 1. The Committee is to seek to discover areas where new work is needed and to lead in the sponsorship or establishment of new work to meet present need or the securing of property by a local church and/or the Association in the anticipation of future need.
 2. All new work does not necessarily need to be nor should be intended to become an organized or constituted church. New work may be started and maintained on the basis of a mission to meet particular need (this provides for institutional missions such as jails, prisons, rest homes, etc.)
 3. The location of missions or new churches shall be determined by the need revealed in an adequate survey conducted by the Missions Committee and local interested groups or churches.
 4. Any church, committee, group or individuals considering beginning new work, acting with or without church sponsorship, should approach the Missions Committee for guidance before having any services or choosing a temporary or permanent location.
 5. The Missions Committee shall institute basic, understandable operational procedures and practices for a mission that leads in establishing and strongly urges that each church

- establishing a mission does the same.
6. The guidance of missions by the Missions Committee shall continue until a co-operating church or churches can be led to accept the responsibility of sponsorship.
 7. A mission organized or assisted by the Missions Committee shall accept the recognized principles and practices of a church co-operating with the Randolph Association, the Baptist State Convention and the Southern Baptist Convention.

ARTICLE VII—ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to obtain a brother to the ministry may request the said Committee to act as a presbytery for the purpose of examining the brother as to his fitness for the Baptist ministry, and, if he is found qualified, to assist in the ordination.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

ARTICLE VIII—NEW CHURCHES

Baptist churches may be organized and established in localities within the territory of this Association when such new churches are seen to be needed. Those interested in organizing a new church may seek the counsel of the Executive Committee and the Missions Committee of the Association.

ARTICLE IX—RULES AND ORDER OF DECORUM

This Association shall be governed in its meetings by such rules and by-laws as may be adopted, amended, or set aside by a majority vote of the messengers present. Kerfoot's "Parliamentary Law" will be the guide in all parliamentary matters.

ARTICLE X—ADOPTION

The Constitution and By-Laws shall take effect immediately upon its adoption by a two-thirds majority vote of the messengers present and shall supersede any and all constitutions, by-laws, and amendments previously adopted.

ARTICLE XI—AMENDMENTS

This Constitution and By-Laws may be amended at any regular annual meeting by a two-thirds majority vote of the messengers present, provided the proposed amendment shall have been presented in written form on the first day of the Annual Meeting. The vote on any proposed amendment so presented may be deferred until the second day if requested by a majority vote of the messengers present.

EXECUTIVE COMMITTEE REPORT

All committee meetings were held at our regular time at the First Baptist Church in Asheboro, with one special call meeting.

At our November 12, 1964 meeting, all churches were asked that due and proper consideration be given to the Life Annuity plan available through the State Association.

On May 6, 1955, your Committee approved the motion that this Association go on record as being opposed to the establishment of a distillery in the State of North Carolina and advised our Senator and Representative to this effect.

The motion was made, seconded and approved that the Committee is opposed to an ABC store in the city of Asheboro.

A special call meeting of the Executive Committee was called on May 7 for the primary purpose of considering the following recommendation from the Pastors Conference: They recommend that Central Revival, which was to be in July, be called off due to the uncertainty of securing tent, several churches are without pastor, a number of pastors have prior commitments, cost to run up to \$6,500.00, and the poor attendance at the rally of May 17. The motion was made and seconded that this recommendation be approved and it was so approved.

The Finance Committee requested permission to spend \$425.00 for painting the inside of the Field Worker's home. This request was granted.

Respectfully submitted,

Fred Lane, Clerk

10. Mrs. Ruth Hobgood, President of the W. M. U. presented the W. M. U. Report.

W. M. U. REPORT

As we close the door on our W. M. U. year we give thanks to God for his divine guidance, for the opportunities and responsibilities that have been ours. I hope that every W. M. U. member in our association has found new and thrilling insights in the meaning of worship for her own life and in relation to her witness to all the world. Our watch word for this year was Psalm 57:9 "I will praise thee O Lord among the people, I will sing unto thee among the nations." I pray that each of us has found such joy in realizing our utter dependence on God that it has been impossible to keep our experience to ourself and that we have truly praised God among the people and among the nations.

Seasons of Prayer for Foreign, Home, and State Missions were observed and offerings given to further the work of Christ throughout the whole wide world.

Our annual Associational meeting was held at Mt. Pleasant Church, Liberty, N. C. Despite a deluge of rain the church was packed. Nineteen churches represented, with 163 in attendance. Mrs. Gene D. Phillips, Missionary to Rhodesia was our guest speaker. As she told of Southern Baptist work in Rhodesia, what a thrill it was to know that we in Randolph Association were sharing in her labors by our prayers and our giving. She challenged each of us to do away with prejudice and to consider each soul regardless of color as a child of God.

May 6 was day of prayer retreats for our Association, a time set aside asking God to guide and direct us in our efforts to further His work here in our Association. Thanking Him for all the blessings that He has bestowed upon us.

This year we have added a new W. M. S., two Sunbeam Bands and two G. A. Organizations. We planted and God gave the increase.

Three members of our Executive Board attended the Leadership Conference at Campbell College. Two members attended W. M. U. week at Ridgecrest.

I express my sincere thanks to every person who has shared in this year's work for Our Master.

Respectfully submitted,
Mrs. Ruth Hobgood
W. M. U. President

11. Report on State Missions given by Earl Underwood.

STATE MISSIONS REPORT

Our concept of State Missions is ever changing. We now regard everything we do as North Carolina Baptists, with the exception of Social Service and Educational Institutions, as State Missions. These services which we mention are at the forefront of our program for this year.

1. **Stewardship Promotion.** The basic objective of the Department of Stewardship is to bring men to God through Jesus Christ and to develop mature Christian character. The main emphasis is to present stewardship as an expression of spiritual experience.

2. **Fruitland Bible Institute.** The Institute is designed to give a measure of basic preparation to men who have been called to some special service but find themselves insufficiently trained to do the job well. A three-year course is offered.

3. **Department of Deaf Missions.** Six thousand people in North Carolina are deaf, living in a world where telephones, radios, and other instruments of sound do not exist. The objective of the Ministry to the Deaf is to win these people to Christ and then to help them to grow in their spiritual life.

4. **North Dakota Ministry.** In 1961 our state convention voted to sponsor "Pioneer Missions" in North Dakota and to give this work whatever support was deemed wise. The work has prospered. Now there are 11 churches with nearly 1100 members.

5. **Cherokee Indian Ministry.** A joint ministry with the Home Mission Board, this ministry is experiencing a time of change and growth. With the increase in tourism and the influx of new industry the "World" of the Cherokee is ever expanding. We are seeking to help them meet this economic and social change in a Christian manner.

6. **Military Ministry.** This is a cooperative work of the Baptist State Convention, the Home Mission Board, and the associations in our four major military areas. The responsibility of this ministry is to help locate Baptists and unenlisted people and get them enlisted in our churches.

7. **Japanese Work.** Many foreign-born people spend some time in North Carolina military areas. Notable among these are the more than 3,000 Japanese wives. Including their families, we have approximately 10,000 Japanese-related people in our church communities. Winning these to Christ here could prove a foreign mission enterprise in itself, for they should be valuable witnesses when they return home.

8. **Church Music Department.** The purpose of the Department of Church Music is to plan and promote a program of church music education to the end that music may be used more effectively in the worship and Christian education of the churches.

9. **Schools of Missions.** Many Schools of Missions are conducted each year. Mission study classes are provided in each church. Associational, state, home, and foreign missionaries speak in the churches on a rotating basis. This plan gives the people in our churches a panoramic view of World Missions, a view which the majority of our members can get in no other way.

10. **Department of Student Work.** To the Department of Student Work is committed the exciting and challenging task of ministering to 26,000 Baptist college students in North Carolina. Efforts are made to relate students to a church at college in a vital and redemptive way. Also the campus program provides a balanced schedule of worship, study and witness, mission concern and service, recreation and fellowship.

Everything we do as Baptists is dependent on the strength and spiritual vitality of the membership of our churches. The spotlight is on our local churches. The mission of the churches is missions.

Respectfully submitted,

Troy E. Jones

12. Gerald Lawton presented the Report on Foreign Missions.

FOREIGN MISSION REPORT

The total overseas staff as of August 19, 1965, is 2,048 under assignment to 60 countries. (Singapore, where missionaries were already stationed, separating from Malaysia in August, and Austria became the 59th and 60th countries). Included in this number is the Rev. and Mrs. Jack Gentry who prior to their appointment to Taiwan served in our association.

Missionaries stationed in the African nations demonstrated courage.

wisdom, and spiritual power in meeting the tensions of the current African scene. Missionaries in Vietnam continue their work in a country greatly disturbed. One of our missionary couples serving in Vietnam is the Rev. and Mrs. Samuel James, who formerly served in our association.

The dedication of the first Missionary Journeymen was made on August 10 of this year. These were assigned to 27 different countries. This opportunity of service is open to single college graduates under 27 years of age with specific skills, good health, and active in Southern Baptist churches.

In view of the future life of foreign missions, just how much do we care? Last year we gave \$2.25 per capita for foreign missions. About 46.25% came through the Lottie Moon Christmas Offering.

Our goal for the Lottie Moon offering this year is \$14,000,000. This is about \$1,000,000 increase over 1964. Progress is being made, but prices continue to climb. Multiplied thousands die and millions of babies continue to be born. In terms of purchasing power and in terms of the challenging possibilities ahead of us, we are still falling short of the need and our potential.

May we give worthily through the Cooperative Program and the Lottie Moon Christmas Offering — that more may be sent — that more may hear the good news.

Respectfully submitted,
Gerald R. Lawton

13. The Report on Home Missions was given by John Kizer.

HOME MISSIONS REPORT

At the close of 1964, the Board had 2,372 persons under appointment in mission service. Most of them were jointly employed with one of the state conventions and in some cases with an association or church also. Urgent needs for missionary personnel continue in language missions, metropolitan missions, and pioneer mission work.

In 1964 the Home Mission Board received its largest financial support from the Convention Cooperative Program receipts totaled \$3,977,345.00, including both operating and capital funds. Of this total \$426,070.00 came in Advance Funds, the first received since 1960. The Annie Armstrong Offering produced \$3,193,954.00 making a total of \$7,171,299.00 from these two sources. Designated funds and special gifts provided an additional \$306,248.00. The Board, its staff, and its missionaries are grateful for this enlarged support and for the prospect of increasing resources for claiming "Our land for Christ."

The Board continued to serve in all fifty states, plus three Carribean countries. Most of its service is rendered within a framework of cooperative missions with the twenty-nine state conventions. This involves joint planning of strategy, joint selection and employment of missionaries, and joint structuring of the cooperative missions budget between the Home Board and the respective state mission boards. A part of the implementation of this effort is an annual conference with representatives of each of the State Conventions, at which time agreements are reached with each convention for the work the following year.

Respectfully submitted,
John I. Kizer

14. Hymn "Christ For the Whole World We Sing" led by Marion Boling and Miss Barbara Vuncannon at the piano.

15. Address on Missions by John Lawrence, pastor of Forest Hills Baptist Church, Raleigh, N. C.

The early disciples did take their Missions sincerely. Presently there is a slowing of the forward thrust of the Mission program. Only two thousand on the Mission field and the gap is widening. Inadequate funds is one of causes as Southern Baptist are not giving to the cause of Regilion. Christianity is becoming a minority Religion. Volunteers a mere trickle and the need is so great. Just the presence of a Missionary on the foreign field has an effect on the people. The cause of communism should compell us to do something about Missions.

REPORT ON CHRISTIAN EDUCATION

The Baptist colleges of North Carolina enrolled for the Fall Semester of 1964 a total of 10,655 students. As enrollment increases, the needs of our colleges increase.

Colleges produce lay-leadership. During the past year the contribution to Christian lay-leadership in church and community has been strongly emphasized. Our seven Baptist colleges, to date, have graduated more than 45,000 men and women. Many of these graduates are not only filling responsible places of leadership in their churches, but are exerting a profound influence on religious, moral, and ethical life of communities in which they live. All during the past year testimonies have continued to come in from teachers, doctors, lawyers, industrialists, artists, musicians, homemakers, and many other categories too numerous to name. All of these testimonies assert two things: attending a Christian college gives a closer tie to the local church and a greater sense of responsibility for Christian citizenship in the local community.

Denominational Leadership. We have taken for granted that Baptist colleges are producing Christian vocational workers, and indeed they are. At the present time more than 500 students in the N. C. Baptist colleges are volunteers for full-time Christian service and more than 100 of the volunteers want to be home or foreign missionaries. We have tended sometimes to forget that our current denominational leadership throughout the entire Southern Baptist Convention has been trained almost one hundred percent in Baptist schools and colleges.

The Christian Education Day Offering. With the action of the Convention in 1964, the Christian Education Day Offering became an approved offering on the par with all other special offerings in our convention. We sincerely believe that one of the ways to help solve the financial problem of our Baptist colleges would be to increase substantially the Christian Education Day Offering. Therefore, we urge you to make plans now for observing Christian Education Day on Father's Day next June. We also urge you to treat the special offering in your church as you do all other special offerings.

Colleges Assist Churches in a Special Way. Each Sunday from campuses all over the state, faculty members, administrative officers, and students move out into the churches to preach and assist the churches as supply pastors, Sunday School teachers, youth leaders, and special speakers in the area of missions, stewardship, and evangelism. If you wish to use this service, contact your nearest Baptist college. Either the president's office or the office of public relations will be delighted to recommend someone to help you.

The Cooperative Program. The Cooperative Program is the lifeline of Baptist colleges as it is equivalent each year to several million dollars of endowment. The Cooperative Program is the best way to support your colleges through your church. Soon our Convention will announce another great five-year program of advance and achievement. The colleges are back of this program and will support it in every way.

Talmadge Williams

EVANGELISM REPORT

In the coming year each church in our Association should be greatly concerned about fulfilling its mission through Proclamation and Witness. This is not a new task given to the church, for this has always been the assignment of the church, given to the church by our Lord. Surely he assumed that the church would be obedient to his command. The fields that one day "were white unto harvest" seems now to be getting "whiter." All Christians should pray for laborers for the harvest and should work themselves in the most important task in the world. Every Baptist in the Randolph Association should be involved in the work of Evangelism. Every church community is a ripe field for harvest. Let us pray that our hearts may be stirred to drive us to our mission to witness and to proclaim.

Our recommended goals for the year are not out of reach. We need to be concerned about our responsibilities and opportunities of service. If each church will note the suggested Goals for Evangelism and strive to do its part in attaining the goals, we should see an increase in the number of baptisms next year. Christians who Proclaim and Witness grow stronger and have reason to rejoice. Let us urge each Christian to be an Evangel for Christ!

Respectfully submitted,
M. A. Pegram, Chairman

38. Marion Boling gave the Music Report.

REPORT OF MUSIC COMMITTEE

Since 1944, Southern Baptist have been engaged in an organized effort to promote more participation in and a better understanding of music in our churches. Every church, no matter how small, has a music program if they elect a leader and have one group to participate as a choir or special group.

Many of our churches are calling individuals to serve as Ministers of Music. Some are employed for salary, and some are only elected by the church. Many serve in a full-time capacity, while others serve part-time, or as much as they are able to serve and hold another job. Whatever the situation, though, the object of having them present is the same, to encourage Christians to praise God.

We have seen in the Randolph Association an increase in the number of churches filing music reports, and for this we are grateful, but our goal is to receive a report from every church, because we believe each one has something to report.

There are five areas that each church can use to build its program:

1. **Congregational Singing.** The Minister and Music Director can work together to select hymns that will be effective and meaningful in each service.
2. **Choirs.** Every church can have a service choir, and most have at least one children's choir.
3. **Instrumental Activities.** Each church must seek out pianists and organists, give them opportunities to play, and encourage them in their training, and help them to dedicate their talents to God.
4. **Training.** The Director and Minister can seek out music talent to be trained as song leaders and accompanists and teach them how to use their talents correctly.
5. **Promotion.** This reaches people, and we must have people to have participation. This can be done through personal contacts, bulletins, newspapers, letters, etc. **Promote** your music program.

We urge every church to desire to have a better music program, and to work for more participation among its members.

Marion Boling, Chairman

39. Training Union Report presented by Hansel Neathery.

40. Harvey C. Gibson, Director of the Field Service Unit of the Southern Baptist Convention, spoke to the report.

TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian Training are coming to us through our Training Unions.

This has been a somewhat brighter year for Training Union work in the Randolph Association. Six new Training Unions have been organized this year and one Young Peoples' Union was reported formed in September.

Last November we devoted one week to a Pastor-Led Enlargement Campaign led by the state workers from Raleigh.

Our "M" Night service was held December 7 with an attendance of 394; 22 churches represented; and 20 pastors present. Our annual spring tournaments were held in March with an attendance of 89. We had participants in Junior Memory Work, Intermediate Sword Drill, Better Speakers Tournament, and Adult Scripture Reading. Several of these went on and represented our association in the Regional Tournament.

The Associational Training Union gave strong encouragement to churches in observing Church Membership Study Week in April.

We had representatives from our association attending all the weeks of the North Carolina Baptist Assembly for Training Union this summer.

An outdoor Youth Night service was held August 27 in Camp Caraway with an attendance of 189. Our Training Union was represented in the State Briefing Meeting the same night in Winston-Salem by our Superintendent of Missions.

We now have 26 Training Unions in our association. Our goal for next year is 30.

May I urge each of you to study and stay up to date with current Training Union materials, especially the Training Union magazine. This is essential in order to know what is going on in Training Union work.

Also may I thank each of you for your prayers, assistance and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Respectfully submitted,

H. C. Neathery, T. U. Director

41. Sunday School Report given by M. W. Chapman.

SUNDAY SCHOOL REPORT

Mr. Moderator, guests, visitors, representative messengers and friends: The Great Commission of our Lord continues to be the marching orders of Christians in this 20th century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit; teaching them to observe all things . . ."

The Sunday Schools of our churches have been assigned the tasks of teaching the Bible, reaching the unreached, leading all church members to worship, witness, learn, and minister daily, furnishing workers for various projects, and interpreting the work of the church and denomination — thus helping the church in its basic functions of worship, proclamation, education

and ministry.

Southern Baptist Sunday schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrollment gain of approximately 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday schools as we show compassionate concern for the unreached. Evangelism, stewardship, missions, discipleship — all wait upon outreach.

These enrollment gains can be realized by organizing new Sunday schools (a new Sunday school will gain 30); the organizing of Extension Bible Classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated many years ago by Dr. Arthur Flake — locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people — we will reach more people for Bible study; our baptisms will increase; Christian stewardship will become a reality; and our churches will be strengthened.

Along with an increased emphasis upon outreach, each Sunday School is urged to observe January Bible Study Week, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities for training; to cooperate in the Adult Thrust movement, to participate in the associational Sunday School projects — clinics, conferences, enlargement campaigns; and to attend the Sunday School weeks at Caswell and Ridgecrest. When our Sunday schools begin moving forward, our churches will move forward.

During the year 1964-1965 many things happened in the Randolph Association through our Sunday School efforts worth noticing. Once again we have qualified and received Standard recognition as an association from the Sunday School Board in Nashville. As our guests for Sunday school messages during the year we had the following: Rev. Henry Crouch to speak at our Action Night and Dr. Eugene Poston to speak in December on "Studies in Deuteronomy."

Our Adult and Young People Workshop, Junior and Intermediate Workshop, and Elementary Workshop were of tremendous help to us. Four age group conferences were conducted by our most competent age group superintendents. This year we have dealt with subjects like: "Teaching and Training," "Methods," "Stewardship of Vacation Time," "Evangelism Through the Sunday School," "Enlistment of Workers," and "The Christian Home."

Our Vacation Bible School Clinic was very successful and we have reason to believe this will prove the year we will have had more Bible Schools than ever before.

42. Brotherhood president Lloyd Brown presented the Brotherhood Report.

43. Speaking to the report was B. W. Jackson, R. A. Secretary and Director of Camp Caraway.

BAPTIST BROTHERHOOD REPORT

We are now beginning our second year with the set-up of our Brother-

hood. As most of us know by now, the new concept of our Brotherhood is as follows:

"Our Brotherhood is a fellowship of Baptist men, members of the church, organized to advance the cause of Christ through a program of missionary education and the promotion of missionary activities, designed to inform, motivate, and involve men in the mission task of their church."

We know of no church that has discontinued their Brotherhood this year, with ten of our churches in the Randolph Association having a Brotherhood. We have had one new Brotherhood organized this year with two more making plans to organize. We have gained one new organization each year for the past four years.

We have had no regular Associational meetings this past year, but we have mailed several letters and talked with several churches about Brotherhood. We visited with the boys at Camp CaRAway each Thursday night for ten weeks. We discussed the evils of strong drink, highway accidents, carelessness with firearms, and family misunderstandings.

The Brotherhood Organization is no stronger than the members want it to be. My sincere thanks to all the churches of the Randolph Baptist Association. Let's all work together this year to encourage our men in all the churches to take more interest in Brotherhood work.

Respectfully submitted,

Lloyd Brown, Brotherhood President

45. Report on the Cooperative Program by John Mangum.

46. Rev. Henry Crouch, Pastor of the Ardmore Baptist Church, Winston Salem, spoke to the report.

COOPERATIVE PROGRAM REPORT

With the dawning of the 40th anniversary of the founding of the cooperative program, a new note of optimism and missionary advance is perceptible among Baptists. It is now a well-accepted fact that the cooperative program of world missions is the foundation of our total missionary endeavor of preaching, teaching, and healing in the name of Christ at home and abroad.

Even as we presently support the work of 2,000 foreign missionaries, 2,500 home missionaries, and more than 100 missionaries in North Carolina. Dr. Baker James Cauthen, Secretary of the Southern Baptist Convention Foreign Missions Board, has challenged us to send out 5,000 foreign missionaries in the year immediately ahead. This will mean greater sacrifice and greatly increased giving on the part of Baptists everywhere. The cooperative Program has given significant support to every state and convention wide cause. In the last sixteen years it has provided more than \$100,000,000 for the foreign mission program of Southern Baptists. Truly, it is the life-line of our total cooperative witness and service.

We are witnessing our greatest advance in history with 52.27% of the southwide cooperative program dollar being allocated to Foreign Missions. We are advancing in our concern for a lost world. More than 1,300 Baptist churches have set goals as a part of the convention wide emphasis to enlist 2,000,000 tithers by October, 1966. A free (planning kit) for tithers enlist-

ment is available from our state office for every church or pastor adopting a definite goal.

Let us determine now to be faithful in worship with tithes and offerings and share regularly through the cooperative program.

Respectfully submitted,
John C. Mangum

47. Report on Christian Literature by Mrs. Sam Kimery.

BAPTIST LITERATURE REPORT

Knowledge is power. To gain knowledge one must read, but it is not enough to read just to be reading; one must be selective in subject and materials. Today large firm executives say, "Give us men who read," when discussing their personnel. They know how important reading is to daily growth. Now, if it is important that secular employees read to become more efficient, how much more important it is that Christians seek knowledge and understanding by reading.

Our Baptist forefathers recognized the importance of communication among the churches and workers in all phases of denominational endeavors and left a golden heritage in literature, periodicals, and magazines.

THE CHARITY AND CHILDREN serves its purpose well in championing the care of needy children and their welfare.

HOME MISSIONS magazine keeps Baptists in touch with missionaries who hold high the shining torch of light and love on the home front in order to reach the unreached for Christ.

The 123 year-old BIBLICAL RECORDER covers all phases of Baptist work at home and abroad. Each new work undertaken by the State or Southern Baptist Convention is reported immediately. Its main purpose is to inform, enlist, inspire, indoctrinate, and unify all Baptists for one purpose — Service to God and man through the churches and agencies of the Convention.

In the Randolph Association, 19 churches subscribe to the EVERY FAMILY plan; 9 churches have Recorder Clubs; the others have the individual subscription plan. Subscriptions total approximately 1,782. This is a good number but the RECORDER should be in every Baptist home.

Some may ask — Why every home when some magazines are thrown in the trash can at the Post Office? Let us not think of the few who throw away the RECORDER, rather let us think of the many who will be faithful readers if it goes into every home. The cost of the RECORDER per year varies. The every-family plan is \$2.00; Club plan, \$2.50; individual subscription, \$3.00. In either plan, every subscriber receives his personal copy by mail. Our Baptist literature, written by Baptists for Baptists should also be used in all organizations in the church. It is second to none and better than most.

Paul admonished the early Christians to "Grow in grace and knowledge of the Lord Jesus Christ," and "Jesus increased in wisdom and stature and in favor with God and man." The challenge to grow has rung through the ages and still rings, for churches today need members who "seek knowledge and pursue it" continually for the good of our Nation and the Glory of God.

Respectfully submitted,

Mrs. Sam Kimrey, Chairman

48. Rev. Hart Parrish, pastor of Greenwood Baptist Church of Thomasville, brought the message on the Baptist Foundation.

BAPTIST FOUNDATION REPORT

During the past four years the Foundation has been actively presented to the Baptists of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptists are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from \$60.11 to approximately \$450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are businessmen who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

C. Gordon Maddrey
Executive Secretary

49. Buell Creason gave the report on Baptist Hospital.

50. Rev. Hollick, chaplin at the Baptist Hospital, spoke to the report.

BAPTIST HOSPITAL REPORT

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult to diagnose and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors, and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields

around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose; when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

Respectfully submitted,
Buel Creason

51. North Carolina Baptist Homes report was presented by D. C. Sullivan.

52. One of the Homes resident, Mr. Olive, brought the greeting from the Homes.

BAPTIST HOMES FOR THE AGING

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes through two very vital avenues — the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offerings receipts for 1964 were at an all-time high and exceeded \$96,000.00. Through these gifts we were able to supplement from 80% to 90% of the needy residents who could not be in the homes otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list is now 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Respectfully submitted,
Rev. D. C. Sullivan

ANNUITY BOARD
of the
Southern Baptist Convention
— 1965 Associational Report —

The Life Benefit Plan

The Life Benefit Plan was inaugurated on October 1, 1964 to meet the need for supplemental life protection for our pastors and denominational employees, and has already achieved phenomenal success with more than ten thousand active participants. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of \$3.34 to \$10.00 per month. It is still open for membership.

The Health Benefit Plan

The health benefit plan is an all-inclusive program of hospital, surgical and major-medical protection which is now being offered. The target date for the beginning of this plan is October 1, 1965. Five thousand applications are required by September 1 in order to put this program into effect.

Benefits Paid — "Manna From Heaven"

It has been said by many annuitants that the checks which come from the Annuity Board each month are like "Manna from Heaven". These checks vary in size, depending upon the length of time one was a member and the amount of dues paid.

Since the beginning of the Annuity Board in 1918, almost 47 million dollars have been paid in relief annuity benefits to the men and women of God who serve Southern Baptists. In 1964 alone, 3½ million was paid out to ministers and denominational workers or their families.

Members In Annuity Board Plans

Today more than 16,352 churches are in the Protection Program for their pastors. Approximately 10,000 of these churches are paying the total 10% dues.

There are now 127 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies protected by one of the Annuity Board programs. This means more than 25,000 members are in the Annuity Board's retirement plans.

There are seven states with 70% or more of the churches in the plan. At the present time North Carolina has 46% of the churches in the Protection Program for ministers.

Annuity Board Secretary

Rev. Guy Cain is jointly employed by the North Carolina Baptist Convention and the Annuity Board. He promotes the Board's total program of protection by trying to enlist all pastors, churches and denominational employees who are not enrolled in the program in North Carolina. He works to help those who are in the program to better understand the protection they have. For further information, write the Annuity Board, 511 North Akard, Dallas, Texas 75201, or Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27600.

BAPTIST CHILDREN'S HOMES REPORT

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars (\$310,000) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Hills Home campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina, was used to build a library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a greater opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian Homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care — a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet as effectively as possible, the challenges of our day.

Respectfully submitted,
Clarence Jenkins
