Ladies and Gentlemen:

This is to advise you that the Board of Governors has appointed you, effective October 1, 1981, a member of the above referenced committee to serve for a term expiring September 30, 1982. Enclosed is a roster listing all members of your Committee.

Enclosed are memoranda relating to travel expense, texts of certain policy resolutions adopted by the Board of Governors and a copy of Article XIV, Rules and Regulations of the State Bar.

Some of you have previously executed and filed an oath specified in the Government Code and Constitution. To those of you who have not, a copy of the oath is enclosed. It is requested that the oath be executed and returned to this office promptly.

If you are unable to accept appointment on the committee, please advise us of this fact immediately.

You will be advised by the chair of your committee or staff of the time and place of committee meetings.

Very truly yours,
