John D. ...

1. The first part of the paper is devoted to a general discussion of the problem. It is shown that the problem is well-posed and that the solution exists and is unique.

2. In the second part, the author considers the case of a linear boundary value problem. It is shown that the solution can be expressed in terms of the eigenfunctions of the Laplace operator.

3. Finally, the author discusses the case of a nonlinear boundary value problem. It is shown that the solution exists and is unique under certain conditions.

4. The author concludes the paper by stating that the results obtained here are valid for a wide class of problems.

5. The author wishes to thank the referee for his helpful remarks. This work was supported by the National Science Foundation.

1. The first

is to find the area of the rectangle.

Area = length  $\times$  width

Area =  $10 \times 5 = 50$

2. The second

is to find the area of the triangle.

Area =  $\frac{1}{2} \times$  base  $\times$  height

Area =  $\frac{1}{2} \times 10 \times 4 = 20$

3. The third

is to find the area of the circle.

Area =  $\pi \times$  radius  $^2$

Area =  $\pi \times 3^2 = 9\pi$

4. The fourth

is to find the area of the square.

Area = side  $\times$  side

Area =  $4 \times 4 = 16$

5. The fifth

is to find the area of the parallelogram.

Area = base  $\times$  height

Area =  $8 \times 3 = 24$

6. The sixth

is to find the area of the trapezoid.

Area =  $\frac{1}{2} \times$  (sum of parallel sides)  $\times$  height

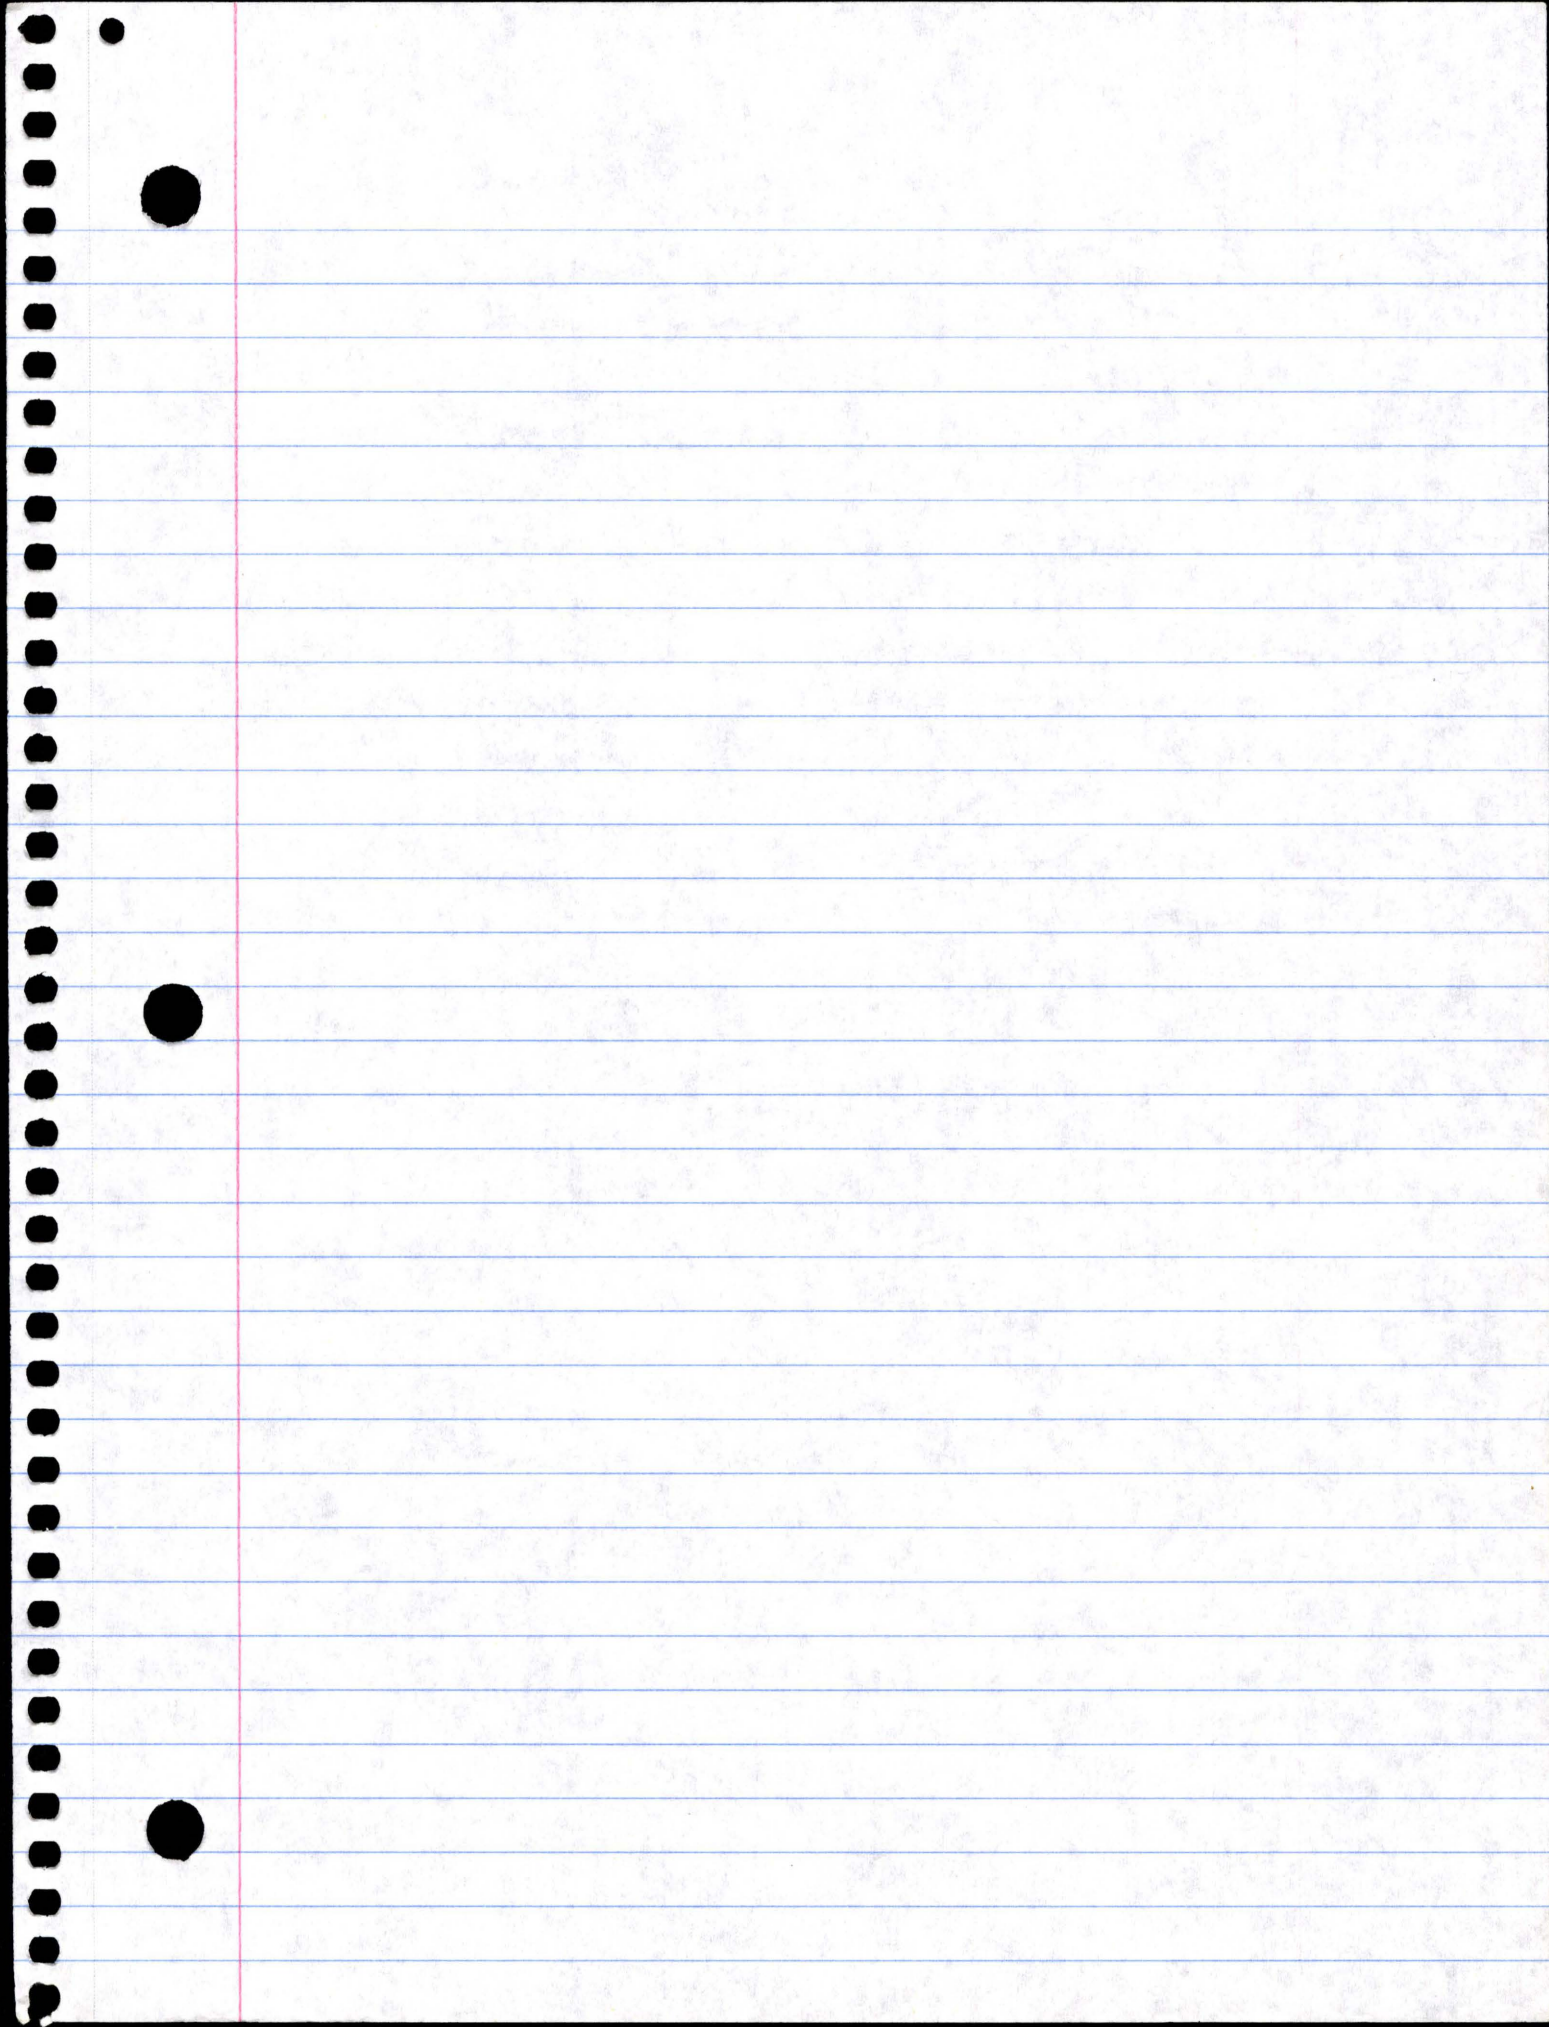

Area =  $\frac{1}{2} \times (10 + 6) \times 4 = 28$

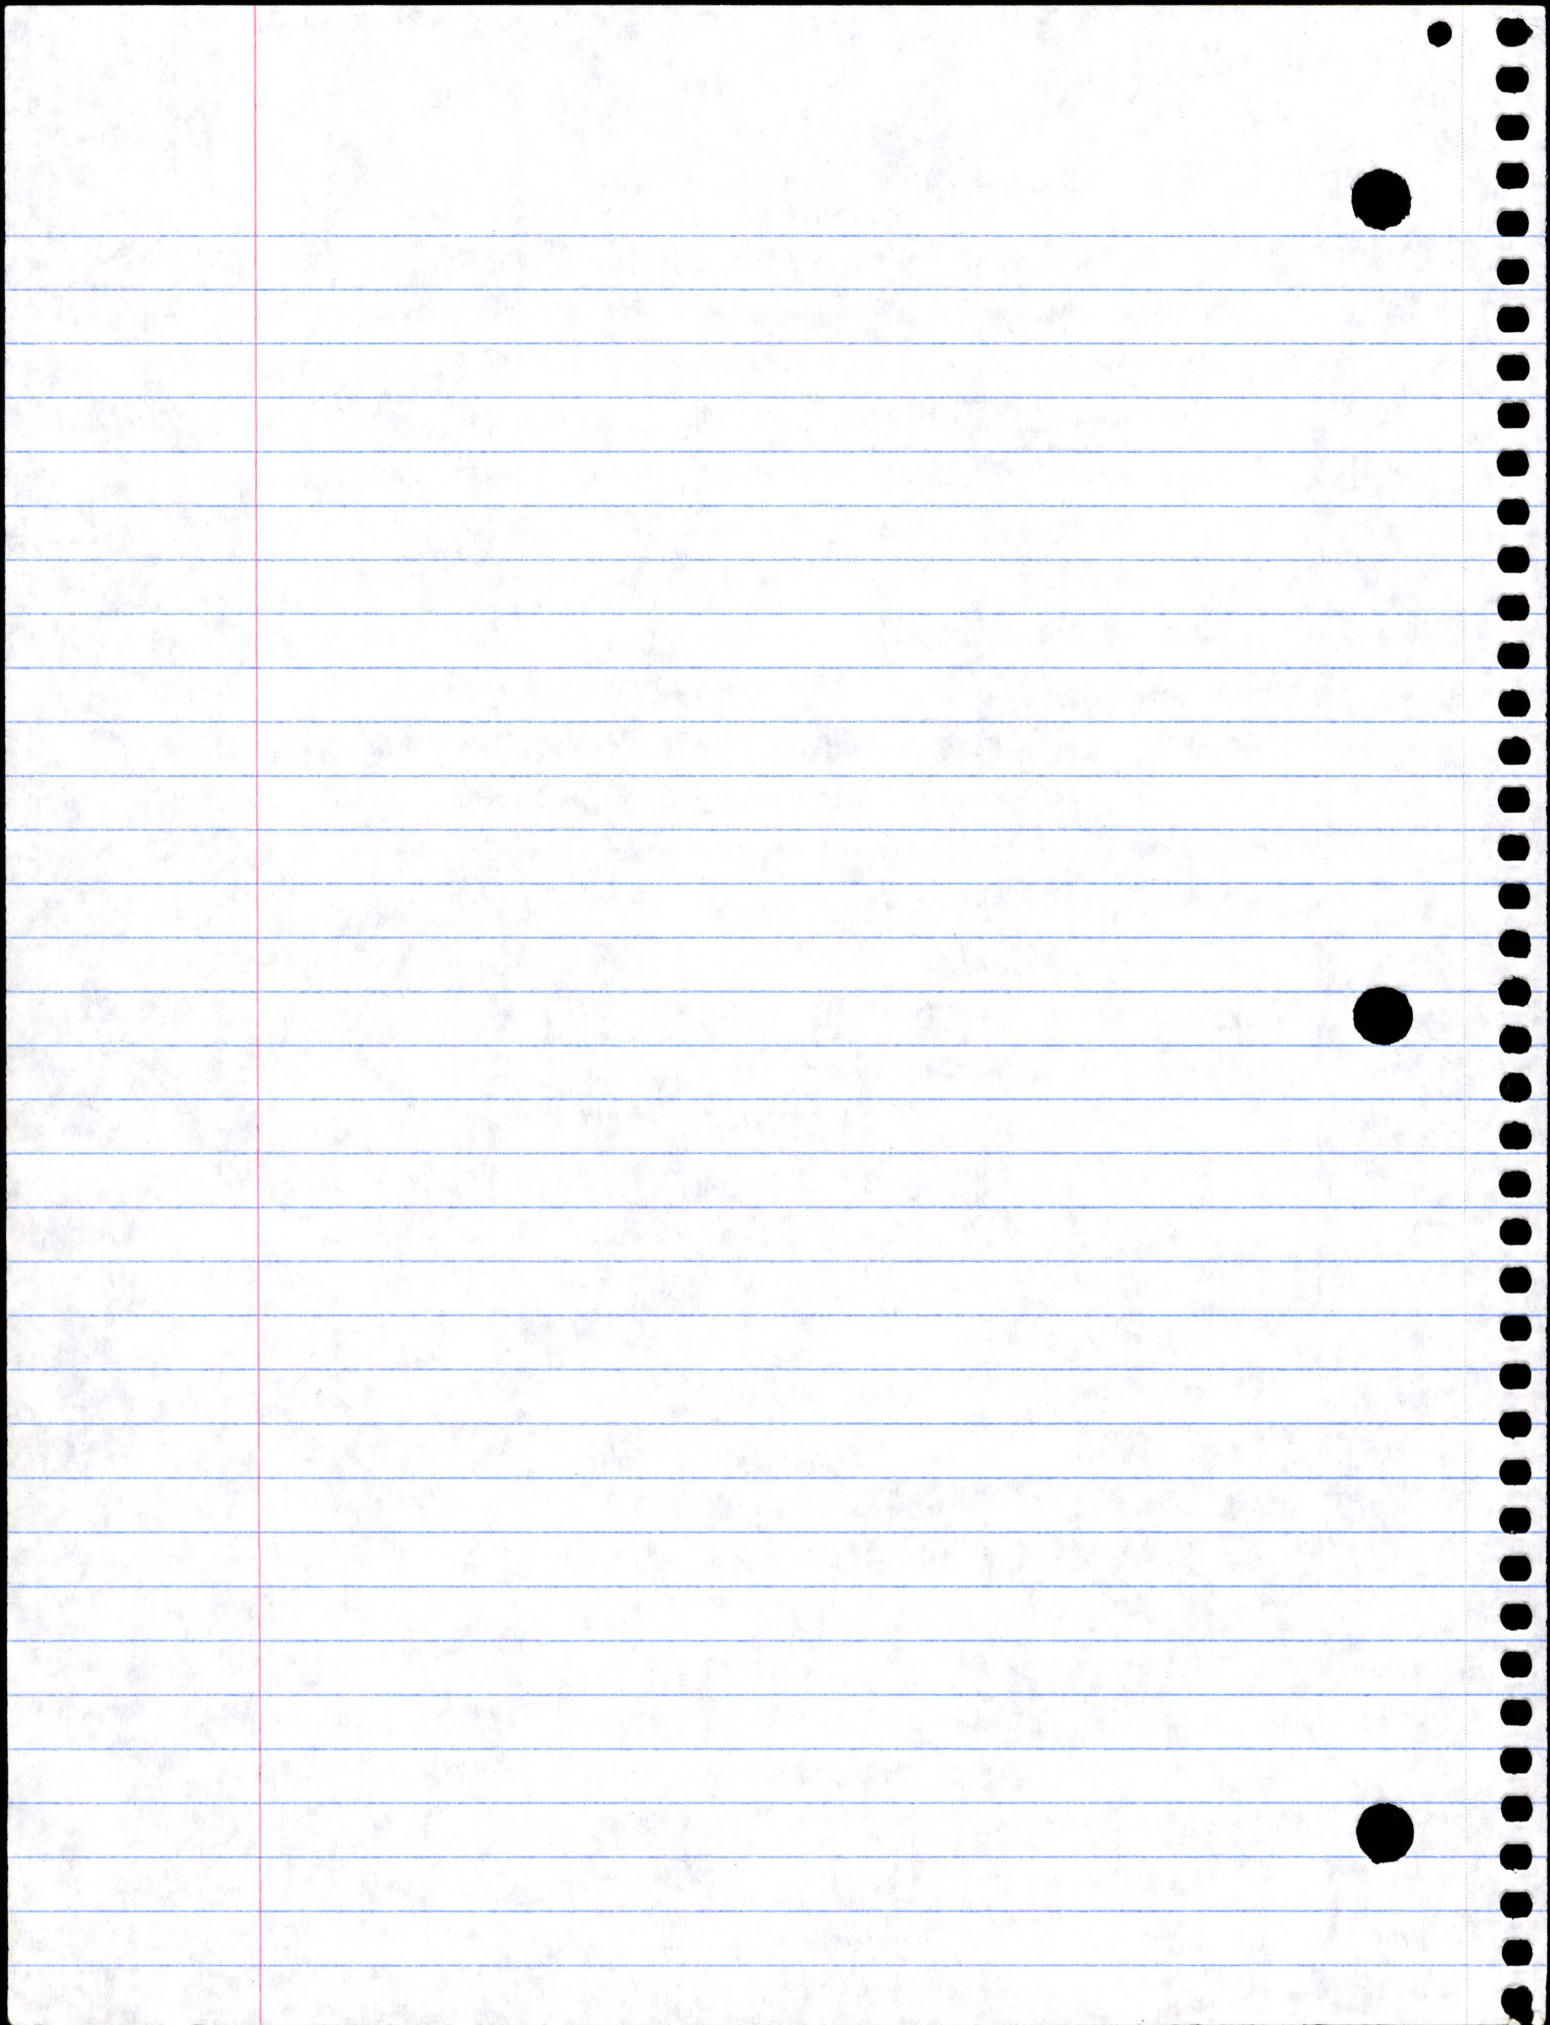

7. The seventh

is to find the area of the ellipse.

Area =  $\pi \times$  semi-major axis  $\times$  semi-minor axis

Area =  $\pi \times 5 \times 3 = 15\pi$

4 June is out, Bro William asked  
for home in church.

Sunday , November 3, 2002

On Sunday October 27, 2002 the Martinsville Primitive Baptist Church met for the regular Sunday morning worship service. After pray and preaching by the pastor, Elder Thomas L. Radford, the invitation was given for anyone desiring to join the church.

Elder Otis W. Williams came asking for membership in the church and also to exercise the gift he feels he has as a minister. Elder Williams stated his love for the church and has certainly demonstrated that by his faithful attendance, for a long time.

Elder Radford stated his love for the brother but regretted that there were some unpleasant facts he must bring before the church. He stated that this had been discussed between Brother Williams and him at an earlier time. When he inquired among those who knew the brother and had heard him preach, he found that the brother was loved by the brothers and sisters. His reputation was excellent, but they did not feel he had a gift to preach. They did not feel he was very edifying to the church.

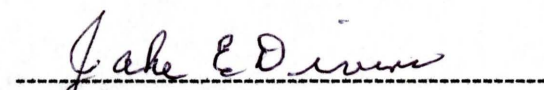

Brother Radford stated that the bible says, "A man's gift maketh room for him" (Proverbs 18:16), and it concerned him that the brother's gift for the last several years does not seem to be very acceptable to the churches even thou the brother has been exercising in the ministry for 20 plus years.

After some discussion , the church voted unanimously to accept Elder Williams as a member of Martinsville Church but to give him a 90 day trial period to prove his gift as a minister. This permission to preach is limited to preaching at Martinsville Church only until further action is granted by the church while in conference. After the 90 days or anytime thereafter the church will take any action they feel necessary, if they consider any action needs to be taken.

The church reserves the right to terminate any part or all of this work if we find it to be in any way offensive to our sister churches.

Done in regular conference dated 11-3-2002.
