NOTICES

SENIORS: WANT TO SEND A MESSAGE TO THE SEMINARY?

If you would like to register your comments and observations about Southeastern in a way that may help to improve our school, and you are in your final year of study, you are urged to come to the cafeteria on Friday, April 2, at 10:00 a.m. for coffee, donuts and a survey form. As part of the Long Range Planning effort at Southeastern, a survey is being made both of alumni and current seniors in any of the programs: (Certificate, M.R.E., M.Div., Th.M., and D.Min.). Your evaluation of instruction in various areas of the curriculum as well as other non-academic aspects of the Seminary is urgently needed. The data from the survey is considered vital in long range planning and will be taken with utmost seriousness. The Student Council is helping to sponsor this event -- so, seniors, send a message to Southeastern on April 2 -- and have a donut on us, as well.

PARKING NOTICE:

Wake Forest Baptist Church is again asking that seminary students not use their parking areas during the week. The church sponsors a number of weekday programs which require adequate parking and traffic access throughout the day. A number of problems have occurred due to the excess number of cars in the area. Please cooperate in this request.

the area. Please cooperate in this regard. Number of programs have decreased due to the excess number of cuts in budget. We are working and planning to increase enrollment. We are planning the week. The center sponsors a number of meetings throughout the year.
