3. The location of missions or new churches shall be determined by the need revealed in an adequate survey conducted by the Missions Committee and local interested groups or churches.

4. Any church, committee, group or individuals considering beginning new work, acting with or without church sponsorship, should approach the Missions Committee for guidance before having any service or choosing a temporary or permanent location.
 5. The Missions Committee shall institute basic, understandable operational procedures and practices for a mission that leads in establishing and strongly urges that each church establishing a mission does the same. That guidance of missions by the Missions Committee shall continue until a co-operating church or churches can be led to accept the responsibility of sponsorship.
 6. A mission organized or assisted by the Missions Committee shall accept the recognized principles and practices of a church cooperating with the Randolph Association, the Baptist State Convention and the Southern Baptist Convention.

RANDOLPH BAPTIST ASSOCIATION

The committee shall also commend those persons and institutions that uphold Christian virtue, and shall support the churches in the teaching of Christian personal and social righteousness. The committee shall report to the Executive Committee and Annual Session when needed.

ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the Ordination Committee to act as a presbytery for the purpose of examining the brother according to the guidelines found under Duties of Ordination Committee.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

Sunday School Report

Early in January of this year the Randolph Association Assist team (Assist Team is an acronym for Associational Sunday School Improvement Support Team) to Campbell University for the purpose of learning the material in the new Basic Book series of Sunday School Work. Our Assist Team was glad of the opportunity to attend for we were planning to teach that series in September.

As Sunday School Director for the association I have led the association in a concentrated Sunday School preparation effort for the coming year.

In late July I conducted the Pastor's and Sunday School Director's Workshop. This was a workshop where we learned the "what" and the "why" of preparation. The turnout was relatively small, but the response of the group was excellent.

In September the whole Assist Team led in teaching the new Basic Book series on Sunday School work that we had trained for in January. The response was excellent, as 59 enrolled for that study.

The study was culminated with a Curriculum Workshop. The Curriculum Workshop material is now available at the association office for the use of the individual churches if they are interested. The whole Assist Team is available for clinics, workshops, and consultations for any of our Sunday Schools that need our help. This is a joint project between God, the Baptist State Convention, and our Association to "Reach" and "Teach." That is the challenge of our whole convention, and is the heart of the "82 Here's Hope" and "8.5 by '85" campaigns.

Let us not only strengthen our Sunday Schools, but let us also "Reach" and "Teach" Jesus Christ to this county and state in the coming years.

Grady Edwards

14 Ron Cople presented the Church Training Report.

Church Training Report

This year "Basics of Discipleship" has been our emphasis in Church Training. We have focused for an entire year on personal growth and discipleship, beginning with the conversion experience followed by daily living with Christ using the Bible as a resource for growth, cultivating prayer life, growth in personal witnessing, not to mention many other studies to help us grow into mature Christians.

These studies helped to prepare and usher us into the "M" Night Theme: "Equipping for Personal Growth." "M" Night was held at Balfour Baptist Church on November 24, 1980. This year we had three groups. Gary Chapman was speaker for the adult group. Mr. Frank Newsome was youth speaker, and Big Foot, the clown entertained the children.

We were received very warmly by the host church and God's Spirit was in our midst.

According to our records we registered 121 attending and Balfour Church was recognized for having the most people present as well as the largest percent of their enrollment.

The Associational Children's Bible Drill, and Youth Bible Drill was held at Oakhurst Baptist Church on May 17. Mrs. Cindy Parker led the Children's Bible Drill and Mr. Charles Spivey led the Youth Drill.

In the Children's Bible Drill we had eleven participating who represented two churches as follows: 10 from Asheboro, First and 1 from Greystone. All 11 were associational winners and represented us in the State Tournament and won there also. Nan Johnson from Greystone and Holly Warrick from First Baptist were three year winners.

We had three participating in the area Youth Bible Drill from First Baptist Church. They all were winners and went on to represent us in the State Drill.

Rev. Ron Copple, was our Church Training representative at the Key Leadership Conference at Ridgecrest in May. Rev. Copple led our local Key Leadership Church Training Conference at First Baptist Church in Asheboro on May 25. He had just returned from Ridgecrest and was very enthusiastic and excited about Church Training. He shared vital information with us that he brought back from Ridgecrest.

On June 9, a Youth Rally was held at Forest Park Baptist Church. This Rally was led by the Apostoloi Team who sought to involve all the youth in our association.

Again, on August 14, Youth Night was observed at First Baptist Church, Asheboro, led by the Apostoloi Team. The purpose of this meeting again was to involve all youth in our association.

On September 28, Rev. Jim Simpson, Associate in Church Training Department, Baptist State Convention led us in a Church Training Workshop at the Associational Building. In this workshop Rev. Simpson presented the new materials, Equipping Center, Survival Kits, Master Life, Disciple Life, and regular materials to the Pastors and Church Training Leaders from the local churches in our Association. It was a very informative workshop. At this workshop we learned our emphasis will be on Church Growth for the year 1981-82.

This has been another year of challenge and opportunities for us in Church Training. God continues to bless us and for this we are truly grateful.

Thank you for your prayers and support that have made this year possible.

Respectfully submitted,
Mrs. Hazel McCollum

15 WMU report was presented by Toni Underwood, member Forest Park.

W.M.U. Report

Our Watchword this year has been "Commit thy way unto the Lord, trust also in him and he shall bring it to pass" (Psalm 37:5). Our WMU was very committed to this verse in starting the new year. In October we tried to reach a goal of one new member per organization by November. This campaign was entitled "10,000 more by November 4." We fell short of our goal but hope that churches are still working to add new members.

In December I had the privilege of speaking about Lottie Moon at the Clearview Church.

A group of 40 girls and leaders attended a G. A. activity in Lexington. Pam Gray, Peggy Owen and Frances McGee helped with the program there.

April was the month for Annual meeting which turned out to be a beautiful service. Two from our own Association, Mrs. Joel Lunsford, and Ms. Betty Simmons spoke on their volunteer work in missions this past summer. Mrs. Ann Smith from Pleasant Garden showed films and spoke of her mission work. There were approximately 70 people in attendance.

The new officers for the year were also installed that night. This was a highlight for WMU with all but two positions being filled.

The new WMU Director, Toni Underwood, attended the Key Leadership Conference at Ridgecrest and then led the Key Leadership Conference at First Baptist, Asheboro, in May.

There were 10 council members who attended the State Associational Leadership Workshop in Thomasville. Also four members of council went to WMU Week at Ridgecrest in August. The council then led a workshop for WMU leaders in September to help prepare for the new year.

WMU is an opportunity for women to find their own gifts and to help other women to discover their gifts as well — through leading learning and loving.

16 Presentation of the Brotherhood Report.

Brotherhood Report

As we look back on the past year as a Brotherhood Mission Organization we are grateful for the many accomplishments that were done but we are greatly aware that there were many things that we did not do to strengthen our Brotherhood program.

We were able to attend the North Carolina Baptist Men's Convention in Greensboro, November 8-9, 1980. The theme of the convention was "Growing-Giving-Going." We had some fine speakers like Jimmy Allen, past president of the Southern Baptist Convention. It was good to find out what the Baptist men of North Carolina are doing in Missions.

On January 25th we had a Baptist Men's Rally at First Baptist Church in Asheboro, which included a Bar-B-Que supper. Rev. David Weeks, Associational Brotherhood Director of the Dan Valley Association, and Pastor of Sharon Baptist Church in Reidsville, was guest speaker. We had 68 men present from 17 churches.

We went to Ridgecrest May 11-13, 1981 and studied Brotherhood work in N. C., what Baptist men are doing and how we can become more involved. I led the May 25th Key Leadership Conference at First Baptist Church, Asheboro, and related what I learned at Ridgecrest.

We have worked on the Disaster Relief Unit at Camp Caraway this year and hope to be through with it before the end of the year. Mr. Leroy Yates from Rockingham is the coordinator for this project. When it is completed it will have the capacity for serving 3,000 meals two times a day, a 1,000 gallon clean water tank, rest room, waste water storage, bunks for six people to sleep, C. B. and other equipment to keep in touch with law enforcement and other emergency agencies. The unit will have a generator, so it will be self-sufficient. We need men to train for service in this unit, so if disaster strikes, we will be able to move where it is needed. It will stay at Camp Caraway when not in use.

Our thanks to all the men who were involved this last year in Baptist Men's work. We hope more churches will be involved this coming year.

Respectfully submitted,
Bobby Poole

17 A. Judson Rotan, Director of Missions, presented his report.

Director of Missions Report

I am happy to report to you that this has been an exciting year in ministry with Randolph Baptist Association. I have been thrilled with the events and programs that we have had.

During the past associational year it has been my joy to be in thirty-six of the forty-three churches, either preaching, teaching, or visiting. The invitation to preach continues to be numerous and this reduces the opportunity to visit in many churches for their regular worship services. My ministry has been used through the associational building to the local churches, working with pulpit committees to leading workshops for deacons and Sunday School teachers. I have driven around 16,000 miles in behalf of our associational ministry.

Also, this has been a year of some special events.

1. In November, I went to Honduras with nine (9) other men from North Carolina in a mission work project, helping to finish a church in Santa Cruz and beginning a storage building for our missionaries. This was one of the greatest experiences of my life, seeing and sharing with people of another culture. I saw poverty at its worst. I will not be the same again. I want to thank Randolph Baptist Association for sending me on this short term mission project. I was able to show my slides in twelve churches, as I shared the experiences of this trip.
2. I attended the Directors of Mission Study Seminar in January at Southern Seminary, Louisville, Ky. This was a very helpful seminar.
3. In March I participated in a World Missions Conference in the Union Association, Monroe, N. C. This is always a great experience and an enrichment for my spiritual life.
4. In April, we conducted a three day Churchmanship Seminar at Balfour Church with video tapes of speakers.
5. This past summer, it was our privilege to supervise four college students - the Apostoloi Team, in their ministry to nine different churches. These college students shared in the youth ministry of these churches with drama, music, puppetry, Bible studies, recreation, retreats and worship. Around 500 youth were involved in this ministry.
6. I was one of two Directors of Missions from North Carolina that was invited to participate in a Foreign Mission Board Intensive Study Seminar at Ridgecrest, July 4-10, 1981. We spent thirty hours learning the purpose, philosophy and inter-workings of the Foreign Missions program. I was deeply impressed with this seminar. I learned much about our Foreign Missions program.
7. I also served as one of the missionaries at our state G. A. Camp Mundo Vista for two weeks this summer.
8. On September 16-19, I attended the National Conference for Directors of Missions at Ridgecrest, with twelve hundred other Directors of Missions and state convention staff. It was a time to look at the '80's and how we can reach more people for Christ and his church.

These are only a few of the many activities (big events) that I have been involved. There are many other activities that could be mentioned, but we have been faithful to the stewardship that the Association has given to me to do. Thank you for the privilege of serving you as your Director of Missions.

One final thing I want to mention is the renovation of our associational building. This is a big step this year for our association, providing additional rooms such as Conference Room, Work Room Library, Director of Missions Office and a Resource Center for our churches. I am really thrilled and happy for this renovation. We will be able to minister more effectively to the needs of our churches and the ministry of our association. Open House for the newly renovated associational building will be Sunday, October 25, 1981.

Let me remind you that I am available, I care, I want to inform you, and help you in your churches to strengthen your ministry. The Association exists for the needs of the churches. Call upon us. Let us continuously be a fellowship of churches on mission in our county.

Ordination Committee Report

The Ordination Committee of the Randolph Baptist Association is appointed to aid churches which wish to set apart certain people for the Gospel ministry. Whenever a church desires to ordain a person it may request the Committee on Ordination to act as a presbytery for the purpose of examining the candidate as to the candidate's fitness for the Baptist ministry.

If the candidate is found qualified and if the ordaining church wishes, the committee will assist in the ordaining of the candidate.

This year the Committee on Ordination received two requests. Macedonia Baptist Church asked that the committee examine Mr. Beauford Smith and Sophia Baptist Church requested that Mr. Curtis Johnson be questioned. Both men were approved by the Committee on Ordination and both men were ordained by their respective churches.

This committee urges each church to exercise great care in setting persons apart for the Gospel ministry regardless of what that ministry might be and we are at your service to lend any help that we can.

Respectfully submitted,
Alton Cook, Chairman

- 33 The House and Grounds Committee Report by Vernon McDaniels.

Building and Grounds Committee

1981 has been a year of activity and expenditure related to our Associational Office located on the Old Farmer Road. It has been the site of noise, paint, labor, and planning as the inside of the facility was renovated this summer to accommodate some long needed changes.

The decision to remodel the associational building was granted at the 1980 session and further voted upon, in detail, at the Executive Committee's meetings in February and May. Work was begun on June 1 with alterations on the upperlevel to include a conference room, a larger office for our Director of Missions, a separate media center, and an expanded work area for the office force and equipment. The lower level was altered to make the meeting room larger and more acceptable for general meetings. The total facility was air conditioned, carpeted, painted, and received new lighting. The project cost \$20,000.00. Ladies of the W.M.U took on the project of decorating the windows and appeals were made to the churches for additional funds for new office furniture and some appointments.

There was excitement generated throughout the association over this project and everyone who has seen the building has complimented its improved arrangement. The next goal is to improve the outside of the building and to maintain and improve the parking lot that is need of repair. The Building Committee has tried to be good stewards of the Lord's money in accordance to the wishes of our fellow Baptists. We believe our facility is adequate and functional and with these improvements should meet the need for Randolph Baptists for years to come. We wish to thank all of our churches for their admirable cooperation and for the spirit of unanimty that has led through this project.

- 36 Baptist Hospital Report presented by Billy Kincaid.

Baptist Hospital Report

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical technology and the application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and technology. During the past year, the hospital has expended more than \$3 million on technological equipment, including the installation of an 18-MEV linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catherization laboratory increases the capability of indentifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes — making transfusion faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telemetry system which uses cameras to record a patient's physical symptoms during a seizure. This makes it possible to identify and classify a seizure, thus enabling the physician to determine the precise drug dosage needed.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short-term mission assignments during the past year — many of these in overseas areas.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling, at several levels, and numerous events in Christian enrichment and development. The Minister's Care Plan continues in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep our operating costs and patients charges as low as possible.

During the year, the hospital's charter revisions have been brought to successful and satisfactory conclusion.

In 1980, our churches contributed \$457,459.56 to the hospital through the Cooperative Program, and \$353,397.73 through the North Carolina Missions Offering and designated gifts.

37 Bill Barnes presented the report on Baptist Homes for the Aging.

Baptist Homes For The Aging

As we look back over the past thirty years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one home in 1951 to a total of six Homes, an apartment complex, and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. These have been good years, and God has used N. C. Baptists to bring this special ministry to older people a long way. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Quite frankly, we are at a standstill. Crippling inflation has caught up with us and is eating into the very vitals of our existence. We are still giving the same high quality Christian care to each of the residents in the six Homes, Nursing Care Unit, and the apartment complex. It is a struggle and a juggle between income and expenditures.

Building plans for a desperately needed 70-bed addition to our current Nursing Care Unit and the Hayes Home have been held up by regulatory red tape for years. Now that the state health laws have been altered to permit the building of these beds, it doesn't appear that we could wisely borrow the money at current interest rates.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than \$550,000.00 (18% of all income), these gifts are not commensurate with our current population growth and the ministry support need of the Homes.

Two things are apparent. One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular channels — the Cooperative Program and the North Carolina Missions Offering. Two, North Carolina Baptists must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a Special Study Committee to take a serious and close look at the financial needs of our Baptist Homes.

Jackson (Jack) S. Hoyle is the Director of Admissions of the North Carolina Baptist Homes. Mr. Hoyle is responsible for carrying out the necessary procedures for admitting individuals to the North Carolina Baptist Homes. Listed below is a general information regarding admissions to the Homes. Mr. Hoyle is always ready to answer specific questions regarding applications to the Homes.

Requirements for Admission:

- Age 65 or over
- North Carolina resident (with some exceptions)
- Physically and mentally capable of functioning in one of the Homes

Cost of Care and Payment Plans:

No one is denied admission to the Homes because of inadequate funds to pay full cost of care. The 1980 cost to live in one of the Homes was \$660 a month, \$7,920 for one year.

A resident may choose one of the four following plans:

- Pay by the month
- Life Expectancy Pay Plan
- Transfer of assets to supplement monthly income
- Monthly income supplemented by denominational funds

Nursing Care:

Due to a shortage of beds, only residents of one of the Homes or apartments can be admitted to the Nursing Care Unit.

Apartments:

Four duplex apartments are located on the grounds of Hayes Home in Winston-Salem. An initial payment of \$37,730 is required (amortized at \$1,800 annually). A maintenance and utility fee is charged each month.

Applications:

Applications for the Homes and Apartments may be received from: Mr. Jack Hoyle, Director of Admissions, North Carolina Baptist Homes, Inc., 2900 Reynolds Park Road, Winston-Salem, N. C. 27107.

We will continue to trust our Heavenly Father for his blessings upon the Homes' vital ministry to older adults. We will keep faith with Him and with N. C. Baptists and strive to give the highest quality care to reach each resident of the North Carolina Baptist Homes. We will believe that our future is as bright as the promises of God Himself and as sure as the love and devotion of North Carolina Baptists.

 Reverend Bill Barnes

Baptist Children's Homes Report

The ministry of the Baptist Children's Homes in Piedmont North Carolina continues to grow and develop. This is made possible by the continuing support of many Christian friends. Vital to the work of the Homes is financial support through special gifts, the North Carolina Missions Offering and income through the Cooperative Program.

The Thomasville Family Services Center offers to residents in the 28 surrounding counties any and all services of our statewide ministry. Many of these services are actually located within these counties; group care at Mills Home, a specialized group home at Wall Home, Wallburg, emergency care at High Point and Burlington, a network of licensed foster homes, therapeutic camping in Moore County, social service offices in Hickory, Thomasville and Burlington, the Child Development Center and Family Resource Center in Thomasville, plus counseling and referral services.

During the past year an amphitheater has been completed on the Mills Home campus under the sponsorship of the Alumni Association. The therapeutic camping program of the Institution has been consolidated to make use of the Cameron Home near Vass.

Good things are taking place in our Baptist Children's Homes family across the State. Six Family Service Centers have been opened with three others in planning stages. Children are being provided temporary care in seven Emergency Care Homes. The Child Development Center in Thomasville continues to offer progressive demonstration preschool care as a model for North Carolina Baptist Churches. The Family Resource Center located in Thomasville is piloting a concept of continuing education for people across the State who are in the best position to assist families through a concept of preventive care.

Larry Sawyer and members of the staff of the Homes in Piedmont North Carolina are leading the program in a very fine way. In the words of Paul they can say "We are laborers together with God" (I Corinthians 3:9). Thank Him for this relationship.

Kermit Gray

Missions Report

The mission Committee is concerned that in our county almost one half of our people are unchurched. There are places in our county that need new work. We need churches that are willing to do mission work at home and sponsor a new mission in Randolph Association.

A recommendation was presented and approved by the Executive Committee that we seek to establish new missions in areas that do not have Southern Baptist work. This is needed in several areas of the county and sponsorship is badly needed to get this done. We desire your prayers in this endeavor.

Our association also needs some participation in the joint efforts with North Carolina Baptists joining to help West Virginia in their struggle to begin more Southern Baptist Churches and to strengthen churches already in existence. Our association needs to become involved in this great effort to help a neighboring state that has so many needs.

There are also needs to strengthen our own churches that our world wide mission program may be stronger.

Will you please pray that the Lord will send forth laborers to the harvest that is already white?

Carl L. King

- 47 Seminary Extension report presented by Alton Cook.

Seminary Extension Report

During the past year more than 10,000 persons enrolled in one or more Seminary Extension programs throughout the United States. This surpassed the enrollment of all six Southern Baptist Seminaries.

In North Carolina, the enrollment was 2,300. These people studied primarily in 75 centers throughout the state. Some of them enrolled in the Independent Study Institute. They enjoyed selecting courses in the Basic Curriculum Series and the College-Level Curriculum.

In Randolph County there are two Seminary Extension Centers. One is located in Liberty and one is in Asheboro. Some twenty people were involved in the two classes taught this past year.

As part of our state mission program, North Carolina Baptists help underwrite the cost of study with Seminary Extension through the Cooperative Program budget. This subsidy helps keep the cost per course within a range every student can afford. It also helps to explain why our state has enjoyed the largest Seminary Extension program in the United States for the seventh consecutive year.

The program includes other vital areas of work by establishing centers among General Baptists in cooperation with Shaw Divinity School. Last year General Baptists accounted for 1,026 registrations in Seminary Extension.

Also, classes are held for prison inmates in Women's Prison, Raleigh Columbus County, Buncombe County, and Orange County. Plans are almost complete for a class in Central Prison, Raleigh. During the two years this program has existed inmates have registered in 50 courses through the Independent Study Institute. Students have enrolled in 12 prisons.

See your Associational Director of Missions or Director of Seminary Extension for courses taught in your association.

Christian Life and Public Affairs Report

The Christian Life Council is concerned with a number of moral and ethical issues that affect the life of every Christian in our state. These include family life, problems of the aging, legislative activities in Raleigh, and world hunger.

Two years ago the Council on Christian Life and Public Affairs of our State Convention initiated the Legislative Information Net-

work to provide Baptists with accurate information regarding current legislation and to encourage Baptists to communicate to their elected representative opinions on current issues.

An interest in the problem of world hunger has grown among Baptists and a World Hunger Day has been set aside each year. Two pamphlets in the Light and Leaven series are available for churches to use in observance of this day. A special offering is received and sent to the Foreign Mission Board to be used by missionaries in countries where the need is the greatest.

Randolph Baptist Association will conduct a Family Life Conference in 1982 to encourage stronger family relationships and to minister to those families in distress. The Conference will be led by compassionate experts in the field of family life and training.

Justus McKeel

49 Historical Committee report presented by Elsie Hicks.

The Historical Report

This is the second year the Historical Committee has been in existence. You will find the following events that were taken from the annual letters. We would like to encourage the churches to report to the associational office or the Historical Committee events that are history in the churches. We have a brief history on each church where the Annual Session is being held this year. Please help us to keep a good history of our churches in this association.

1. Russell's Grove Church paid off the church debt, a 20 year debt paid off in four years and eight months. The note burning service was held January 4, 1981. They are in the process of remodeling their fellowship hall.
2. Clear View indebtedment was paid off April 28, 1981. The note burning service was May 17, 1981. We thank God for supplying our needs and a beautiful place to worship.
3. Riverside Church debt has been retired.
4. Mt. Pleasant Church has started a new sanctuary.
5. Macedonia Church held the Ordination of Beauford Smith to the ministry, and elected him as Director of Church Programs. Purchased a church van. Installed handicap ramp and sidewalks at church.
6. Union Grove helped build a church in McCook, South Dakota.

HISTORY OF ASBURY BAPTIST CHURCH

The Asbury Baptist Church was organized in October, 1926. The building had been abandoned by the Methodist, hence the name Asbury. From a very small number of charter members the church has grown to a membership of 318. In 1954, a building program was begun with the addition of a beautiful modern Sanctuary, and in 1980, a fellowship hall was built.

We are proud of our Church, the unity of our membership and the worship we enjoy, and being debt free.

HISTORY OF WHITE'S MEMORIAL BAPTIST CHURCH

White's Memorial Baptist Church was started as a brush arbor in the early 1900's. The Rev. Joe Dan Hackney did the first preaching.

Moor's Chapel Church (now Franklinville Baptist Church) saw the need for a mission point at this location. Organizational services were held the second Sunday in May, 1908.

Voting by ballot was held to select a name. White's Memorial received the biggest majority. It was named after the Rev. W. R. White.

The first building was a one room structure. Now it is a brick structure with a seating capacity of 325-350 people. It has twelve classrooms and two offices. A brick parsonage was built and a fellowship hall was added in 1980.

Thomas C. Keaton was called to serve as the first pastor. The present pastor is Rev. Jack Sherron who returned to serve in 1978.

50 Alton Cook gave the report on the Annuity Board.

Annuity Report

"Unprecedented Growth and Startling Change"

"Nineteen hundred eighty has been a year of unprecedented growth and startling change," according to Dr. Darold H. Margan, president of the Southern Baptist Convention's Annuity Board.

Key statistical highlights in 1980 included:

1. A 13th Check amounting to 10 percent of a year's benefit was mailed to annuitants who retired before 1980.
2. A total of \$21,059,479 in retirement benefits was paid.
3. Insurance benefits through the Board's church, agency and seminary programs amounted to \$15,955,965.
4. Total assets held in trust at the year end equaled \$806,518,757. This figure represented a growth of \$139,043,770 over 1979's total.
5. Premium income totaled \$87,938,590. including contributions and relief receipts. A total of \$42,121,138. was designated for the Fixed Fund, \$3,620,501 was earmarked for the Balanced Fund and \$11,063,513 went into Plan A. Insurance premium totaled \$24,863,894.
6. At the close of 1980, the Board counted 20,527 church and agency member accounts in Plan A, 47,701 in the Fixed Fund, 6,033 in the Balanced Fund and 3,376 in the Variable Fund.

DEPARTMENT OF RETIREMENT PLANNING

Baptist State Convention of North Carolina

In North Carolina as of March 31, 1981 3,114 staff members of 2,353 churches and associations are participating in the Southern Baptist Retirement Program.

Through March 31, 1981, we had processed the following:

- 70 — Southern Baptist Retirement Program applications
- 11 — applications for age retirement benefits
- 442 — upgrades

One of the most exciting and far reaching aspects of our work for 1980 has been the printing of and response to the study guide, *Planning The Rest of Your Life*. This booklet is available from our office for church staff members, small study groups and church families who wish to have help in planning their retirement years.

The church's response to upgrading the staff member's retirement program is most encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum.

ASSOCIATION

In Randolph Association 33 churches and 41 staff members are participating in the retirement program. Of this number 13 are still participating on the minimum of \$33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

The Biblical Recorder Report

Faced with the same inflationary pressures that every family has these days, the *Recorder* has managed to get through another year without an increase in subscription rates. A church can still send the *Recorder* to resident families for only 7¢ a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the *Recorder* is doing its best to hold the line by getting out a good paper at reasonable costs.

J. Marse Grant, Editor

- 51 Presentation of the Christian Literature report given by Hansel Neathery.

Christian Literature Report

Needless to say, the quality of our Baptist literature remains high. We need to keep in mind the three curriculum series for youth and adults — the Bible Book Curriculum Series, the Convention Uniform Curriculum Series, and the Life and Work Curriculum Series including Bible leaders (grades 1 and 2), Bible Discoverers (grades 3 and 4), and Bible Searchers (grades 5 and 6) materials. Each group of materials includes a teacher's quarterly, a resource kit, and a set of teaching pictures. Each group of materials also has three curriculum related items: a yearly recording of unit songs, a quarterly Bible study tape for workers and a quarterly teaching tape for children.

The Broadman Press which is the trade name of the general book publishing enterprise of the Sunday School Board of the Southern Baptist Convention has been busy again this year keeping us up to date by continually introducing new products. This year it has introduced 513 new items including 115 books, 1 motion picture, 25 filmstrips, 1 videotape, 61 audio cassettes, 2 slide sets, 4 tape tracts, 8 recordings, 7 choral or vocal collections, 4 choral works, 2 pieces of sheet music, 132 octavos, 4 instrumental parts, 23 instrumental collections, 12 cassettes, 1 8-track tape, 12 handbell pieces, and 99 new church supply items. During the same period, 254 old products were dropped by being declared out-of print or out-of-release. Those dropped included 88 books, 98 supplies, 27 audiovisuals, and 41 pieces of music.

Among the new books published, perhaps the most significant were Only The Beginning, The New Lottie Moon Story, A Theology for Children, How to Teach the Bible, Real Evangelism, and 4 volumes of Layman's Bible Commentary.

Broadman also entered the Vacation Bible School market for the first time, releasing materials for all age groups preschool through adults.

On January 2, Broadman assumed the publishing of two H. I. Hester books, The Great Heart of the Hebrew History and The Heart of the New Testament which is a major addition to the line.

Thus, may we ever be grateful to our heavenly Father for our dedicated writers and publishers who supply us each year with so much Christian literature of the highest quality.

- 51 Mrs. Clara Goodman presented the report on Appreciation.

Appreciation Committee

The Psalmist said in chapter 133:1, "Behold, how good and how pleasant it is for brethren to dwell together in unity!"

We, too, as the Appreciation Committee thank our God for this unity we feel and see in our association.

We thank God for our Director of Missions, our moderator and all who had a part in planning and bringing this session together.

We are thankful for the guest speakers and for their dedication of their lives in our Lord's work and service. Our lives have been touched and highly blessed and challenged. And we thank you!

Our host churches, White's Memorial Baptist and Asbury Baptist and their pastors, we appreciate all your kindness and beautiful Christian fellowship and food.

And we want to thank God for the unifying influence of our Association that brings us together for this our 47th Associational Meeting.

Respectfully submitted,
Clara Goodman

Evangelism Report

All baptist are urged to participate in the Joint Evangelistic Crusade in 1982. The Theme will be "Here's Hope." Interpretation Meetings have been held across the state to suggest plans and basic thrusts for the Joint Crusade effort, which is co-sponsored by the Baptist State Convention and General Baptist State Convention. The Simultaneous Revival dates for the areas are: Coastal — March 14-28; Piedmont — April 4-18; and Mountain — April 25-May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

Churches are urged to have Lay Evangelism Schools in preparation for the '82 Joint Crusade. Master copies of transparencies to be used in teaching Lay Evangelism Schools were sent to all Directors of Missions. 73 associations have a trained Coordinator of Lay Evangelism Schools who will train other pastors in the association.

"Prayer and Awakening" was the theme of the 35th Statewide Evangelism Conference held February 2-3, 1981 in the Thomas Wolfe Auditorium, Asheville Civic Center, Asheville, North Carolina. About 2,400 pastors and lay persons attended this Conference.

Most of our associations have been involved in Bold Evangelism Clinics, encouraging church leaders to plan specific, on-going programs of evangelism in the local church, with the use of the notebook, *Bold Evangelism through the Local Church*. The other associations are asked to plan a Bold Evangelism Clinic, and churches are also urged to enlist a Local Church Task Force on Evangelism to involve more members in direct witnessing to unsaved persons.

Some of the associatins will be meeting before the dates of August 28, 29, and 30, but on these three nights, thousands of youth will be involved in our three Youth Evangelism Conferences. This is a first as, heretofore, we have had only one Youth Evangelism Conference. On August 28 the Conference will be in Fayetteville; on August 29, in Greensboro, and on August 30, in Asheville. We thank God for these three wonderful evangelistic opportunities and for what we believe He is going to do in these three services.

The Youth Evangelism Leadership Conference has rapidly become a major intensive equipping time for pastors and youth leaders. Key areas of the Conference are Personal Growth of the leader,

youth witness training and discipleship, and equipping adults to minister to youth. During the 1981 Conference, October 5-7, at Camp Caraway, Jack Taylor is the inspirational speaker.

Baptisms were up last year! Praise God! While it is too early to know, we all pray that North Carolina Baptists are recapturing the desire and commandment of the Lord to "feed my sheep." If so, we shall surely continue to see more persons led to receive Christ as Lord!

The 36th Statewide Evangelism Conference will be held in Greensboro during February 8-9, 1982.

On April 1, 1981, W. C. Lamb became Evangelism Consultant of the Hawaiian Baptist Convention.

The fall of 1981 found many of our sister churches preparing for the 1982 Joint Evangelistic Crusade. We look forward and encourage others to join in participation and receive the blessings that God will send. Preparation always promises a harvest and this is exactly what Randolph Baptists need: a harvest of souls!

Vernon B. McDaniel

Cooperative Program Report

This year the Cooperative Program will celebrate its 56th Anniversary. This represents fifty-six years of cooperatively sharing Christ with the world. Baptists have learned that we can accomplish more by working together in such a spirit of love and sharing. Through the years the Cooperative Program has become a united and continuous appeal for many causes, cutting out the need for many special offerings, and giving a day-by-day support for Baptist work.

During these days of an uncertain economy, each church is challenged to reaffirm its commitment to the Cooperative Program as our primary channel of mission support. The work of Christ must go on during good and bad economic times. We must proclaim Christ Lord to everyone under all economic conditions.

Our churches have rallied to our mission causes, for today the Cooperative Program is six percent ahead of the end of June in 1980. We are moving forward. This year's proposed Cooperative Program budget will top \$20 million; almost twice the \$11 million CP budget for 1976, the base year for doubling the budget under the Bold Mission program.

We believe that the Cooperative Program was and still is God's plan for Southern Baptist to carry out the Great Commission to reach every person in the world with the saving message of Christ. Under God, Baptists can and will continue to move forward under any trying economic conditions. Thus, His joy will become ours.

F. G. Alford
