Dr. Hoyt Blackwell, President,
Mars Hill College,
Mars Hill, North Carolina.

Dear Brother Blackwell:

Rev. and Mrs. Norman F. Williamson tell me that they are sending Norman, Jr. to Mars Hill College next session. These friends were missionaries in Japan for a long time and Brother Williamson is now pastor at Concord, Georgia.

Of course, like most Baptist preachers, funds with these friends are limited. Norman doubtless will be a Margaret Fund student and this will help a great deal.

I am writing to request that if you have any work you can give to Norman to help out with his expenses, that you give consideration to this fine lad. He is an exceptional boy and I understand is planning to be a minister.

Anything you may do for him will be considered a personal favor to me.

With very best wishes, I am

Yours sincerely,

Mrs. Norman F. Williamson,
Concord, Georgia.

Dear Mrs. Williamson:

I thank you for your gracious letter of April 3rd. I am especially delighted that you are going to send Norman, Jr. to Mars Hill College.

I sent one nephew and one niece to Mars Hill and another niece paid her own way and went to Mars Hill. We sent an adopted daughter to Mars Hill and she graduated with highest honors.

I think it is one of the best schools in the South and if I had a half a dozen sons, I would want all of them to go to Mars Hill, if possible.

I am sending you a copy of a letter I am writing to Dr. Hoyt Blackwell, the president, commending Norman and I hope that if he finds it necessary to do any work, he will be able to get some work that will not take too much of his time from his studies.

I will be glad to hear from you at anytime and will give sympathetic and understanding attention to anything you may have to say to me.

With very best wishes for you and Mr. Williamson,
I am

Yours sincerely,

Charles E. Maddy
