My dear Fellow Students and Friends:  
This seventh edition of our Directory pleases me deeply. Experience has shown us of the Seminary Administration that students and many friends value it highly and use it frequently. There are about 735 of us now, including faculty and staff and the Directory is an indispensable help in knowing each other and finding each other when need arises. This service the Seminary is very happy to be able to render. Also, churches seeking student pastors or other workers find the Directory very helpful.

I would dedicate this new edition to those who have done so much to bring Southeastern so far in a very short time: encouraging friends, our faculty, our administrative staff and our loyal students.

Sincerely,

A handwritten signature in cursive script, appearing to read 'S. Stealey', written in dark ink.

Sydnor L. Stealey  
President

October 20, 1959

Dear Fellow Students:

King Baudouin I of Belgium in a recent address to a joint session of Congress said, "America has often been called a melting pot, but it seems better to call it a mosaic, for in it each nation, people or race which has come to its shores has been privileged to keep its individuality, contributing at the same time its share to the unified pattern of a new nation." I think that the heart of King Baudouin I's idea comes close to describing a student's experience at our Seminary. We come from a multitude of backgrounds to this campus for study. We are not forced into some narrow conformity which might well destroy the beauty of individuality, but rather we are led by enlightenment and fellowship earnestly to attempt a discernment of God's will and purpose for each individual in the world. In such an experience we share in the unique contribution that each individual makes in our work and in the Community of Faith.

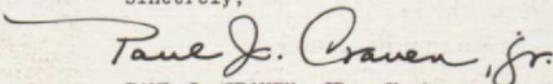

Without the warm fellowship which we are privileged to share, our experience here would be incomplete, but with the establishment of this fellowship our experiences here shall never end but shall be refreshed with every occasion we shall have to meet with our friends or with every occasion we shall have to reflect upon our years here.

Also, our lives have been permanently enriched by the relationships which we have had with the dedicated faculty of our Seminary. Their quest for truth, their maturing faith, and their love for God and their fellowman will always be a source of great inspiration to us who have studied and worshipped with them.

Certainly our experience here would be incomplete had we not had the privilege of knowing the administration and the administrative staff. We appreciate their services to us and their sympathetic understanding during our times of problems and needs.

For all of these contributions to our experience we are grateful. It seems appropriate, therefore, that we should have such a reference book as our Directory to aid us in remembering all those with whom we have associated while here at Southeastern, and it is a genuine privilege for me to enter this letter at its beginning.

Sincerely,

PAUL J. CRAVEN, JR., Chairman  
Student Co-ordinating  
Council

## MEDICAL SERVICE PROGRAM

In the interest of the highest level of health among students and families, the Seminary provides a medical care program, available to all registered students. In order that all such students may understand what they may expect from this medical service and what is expected of them in co-operating with the campus physician and nursing staff, the following statement of prevailing policies has been formulated.

### General Policy

Students needing medical care are asked to report to the Infirmary for treatment. Appointments to see the campus physician at the Infirmary must be made with the nurse before the physician's duty hours. Appointments must be kept punctually. Should a person need emergency medical care after the Infirmary closes, *for acute disorders or accidents only*, the nurse on call will give the attention needed. The nurses are off duty at the times when the Infirmary is closed and are only available in the case of emergency.

A weekly schedule indicating which nurse is on call will be posted at the Infirmary and with the telephone operator. You are to call the number of the nurse on call. The "on call" nurse is on call from 5:00 p.m. to 8 a.m. the following morning; on weekends from 8:00 a.m. Saturday until 8:00 a.m. Monday.

No student will under any circumstances call the campus physician without first consulting the nurse on call. If a campus visit by the campus physician is necessary, the nurse will then notify the campus doctor. If you choose to call someone other than the campus physician you are, of course, free to do so at your own expense. House calls off the campus or office calls at the private office of the campus physician are at the expense of the patient and the fee is payable to the physician.

The nurse on call for emergencies is not to be called to the dormitory or apartments to give injections merely for the convenience of the student or his family. Such injections are to be given during Infirmary hours in the Infirmary only.

### Purchase of Medicines

All students may secure general medicines and medical supplies through the Infirmary at

Prices which cover cost plus handling. Drugs prescribed by a physician and not in stock will be ordered if the patient so desires. Since drug service is rendered on a non-profit basis, the student is asked to *pay cash for all medicines at the time he receives them.*

If it is necessary for a patient to be hospitalized in the Infirmary, a charge of \$4.00 per day will be made to cover room and board. Hospitalization other than in the Infirmary is solely the responsibility of the student.
