Friday, May 3

- 10:00 a.m. Chapel: open day
- Exams begin and continue May 7, 8, 9.

NOTICES

FROM THE BUILDINGS AND GROUNDS OFFICE:

Summer Work - All interested persons are asked to notify the Buildings and Grounds office (ext. 60) as soon as possible; summer work assignments are being made now!

Housing Occupants - Buildings and Grounds will be cutting grass continuously from now on, and will need your help. We cannot cut areas that are littered with your personal belongings, or in areas that are overly congested with storage sheds, furniture, bikes, or other recreational equipment; our operation provides for the basic cutting only, and without spending too much time to "pick-up" as we cut. Please give this some thought and check your yard for items hazardous to lawnmowers! Anyone wishing to borrow yard equipment may contact our office - we have a limited supply of hand tools and lawnmowers that can be borrowed when available.

To the Seminary Family - please help us to keep Seminary buildings and grounds clean by picking up any debris you may see, and by putting all trash in the trash cans inside and outside our buildings ... thank you!

FAMINE IN AFRICA:

In the midst of our responsibilities to school, work, family, etc., there exist today millions in Africa who are on the brink of starvation. If you have insight into this tragic situation, please share it with others, and with the seminary community. The following persons would like to hear your thoughts concerning this pressing problem: David Gordon, Ed Woodard, Luther Copeland, Ted Adams, and Rick Bailey. Because we have only two weeks of school remaining it will be necessary to contact these men as soon as possible.

All Bulletin material should reach the office of Director of Student Activities, **second floor, Mackie Hall**, by Thursday noon of the week preceding the event to be noted. Material may also be placed in the Student Activities box, second floor, administration building.
