CONSTITUTION AND BY-LAWS

ARTICLE I — NAME AND OBJECT

Section 1. The name of the organization shall be the Randolph Baptist Association.

Section 2. The purpose of this organization shall be:

- a. The promotion of harmony, fellowship and cooperation among the churches of the Association.
- b. The propagation of the Gospel within the territory of the Association and to the uttermost part of the earth.
- c. The promotion of the missionary, education and benevolent causes of Christ within the Association and in cooperation with the Baptist State Convention of North Carolina and the Southern Baptist Convention.

ARTICLE II — MEMBERSHIP

Section 1. The membership of the Association shall consist of messengers of Baptist churches regularly affiliated with the Association. All churches desiring affiliation with the Association shall present to the Committee on Reception of New Churches proper petitions, accompanied by satisfactory evidences of doctrinal regularity and general acceptability. After one year under the watchcare of the Association the said Committee will report to the Association its recommendation. Upon a favorable vote of two-thirds majority of the messengers present at the annual associational meeting the petitioning church may become regularly affiliated with the Association.

“Fellowship may be withdrawn by the Association at any annual meeting upon recommendation of the Executive Committee, from any church in its membership that has been found, by due investigation, to have departed from the Missionary Baptist faith and practices, or has failed to abide by the provision of this Constitution and By-laws, or has failed to either have its pastor or lay member or both in attendance in one or more of the four regular meetings of the Executive Committee, or has failed to make a contribution to the expenses of the Association in addition to the cost of Association minutes, or has failed to properly prepare and return to the Association office a copy of the associational letter, or has failed to send one or more messengers to the annual session of the Association.”

(B) Such a church may, upon recommendation of the Executive Committee and vote of the Association, be placed on probation until the conditions prompting such action have been corrected. Messengers from any church on probation shall not be allowed to vote in the meetings of the Association.

Section 3. It shall be the duty of each church to furnish to the Association each year a letter, on the form provided by the Clerk, giving full information and statistics provided for on the form, and to send with the letter or by messenger a contribution toward the cost of printing the minutes and other expenses of the Association.

Section 4. It is understood that each church in this Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except of an advisory nature.

Section 5. A church may withdraw from membership in the Association by a vote of the church according to its own by-laws, regulations or procedure.

ARTICLE III — MEETINGS

Section 1. The Association shall meet annually on two days during the week following the Third Sunday in October.

Section 2. The annual meeting shall be composed of messengers

Section 2. Duties of the Committees:

- f. Guiding Principles for the Work of the Missions Committee of the Randolph Association.
 1. The Committee is to seek to discover areas where new work is needed and to lead in the sponsorship or establishment of new work to meet present need or the securing of property by a local church and/or the Association in the anticipation of future need.
 2. All new work does not necessarily need to be nor should be intended to become an organized or constituted church. New work may be started and maintained on the basis of a mission to meet particular need (this provides for institutional missions such as jails, prisons, rest homes, etc.)
 3. The location of missions or new churches shall be determined by the need revealed in an adequate survey conducted by the Missions Committee and local interested groups or churches.
 4. Any church, committee, group or individuals considering beginning new work, acting with or without church sponsorship, should approach the Missions Committee for guidance before having any service or choosing a temporary or permanent location.
 5. The Missions Committee shall institute basic, understandable operational procedures and practices for a mission that leads in establishing and strongly urges that each church establishing a mission does the same. The guidance of missions by the Missions Committee shall continue until a co-operating church or churches can be led to accept the responsibility of sponsorship.
 6. A mission organized or assisted by the Missions Committee shall accept the recognized principles and practices of a church co-operating with the Randolph Association, the Baptist State Convention and the Southern Baptist Convention.

ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the said Committee to act as a presbytery for the purpose of examining the brother as to his

fitness for the Baptist ministry, and, if he is found qualified, to assist in the ordination.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

ARTICLE IX — NEW CHURCHES

Baptist churches may be organized and established in localities within the territory of this Association when such new churches are seen to be needed. Those interested in organizing a new church may seek the Counsel of the Executive Committee and the Missions Committee of the Association.

ARTICLE X — RULES AND ORDER OF DECORUM

This Association shall be governed in its meetings by such rules and by-laws as may be adopted, amended, or set aside by a majority vote of the messengers present. *Robert's Rules of Order* will be the guide in all parliamentary matters.

ARTICLE XI — ADOPTION

The Constitution and By-Laws shall take effect immediately upon its adoption by a two-thirds majority vote of the messengers present and shall supersede any and all constitutions, by-laws, and amendments previously adopted.

ARTICLE XII — AMENDMENTS

This Constitution and By-Laws may be amended at any regular annual meeting by a two-thirds majority vote of the messengers present, provided the proposed amendment shall have been presented in written form on the first day of the Annual Meeting. The vote on any proposed amendment so presented may be deferred until the second day if requested by a majority vote of the messengers present.

11 Changes in the constitution presented and approved at this time.

Constitution Proposals

1. In keeping with the terminology now used by our State and Southern Baptist Convention, the Constitution Committee proposed that the term "Director of Missions" replace the term "Field Worker" whenever the term "Field Worker" appears in our constitution.

2. In order to provide our Director of Missions with a representative group with whom he can confer on a more regular and intimate basis, the Constitution Committee proposed that the existing Association Council be utilized in this capacity by changing Article VI, Section 2, part A, which reads: "The Associational Council shall hold meetings once each quarter and at such other times as deemed necessary by the Chairman, or at the call of not less than 5 members of the Council," to read, "The Associational Council shall hold meetings once each month and at such other times as deemed necessary by the chairman, *Director of Missions* or at the call of not less than 5 members of the Council."

12 Rev. Tom Patterson made the motion that the Association send a telegram on Wednesday morning to Mrs. Justus Rotan, in the loss of her father.

13 Hymn No. 352 — "Leaning on the Everlasting Arms" led by Carl Zeigler, with Mrs. Tommy Butler at the piano.

14 Special Music by the Cedar Falls Baptist Church Choir.

15 Rev. Wayne Hill, pastor of Mt. Pleasants, gave the Annual Sermon.

16 Rev. Carl Zeigler presented the Christian Literature Report.

17 Speaking to the Christian Literature Report was Mr. Worth Grant.

Christian Literature Report

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust," and the success in the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the trust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented his disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therefore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in N. C. receive the BIBLICAL RECORDER weekly. Already more than 1100 churches in our state are providing through their budgets for the RECORDER to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. RECORDER circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Costing less than half the price of a postage stamp per issue, it is delivered by U. S. mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North Carolina Baptists. No investment pays greater dividends.

Respectfully submitted,
Carl L. Zeigler

18 The president of the W.M.U., Mrs. Gordon Ray, presented the W.M.U. report.

W.M.U. Report

I have had so much difficulty preparing this report! As a small child my mother instilled in me to not "brag" or call attention to any accomplishments I might achieve in life; to let someone else praise me if I did anything praiseworthy. I know I haven't accomplished very much this year but it's hard for me to list what we, as your WMU Council did; to keep a record of our "good deeds."

Then God so beautifully and gently reminded me, "you aren't bragging on yourself at all! You're bragging on me because without you allowing me to lead and work through you, nothing could have been done."

Then it all started falling into place and I was amazed at what God had succeeded in doing through our feeble efforts. The Holy Spirit gave me comfort through the song "Little is Much if God is in it." it is in this spirit that I now give this report; please accept it in the same manner.

The WMU Watchword for 1976-77 taken from Eph. 6:13 "Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand," and the hymn, "Stand Up, Stand Up for Jesus" reminded us that the Christian life is a fight with evil every day and the only way to withstand is to gird ourselves with the gospel armour.

As my guideline for this year, God impressed me with a verse from II Timothy 2:15. "Work hard so God can say to you, "Well done! Be a good workman, one who does not need to be ashamed when God examines your work. Know what His Word says and means." (L.B.)

Will you join in prayer with me as we continue to let God work through us to accomplish His will?

19 The Brotherhood Report was presented by Mr. William Applewhite, President.

Brotherhood Report

The key to any successful Baptist Men or Royal Ambassador program is to be found in the dedication of the leadership in each local church. The ringing question that must be answered by each pastor and layperson in turn is this, If we are "mission minded" and we claim to be, how can we fail to teach missions to our men and boys.

We now have seventeen churches reporting Baptist Men or Royal Ambassador work, an increase of two churches with an 18 percent increase in enrollment to 529. We are growing and this is encouraging but there is much to be done. With a renewed effort from our church leaders, we hope to see more churches beginning programmed mission activities for men and boys. Out of 80 associations in North Carolina 38 reported enrollment of more than 529 in 1976. However, with our location here in central North Carolina; with Caraway and the new Conference Center so close; and so many growth opportunities available to our men and boys in Randolph Association, we should show substantial growth as we strive to be continuously deserving of being called "Missionary Baptist."

Respectfully submitted,
 Bill Applewhite

20 Mrs. Calvin Brower presented the State Missions Report.

State Missions Report

State Missions is a variety of people-centered ministries that both strengthen and lengthen the witness of local churches in North Carolina.

State Missions strengthens churches through pastoral aid (supplement to pastor's salaries), lot aid (low interest loans for church property), and financial supplement to ministers' retirement programs. State Missions also helps churches by sponsoring conferences, workshops, seminars, and retreats. These range from larger meetings like the Statewide Evangelism Conference to smaller, regional retreats on family life or weekday early education.

State Missions lengthens the witness of local churches through specialized ministries — ones which most churches could not support alone. These programs include deaf ministries, resort missions, migrant missions, chaplaincy ministries, Christian social ministries, and language missions.

North Carolina Baptist boldly set an offering goal of \$1,385,000.00 for 1977. The purpose and challenge of the million-dollar increase was debt retirement.

Randolph Baptist Association cooperated with N. C. State Convention in the *Opening The Door to Bold Missions* campaign by providing twenty interpreters for our local churches.

The State Mission interpreters were: Stan Haywood, Dr. Fred Graham, Mr. and Mrs. Bill Jackson, Mr. and Mrs. Carl King, Mrs. Fred Garner, James Lane, Miss Lois Groce, Otus Thomas, Mrs. Calvin Brower, Mrs. Ray McNeill, Mrs. Betty Sands, Marvin Caviness, Ray Cashatt, Bill Applewhite, Clinton McNeill, Mrs. Gary Kimrey, Rev. Justus McKeel, and J. T. Martin.

In preparation for their role as an interpreter, seven attended a State Missions Banquet training session at the Royal Villa, Greensboro, and eleven at a meeting with Dave Langford, representative of Brotherhood Department, and Mrs. Calvin Brower, chairman.

Each informed church was challenged to set a goal and respond with a bold commitment on September 18.

Respectfully submitted,
Mrs. Calvin Brower

21 The Home Missions Report was presented by Mrs. B. W. Jackson.

Home Missions Report

Did you know that more than half of our nation's people work, love, and play without any concern for, or awareness of, the person of Jesus Christ? In cooperation with the Southern Baptist Convention's four-year emphasis, the Home Mission Board is gearing up to help churches and individuals change this cold hard fact.

The plan is Bold Mission Thrust. Its timespan is 1976-1979. Its objectives are:

- Let every person in our land have an opportunity to hear and accept the gospel of Jesus Christ.
- Let every person in our land have an opportunity to share in the witness and ministry of a New Testament fellowship of believers.

To describe these objectives, Home Mission Board strategists and planners are using — and shaping — two words:

Evangelize: "This means, simply, giving people a chance to hear, accept or reject the gospel. It means making believers of non-believers.

Congregationalize: This is a newly coined word which means to give people a chance for congregational expression of their faith, and to be a part of a fellowship of believers who share and witness to their faith.

The major part of the Home Missions Board's 1977 operating budget of \$24,600,000 comes from the Annie Armstrong Easter Offering and Cooperative Program funds. \$11,250,000 of the Annie Armstrong Easter Offering will go to the areas related to the two Bold Mission Thrust objectives.

As Baptists, we have the opportunity to provide for every person in our land to hear and accept the gospel and to have opportunity to worship in a fellowship of kindred believers. Let us pray to God to reveal to us the Bold Mission actions which our churches should undertake.

The Home Mission Board works in all 50 states plus Puerto Rico and American Samoa.

More than 2,400 missionaries, staff and office personnel serve full-time for the HMB. The HMB also uses around 19,000 special workers on mission fields every year: youth groups and choirs, Student Summer Missionaries, Sojourners, Campers on Mission and Christian Service Corps volunteers. The HMB also endorses more than 1,500 men and women serving as chaplains in hospitals, institutions, industry and in the military.

More than half of all home missionaries — more than 1,000 — are language missionaries, ministering to Americans of non-English language and culture. About 300 home missionaries serve in Christian social ministries, and between 350 and 400 pastors receive church pastoral aid.

The HMB's ministries are funded by Southern Baptist giving through two channels, the Cooperative Program and the Annie Armstrong Easter Offering. Each one makes up about half of the HMB's total budget.

Dr. William G. Tanner, the Home Mission Board's young, new executive director, said, "I am convinced God is going to reach America through the Home Mission Board. I really believe it. I don't condition my statement by saying, 'If he does . . .' because I believe he is going to do it. I believe we are on the verge of it."

We share in this great task of winning America for Christ. Let us be obedient to the command of our Lord Jesus Christ to tell the Good News of the Gospel beginning in Randolph Association.

Respectfully submitted,
Mrs. Ruth E. Jackson

22 Rev. Vernon McDaniel, Pastor of Asheboro First, presented the Foreign Missions Report.

Foreign Missions Report

Foreign Missions continued to occupy a great part of Southern Baptists' ministry to the whole world during this past year as we continued to respond to the challenge of the Great Commission in Matthew 28.

The eyes of the whole world is focused on the challenge of Southern Baptists that was laid down and unanimously picked up at the meeting in Kansas City, Missouri, this past June. The theme for the challenge of foreign missions projected for the last quarter of this century is: TOTAL MISSIONS THRUST: Global Discipleship.

The first part of the theme, TOTAL MISSION THRUST, suggests comprehensive, dynamic, action-oriented foreign missions programs. These programs will require the cooperative efforts of all Southern Baptists and thousands of national Christians with whom our missionaries labor. Involved will be the acceleration and enlargement of existing programs as well as initiation of new approaches to gospel proclamation.

The second part of the theme, Global Discipleship, in part represents both the ultimate goal as well as the prerequisite for attaining this goal. Christian disciples who are disciplined, committed, and responsive to their Lord's command must move out across the world in ever-increasing numbers if we attain the primary objective of our plans: to proclaim the gospel to all people by the end of the century.

Objectives to accomplish this is both exciting and awesome: (1) A missionary staff of more than 5,000 which will call for at least 9,000 new missionaries to be sent out over the next 25 years. (2) Increased tempo of volunteer lay involvement overseas up to 10,000 per year by A.D. 2000. (3) Missionaries at work in at least 125 countries (84 at present) as God may lead. Other objectives have been laid down to help and accomplish establishment, penetration, and saturation of the gospel message to the peoples of the world by the year A.D. 2000.

Looking back just briefly, at the end of 1976 we had a total missionary force of 2,115. The annual Lottie Moon Christmas Offering exceeded the \$26 million mark for the first time. A total \$26,145,220 was received. Gifts for world relief through the Foreign Mission Board reached \$1,646,131, about the same as the previous year.

The challenge is before us — to tell the world about Jesus by A.D. 2000. Never have we been asked to do so much in a BOLD way. Randolph Baptists are challenged by TOTAL MISSIONS THRUST and pledge our prayerful, material, and physical support of this effort. We challenge each sister church to lay the challenge of foreign missions before our youth as never before, praying all the while that "God will send forth laborers unto His harvest."

 Vernon B. McDaniel

Moderator	Justus McKeel
Vice Moderator	Kenneth Tucker
Clerk	Fred Lane
Treasurer	James R. Lane

29 Rev. Bud Gillett presented the Nominating Committee report and this will be found in the directory section of the minutes.

30 Sunday School report was presented at this time by the Moderator.

31 Speaking to the Sunday School report was Miss Janice Haywood, Bible School worker from the North Carolina State Convention.

Sunday School Report

The emphasis for this year has been the Bible Teaching-Learning Improvement. We held one of the Nationwide Teaching-Learning Workshops at First Baptist, Asheboro, on March 7, 1977 and continued with a two night study of the new leadership training manuals for teaching/learning improvements on September 19-20 at First Baptist Church, Asheboro.

One of the programs which has gained momentum across our Southern Baptist Convention in recent years is called the ACTION plan for starting new Sunday Schools. Phenomenal growth has been experienced by those churches who have tried this plan. Your Sunday School can start another Sunday School by utilizing the ACTION plan. The idea behind this emphasis is that every church needs to examine it's potential for starting new Sunday Schools. When a church realizes this potential, a tool is available for the task — ACTION. Throughout 1977-78, the move is on for starting new Sunday Schools.

ADULT START-A-CLASS EMPHASIS

You can reach out and teach more adults if you will organize new Sunday School classes for young married adults, single adults, college adults, median adults, and senior adults. The second Sunday in each quarter could be designated Start A Class Sunday. It should be preceded by a week of enrollment effort. You may be wondering: What's ahead for our people in 1977-78? What can we, as a church, do to make this coming year one of the best ever?

Before you begin to search for an easy automatic formula, examine these three verbs: PRAY, PLAN, and WORK.

PRAY. — Pray about your Sunday School and your place in it. Never fall into the trap of thinking that training, planning, and organization guarantee a successful, growing Sunday School. It is only through God's power that success is achieved and Bible study is made meaningful. Praying about the needs and plans of your Sunday School is the beginning of hope, assurance, and joy for 1977-78.

PLAN. To be ready for 1977-78, you need to plan for exciting, adventuresome times for your Sunday School. Growth, improved teaching, and caring outreach do not happen spontaneously; they must be desired, planned for, and worked at before they can be realized.

The emphasis suggested for 1977-78 can become successful realities in your Sunday School if you take the time to plan their adoption, preparation, implementation, and evaluation. To plan, you need people and materials. Gather your people, pastor, minister of education, Sunday School director, department directors, and other general officers — for planning. Collect your materials — the BIBLE TEACHING PROGRAM PLAN BOOK, 1977-78, OUTREACH magazine, ADULT LEADERSHIP, your Bible Teaching-Learning Improvement materials, and Free Leaflets. Involve your people and learn your materials. The best is yet to come as you look ahead to reaching and teaching more people in 1977-78.

WORK. You can pray, and you can plan, but if you stop there, you might as well quit. There is no substitute for dedicated work. If you really want a great year in your Sunday School, you must work at it. Work until your hands are sore, your feet ache, your head is spinning, and your heart is weary; then keep working. Your determination puts feet to your prayers and your plans.

32 Rev. B. C. Owenby presented the Cooperative Program Report at this time.

Stewardship-Cooperative Program Report

Will you lead every member of the church where you serve to give a tithe or more of his income into the church treasury and lead the church to give the suggested amount to the Association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Missions". "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth." This command of Jesus in Acts 1:8 clearly calls for boldness on the part of His followers. These words emphasize our commitment to missions and mission support.

In I Corinthians 3:9, the apostle Paul says, ". . . we are labourers together for God". We must continually challenge one another as Baptists to minister in Christ's name through the church, through the association, and through the Cooperative Program in bold support of missions at home and around the world.

WE RECOMMEND THESE GOALS:

1. Every church in the association **BOLDLY ADVANCING THEIR GIVING** through the Cooperative Program for world mission support, and giving the suggested amount to Associational Missions.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. That every church seriously consider its responsibility to develop Christian stewards and determine to elect and train a stewardship committee to assist the church in developing Christian stewards.
4. That every church conduct a stewardship emphasis this year. This coming year, the stewardship theme is "Bold Believers in Giving Through a Growing Commitment."
5. That an associational stewardship conference to be held in order to assist churches in planning and conducting their stewardship programs.
6. That every church double Cooperative Program giving and associational missions giving by 1982.

Respectfully submitted,
B. C. Owenby

33 The report on Christian Education was presented at this time by Otus Thomas.

Christian Education Report

The need for Christian Education is perhaps greater now than ever before. The 'Ways of the World' and the 'Wiles of the Devil' are tempting more people, especially youth, today more than ever be-

fore in history. Apathy and selfishness along with permissiveness are abundant. Love and Care seem to have taken a backward step, it seems.

When we think of Christian Education, we must think of the home, as the parents are more or less responsible for the formative years of the educational process. We must first reach the home with Christianity. Churches and schools have now reached into the homes and are taking the younger children more than in years past. They now help in the formative years to a greater extent. Thus it is essential that ALL teachers be Christian. Some children never reach college and must be taught in early life a Christian viewpoint or they will never get it. In the world of work, we need Christian employers who care also.

A Christian college is a distinctive institution. It puts its stamp on Christian truth and Christian interpretation on its classroom teachings. It seeks to train its students to live more intelligent and devout Christian lives. A Christian college should have Christian Ownership, Christian Administration, Christian Faculty, Christian Students, Christian Ideals, Christian Teaching, and Christian Service. Our Baptist colleges reflect the above marks of a Christian college and have accumulated 598 years of Christian Educational Service.

The Baptist State Convention of North Carolina owns and operates seven colleges, a complex of children's homes, and homes for the aging, a hospital, a Bible institute (Fruitland), three camps, one assembly, seven Baptist Student Centers, the Biblical Recorder, the Baptist Foundation, and the Baptist Building in Raleigh. The property value for all of these institutions and agencies is more than \$250 million. The annual operating costs total another \$145 million. This is BIG business. It is run under a trust system which involves several boards of trustees. North Carolina Baptists have used this trustee system of ownership and operation for almost 150 years. This concept is an interesting blend of freedom, control, and accountability.

There are encouraging signs in Baptist colleges. At a time when some schools are struggling for survival or even existence, Baptist colleges and seminaries are experiencing their best days in enrollment and financial strength. This is hardly an accident. It comes at a time when these colleges are reaffirming their vital link with the denomination and the churches. In North Carolina, Baptist colleges remain healthy, in spite of the stormy predictions of a decade ago and the controversies of today. Enrollments are either growing or have been stabilized deliberately. Budgets are balanced. No North Carolina Baptist college is in financial difficulty. There are two reasons why our colleges are prospering says our General Secretary-Treasurer, Cecil A. Ray; (1) "they are determined to stay close to the churches" and (2) "they have learned to work together through the Council of Christian Higher Education".

Education, of course is the main business of any college or university. For a Baptist college, education takes place within a Christian context. Education from the Christian perspective can so fill our lives with an understanding of God and His love for us that we become less prejudiced, more tolerant, less bigoted, more compassionate, more honest, and we seek more to improve our morality and integrity. In addition, a Baptist college provides certain other 'fringe benefits' for our denomination. These may be listed in at least three categories; (1) specific ministries to churches and the denomination; (2) the witness of students and faculty; and (3) special cooperative ministries such as the Baptist Youth Corps. Our seven Baptist colleges — Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate — involve themselves in the life and development of our

churches and the Convention. There are many examples of this. To be familiar with these examples, just read the BIBLICAL RECORDER regularly and wholly.

This year over 13,000 students were expected to enroll at the seven Baptist colleges as these campuses came alive. This was an increase in enrollment at each college. Campbell expected 1,900; Chowan 1,000; Gardner-Webb 1,440; Mars Hill 1,750; Meredith 1,335; Wake Forest 4,400; and Wingate 1,325. These campuses have been 'busy with activity' during the summer months with all kinds of very worthwhile programs being carried out. Some of these activities are carried on by campus groups and some by off-campus groups using the college's meeting rooms and other facilities.

A new year stretches before us and we are hopeful, but even colleges which today appear sound and well-braced for the future could succumb to the devastating effects of inflation, declining enrollments, and dwindling support. WE MUST SUPPORT OUR CHRISTIAN COLLEGES!

May we remember that each of us in one way or another has a role to play in the Christian Education of all others. In our prayers, let us continue to thank God for leading us thus far and keep praying for God's continued help in leading us to use our talents, our time, and our means, as well as our very lives in the best way possible for the benefit of all peoples, especially through the offering of a Christian Education inferior to none.

Respectfully submitted,
Otus Thomas

34 Mrs. T. B. McCollum, Jr., gave the Church Training report.

Church Training Report

The Church Training program keeps the full demands of Christian discipleship before the people of God. We desire to help bring church members to a genuine commitment to the person of Jesus Christ, and then to a life of growth and ministry in His name. The objectives of Christian training deal solidly with God's claim upon our lives as His people. These tasks serve to guide Christ's followers towards growth in discipleship.

All Christians must continue to study Christian theology, Christian ethics, Christian history and church policy and organization. It is essential for all church members to get further training in how to worship, witness, educate, minister and apply their faith. New Church Member, Church Member and Church Leader Training are important. The children of God are never full-grown, completely trained, or fully mature. That's why Christian discipleship is a process of becoming rather than a state of being. It is the effort to "press toward the mark for the prize of the high calling of God in Christ Jesus" (Phil. 3:14)

Your 1976-77 Associational Church Training Council are as follows:
Mr. Joe Anderson — Church Leader Training Director
Mr. Charles Beane — Church Member Training Director
Mr. Doyle Owen — New Member Orientation Director

These officers and myself have shared the opportunities and accepted the challenge this year has presented us.

"M" Night was held on Monday night, November 29, 1976 at Forest Park Baptist Church in Asheboro, N. C. We felt a very warm recep-

tion and a spirit of love was shared by all. There were 267 attending with 17 churches represented. Fourteen Pastors and twelve Church Training Directors were present.

Our guest speaker was Mrs. J. Winston Pearce who truly won our hearts with a most inspiring message. We were very fortunate that she came our way because she is in such demand all over the Southern Baptist Convention for speaking engagements, and all who hear her, love her.

We presented five banners to the following churches:

1. *Highest Total Attendance — FOREST PARK*
2. *Highest Attendance — Church without a Church Training Program — SANDY CREEK*
3. *Highest Percentage Attendance for Enrollment — FOREST PARK*
4. *Newest Church Training Program — GLENOLA*
5. *Best Enrollment Compared to Size of Church — OAKWOOD PARK*

The Associational Children's Bible Drill Tournament was held at Calvary Baptist Church, Monday night, May 23. We had 10 winners, five from First Baptist Church, Asheboro and five from Oakhurst Baptist Church. These 10 went on to represent us in the State Tournament also and were winners again.

The Associational Youth Night was held on Monday, August 29, at Camp Caraway with 220 attending. This special night included fun, food, fellowship and inspiration for everyone. Our guest speaker was Rev. Charles W. Freeman, better known as Rev. Buddy, who is Campus Minister and Coordinator of Religious Affairs at Gardner-Webb College, Boiling Springs, N. C. His message was dynamic and challenging to all. Rev. Buddy will long be remembered.

The Victory Singers from Union Grove Baptist Church shared with us through song and testimony and truly blessed our hearts and minds for God. Union Grove was recognized for having the largest number representing their church at Youth Night. They had 39 attending. We thank God for everyone who helped in any way to make this night possible. We were also honored to have Rev. A. Judson Rotan, our new Director of Missions, with us and who led us in prayer.

This has been a good year in Church Training and I still say, with the spirit of cooperation we have in the Randolph Association, we can only move forward, and strive more to become that person God would have us to be.

Respectfully submitted,
Mrs. T. B. McCollum, Jr.

35 The motion was made, second, and approved that the Association sell to Mr. Colon Pierce Lot No. 27 of the Hillcrest Subdivision for the amount of \$500.00.

37 Hymn No. 117 — "Send the Light" led by Rev. Carl Zeigler, with Mrs. Tommy Butler at the piano.

38 Special message: THE NATURE OF THE CHURCH by Dr. Dale Moody of the Southern Seminary.

39 Mr. Neal Cockerham of Balfour Baptist presented the report on Temperance and Morals.

Temperance and Morals Report

If we wanted to give a definition of morals, we would say that it is the teachings or practices conforming to a standard of right and wrong. People in our society relationships are organized and structured by morals. Morality in other words is the principle of organization in a society. Without morals there would be no human society as we know it. Morality is transmitted from generation to generation by methods such as education, children interacting with other children and adults, the bedtime stories around the fireplace, and of course, Bible teaching. To grow up morally strong we sometimes say, one's morals must come from a strong foundation. This is where the confusion of morality begins. We have stated that morality is a standard of right and wrong. There are two standards in our society of wrong and right and they are man's standards and God's standards. See, when man takes his moral standards apart from Christ, those standards are likely to change over a period of time. This causes a generation to be confused of their teachings of morality; therefore causing a great deal of rebellion in the society. When God sets a standard of morals for His people to live with, he never changes it. If you know Jesus Christ as your personal Saviour, your morals will outshine any that man apart from God will ever produce. The production of morals is not obtained by what you know, but by who you know. *Do you know Jesus?*

Neal Cockerham

40 The Annuity Report was presented by Mr. Carl King.

Annuity Report

In 1976, the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all at the state Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

Detailed information will be presented to churches in the early fall with a ROUTE 10 promotional theme, according to Darold H. Morgan, president of the Board.

The Board paid \$17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. During its 59 years of service, the Board has paid more than \$158 million in retirement and protection benefits.

A 13th Check amounting to one month's income was mailed for the eleventh time to annuitants. The combined amount of this extra benefit came to \$830,525.

Most members benefit from a decision to increase the interest rate for firing retirement benefits. Annuitants began receiving larger checks as of January 1, 1977.

For almost 45,000 members, the Board held in trust funds totaling \$472,218,669 for retirement benefits for the year ending 1976.

The Annuity Board also administers life, medical and disability insurance programs, which reflected increases in membership.

Additional information concerning the Annuity Board and its programs of retirement and insurance may be obtained from the state convention offices or by contacting the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

Twenty-seven churches in the Association are now participating in the Annuity Program .

41 Rev. T. W. Nelson presented the Childrens Home Report.

Baptist Children's Home Report

Baptists of North Carolina provide a ministry of love and care to children, young people and their families. The program is more than rooms and meals and activities and recreation. It's more than buildings and grounds. The care of children is missions . . . reaching out with a helping hand; it is evangelism . . . sharing the joy of life in Christ; it is love and affection . . . the giving of hugs and kisses and friendship; it is education . . . teaching an appreciation for the finer things in life; it is restoration . . . enables families to function again.

Campuses at Mills Home, Thomasville; Kennedy Home, Kinston; Odum Home, Pembroke; and Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

Foster Home Care, a state wide program of the Homes, is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

Emergency Shelters at Forest City, Charlotte, Burlington and Henderson are meeting a critical need. They provide a ready resource for children who need help immediately. During a period of one to ninety days responsible planning is made for the child's future.

The Maternity Home in Asheville, opened in 1970, has proved to be a much-needed and well-received service. More than 300 girls have been served from throughout North Carolina and beyond. It is recognized for its quality of care and Christian concern.

Social Work and Family Resource Centers enable us to work with families in providing services to children, family rehabilitation, family education and preventive services. These Centers are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

The Child Development Center on the Mills Home Campus at Thomasville provides a demonstration program for churches who are interested in establishing services for preschool age children in nursery school education, day care and kindergarten. We welcome opportunities to assist churches any place in the State who want to develop this type program.

Members of our staff are anxious to have you and members of your churches visit on any of our campuses. To see, observe and to feel in person what it is like to live in a children's home is to appreciate our child care ministry. Thank you for your dependable support in numerous ways. It shall be our purpose to keep this a dynamic ministry and to meet the needs of those whom we serve.

It was my privilege again this year to visit our Home for this information and to have supper with the workers there. We visited the

cottage in the circle where a group of young children were playing. We saw love at first sight as a small girl told us how she loved her house parents.

Do your best in Randolph for our Baptist Children's Home with your Thanksgiving Offerings. Do *pray* for our workers there.

42 The Baptist Hospital Report was presented by Rev. H. C. Neathery.

Baptist Hospital Report

The Baptist Hospital has been commissioned the three-fold task—*healing, teaching and preaching*. However, its primary task is *healing*. The best personnel and equipment available are employed for this task. The medical task consists of competent, dedicated men and women in all the various specialities of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their physicians for treatment. Last year 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in *teaching*. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a *preaching ministry*. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness their faith in word and deed.

In all these ministries, Baptist Hospital is mindful of its Christian heritage and its strong ties with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected by and are responsible to the convention. The tie is also strengthened through the financial support from the churches. Last year \$294,324 was received through the Cooperative Program and \$405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at the associational level and the state convention level, as well as in their local churches. For the past five years hospital personnel have assisted in Cooperative Program promotion in at least two associations each year. Staff members are pleased to do everything possible to strengthen the denominational tie, believing that this tie adds a dimension to the ministry of healing, teaching, and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were \$411,225.50 compared to a total of \$405,946.52 for the preceding fiscal year. Let us hope and pray that the churches of this association and convention will continue to show this fine spirit of cooperation and support of the Baptist Hospital in its three-fold mission of healing, teaching and preaching in the coming year of 1978.

43 Rev. Kenneth Tucker presented the report on Baptist Homes for the Aging.

44 Speaking to the report was Rev. William Poole, Administrator.

Baptist Homes For The Aging Report

The faithfulness of Southern Baptist and their willingness to share with the elderly through their love gifts, have made the twenty-sixth year of the Baptist Homes for the Aging very productive and rewarding.

Last year's report stated plan for the construction of a sixth Baptist Home in Asheville, and duplex apartments at the Hayes Home site in Winston-Salem. It is a pleasure to report that the ground has been broken and construction is under way in Asheville, and there are four apartments that will be ready for occupancy in Winston by the end of this fiscal year. Within the next two years, sixty-six more people will be served through the Baptist Homes.

While much is being done today, and God be praised for that, the special needs of the elderly in our society are great and without end. There are about ninety-five persons waiting to enter the five Baptist Homes, and close to one hundred fourteen elderly sick people waiting to enter the nursing unit. Ninety percent can not provide their own funds and are totally dependent upon the love gifts provided by Southern Baptist.

The needs of the elderly truly are great, however the plans to meet some of those needs are great also. More duplex apartments to accommodate seventy-two people, additions and renovations to accommodate a hundred more, and a nursing care unit to care for two hundred and forty patients are in the planning and working stages. A goal has been announced to have five hundred persons in residence by 1980. This is a substantial increase above the near three hundred now being served. It is a commendable goal and worthy of the backing and support of Southern Baptist. With God's help through special love gifts and the Cooperative Program, it is a goal to be easily reached.

"And the King shall answer and say unto them, Verily I say unto you, Inasmuch as you have done it unto one of the least of these my brethren, ye have done it unto me."

Kenneth E. Tucker

45 The Evangelism Report was presented at this time by Rev. Bud Gillett.

Evangelism Report

"Bold in Creative Witness" was the theme of the 31st Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

About 12,000 youth, pastors, and adult leaders attended the 7th Statewide Youth Evangelism Night — August 19 — at the Greensboro Coliseum. Jim Wilson and Larry McFadend of Orlando, Florida were the guest preacher and soloist. All youth who made decisions for Christ are contacted by pastors and adults with regard to specific follow-up counseling.

Thirty-six churches across the state had one week youth revivals and youth witness training under the direction of four Summer Youth

Evangelism Teams. Let us rejoice in all the decisions for Christ made through the ministry of these youth.

Associations and churches are now involved in the Youth Evangelism Strategy which includes these four areas: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. W.O.W. — Win Our World — has to do with specific witness training for youth in the local churches.

65 associations have participated in one week Lay Evangelism Schools in recent years with over 14,400 youth and adults receiving lay witness training from 1,175 churches. More lay persons need to become involved in consistent witnessing to unsaved individuals.

The 32nd Statewide Evangelism Conference will be held at War Memorial Auditorium in Greensboro, on February 6-7, 1978.

Randolph Association had as our Evangelism Night speaker, Dr. Lee Satterfield, of Alta Vista, Virginia. A very small crowd was present, but Dr. Satterfield did a magnificent job in challenging each heart.

Our 1978 meeting will be held at Union Grove Church on March 20, 1978, with Evangelist Jay Strack of Ft. Worth, Texas, as guest speaker.

Division On Christian Life and Public Affairs Report

The Christian Life Council majored on two aspects in 1977 — the family and legislative issues. W. Douglas Cole became director of the Christian Family Life Department, January 1, 1977. Under his leadership, the Council sponsored marriage enrichment retreats, minister-wife retreats, parenting workshops, conference for engaged couples, sex-education conference and promoted the National Single Adult Conference at Ridgecrest. In addition, many tracts on the family are printed and distributed among North Carolina Baptists.

Since the General Assembly was in session during 1977, the Council was involved on a number of issues. Some of the issues were assigned to the Council by the Convention. Other issues were suggested by the twenty persons who comprise the Council. Some of the legis-

lative concerns were pornography, liquor-by-the-drink, capital punishment, Equal Rights Amendment, chaplains for prisons, etc.

The Council also sponsored a state-wide workshop on death and dying, particularly as it related to euthanasia (easy death) or, as it is commonly called, "mercy killing."

Numerous calls from Baptists for help on social issues keep being received and responded to. The Council attempts to provide information on how to apply one's Christian faith to everyday life.

America suffers from a crisis in morality and integrity. Only as Christians live out their faith will a lost world be improved and changed. To that end the Christian Life Council is dedicated.

Christian Action League

The N. C. Christian action League has been engaged in a two pronged attack on the moral front during the past year. A real effort has been made to curb the flow of pornography, and the liquor-by-the-drink issue has been opposed at every turn.

In the legislative program of the League a questionnaire was sent to each candidate for the State Senate and the House of Representatives asking for views on the question of the dissemination of hard-core pornographic materials. Another question went so far as to suggest a state-wide vote on the matter of regulating and controlling distribution of pornographic materials.

Senate Bill No. 539 was introduced by Senator I. Beverly Lake, Jr., of Wake County. It is hoped that this law will regulate and eventually do away with hard-core pornography in N. C. The bill was amended many times, but the strength of the statute remains intact. This new law will permit the solicitor or the attorney general to proceed against pornography.

Another bill has been enacted that will prohibit the display of pornographic magazines and other materials on racks in public places where they can be viewed by minors. Still another law was passed that will make it illegal to use minors in the production of pornographic materials.

The effort against liquor-by-the-drink began before the election of Senators and Representatives last year. An all out campaign was conducted to ascertain the views of candidates on the question of more liberal laws in relation to the sale of alcoholic beverages. Many committed themselves to oppose any such legislation and became voting members of the 1977 Assembly. We counted heavily upon these friends to hold the line against the encroachment of any new legislation that would merchandise whiskey like apples and oranges, and no legislation was passed during the 1977 session.

Senate Bill No. 735 was introduced in May. This bill would have given a vote to any county, city or town which had an ABC store to determine if liquor-by-the-drink sales would be authorized. The bill would have allowed the addition of such sales on top of "brown-bagging". In other words, a restaurant which qualified could have had both types of permits. This would have given N. C. one of the most liberal systems in the U. S. Due to some vote-swapping to revive the pornography bill, this measure passed the Senate by a 24 to 23 vote. The proponents of the bill, realizing that it was headed for defeat in the House by at least 15 votes, made a last minute move which sent the bill back to the House ABC Committee where it will await next year's session of the General Assembly.

This gives us time to organize our forces and to make contacts with our Representatives. You spoke loud and clear in opposition on the state-wide referendum in 1973, and we don't believe you have changed your minds. You are urged to contact your Representatives

and either encourage him in opposition to the bill or request his support for the defeat of Senate Bill No. 735.

The Christian Action League appreciates the support which has been given this past year, and reminds you that we can do only that which you enable us to do through your contributions.

Respectfully submitted,
 D. P. McFarland, Executive Director
 Christian Action League of N. C.
