OLIN T. BINKLEY  
PRESIDENT

September 13, 1963

Dear Friends:

This Directory is a valuable educational instrument. It enables us to get acquainted quickly and it will help us to remember one another in the months and years ahead. I thank those who have produced it for their creative work.

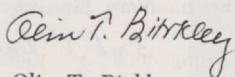

At the beginning of the academic year, I feel the exhilaration of dedicated students who have responded affirmatively to God's upward call in Jesus Christ and have come to this school to seek a deeper knowledge of God and man under the guidance of competent teachers. I trust that you will use effectively the resources for theological education available to you here.

On this campus teachers and students are involved as friends in the processes of Christian scholarship. We place high value upon the search for theological understanding in an atmosphere of devotion to our Lord and his church. We want you to know from the day of your arrival to the moment of your graduation and beyond that to the end of the human pilgrimage that we are friends in the Christian ministry. It is our intention to treat each individual as a person, to be honest in our studies, and to maintain a vital relation between worship and service.

Theological students live under the pressure of time. I trust that you will keep a place in your schedules for unhurried conversations, for poetry and music, for reflection upon the meaning of life, for helpfulness to neighbors in hours of crisis.

The President of a theological seminary needs the prayers of students. I ask you to pray for me and I promise to pray for you as together we seek first the kingdom of God and his righteousness.

Sincerely yours,

Olin T. Binkley

AN AGENCY OF THE SOUTHERN BAPTIST CONVENTION

Wake Forest, North Carolina

October 1, 1963

Dear Fellow Students,

On behalf of the Student Co-ordinating Council, may I extend to you warm greetings and best wishes for a successful year. This year marks the beginning of the leadership of our second president of the seminary, Dr. Olin T. Binkley. Let us give our complete support and prayers in helping him as he in innumerable ways helps us.

Let it always be evident to both beginning and continuing students that our student body, administration, faculty, and staff are tied together in a bond of Christian Love in order that a closer spiritual, mental, physical, and social fellowship of the entire seminary family might be realized both now and in the future.

This directory has been prepared in order to let us become acquainted with each other. The friendships made with fellow students and faculty will be a source of warm and lasting fellowship throughout our lives. Let us sincerely try to get to know each other better. It is my hope that we might have a united student body which will engage in a prayerful and open-minded attempt to understand one another's beliefs and then seek to dedicate one's best in this seminary training and later place of service.

The many activities and places of service in the student government are led by the Student Co-ordinating Council. We urge you to join in the many opportunities for service both on and off the campus. Then, when the need arises, let us help you.

The new year has begun. We have many opportunities before us from which we may reap much knowledge. Let us renew our dedication to God and give our best in fulfillment of our calls to special Christian service. Then we will receive an understanding of that knowledge which will lead us on the road to wisdom.

Very Sincerely,

*Fred T Badders*

Fred T. Badders, Chairman  
Student Co-ordinating Council

## REGULATION

### SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY MEDICAL SERVICE PROGRAM

In the interest of the highest level of health among students and families, the Seminary provides a medical care program, available to all registered students. In order that all such students may understand what they may expect from this medical service and what is expected of them in cooperating with the campus physician and nursing staff, the following statement of prevailing policies has been formulated.

#### General Policy

Students needing medical care are asked to report to the Infirmary for treatment. Appointments to see the campus physician at the Infirmary must be made with the nurse before the physician's duty hours. Appointments must be kept punctually. Should a person need emergency medical care after the Infirmary closes, for acute disorders or accidents only, the nurse on call will give the attention needed. The nurses are off duty at the times when the Infirmary is closed and are only available in the case of emergency.

A weekly schedule indicating which nurse is on call will be posted at the Infirmary and with the telephone operator. You are to call the number of the nurse on call. Call the Seminary operator first to find out who is on call and where they can be reached. The "on call" nurse is on call from 5:00 p.m. to 8 a.m. the following morning; on weekends from 8:00 a.m. Saturday until 8:00 a.m. Monday.

No student will under any circumstances call the campus physician without first consulting the nurse on call. If a campus visit by the campus physician is necessary, the nurse will then notify the campus doctor. If you choose to call someone other than the campus physician you are, of course, free to do so at your own expense. House calls off the campus or office calls at the private office of the campus physician are at the expense of the patient and the fee is payable to the physician.

The nurse on call for emergencies is not to be called to the dormitory or apartments to give injections merely for the convenience of the student or his family. Such injections are to be given during Infirmary hours in the Infirmary only.

### Purchase of Medicines

All students may secure general medicines and medical supplies through the Infirmary at prices which cover cost plus handling. Drugs prescribed by a physician and not in stock will be ordered if the patient so desires. Since drug service is rendered on a non-profit basis, the student is asked to **pay cash for all medicines at the time he receives them.**

If it is necessary for a patient to be hospitalized in the Infirmary, a charge of \$4.00 per day will be made to cover room and board. Hospitalization other than in the Infirmary is solely the responsibility of the student.

### Infirmary Hours

The Seminary Infirmary is open as follows:

Monday through Friday  
8:00 a.m. to 4:00 p.m.  
Saturdays ----- 8:00 a.m. to 12:00 Noon

Doctor's Hours:

Monday through Friday  
11:00 a.m. till 1:00 p.m.  
By appointment only unless an emergency  
Saturdays by appointment only  
Holidays by appointment only
