DEDICATION

Ernest Jamison Sr.

On April 15, 1896 in Rabun County, Georgia there was born to Harle and Mary Jamison a son who was destined by God's grace to become one of the truly great mountain preachers of this century. His name was Ernest Jamison, Sr.

Before he began his ministry for the Master of nearly half a century, Reverend Jamison served from 1918 to 1919 in the U.S. Army Medical Corps. Following this service he came to Sylva to receive the one God had chosen to be his faithful help meet and companion for the remaining years of his life. He and Mrs. Altha Beasley Jamison were married on June 29, 1921. To this home God sent eight children: Ernest Jamison, Jr., Vernon Jamison, Harold Jamison, Mrs. Dorothy Deitz, Mrs. Georgia Buchanan (Deceased May 16, 1967), Mrs. Betty Fisher, Helen and Jean Jamison all of Sylva.

On July 25, 1930 the East Sylva Baptist Church ordained him for "the work of the Master in ministering the work of the Master." For the next 40 years Reverend Jamison walked over these hills ministering in the Lord's name. His first pastorate was Greens Creek Baptist Church. This was followed by sixteen pastorates in Jackson, Macon, and Swain counties. During these pastorates Reverend Jamison conducted twenty-three tent revivals over Western North Carolina. From Caney Fork to Shoal Creek, from Waynesville to Savannah he preached the gospel of the Lord Jesus Christ. The Lord blessed not only the preacher but all of his family with the talent of singing. This was used by him and his family in conducting singing schools in the surrounding counties. And is still being used by the present generation of Jamisons to praise the Master's name. The final pastorate was held at Zion Hill Baptist Church in 1970 while the preacher was himself in his seventies.

On July 16, 1971 Reverend Ernest Jamison Sr. was called by his Lord to receive the payday for which he had laboured so faithfully and lovingly. His body was laid to rest in the Fairview cemetery on July 18th, but his Spirit was set free from toil and suffering to ever be with his Lord.

"The Preacher," as he was affectionately known by many, will always be remembered among these mountain people for his wisdom and counsel to the young, his love and service in the Master's name to all men, his praise of God in song and his untiring and unwavering devotion to the Lord Jesus Christ.

SUNDAY SCHOOL

As we come to the close of another associational year, we are grateful for the progress that has been made in our Bible teaching program. During the past year many have heard the Bible taught in S. S. and many professions of faith have resulted from these classes. We are keenly aware that the S. S. is the chief instrument of witness for Jesus in the local church.

The very nature of the "Great Commission" in Matt. 28:18-20 makes some type of organization for Christian education inevitable. Listen to the command of our Lord. "Go then, to all people everywhere and make them my disciples; baptize them... and teach them to obey everything I have commanded you." This imperative, "Go to all people and teach them about God" can only be carried out at the grassroot level, the local church. This is where the majority of the people are. Our S. S. Dept. of the S.B.C. and the Baptist State Convention have long realized this importance. So the S. S. work has been the main arm of the Baptist church in reaching, teaching, winning and developing people for Christian discipleship.

The S. S. is the Bible teaching agency of the church. Because the churches of the Tuckasegee Association recognize the importance of Bible teaching, each church has a S. S. We desire that each church will be committed to doing the will of God on earth in providing an efficient and effective Bible teaching program within their power to do so. To establish a strong Bible teaching program, each church should remember the basic tasks for our S. S. work: 1. Teach the Biblical revelation; 2. Lead in reaching all prospects for the church; 3. Lead all church members to worship, witness, minister, learn and apply daily. To fulfill these basic tasks, we would encourage each church to follow the simple growth formula advocated by Dr. Arthur Flake many years ago. They are five steps: 1. Locate the prospects; 2. Enlarge the organization; 3. Provide needed space; 4. Enlist and train workers; 5. Visit the people. If we would follow these simple guidelines, we will experience the glorious opportunity of reaching peo-

ple for Bible study that they might become followers of Christ.

During the past associational year, your Associational S. S. organization has conducted 4 Pastor-Director Conferences, led in 2 Associational S. S. Leadership conferences and shared in several churches with their organization and planning in the new materials. All of these meetings were well attended. We are grateful for the interest and concern in our S. S. work.

As we face a new associational year, the Associational S. S. organization stands ready to help you build an effective Bible teaching program. This coming year, we plan to conduct 2 leadership conferences and lead in 4 Pastor-Directors conferences. Also in the spring, we hope to conduct a 3 day Bible conference for our association.

Our main concern for this associational year will be in teaching improvement and outreach. Our conferences and meetings will be centered around this concern. We shall promote the special emphasis "People-to-People." This is a plan of action to reach more people for Bible study. The ultimate purpose is to reach people for Christ and church membership. "People-to-People" means exactly what it says. It means that you, I, and other Christians will reach out to other people with our Christian witness and concern.

If we are to live the Spirit of Christ in our day and time, we must dedicate ourselves and our local churches to discover and develop effective ways to teach the Bible truth. Your Associational S. S. officers are dedicated to the task of helping you develop an effective Bible teaching program. We are ready to assist you in any way we can.

HISTORIAN'S REPORT

Lest we forget one of our remarkable achievements of the past, I should like to call your attention to HISTORICAL SKETCH OF TUCKASEGEE BAPTIST ASSOCIATION 1829-1929. Written by Professor E. H. Stillwell one of our noble spirited Baptist men, teacher, leader, and historian to whom I am very much indebted for the material used in this report.

There were several attempts made by the people of Western North Carolina to establish schools in various places for the purpose of giving our boys and girls a Christian education. This shows as now that our foreparents carried in their souls a recognition of the supreme need of the best training possible for the children with a special emphasis on the definite training of the young men who felt the call to the ministry.

The desire grew with such force that in 1863 a committee was appointed to select a suitable location for such a school and solicit funds for its construction. The minimum was set at \$2,000 with no obligation to be placed on the association so far as finances were concerned. The location was found at Holly Springs in Macon County. The minutes of the thirty-third session of the association convening at the Crabtree church has this report: "We located the school at Holly Springs, Macon County, North Carolina. The third session is now in progress and the prospects of success are flattering of the county, (this was during the war). We can not erect such buildings as we desire; hence we have contracted with Mr. John Ammons of Macon county to build a house twenty feet by forty feet to answer our present needs. The work is under direction of a committee appointed by the board. The school is at present under the control

of T. M. Wilson Esq. of Jackson County. We are endeavoring, however, to secure the services of a thorough classical scholar. The agents appointed for the purpose report that they have raised \$2,020.50."

One year later the report was read and the trustees of the "Tuckasegee Baptist High School" was in successful operation under the leadership of Mr. H. M. Moss of Clay county and work on the house is nearing completion. No references is made to the school after 1882 and it can be assumed that it had closed at that date or possible a year earlier.

Judson College of Hendersonville was being patronized by our people even though it involved traveling to and living in Hendersonville.

In 1887 Hamburg Normal High School was getting support from the association for the purpose of giving a definite Bible study and interpretation.

Both Judson and Hamburg Normal High closed by 1898. In 1899 the minutes of the Tuckasegee association contained the origination of Sylva Collegiate Institute. The resolution recommending to the association to invite the cooperation of Haywood and Tennessee River associations in the building and equipping a Baptist School of high grade to be managed by the three associations was adopted and readily carried out. A committee composed of Clengman Bryson, J. M. Carpenter, R. F. Jarrett, Lambert Hooper, and H. C. Cowan selected Sylva as the most desirable location for the school. The town of Sylva offered \$773.00 for the school use. The name of the school was to be "The Tuckasegee Sylva Collegiate Institute." A leased building was used till a new building could be erected. The location of the new school was on the beautiful College Hill overlooking the town of Sylva. The building erected cost \$4,500.00.

Professor Harry L. Sams, A. B. Wake Forest College was chosen as the first Principal. The first session of the school opened on August 7, 1900 with fifty-seven pupils. The third year opened with Rev. Lee Fox as principal. The records for the year show 250 students enrolled.

Several of the first principals changed frequently causing the school to suffer. In 1905 Professor F. A. Brown came as Principal with three other teachers to help him. A boy's dormitory was erected at a cost of \$750.00 with 229 total enrollment.

Under the leadership of these men the school grew in numbers and influence. In 1921 there were six graduates with five of them going on to higher institutions of learning.

The 1923-24 session finds the school on the accredited list of North Carolina with a class B group rating. An administration building has been erected raising the value of the plant to \$75,000.00 with 229 pupils. At the close of that year twenty-nine were graduated, ten were baptized and many others dedicated their lives to Christian service. Professor R. F. Hough was principal. He was replaced by his brother J. C. Hough who was followed by our own Professor W. C. Reed in 1926. In making his report to the association in 1927 he reflects the rising interest in consolidation of state schools with bus transportation over long distances to large central schools with free texts and no high school tuition.

Even though the years of 1920-1928 can well be considered the "golden" years of the school they also reflect the declining years of S. C. as well as the drop in the interest of our Baptist people in supporting their school, the rising costs of education, the shadow of the depression of the few years later, and the expansion of student transportation and improved conditions in state supported schools became insurmountable obstacles. The report given by G. H. Cope in 1933 carries this statement, "Today Sylva Collegiate Institute, like many others of her class and rank, stands idle and numerous boys and girls worthy of a Christian education are deprived of it."

CHURCH TRAINING

Christ trained twelve men for three years and they moved a world. Training can help your church continue what they began. With the 70's Church Training offered new and flexible means to meet the needs of individuals and groups. Some of these are: a new group-grading plan, a correlated curriculum, and flexibility of organization. The tasks of the Church Training program are outlined as follows: Orient new church members, Train church members to perform the functions of the church, Train church leaders, Teach Christian theology, ethics, history, polity and organization and Provide and Interpret information regarding the work of the church and denomination. We would like to encourage every church to seek to provide a church Training program for it is "the Christ-like thing to do."

We are happy to report that "M" night was held on December 7, 1970 at Scotts Creek featuring the Bill Wallace film.

FOREIGN MISSIONS

MISSIONARY SUPPORT

The sending out and maintenance of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. At the close of 1970 the Board had an overseas missionary staff of 2,501. This included 165 missionary associates, 4 special project medical personnel, and 121 missionary journeymen. Appointments during the year totaled 182 (92 career, 18 associates, 64 journeymen, 1 special project medical couple, and 6 career reappointments.) Between January and May 1971, 35 more were added.

Hundreds of calls for reinforcements in personnel have been heard from Missions (organizations of Southern Baptist missionaries) and national conventions in dozens of countries. Some requests, repeated from previous years and still urgent, are yet unfilled.

EVANGELISM AND CHURCH DEVELOPMENT

Underlying all our missionary endeavors is the ultimate purpose of leading people to new life in Jesus Christ and the cultivation of New Testament churches. Organized churches with which Southern Baptist missionaries are related on mission fields now total 5,853, of which 75 percent are self-supporting. Work and accomplishments reported are largely those of national churches, leaders, and conventions, with the assistance of missionary co-workers and resources from Southern Baptist.

SCHOOLS AND STUDENT WORK

The training of national leaders is a prerequisite to strong indigenous churches. Educational institutions under Baptist auspices in various lands may include all levels from kindergarten through university. Of special importance is the development of pastors and other church leaders through theological schools and in programs below the full seminary level.

PUBLICATION WORK

Publication ministries are an integral part of Southern Baptist overseas missions,

as all kinds of Christian literature are provided for purposes of evangelism and the development of vigorous church life. Our missionaries are related to publishing centers in 24 lands and to informal literature production programs in a number of other countries. They assisted in producing over 27 million pieces of literature: tracts, books, periodicals, Bibles, hymnals, and other items.

HOSPITALS AND MEDICAL CARE

The program of hospitals and medical care serves the physical needs of thousands of people who would otherwise be neglected and often opens strategic doors for evangelistic witness. During 1970, missionaries and national workers engaged in this ministry treated more than 51,000 inpatients and saw nearly 930,000 outpatients.

STATE MISSIONS

The separation of "missions" into geographical categories is basically the making of man and not of God. Scripture tells us that all men everywhere are equally in need of Christ's redemptive message. The "all" people include those in Bern, Switzerland as well as those in New Bern, North Carolina; people in Chicago as well as those in Charlotte.

The idea of cooperative WORLD missions is no more true than in the relationship of state, associational, and local church missions. What "state" mission, for example, takes place outside some association? Or what associational mission happens somewhere other than in a "local" situation?

These "labels" for missions, which some guard with great jealousy, have less meaning to less numbers of people each year. Today, people are increasingly aware of a total WORLD mission concept. They realize that our-little-cornet-of-the-world is rightfully part of a world mission responsibility.

On Sunday, September 19, North Carolina Baptists are asked to give this "part" of world missions. It is our hope, needless to say, that this State Mission Offering will be the largest in our history. (Last year, we missed our goal of \$250,000 by \$29,130.04 - \$250,000 would have represented only an average gift of 23¢ per North Carolina Baptist!)

This year we are requesting that State Missions be presented in the context of our total world missions responsibility. Too often, people place "missions" as something far away and happening someplace else. Our own home state is overlooked by too many people as a place of real mission need.

BAPTIST ANNUITY BOARD

As prices of goods increased and the value of the dollar decreased in 1970, a large number of Baptist pastors, church staff members and denominational employees moved to provide greater protection in the years ahead for themselves and their families. Most of these persons did so by increasing their Southern Baptist Protection Program participation to at least ten per cent of total salary.

While members upgraded, the Annuity Board was introducing Good Experience Credit. This gives Protection Program members benefits over and above the amounts set forth in their certificates.

Increased benefits are made possible by interest earnings in excess of the Protection Program's initial actuarial assumptions. Since January 1, 1970 active mem-

bers received Good Experience Credit in the form of increases in retirement credits accrued.

Retired persons also get Good Experience Credit. Persons receiving benefits other than education, variable or fixed period are getting per cent more income each month.

Each retired person, or widow, also received a "13th Check" for 1970 amounting to 8.33 per cent of his annual benefit. It was the fifth consecutive year the "13th Check" had been given and amounted to \$424,594.00.

In its 53 year history, the Annuity Board has paid benefits amounting to \$82.1 million; \$8.4 million was paid in benefits during 1970.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients - that is, patients who were referred to our Baptist Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basic policy of providing care - now the highly specialized care for the more difficult cases - for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism." The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will be open about September, 1971. A statewide Development Campaign, initiated with pledges totaling \$177,182 from employees of the medical center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is a missions too.

1971 COOPERATIVE PROGRAM REPORT

Is there a church you can lead to increase Cooperative Program giving by \$5,000? or \$10,000? or \$15,000? Does your association have 100% of the churches contributing through the Cooperative Program? Anson and Yates associations did in 1970. More than 1,000 churches in North Carolina increased Cooperative Program giving last year by 10% over the previous year. As a dedicated Christian steward will you try to lead your church to increase the percentage of the offering plate dollar given through the Cooperative Program?

A pastor said during a Fellowship Dinner in his church, "My hands reach 25,000 miles, or rather the Lord's hand through me, when I lay the dedicated tithe of my income on the offering plate of our church.

"But how can I reach this distance? By joining hands with others.

"You see, our church gives 32¢ of every undersigned dollar through the Cooperative Program.

"Our Lord set a wonderful example for us at this point. He started with education. He taught the apostles and they proclaimed the gospel around the world. The Cooperative Program is an effort to follow this example.

"Since the Cooperative Program helped to educate and pays the salary of over 6,000 missionaries around the world, I am able to reach around the 25,000 miles of the earth as I tithe through our church," concluded the pastor.

You can reach 25,000 miles as your church gives a worthy portion of each worshiper's contribution through the Cooperative Program.

North Carolina Baptists believe that the Cooperative Program is the best way to do mission work because:

1. It is motivated by the Great Commission. The Cooperative Program did not create cooperation on the part of the Baptist churches; the desire of the New Testament churches to give the gospel to the world created the Cooperative Program, (Luke 24:45-48; Acts 1:8).

2. It is rooted in the New Testament practices (II Cor. 8 and Cor. 16:1-3).

3. It is the product of generations of the best Baptist leadership.

4. It gives hope for the future.

The Moderator, the Convention's General Board member, our Superintendent of Missions, and your Cooperative Program Representative in this association, plus your Regional Cooperative Program Consultant and R. Tom Greene of the Baptist State Convention office are delighted to offer friendly service to aid your aim of increased Cooperative Program sharing. On your invitation we stand ready to assist in every possible way.

1971 BAPTIST HOMES FOR THE AGING REPORT

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessing of God upon this special ministry to older people. God has brought us one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yanceyville. In these Homes our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated without the Special Offering, designated gifts from the churches, and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-saver in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new addition will be ready for occupancy by September 1. It will make available 20 new additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of \$80,000.00 from Judge and Mrs. William York of Greensboro. The trustees accepted the challenge and raised an additional \$80,000.00.

Pray for your Baptist Homes for the aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

EVANGELISM REPORT

All Christians need to thank God for the renewed interest among youth in evangelism. This was evident during the Youth Evangelism Night this past February 2nd when almost 20,000 youth and adults overflowed the Greensboro Coliseum and War Memorial Auditorium. 1,519 decisions were made by these youth. Also many youth in churches across our state are involved in witnessing for Christ in unique ways.

There is tremendous interest in North Carolina and the entire Southern Baptist Convention in the new WIN materials on lay witnessing and the one week Lay Evangelism Schools. Over twenty-five associations have already started specific planning toward a one week Lay Evangelism School in their area. The first Lay Evangelism School sponsored by the Division of Evangelism will be November 1-7 in the Mecklenburg Association. Other one week dates have already been confirmed in several Associations. Jesus reminded all Christian laymen of our task in Luke 24:48 - "And ye are witnesses of these things." Thousands of laymen and youth will respond if they are properly challenged and trained.

The Division of Evangelism in cooperation with our Brotherhood Department and the N. C. United Methodist Conference will sponsor four Regional Evangelism Conferences for Baptist and Methodist men during October 18-19 and 21-22, 1971 across the state. Lay evangelism will be the emphasis of these evening meetings. Dr. Ben Johnson of Atlanta, Georgia who has assisted Dr. Billy Graham and Dr. Ken Chafin in several conferences, and Dr. Ralph Neighbour of Houston, Texas will be the two main speakers. Rev. Bob Gibbons will be the guest soloist. Laymen will preside, share personal testimonies and have the Scripture and Prayer.

The 26th Statewide Evangelism Conference will be February 7-9, 1972 at the Cumberland County Memorial Auditorium in Fayetteville.

The next Statewide Youth Evangelism Night will be on Friday evening, August 18, 1972 at Greensboro Coliseum.

Remember to pray earnestly for the non-Christians in North Carolina and around the world that through our efforts together the Holy Spirit may lead many persons to commit their lives to Jesus Christ.

Ralph Easterly

CHRISTIAN LITERATURE

At a time when some religious publications are losing circulation, it is good to report that the Biblical Recorder has passed 93,000 - the highest circulation in its 138-year history. This circulation is a tribute to the Baptists of North Carolina who support the paper so faithfully.

Even though inflation continues to create problems, you can receive the Recorder under the Church Budget Plan for the same price it was in 1960 - only \$2.00 a year. It is not known how long this reasonable price can be made available and that is all the more reason churches should enlist immediately.

The Recorder likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however, the Recorder does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local option liquor by the drink elections in Moore and Mecklenburg Counties. The Recorder stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people - it stands for something.

The Recorder appreciates every reader and supporter. The cost is reasonable. You can receive the Recorder under the Church Budget Plan for only 4¢ a week - half the cost of mailing a letter. There is no more economical way to have an informed membership than by sending the Recorder to every family.

REPORT OF CHRISTIAN EDUCATION

Students in Baptist colleges are demanding more in a good education and they are getting more from the seven Baptist colleges across our state than they have ever received. In addition, the B.S.U. is seeking to provide for the students on state campuses in the area of Christian influence.

From Mars Hill to Chowan, the seven institutions are seeking to relate to the needs of the students. The students, in turn, are rising to challenges of leadership, and they are requesting opportunity to make contributions within the Baptist State Convention of North Carolina. Even now, their representatives meet regularly with the General Board, and they meet on occasions with the Executive Committee of the General Board. They have a place on the Interracial Committee with the Baptist General Convention of North Carolina. They are involved.

Also, students are involved when they leave the campuses for the summer. This summer, one student has worked on the staff of the First Baptist Church of Sylva,

partially supported by Campbell College where he attends during the regular school session. This is repeated seventy times across the state in the Baptist Youth Corps. Two young people from our Association are in the service of the Home Mission Board this summer, working in the Northeast part of the nation. More students are using camps and assemblies as opportunities for expression of their faith in Christ. Hundreds of high school and college youth are manning important positions which keep Caswell, Caraway, Mundo Vista, Ridgecrest and Truett operating for others during the summer.

The institutions are not deaf to the opportunity for service to churches and Baptists. For example, Campbell College's program provides \$300.00 per year tuition for ministerial, free tuition for full-time ministers in North Carolina Baptist churches and for their wives, \$250.00 per year tuition for children of Baptist ministers, Associational missionaries and State Convention employees. Every college in the group provides loan and work programs for students who need assistance in finances while attending college.

The colleges are growing. Chowan College, where I recently attended a meeting of the General Board, has been almost entirely constructed since 1957. Twelve of the fourteen buildings are new construction since that time. From an enrolment of approximately 350, it has grown to more than 1,400 students. It has an excellent Christian administration and a quality faculty. It ranks with the best of Junior colleges.

These schools are sensitive to the Denominational needs. Recently, the seven college presidents and the three Social Service institution heads agreed with the Convention leadership on a plan whereby these ten institutions would underwrite the financial needs of an expanded emphasis on the Cooperative Program. They have shown willingness to cooperate in other ways with the Baptist State Convention, stressing the importance of an autonomous and cooperative relationship.

The colleges and their students are supporting the work of Christ in many ways. Let us join to work with them by giving them moral and personal support that will strengthen their endeavors for our Lord.

REPORT ON TRUETT BAPTIST CAMP

Truett Baptist Camp has had one of its most fruitful years in its history. More boys and girls have attended one week sessions this year than ever before. For the entire summer, it is expected that 375 campers will be registered. Of this number, 222, 101 girls and 121 boys, were accommodated during the seven weeks for individual campers. The other 153 have made reservations in special church week during the month of August. There were 38 professions of faith during the weeks for individual campers. There were almost 100 other decisions.

Remodeling and enlarging of facilities has taken much energy and time, in addition to costing a total of \$14,372.70. Of this, \$11,121.52 has been spent on three new buildings: business office, canteen, barracks for 15 persons and a bath house to accommodate 45 persons. Also, \$3,251.18 was spent for equipment and furnishings which include 57 Hollywood type beds with innerspring mattresses. Operating expense has totaled \$6,791.93. At present time the camp has an indebtedness of \$7,476.11. \$6000.00 of this is not payable until 1972, at which time the Baptist State Conven-

tion representative has agreed to budget \$3000.00 for debt retirement.

The camp operates with a maximum of 57 persons in all buildings. The capacity has not been enlarged in the last three years, but the health rating has moved from "C" to "A" rating, 94% at final inspection. The improvement of the quality of camping has been the major goal of the camp committee as it has planned.

During last fiscal year all sources of income has totaled \$21,394.16. This includes \$2,407.15 from churches, \$5,065.00 from the Baptist State Convention, \$164.00 from the Association, \$95.65 from memorials, \$1,257.00 from individuals, \$183.00 from local W.M.U. organizations, \$6,000.00 bank loan from Wachovia, \$3,782.50 from other sources.

We urge each local church to consider including Camp Truett in their budget and to send their boys and girls to camp next year.

W. M. U. REPORT

During 1970-71, we saw many changes in the organization of W.M.U., but the mission purpose of Woman's Missionary Union has remained constant. The concepts of mission, prayer, giving, and service welding a strong organization in the past are the organization spearheads for the seventies.

Each generation of Christians makes this purpose to the mission imperative. Jesus gave a commission to his followers. They are "to make disciples" of all the nations. From the time He spoke this mandate, men, women, and youth have been caught up in the mighty movement of world mission.

Woman's Missionary Union today is entrusted with a vital role in World Missions. W.M.U. is committed to four tasks:

1. Teach Missions
2. Engage in mission actions
3. Support world missions through praying and giving.
4. Provide and interpret information regarding the work of the church and the denomination

During the past year, W.M.U. in the Tuckaseegee Association have been actively involved in the tasks for world missions. At the present, there are 13 churches with W.M.U. The total enrollment and membership is around 600. We would hope that this coming year other churches would see the need among their women to begin W.M.U. Some of the activities this past year are:

1. The fall leadership conference at Scotts Creek, lead by W.M.U. Director and the Assistant Director.
2. The mission study conference at the First Baptist Church in November 1970. This meeting was taught by Mrs. Robert Clegg's sister, who is a foreign missionary. This meeting was well attended.
3. The annual meeting was held in April at the Scotts Creek Church with 60 present. The speaker was Mr. Hugh Stames, Superintendent of Broyhill Home, Clyde, N. C. of the Baptist Children's Homes. Also a special feature was the work of the Cherokee Baptist Church Child Care Center. An offering of \$40.00 was taken for Truett Baptist Camp.

4. The work among the Girl's in Action and other organizations are being directed

by our associational officers. Many of these girls were in camp at Truett in past summers.

As we face a new year, Woman's Missionary Union realizes the distinctive task to which it has committed itself - that of learning about missions: associational, state, and foreign, and participating in missions. This we endeavor to do through our W.M.S. and youth organizations. The local W.M.U. is encouraged to plan and to carry out its work in relation to the other church program organizations. In order to witness in an effective way, we realize that we must serve as a part of the entire church.

Some of the events for the coming year are:

1. The fall leadership conference, September 30, with Miss Sarah Ann Hobbs as our leader. She is our Executive Secretary for W.M.U. of North Carolina. The place of this meeting will be announced later.
2. The annual meeting April 28, with a foreign missionary as the speaker. This meeting will also be announced later.
3. Other meetings and conferences planned, which will be announced later.

W.M.U. will continue to seek to give a positive Christian influence during the coming years, and will search for the best ways to assist the churches of Jackson County in carrying the message of Christ to the last village in our world. Your W.M.U. Associational Officers are ready to assist you in any way to build a stronger missionary outlook among the women of the churches.

Mrs. Judson Rotan

ASSOCIATIONAL MISSIONS

No society in the past 2,000 years has so shaken the Church and challenged its very existence as the one in which we now live. If we take a look at the real mission of the Christian Church, we must admit that there are grounds for criticism.

Our business is that of Redemption, of changing people's lives into Christlikeness. To break out of the state in which we have been for so long, we must join in a united associational effort to accomplish the following things:

1. Teach the Biblical Revelation.
2. Lead our people in a meaningful worship experience.
3. Reach the lost for Christ and for Church membership.
4. Lead our people in a vigorous witnessing revival.
5. Train our people in the work of the church.
6. Minister to the needs of all people in our community.

No church can survive, much less reach its potential in any of these areas, if it tries to go alone. The role of the association has never been more needful than now.

If missions begin where the nearest lost or needy person stands, then Associational Missions begin where two people stop to say "such as we have, we give in the name of Jesus Christ."

So, let's make tomorrow together. Let's make our Association everything we've dreamed it could be for Jesus Christ.

Respectfully submitted,
Walter Middleton

HOME MISSIONS

Home Missionaries number 2,222

At the close of 1970, there were 2,222 home missionaries which is thirteen less than 1969. This reduction was caused by the rising cost of living and a slowdown in giving. Executive Secretary Arthur B. Rutledge said, "This meant some mission opportunities could not be taken, particularly in the newer areas of the Convention. Reports from the field tell of many exciting and fruitful accomplishments."

Of these missionaries, approximately two-thirds are supported jointly with state conventions and serve in the fifty states, Puerto Rico, and Panama.

EVANGELISM DEVELOPS LAY MATERIALS

A training plan was put into operation for lay evangelism, including materials, spiritual preparation, and training which prepares laymen in sharing their faith. Many key cities will have training witnessing in 1971.

The division also has projected plans for the use of television in the presentation of the Christian faith and the addition of a staff member for youth evangelism in high schools.

NEW CHURCHES STARTED

About 350 new churches and church-type missions were established in 1970. Concerns for starting new work have been incorporated into S.B.C. planning processes for the future.

"Extend now," a method for sharing new churches, is being promoted to make use of small group Bible study, community events, and scheduling of regular meetings. The plans will aid in ministering, witnessing, and starting new churches.

Church growth in pioneer areas increased twenty-five percent over the previous year as about three hundred new churches and nine hundred home-type fellowships were established. Baptismal ratio in these states was one new convert to four church members. New conventions were organized for Pennsylvania-South Jersey and for West Virginia. The Baptist Convention of New York began functioning January 1, 1970.

SCRIPTURES

Missionaries reported people saved and led to use the Word of God to witness because of extensive distribution of Scripture. The Division of Communication operated the distribution project in cooperation with the American Bible Society. The Scriptures were paid by the ones operating them or by unsolicited donations. Hundreds of Scriptures were sent free because, through the plan with the American Bible Society and some volunteer donations, almost \$15,000 was made available for the sending of free Scriptures.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

The child care and family service ministry of North Carolina Baptists in Western North Carolina has undergone many new and thrilling experiences during the past year. Since the associations last met, our program of services has been strengthened in various ways.
