassing to

run into someone and not be able to recall his name, but with this publication you have the opportunity "to look them up."

Second, you will one day greatly appreciate the hard work and diligent preparation your professors have demanded from you. This book will provide the priceless photos of those people who pushed you and demanded the very best, thus providing a precious keepsake of each one who has made some contribution or lasting impression upon your life.

Last, your grandchildren will love it. Just imagine how the hair styles and chic fashions of today will appear ancient to them. In a few years, this publication has the potential to provide hours and hours of entertainment to those who come behind you. What better way to pass a rainy day than by collapsing on the floor in hysterical laughter at Grandpa way back when?

Hold onto this book as you have your old yearbooks and annuals – or church directories, for that matter. These pictures of your colleagues in Kingdom Enterprise will be of tremendous value to you for years to come. Friends that you make here are for eternity; some of them will become accountability partners and best buddies – even if you are halfway around the world from each other. You need at least one good photo to reminisce about how precious they are, because it may be years before you see them again. Just take my word for it – keep the book!

May God bless you as you labor as a student here at Southeastern Seminary!

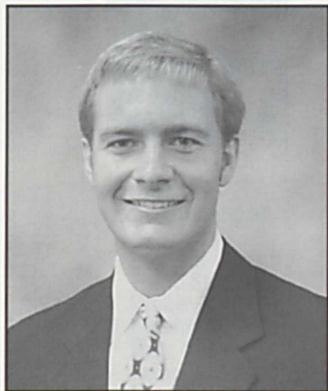

Until He Comes,

A handwritten signature in black ink that reads "Paige Patterson". The signature is written in a cursive, flowing style.

# STUDENT BODY PRESIDENT'S MESSAGE

Dear Brothers and Sisters in Christ,

The Student Leadership Team of Southeastern Seminary and College welcomes you to the greatest place on this side of heaven. God has called each and every one of us to this small corner of the globe in order to prepare us to make a dynamic impact for His Kingdom. Southeastern is a unique place where academic pursuits and spiritual passion mold our students into useful tools for the Kingdom of God. During your time at Southeastern, there is one important point to remember: you will only get out of your experience at Southeastern what you are willing to invest.

The first great investment that you can make is in your walk with God. Anyone who spends significant amounts of time walking always first invests in the proper shoes. In the same way, we cannot attempt to walk in ministry without first preparing our own lives. To some, academic pursuits at a theological school would present the perfect place to grow in a relationship with God. However, such academic pursuits can usurp the priority of a vital, intimate relationship with our Lord if we are not careful. Be diligent to study God's Word apart from class assignments and pray about more than just your upcoming exam. Actively seek out a local church body and become involved in the ministry where you can encourage others as you grow in Christ. Find a trustworthy friend and keep yourselves accountable so that you may be above reproach before God and man.

The next great investment is your mind. Southeastern is an institution of higher education focused on training godly men and women to be well-educated soul-winners capable of presenting the Gospel both passionately and logically. Take advantage of the opportunity to study under some of the most respected professors in evangelical circles while maintaining the attitude that God has presented you with an opportunity to learn.

The final great investment to make at Southeastern is memories. Each person in the pages of this book represents a life committed to Christ with a willingness to serve Him faithfully. You will have the opportunity to invest in the lives of family, friends, and faculty. Each life that you impact will be a memory that you can carry with you no matter where God places you for service.

In a world focused on investing for tomorrow, make an effort to invest in eternal things.

In Christ,

A handwritten signature in black ink, appearing to read 'Evan Lenow'. The signature is fluid and cursive.

Evan Lenow
