ADAMS PAPERS, LIBRARY, AND ORAL HISTORY PROJECT

We are delighted to announce that Dr. and Mrs. Ted Adams have accepted our invitation to make the Southeastern Seminary Library the repository for their personal papers, tape recordings, books, and other materials. There are additional components of their gift which will be announced at a later date.

The Library's Adams materials will be further enriched by oral history interviews with Dr. Adams. Several of these have been conducted and recorded by the Librarian. The project will continue.

Both the existing records of the life and ministry of Dr. and Mrs. Adams and the recorded interviews will be rich sources for research in years to come. To have them is a signal honor for the Seminary Library. We are profoundly grateful to these dear friends.

LIBRARY STAFF CHANGES

Ed Sansbury will become Acting Supervisor of Audiovisual Services on August 1, 1978. We are pleased to have Ed remaining on the staff following completion of his M.Div. degree requirements this summer. Ed has been serving ably since January, 1977, as AV Services Assistant, employed eighty percent of full-time. From June, 1975, through December, 1976, he was a Student Assistant in AV.

Mrs. Lou Ann Brisson, currently a Library Student Assistant, will become Acting Supervisor of Reference Services on June 1, 1978. This appointment extends through 1978-79. Lou Ann receives her M. Div. degree this week along with husband Carson, who is remaining for the Th.M. program.

100

As we welcome Lou Ann, we must say "farewell" to Arlene Westbrook Macon, Reference Services Supervisor. She has served with distinction and contributed broadly to library services. We rejoice with her and Michael as they both go to the staff of Winter Park Baptist Church in Wilmington, she as Minister of Education, he as Associate Pastor.

We must also say "farewell" to Robyn Long, an excellent Cataloging Assistant, as we congratulate her and John upon his graduation. They will shortly move for John to serve as Pastor of Hazel Green (Alabama) Baptist Church.

Our new Cataloging Assistant will be Judy C. Bryant, whose husband, Jerry, is entering the Seminary in June.

SECOND VIDEOTAPE SYSTEM

The Library recently purchased a portable videocassette recorder and camera (black and white). Last year, by means of a very generous gift, we acquired an excellent color system to replace the obsolete system which had served preaching classes for years.

These two systems now give us expanded and flexible capability for the use of video in our teaching program. If you are interested in possible uses in a course, please consult Ed Sansbury or Gene McLeod.

Editor's Note--INTER-COM has had as much trouble staying alive as a better-known campus publication has, but we are determined not to let her die. The need for communication is real; our commitment to meeting the need is hereby renewed.
