Section 3. It shall be the duty of each church to furnish to the Association each year a letter, on the form provided by the Clerk, giving full information and statistics provided for on the form, and to send with the letter or by messenger a contribution toward the cost of printing the minutes and other expenses of the Association.

- f. The Nominating Committee shall nominate a complete slate

of officers for the next year, excepting the Moderator, Vice-Moderator, Clerk and Treasurer.

#### ARTICLE VII—ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the said Committee to act as a presbytery for the purpose of examining the brother as to his fitness for the Baptist ministry, and, if he is found qualified, to assist in the ordination.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

#### ARTICLE VIII—NEW CHURCHES

Baptist churches may be organized and established in localities within the territory of this Association when such new churches are seen to be needed. Those interested in organizing a new church may seek the counsel of the Executive Committee and the Missions Committee of the Association.

#### ARTICLE IX—RULES AND ORDER OF DECORUM

This Association shall be governed in its meetings by such rules and by-laws as may be adopted, amended, or set aside by a majority vote of the messengers present. Kerfoot's "*Parliamentary Law*" will be the guide in all parliamentary matters.

The Constitution and By-Laws shall take effect immediately upon its adoption by a two-thirds majority vote of the messengers present and shall supersede any and all constitutions, by-laws, and amendments previously adopted.

#### ARTICLE XI—AMENDMENTS

This Constitution and By-Laws may be amended at any regular annual meeting by a two-thirds majority vote of the messengers present, provided the proposed amendment shall have been presented in written form on the first day of the Annual Meeting. The vote on any proposed amendment so presented may be deferred until the second day if requested by a majority vote of the messengers present.

11. Report of Executive Committee presented by Fred Lane, Clerk.

### **REPORT OF EXECUTIVE COMMITTEE**

In conformity with your Constitution and By-Laws your Executive Committee held four regular meetings during the year. Although attendance was not outstanding, we did maintain an average of 24 per meeting.

Your Moderator called one Special Meeting of the Executive Committee for the purpose of completing plans for Central Revival, to be held for two weeks, July 7-21, 1963. Dr. Autrey, will known Evangelist, having been secured for the full two weeks. Central Revival is not to interfere with any church desiring to participate in Jubilee Revival.

Two requests for Assistance in Organizing New Churches were received by your Executive Committee during the year. After ex-

tensive study and investigation, one request was referred back to the Committee on Organization of New Churches for further study and the other request was turned down until such time the group has re-located in an area where a Baptist Church is needed.

Farmer Baptist Church requested withdrawal from your Association. Request granted at May 8 Meeting.

Other business conducted at our meetings was of routine nature.

Respectfully submitted,

Fred Lane, Clerk

### BAPTIST LITERATURE REPORT

Have you ever stopped to think that God chose to use writing as His means of self-revelation to the world? He made known His nature and will to men through writing. Where would the world be today were it not for the divinely-written revelation, the Bible? Since God Himself saw fit to use literature to reveal His will, as Christians it is obvious that we have a divine plan to follow.

Since 1833, the news media for North Carolina Baptists has been the *Biblical Recorder*. It is the connecting link among Baptists and it strives to convey its message in an attractive, pleasing manner. It gives complete coverage of Baptist work, and its circulation is the highest in its history. This summer at a Southern Baptist Editors' workshop at Syracuse University, the *Recorder* received high recognition for its pleasing appearance and good content. The covers and large picture content were especially praised.

In the Randolph Baptist Association, 18 churches with 1400 subscribers use the Every-Member plan. Six churches with approximately 126 subscribers use the Club plan. These 24 churches using either the Every-family plan or Club plan represent a high percentage of churches in the Randolph Association, but we should not be satisfied until every church is using the family plan so that Randolph Baptists may be the best informed Baptists in the State.

Besides the Every-family plan and Club plan, the *Recorder* is sent free to every pastor and Sunday School Superintendent. This service is paid for and sent to each under a special arrangement.

The *Recorder* in the Every-family plan represents an expenditure of about 4¢ per family per week. Where else can we buy so much for so little?

### STATE MISSIONS REPORT

State Missions is the organized effort of the Missionary Baptist Churches of North Carolina to win all this state for Jesus Christ. Plans, programs, and procedures are necessary for the task; yet, they are but tools, implements in the hands of people, for the sake of helping other people. Missionary enterprise has ever been a prime concern of our State Baptist Convention.

Guided and quickened by the Holy Spirit, and led and directed by spirit filled men, our denomination has made giant strides in evangelism, education and training, care and conservation, and aid to churches and pastors. The past year has seen significant advances, as a new ministry was begun with Japanese-related people, new missions and churches were established, and other phases of the State Mission program were broadened and strengthened.

Blessed by God, Baptists have come a long way in North Carolina. Of more than four and a half million people, Baptists number about one fourth the total population and one half the church membership. However, we have not arrived; our goal is not even near. Thousands of our members are lost to the service of our Lord, two million of our citizens are out of the fold of Christ, and six hundred communities are without preaching or Bible teaching. Thus, the "Thirty Thousand Movement" is perhaps the most challenging matter con-

fronting us today. We need to do much more in this matter of establishing missions and organizing new churches. This is our most effective outreach for Christ, as new churches win more people per capita than old established ones. Let us pray sincerely, let us give unselfishly that all the people of this state may be personally confronted with the claims of Jesus Christ.

Talmadge Williams

20. Home Missions Report given by Bill Young.

### HOME MISSIONS REPORT

Home Missions is now serving in all of the states of the United States, including Alaska and Hawaii, and in Cuba, Panama, and the Canal Zone. About fifteen new associations are being organized annually, and an average of 48 missionaries were appointed monthly in 1960.

The Board is seeking to work with other State Conventions, and has agreed with 23 states for work in 1961—a gain of seven over the previous year. There are many new projects of the Home Mission Board such as co-operation with the state of Hawaii in the field of evangelism.

There are now three Southern Baptist Churches in Puerto Rico that are affiliated with the Florida State Convention.

Language work begun in the Great Lakes Area and in New York and the Northeast Association. The development of a Literacy Ministry in Mountain and isolated areas has met with enthusiastic support. It is anticipated the Board will render some assistance with church loans for National Baptist Churches in certain areas where the needs are urgent.

The lack of desirable church sites is hindering the 30,000 movement. More funds are needed, and to this end the upper bracket of the 1961 Annie Armstrong Offering, and any overage that may come from that offering, will be used to augment the church site fund of the Home Mission Board.

In connection with church extension the Board hopes to find funds in 1962 to implement one or more "Big City" programs. Also a special emphasis is being placed on Down-Town missions centers in the deteriorating urban areas.

Despite political conflicts in Cuba, Southern Baptist work is prospering very well. It is not known what the future holds in Cuba, but Baptists can rejoice over the progress that has been made in the past year.

21. Foreign Missions Report given by Jack Chellew.

### FOREIGN MISSIONS REPORT

At the beginning of 1961 there were 1,480 missionaries under

appointment for service in 45 countries. The object of the Foreign Mission Board is to have under appointment by the close of 1964, a minimum of 2,000 missionaries. The present objective is to appoint 160 additional missionaries in 1961.

As you can readily see, the advancement in enlarging the Foreign Mission Boards efforts calls for an expanding budget and greater provisions for capital needs. Baker J. Cauthen is quoted as saying, "In financing the work of foreign missions, there are three main divisions of responsibility. First, missionaries must be sent and supported. Second, funds must be provided to cultivate developing programs of work on mission fields. Third, resources must be made available for capital expenditures.

"The urgency of the missionary task across the world increases every day. We must bring to this enterprise not only resources in terms of lives and money, but increasing spiritual power through prayer and faith. Work must be extended into many lands we have not yet entered, and work which has begun in many fields we are now serving must be strengthened and expanded."

With this statement in mind, let us, the Churches of the Randolph Association, promote a stewardship emphasis among our people as we give to the Foreign Mission Board through the Cooperative Program and the Lottie Moon Christmas Offering.

29—Baptist Brotherhood Report—R. L. Hughes.

### BAPTIST BROTHERHOOD REPORT

According to the latest figures which I have had available, only seven of our churches in the Randolph Association have any kind of a Brotherhood organization. One of these did not indicate that there were any members of the Brotherhood itself, only R. A. members.

The Associational total enrollment for men was 236, and the grand total including R. A.'s was 356.

We feel that the above figures would increase five-fold if only our pastors and churches could visualize the potential and blessing that can be released by bringing together our Baptist men in promoting the whole church program.

We feel, also, that perhaps some of our present Brotherhoods have failed to be an inspiration for organizing others. Each Brotherhood must have a far-reaching program that is adapted to the needs of the particular church.

Consecrated leadership is another must if the Brotherhood is to render a service for the good of the church and to the glory of God. The hottest spark for having a live Brotherhood is that of evangelism; winning the lost to Christ.

It is hoped that more of our churches will come to realize what a blessing the men can be and will take steps to organize and utilize them. Our Associational Field Worker advises with any church that calls on him.

Respectfully submitted,

R. L. Hughes

30. Sunday School Report presented by Lloyd Brown.

### ASSOCIATIONAL SUNDAY SCHOOL REPORT

It is with heartfelt gratitude that we come to make this annual report to the Association. On behalf of the entire staff of the Associational Sunday School Officers let me pledge our adherence to the ideal that our task is one of service.

Our purpose is to help our churches through proper use of their Sunday School to reach the lost for Christ and to lead the saved to acknowledge the Lordship of Christ in daily living.

We had three Sunday School Conferences this year, with an average attendance of 90. We had three General Meetings and six Planning Meetings. We have given several certificates for reading the Bible through, and many for parts of the Bible. A letter was mailed to each of the 43 churches every month reminding them of our meetings. It was also announced over the radio and in the county newspaper.

May I express my thanks to all the Associational Sunday School Officers, and to the Sunday Schools of our Association for their cooperation during the past year.

Respectfully submitted,

Lloyd Brown

31. Training Union Report presented by Clyde Bearden.

### TRAINING UNION REPORT

The Training Union is a tremendous power in the lives of Christian people throughout the world. From churches with Training Unions come 95% of our soul-winners, more than 90% of our Missionaries, and

over 90% of our Mission gifts. This is another assurance that the Word of God is "Quick, and powerful, and sharper than any two-edged sword." Heb. 4:12. With such a weapon in our hands, we ought to train ourselves in its use.

Our theme for the year was based on Revelation 2:10, "Be thou faithful unto Death, and I will give thee a crown of life." These are the words of our Lord to the church at Smyrna, and to us. We have sought to encourage and promote faithfulness in every area of our lives and work.

During the year we have had all 12 regular meetings—4 Executive, 4 Conference, and 4 Mass Meetings. The Executive Committee has had several special meetings. Only two things kept us from reaching the Standard of Excellence this year—the number of Unions in our Association, and the required number of officers. We have the required officers for next year, and with the cooperation of the churches that do not have Training Unions, we can become Standard.

In addition to the monthly meetings, our Training Union sponsored "M" Night, tournaments for Juniors, Intermediates, Young People, and Adults; Youth Week, Youth Night, Study Courses, and cooperated with other organizations in special activities and programs. In March our officers taught a Study Course at the Union Grove Church and organized a new Union, which is now one of the strongest in the Association.

The Bible instructs us to "Desire the sincere milk of the Word that we may grow," and to "Grow in Grace and in the knowledge of our Lord and Saviour, Jesus Christ."—1 Peter 2:2 and 2 Peter 3:18. This should be a challenge to us to build more and stronger Training Unions. We could, thereby, make good church members of our new converts, better church members of our older members, and soul-winners of all members.

Respectfully submitted,

W. C. Bearden, Director

36. Speaking to the Report on Christian Education was

Douglas Branch, General Secretary and Treasurer of North Carolina Association.

### REPORT ON CHRISTIAN EDUCATION

The decade of the 1960's promises to be a period of major emphasis on education. One can hardly study the progress of our denominational program without realizing the absolute necessity for adequate Christian Education. "The Thirty Thousand Movement" will require and is requiring Christian leadership in proportions heretofore unrealized. The goal of two thousand missionaries under appointment by our Foreign Mission Board by 1964 will obviously demand a tremendous amount of new Christian leadership. The expression of our Baptist colleges in our own state has already placed demands for Christian leadership adequately trained and prepared beyond our supply. In the light of our expansion of the Kingdom's work throughout the world the emphasis on Christian education becomes a matter of "do or die."

As young people proceed from their home churches to the colleges of our state it is absolutely essential that they be provided with the finest education possible in the most consecrated Christian environment. Such educational institutions are possible only when every church from the smallest to the greatest is aware of the need and dedicated wholeheartedly in interest and concern to the task of Christian education which has been set before us. This must be an interest and concern which leads to constructive action rather than destructive criticism. It has been the conviction from earliest time among Baptists that the church-sponsored and controlled schools is the foundation of strength for our society, and it must ever be that way. Our seven colleges must be securely lashed to Christ and His way for only thus can they continue to make their contribution to our churches, our denomination, our society, and the work of our Lord all over the world.

Beginning in 1957, Father's Day has been designated for Christian Education with emphasis being placed on our seven North Carolina Baptist Colleges, and with a special offering being taken to provide financial support for the many students who would be unable to obtain an education without such support. All of our churches are urged to observe this day with this special offering.

Respectfully submitted,  
Samuel M. James

37. Hymn "Higher Ground" led by Jack Chellew with Mrs. Bearden at the piano.

38. Annuity Board Report presented by Marvin Chapman.

### ANNUITY BOARD REPORT

God, no doubt, has entrusted Baptist churches with the responsibility of caring for our pastors and their families in the days of

need and anxiety. The Lord has led Southern Baptists to entrust the Annuity Board with a practical program that will aid our Baptist churches in this matter. This program of protection is called the Southern Baptist Protection Plan. Each and every Baptist church is invited to protect their pastor and his family through this plan.

The Southern Baptist Protection Plan provides financial help in the time of death, disability, and retirement. The Board is there to serve in time of sorrow, if the church is in the Protection Plan. In case of the pastor's death, his widow would receive an income from the Board as long as she lived or until she remarried. In case of disability, the pastor would receive a monthly check from the Board as long as he is disabled. At the age 65, the pastor can receive his regular annuity as long as he lives.

We urge all churches to contribute to the work of the Annuity Board. Every church would do well to investigate this plan. At present the following churches of the Randolph Baptist Association are active in the Southern Baptist Protection Plan: Randleman, Ashboro First, Liberty First, Balfour, Beulah, Franklinville, Fayetteville Street, Mt. Pleasant, Oakhurst, Randolph Baptist Association, and Ramseur.

We also suggest that one of monthly Associational Meetings be given to the discussion of this phase of our denominational work. Churches desiring information should contact members of the Annuity Committee, the Associational Missionary, or Tom Greene, Baptist Building, 301 Hillsboro Street, Raleigh, N. C., who is the Director of the Annuity Board work in North Carolina. He will be happy to present this matter to any local church desiring help. We further urge you to discuss this matter with pastors who are in the plan and also with their churches.

Respectfully submitted,

M. W. Chapman

39. Evangelism Report was presented by Fletcher Ford.

### EVANGELISM REPORT

These are tremendous days in which we live. The number of hopeless people, hopeless because they do not know Christ, grows daily. Many of these lost people live in the territory of our Association. They live near our churches. Surely this is the time for total dedication to Christ in His purpose of winning the Multitudes to God.

To move forward we must start from where we are. Our Association is the best launching place for new frontiers in evangelism and missions. Therefore, we would remind you of the program of Evangelism adopted by our Association last year:

1. That every church engage in two revivals each year, 1961-1964.
2. That our Association participate in the Baptist Jubilee Revivals, 1962-1964.

That at least 80% of churches observing same dates with two consecutive weeks of evangelistic preaching. Our dates as

follows:

1962—April 1-15 .

1963—

1964—March 8-22

3. That all churches make full use of the Revival Plan Book for 1961-1964, supplied free to all pastors by the Division of Evangelism, Raleigh.
4. That our Association recognize the elected Associational officers as the Evangelism Committee, the Chairman of Evangelism to be Chairman.

This year, in addition to the above recommendations adopted last year, we recommend further:

1. That all of our churches participate in an Associational Central Revival at Asheboro, July 7-21, 1963.
2. That our Association each year, 1962-64, have an Evangelistic Clinic following the suggested program supplied by the Division of Evangelism.  
The date for 1962 be on February 2.
3. That our Association send the Chairman of Evangelism to Ridgecrest for the annual conference on Evangelism during Home Mission Week.

Fletcher Ford

### REPORT ON NORTH CAROLINA BAPTIST HOMES

North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes—Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albemarle. With 130 people waiting for admission at the present time, lack of rooms is one of the most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof-positive. This, our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of \$275,000.00 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task which is

ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. Twenty-six new residents have been received and are finding happiness in their new home. The Special Day Offerings and special gifts are running 5% ahead of last year's contributions, and we are grateful to each church and each individual for the liberal support they give.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is increasing for them, by the loving kindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional residents.

Along with our many blessings have been moments of bereavement. During the past year 14 persons have been called to the Heavenly Home, but we have soon been lifted up in the knowledge that God has called His own unto Himself.

The happiest times in the Homes are when friends and members of our North Carolina Baptist Churches visit us. We extend a cordial welcome to come and see first-hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

43. Baptist Hospital Report presented by Fred Reece.

44. Speaking to the report was W. K. McGee, Director of Baptist Hospital.

### REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics—78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

**SOME OF THE NEWER SERVICES:** The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advanced step in hospitalization and pa-

tients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of x-ray films.

**THE MOST URGENT NEEDS:** Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledged, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

Our Christian heart beats with compassion for those in need. We would like to be of service, but our hands and minds lack the skill. Is there no way for us to express our desires? By providing those who know how, we become in a small way the hands of Jesus reaching out to those who need Him. Our hospital is worthy of our support, and we look forward with anticipated joy to the words of our Lord, "Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me."

Respectfully submitted,  
Fred W. Reece, Representative

45. Baptist Children's Home Report presented by Clarence Jenking.

## REPORT ON BAPTIST CHILDREN'S HOMES

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty-five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Financial support for this year has come from the following sources:

Thanksgiving Offering .....	33 percent
Cooperative Program .....	32 percent
Once a Month Offerings .....	18 percent
Special Gifts and Endowment .....	17 percent

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is \$400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading *Charity and Children*. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before—well over 52,000. Every family in every church should receive this Christian newspaper.
