My dear Fellow Students and Friends:

This sixth edition of our Directory pleases me deeply. Experience has shown us of the Seminary Administration that students and many friends value it highly and use it frequently. There are about 725 of us now, including faculty and staff and the Directory is an indispensable help in knowing each other and finding each other when need arises. This service the Seminary is very happy to be able to render. Also, churches seeking student pastors or other workers find the Directory very helpful.

I would dedicate this new edition to those who have done so much to bring Southeastern so far in a very short time: encouraging friends, our faculty, our administrative staff and our loyal students.

Sincerely,

A handwritten signature in cursive script, appearing to read 'S. L. Stealey', written in dark ink.

Sydnor L. Stealey  
President

Nov. 7, 1958

Dear Fellow Student:

There is probably nothing more important during the days of our Seminary experience than Christian fellowship. At least, this has been true for me. We can all be grateful for the privilege of association with the mature and dedicated faculty members which these years of study and training have given. I know of no single experience which has enriched the lives of many of us as much as this one of fellowship with and direction in our study by these sincere, learned men of God.

Also, the staff and administrative officials of Southeastern have made possible this rich experience. Without them, there could have been no such learning and maturing experience as we have enjoyed in our Seminary days.

Finally, there has been the fellowship that we have had with each other. I would not hesitate to say that there is encouragement in association with like-minded persons. All with whom we have fellowshiped in this time of preparation have contributed something to our common experience. I think it fair to say that this fellowship we have had with each other as we prepared to be professional Christian workers has made an indelible impression upon our lives.

Therefore, it is good for us to have this Directory not only to serve in many practical ways but also to have a deeper significance of symbolizing the fellowship and common experience which has been ours in Christ Jesus, our Lord.

Sincerely,

WILBUR KERSEY, Chairman  
Student Co-ordinating  
Council

4. All fines collected will be used to defray the expenses of Student Activities.
5. Visitors are not required to pay fines, but are requested to obey traffic signs.

## MEDICAL SERVICE PROGRAM

In the interest of the highest level of health among students and families, the Seminary provides a medical care program, available to all registered students. In order that all such students may understand what they may expect from this medical service and what is expected of them in co-operating with the campus physician and nursing staff, the following statement of prevailing policies has been formulated.

### General Policy

Students needing medical care are asked to report to the Infirmary for treatment. Appointments to see the campus physician at the Infirmary must be made with the nurse before the physician's duty hours. Appointments must be kept punctually. Should a person need emergency medical care after the Infirmary closes, *for acute disorders or accidents only*, the nurse on call will give the attention needed. The nurses are off duty at the times when the Infirmary is closed and are only available in the *case of emergency*.

A weekly schedule indicating which nurse is on call will be posted at the Infirmary and with the telephone operator. You are to call the number of the nurse on call. The "on call" nurse is on call from 5:00 p.m. to 8 a.m. the following morning; on weekends from 8:00 a.m. Saturday until 8:00 a.m. Monday.

No student will under any circumstances call the campus physician without first consulting the nurse on call. If a campus visit by the campus physician is necessary, the nurse will then notify the campus doctor. If you choose to call someone other than the campus physician you are, of course, free to do so at your own expense. House calls off the campus or office calls at the private office of the campus physician are at the expense of the patient and the fee is payable to the physician.

The nurse on call for emergencies is not to be called to the dormitory or apartments to give injections merely for the convenience of the student or his family. Such injections are to be given during Infirmary hours in the Infirmary only.

### Purchase of Medicines

All students may secure general medicines and medical supplies through the Infirmary at

prices which cover cost plus handling. Drugs prescribed by a physician and not in stock will be ordered if the patient so desires. Since drug service is rendered on a non-profit basis, the student is asked to *pay cash for all medicines at the time he receives them.*

If it is necessary for a patient to be hospitalized in the Infirmary, a charge of \$4.00 per day will be made to cover room and board. Hospitalization other than in the Infirmary is solely the responsibility of the student.
