Introduction

PURPOSE

Southeastern Baptist Theological Seminary is a community of learning, deeply rooted in the Christian faith, thorough in scholarship, and vitally related to the churches.

Its primary purpose is to prepare men and women for Christian leadership in various ministries. These include preaching and pastoral care, missionary work at home and abroad, religious education, the teaching of religion and other subjects in secondary schools and colleges, religious leadership on college campuses, the chaplaincy, social service, and such other forms of ministry as require specialized preparation.

Vital to all these areas of service is an understanding of the origins, content, and history of the Christian faith and its contemporary rele-

vance. Courses of study directed toward such an understanding constitute the curriculum and are regarded as basic.

While the seminary is conscious of its responsibility to the Southern Baptist Convention, its facilities are open on an equal basis to students of all denominations. It is the aim of the seminary to help produce a leadership for the whole Christian movement.

EMPHASES

In pursuit of its objectives, the seminary is conscious of certain great emphases which undergird its program of education: (1) a thorough knowledge of the Bible; (2) a wholesome and intelligent evangelism; (3) a challenging vision of the world-wide mission of Christianity; (4) a prevailing spiritual dynamic in the lives of students and faculty; (5) a sense of the significance of the local church—urban and rural; and (6) a commitment to academic excellence.

FACULTY

To accomplish these ends, the seminary maintains a faculty of God-called members who are qualified by academic preparation and by personal and professional experience to offer leadership in achieving excellence in spiritual and intellectual endeavors. Visiting professors, special instructors, lecturers and other scholars contribute additional stimulation and enrichment to the educational process. The instruc-

tional staff consists of thirty-nine persons who hold a total of one hundred and forty-six degrees from forty-five different universities, colleges and seminaries in this country and abroad. A faculty adviser is assigned to each student to counsel with him on personal problems and academic matters.

PROGRAMS OF STUDY

Programs of study leading to the degrees of Doctor of Ministry, Master of Theology, Master of Divinity, Master of Religious Education and to a Certificate in Theology are offered.

LIBRARY

A library of choice publications has been collected and cataloged; an open-stack policy enables students to browse as well as to consult the primary sources pertaining to investigation or research. Current periodicals offer opportunities for up-to-date reading.

PHYSICAL FACILITIES

Modern physical facilities are provided for the needs, convenience and comfort of students so that they may concentrate on their main objectives.

AFFILIATION AND SUPPORT

Southeastern Seminary is an agency of the Southern Baptist Convention and receives a major part of its operating expenses and capital needs from the Convention's Cooperative Program. These funds are supplemented by student fees and special gifts from alumni and friends.

ADMINISTRATION

The seminary is administered by a board of trustees who are elected by the Southern Baptist Convention. The trustees elect administrative officers and faculty members.

ACCREDITATION AND MEMBERSHIP

The seminary is accredited by the American Association of Theological Schools and is approved for attendance of nonimmigrant students under the Immigration and Nationality Act. It is a member of the Corporation of American Schools of Oriental Research.

RELATION WITH UNIVERSITIES, HOSPITALS, AND OTHER SPECIAL INTERESTS

Located in the vicinity of seven major universities and colleges, the seminary maintains functional relations with these institutions of higher learning in library exchanges, adjunct professorships, visiting lecturers and faculty fellowship. Programs of study, clinical training and internships are conducted at medical centers for both physical and mental illnesses. With the assistance of recognized specialists, seminars and Monday classes are held at various times throughout the year on such topics as urban studies, contemporary trends in rural life, chaplaincy, evangelism, recreation, Christian education, missions and other pertinent subjects.

LOCATION

Southeastern Baptist Theological Seminary is located in the heartland of the Baptist witness in the southeastern part of the nation. Its campus is in the center of the town of Wake Forest, North Carolina, which is sixteen miles north of Raleigh, and twenty-two miles east of Durham — cities of more than 100,000 each.

It may be reached from the Raleigh-Durham Airport (25 miles), or by driving (North-South) on U. S. Highway No. 1 or (East-West) on N. C. Highway No. 98, or by the Seaboard Coastline Railroad (New York-Miami). Wake Forest is on the edge of the Research Triangle, a dynamic metropolitan region, including the cities of Raleigh, Durham and Chapel Hill. Nine modern industries combine with a large agricultural area to make the seminary setting suitable for the education and training of ministers. A temperate climate offers four distinct seasons, with almost year-around opportunities for golf and other outside activities. Three hours of driving will take one either to the Atlantic Ocean or the Appalachian Mountains.

HISTORY

Southeastern Seminary is the fruit of prayer and of the conviction that there should be a Baptist seminary in the southeastern part of the nation. After three years of careful study, the Southern Baptist Convention, in Chicago on May 10, 1950, voted to establish the Southeastern Baptist Theological Seminary. It agreed to purchase the Wake Forest College campus at Wake Forest, North Carolina, and proceeded to elect trustees. The trustees secured a charter and accepted as Articles of Faith the Abstract Principles; they set up a budget and elected Dr. Sydney L. Stealey as president and three professors as the core faculty.

The seminary opened for classes on September 12, 1951, with 85 students. For the first five years, the seminary was restricted to one building; but with the removal of the college to its new campus in Winston-Salem, the seminary came (July 1, 1956) into full possession of the entire campus. Immediately a program of remodeling, renovating, and building was begun.

The enrollment climbed rapidly, and additions were made to the instructional staff. An eight-week course in pastoral care was initiated at the Baptist Hospital in the summer of 1954, and in 1957 summer school was instituted on the seminary campus. With the participation of out-

standing specialists from North Carolina State University, an interdisciplinary course on the rural community was begun the following year. In 1958, the seminary received full accreditation from the American Association of Theological Schools.

The tenth anniversary was marked by special lectures (including the inauguration of the Carver-Barnes Memorial Lectures), special gifts and a meeting of the executive committee of the Baptist World Alliance on the campus. In 1961 the faculty entertained the faculty of Duke Divinity School in the first of the annual dinners and occasions of fellowship.

Upon Dr. Stealey's retirement in 1963, Dr. Olin T. Binkley was elected the seminary's second president. Under his leadership the renovation of the campus was completed. The annual Pastors' Seminar and classes on Monday were started to extend the seminary's ministry to alumni and others. The seminary has conducted a seminar on urban studies since 1967.

For its first twenty-two years, Southeastern Seminary has had an average enrollment of 529. With its 1972 commencement, it has granted 192 Master of Theology degrees; 2,151 Master of Divinity or Bachelor of Divinity degrees; 29 Master of Religious Education degrees; 328 Certificates in Theology—a total of 2,700 degrees and certificates to 2,543 individuals. These men and women, located throughout the nation and in many parts of the world, are "the earnest" of the Seminary's stewardship to our fellow Baptists and to the Lord Jesus Christ whose servants we are.

THE CAMPUS

Originally the home of Wake Forest College, the campus of Southeastern Seminary dates back to 1832 when the 615-acre plantation of Dr. Calvin Jones was purchased by the Baptists of North Carolina "to afford to our young ministers facilities for obtaining such an education as will qualify them to be able ministers of the New Testament" (G. W. Paschal, *History of Wake Forest College*, Vol. 1, p. 44).

Ten white oaks of the "magnificent grove" which grew to the east of the plantation-house and which gave Wake Forest its name are still standing. Magnolias, elms, pines, other oaks, dogwood, cedars, firs, maples and many other varieties of trees, plus azaleas, camelias, sasanquas, quinces, flowering crab-trees, weeping cherries and many other flowering trees and shrubs make the campus a veritable "botanical garden." The stone-wall which President Charles E. Taylor and "Dr. Tom" Jeffries began about 1885 still encloses the twenty-five acres of the campus proper. Boxwoods, hollies and other evergreens, the Mackie-Robinson Rose Garden with its three-tier fountain, tulip beds and a Japanese Garden add interest and beauty to these historic grounds.

While the naturalness and charm of the old campus have been maintained, the buildings are modern and suitable to the needs of the seminary.

The *Olin T. Binkley Chapel* commands the center of the campus; its tall spire is visible for several miles along every approach to Wake Forest. Work was begun on the chapel in 1942; the Second World War prevented the completion of the interior. With the removal of the college to Winston-Salem in 1956, the work was resumed and completed in 1958. In 1969 the Board of Trustees named the chapel in honor of the seminary's second president, Dr. Olin T. Binkley.

The *S. L. Stealey Administration Building* was built by Wake Forest College in 1934 to replace the Old College Building, later named Wait Hall, which had been destroyed by fire in 1933. In 1956 it was completely renovated for offices of the administration and faculty; it was renamed in honor of the seminary's first president, Dr. S. L. Stealey, in 1961.

The *Scott B. Appleby Building* was begun by Wake Forest College in 1942 and completed during World War II. From 1951 to 1956, this one building housed the entire Southeastern Seminary; then it was remodeled and, in 1962, renamed in honor of Mr. Scott B. Appleby in recognition of his generous support of the student aid fund. It contains a small chapel, classrooms, offices and a fellowship room, named in memory of Dr. and Mrs. Percy A. Bethea.

The *Emery B. Denny Library Building* was constructed by the seminary in 1958 to replace the old Heck-Williams Building (1878) which was razed in 1957. In 1969, the Board of Trustees named it in honor of Dr. Emery B. Denny, former Chief Justice of the Supreme Court of North Carolina, a trustee of the seminary and its long-time friend and supporter. It houses the seminary library.

Mackie Hall was dedicated on May 9, 1968, as the seminary's new student center. It is named in honor of Dr. George C. Mackie, "a distinguished physician" who "devoted his life to the well-being of students" at Wake Forest College and at Southeastern Seminary, and of Mrs. Mackie who as "a creative leader" has participated in the beautification of the campus. A Commons Room, the Southeastern Seminary Store, recreational area, conference rooms, offices for the director of student activities and student leaders, carrels for fellows and graders are located in this building.

The *William Amos Johnson Building*, erected in 1933 "in loving memory of William Amos Johnson," first housed the Wake Forest Medical School (now Bowman Gray School of Medicine). It was completely renovated in 1956 and now serves as a classroom building for the seminary.

The *Ruby Reid Child Care Center* was made possible by a bequest of Miss Ruby Reid of Wake Forest, North Carolina, and gifts from the Baptist Sunday School Board and the Z. Smith Reynolds Foundation. It was constructed in 1959.

The *Seminary Cafeteria* was built by the seminary in 1956 and provides dining rooms for conferences and small groups as well as facilities for large banquets and regular meals.

Gore Gymnasium was dedicated in 1938 by Wake Forest College and was named for Mr. Claude Gore, president of the Board of Trustees and a strong supporter of the college. Seminary students use this building for indoor sports such as basketball, volleyball, handball and badminton, shuffle-board, weight-lifting and ping-pong.

The *Health Center* was constructed by the seminary in 1968 and contains offices for diagnostic consultation and rooms for treatment. The seminary physician and director of counseling maintain regular schedules of service; a registered nurse is on duty throughout the day.

Wake Forest Baptist Church, organized in 1835, occupies the church building (1913) within the campus enclosure, although this property is owned by the church. An educational building was added in 1970. This church makes an important contribution to the life of the seminary.

The *President's Home*, built in 1928 as the residence of the president of Wake Forest College, is located off the southwest corner of the campus and since 1956 has been the home of the seminary's president.

Purchased in 1960 by the seminary, the *Manor Guest House* is near the main campus and provides pleasant accommodations for visitors and guests of the seminary.

In 1957 three residences were set aside for the use of missionaries on furlough who wish to study at Southeastern Seminary. The Woman's Missionary Union of North Carolina re-decorated and furnished these homes which are on lots near the campus.

The *Heating Plant* furnishes heat to the seminary buildings and contains the office of the superintendent of buildings and grounds with a modern work shop.

The *Athletic Field* is located near the campus and is utilized for recreational activities such as softball, baseball, flag-football and archery. Five tennis courts are provided, and arrangements have been made with the Paschal Golf Club for seminary personnel to play golf at a special fee.

HOUSING FACILITIES

Johnson Dormitory consists of 50 double rooms, and 27 single rooms, with lounge areas and other modern conveniences. It is a three-story, fireproof building, constructed in separate sections for quietness and privacy. Built in 1946, it has been completely renovated and offers pleasant living conditions to single men and men who commute from church fields.

The *Women's Dormitory*, constructed in 1965, provides rooms and facilities for 52 women students. It contains 13 two-room suites with connecting baths, parlors, study rooms, kitchenette, laundry space, recreation and game rooms.

Bostwick Hall offers 22 apartments each with living room, bedroom, kitchen and bath. There are three efficiency units consisting of a living room with a Murphy Bed, kitchen and bath. These apartments are furnished with basic furniture and have venetian blinds at all windows; laundry facilities are available in the basement. Originally built as a dormitory in 1924, Bostwick Hall was converted into apartments in 1956 and is available to couples without children.

Simmons Apartment Building built in 1936 and renovated in 1957, consists of 13 units each with two bedrooms, combination

living and dining room, kitchen and bath. There are two units each consisting of one bedroom, a combination living-and-dining room, kitchen and bath. Each kitchen is furnished with stove and refrigerator. A laundry area with coin-operated washers and dryers is located in the basement of the building. All windows have venetian blinds, but no other furniture is provided. These units are reserved for married students who have children.

Duplex Apartments, built from 1959 to 1967, can accommodate eighty-eight families. There are one, two and three bedroom units each with living room, kitchen and bath. Each apartment has its own heat, light and water system; the occupant is responsible for all utilities (heat, lights and water). These apartments are unfurnished, except for stove and refrigerator which are permanent installations. Located on West Pine Avenue, Rankin Court, Judson Drive and Rice Circle, they are within easy walking distance of the main campus.

The *Mobile Home Park* offers modern facilities for 35 mobile homes. Each lot is equipped with the necessary utility connections. Provided also on the site is a service building containing laundry facilities and baths for men and women. The park is across the street from the northwest corner of the campus proper.

Student Life

WORSHIP

As Binkley Chapel is the center of the campus, so worship is the center of the seminary life. Under the leadership of students, professors and prominent visitors, devotional services are held at ten o'clock. On special days, missionary speakers, scholars and other Christian leaders broaden the vision and deepen the commitment of students and others with lectures and addresses.

STUDENT COUNCIL

A Student Council, composed of representatives elected by the student body, assist the faculty and administration in coordinating various student activities and in promoting the general welfare of all students. The areas of their concern are reflected in the names of the council's committees: arts, athletic, chapel, ethics, off-campus ministries, social and student welfare. Students also serve on the faculty committees; this student involvement strengthens and enriches seminary life.

OPPORTUNITIES FOR MINISTRY

Although the seminary cannot guarantee a position to any student, the directors of field education endeavor to present opportunities of service or employment to every student seeking assistance. The fact that approximately seventy per cent of all students enrolled at Southeastern Seminary find remunerative employment in churches within a 300-mile radius of the school speaks well of their efforts. Other students minister in hospitals, prisons, shopping-centers, rest homes, camp grounds, schools, churches, colleges, and other institutions or areas of special need. During the summer, many students serve as pastor-assistants, retreat chaplains, evangelists, youth directors, chaplain interns at hospitals, missionary ministers and special city workers.

OPPORTUNITIES FOR WIVES

Wives of students may enroll for classes at a reduced fee; special night classes or lectures are arranged for their convenience. A fellowship club, the seminary choir, the campus Baptist Young Women, picnics, parties and other social functions offer a variety of activities and expressions of interests. Those who want employment have a wide choice of opportunities. Teachers and nurses readily find positions in the public schools and hospitals. The seminary itself employs a number of secretaries, library assistants, telephone operators and other skilled or semi-skilled persons. Industries and businesses in Wake Forest, Raleigh and Durham present opportunities for all types of work.

CHILDREN

Children have an important place in the life of the seminary. Modern housing affords them comfortable living quarters; churches and public schools are within walking distance from the campus. The services of the seminary physician and counselor are available at the health center without charge. The seminary's recreational facilities are opened to all members of the seminary family.

CHILD CARE CENTER

Established in 1956, the Child Care Center seeks (1) to provide a laboratory for teachers and students who desire to explore ways of working with children; (2) to provide (at a small fee) care for children, ages 2-5, of students attending the seminary, especially students whose wives are either working or attending classes; (3) to provide a setting in which parents may discover new ways to enrich their family living; and (4) to provide a center in which churches and other agencies involved in the care of children may receive counsel related to the improvement of their programs.

Since enrollment in the Center must be limited, student-parents who are interested in having their children in the Center should write for further information and application forms prior to the parents' registration in the Seminary. Address: Director, Child Care Center, Southeastern Baptist Theological Seminary, Wake Forest, North Carolina 27587.

RECREATION

Opportunities of fellowship and recreation are offered in numerous clubs, choral groups, drama troupes, a vigorous intramural athletic program, golf course, tennis courts and a large modern gymnasium. The town of Wake Forest operates two swimming pools and sponsors a summer recreational program for young people. Concerts, plays, art galleries and other cultural privileges in Raleigh, Durham and Chapel Hill are many and varied.

While they are not a part of the regular curriculum, these student activities contribute to the fulfillment of the seminary's motto "that the man of God may be complete, thoroughly furnished for every good work" (II Tim. 3:17).

CAFETERIA

Meals in the cafeteria will cost approximately \$50 to \$75 per month depending on individual requirements and the number of days actually spent on the campus.

Student Financial Assistance

This school believes that theological students should, so far as possible, be self-supporting. It is recognized that many men and women, who give promise of outstanding usefulness in Christian service, require assistance to complete their Seminary course. *Each student, however, should have sufficient funds or income to see him through at least the first semester before he seeks aid from the Seminary.* The Seminary will stand ready to help students in real financial emergencies. The Seminary has a limited fund, provided by gifts from individuals, to help those students who otherwise might be forced to withdraw from school.

POSSIBILITIES OF SELF-HELP

Wake Forest is offering new opportunities for employment of students and/or students' wives with the coming of two large industrial plants to the town. Two cities are adjacent: Raleigh, sixteen miles south, and Durham, twenty-two miles west. In these are considerable opportunities for part-time student employment; and students' wives who can do secretarial, stenographic and general office work, or have department store experience, will find little difficulty in finding situations.

There are three ways by which we help our students to help themselves:

Church Work—The Seminary encourages students to work in the churches as student pastors, assistant pastors, supply pastors, interim pastors, mission pastors, revival preachers, youth revival preachers, song leaders for congregations, directors of music, directors of religious education, directors of recreation, organists, pianists, workers in church organizations. All students are urged to seek the counsel of the Field Work Office concerning such employment.

On the Campus—The Seminary furnishes each year a number of work scholarships for students. This work includes work in the library, campus store and cafeteria, office work, and special assignments such as news bureau, photography, etc. The seminary employs several students' wives for secretarial, stenographic, and clerical work.

Raleigh-Durham and Other Communities—Students may secure remunerative work in nearby cities and towns. Wake Forest is within 25 minutes' driving distance of Raleigh, the capital city, and within 30 minutes of Durham, a great industrial city. Many students and their wives

find employment in these centers. Many wives secure teaching positions in nearby schools. *In no instance can definite employment in the churches or in the adjacent communities be guaranteed by the Seminary.*

REMUNERATIVE EMPLOYMENT

The Office of Field Education will assist students in securing remunerative employment by exploring possibilities for students to work in the church and elsewhere. They will seek to introduce students to prospective employers, but they cannot guarantee employment for any student.

When a student assumes responsibilities in addition to his scholastic work, he has a moral obligation to fulfill all these tasks in a satisfactory manner. *The Faculty recommends that a student with as many as twenty hours per week of secular employment or as many as two weekends per month of church-related responsibilities on a regular basis not register for more than fourteen semester hours.* Any student who fails to maintain a "C" average will not be permitted to enroll for more than fourteen hours.

Students who find it necessary to engage in outside work in the amounts indicated above are strongly advised to take a four-year sequence.

STUDENT AID FUNDS

Student Aid at Southeastern Seminary is made possible through the generosity of individual donors and embraces three distinct divisions: Student Work Scholarship, Student Loan Fund, and Grants-in-Aid. The following loan funds have been set up: S. A. Allen Loan Fund, Althoff Loan Fund, W. R. Cullom Loan Fund, Crudup Duncan Loan Fund, J. R. Eubanks Loan Fund, Goode Loan Fund, Goodwin Loan Fund, J. SCHOLARSHIPS AND LOANS

In addition to the Student Loan and Aid Funds, there are scholarships and loans made available by various individuals, foundations, and state denominational groups to a limited number of qualified men and women who attend Southeastern. The Seminary will help qualified students to obtain these scholarships.

Scholarships in memory of Dr. Sydnor L. Stealey and Dr. J. B. Weatherspoon are provided by the First Baptist Church, Raleigh, N. C.

Information concerning any of these scholarships or loans may be obtained by writing to the Director of Counseling at Southeastern Baptist Theological Seminary, Wake Forest, North Carolina.

Library

The Seminary Library is dynamically involved with faculty and students in the achievement of educational objectives. It provides resources and services to support the research and study of the Faculty and to meet the needs of students for the free and independent study which is stimulated by classroom, chapel, place of work, and by other components of student life situations. Provided also is a broad range of materials for the general educational, cultural, and recreational interests of students, faculty, and their families.

The Library occupies the Emery B. Denny Building, a three-story structure completed in 1958. An open-stack system and comfortable, air-conditioned reading areas in close proximity to materials promote maximum use of library resources. Study-carrels, typing facilities, audiovisual facilities, microform readers, and photocopying equipment are also provided. In this setting, personal service is emphasized by a staff of nine full-time and nine part-time persons.

The Library's collection has grown to more than 100,000 volumes of books and periodicals; the equivalent of an additional 70,000 volumes on microcards and microfilm; 3,500 pamphlets; 18,000 Baptist convention and association annuals; and 9,200 audiovisual items. Currently, 725 periodicals are received. The microcards and microfilm add great strength to the collection, as they consist largely of Early American and Early British books and of Baptist historical materials. The Baptist annuals constitute important primary historical sources. In seeking to develop a collection of unqualified excellence for the objectives to be served, a vigorous and discriminating acquisitions program is pursued.

In addition to funds allocated to the Seminary by the Southern Baptist Convention, the Library benefits from the generosity of many individuals and organizations. Each year, a number of cash gifts are received for the purchase of books, frequently in honor of persons either living or deceased. Sixty-one gifts, each of one thousand dollars or more, are providing endowment income for the purchase of books for "memorial book shelves." In addition to the occasional donation of a small number of books by an individual or an organization, twenty significant collections have been donated from personal libraries. Two plaques in the foyer of the Library identify each memorial book shelf and each gift collection. An appropriate gift plate is affixed to each book which is either donated or purchased from gift funds.

Academic Information

PRE-SEMINARY STUDIES

The Seminary Faculty advises students in college to take courses that will especially prepare them for receiving the highest values from their Seminary courses. College courses prior to theological seminary should provide the cultural and intellectual foundations essential to an effective theological education. They should issue in at least three broad kinds of attainment.

1. The college work of a pre-seminary student should result in the ability to use certain tools of the educated man:

(a) The ability to write and speak English clearly and correctly. English composition should have this as a specific purpose, but this purpose should also be cultivated in all written work.

(b) The ability to think clearly. In some persons this ability is cultivated through courses in philosophy or specifically in logic. In others it is cultivated by the use of scientific method, or by dealing with critical problems in connection with literary and historical documents.

(c) The ability to read at least one foreign language and in some circumstances more than one.

2. The college work of a pre-seminary student should result in increased understanding of the world in which he lives:

(a) The world of men and ideas. This includes knowledge of English literature, philosophy and psychology.

(b) The world of nature. This is provided by knowledge of the natural sciences, including laboratory work.

(c) The world of human affairs. This is aided by knowledge of history and the social sciences.

3. The college work of the pre-seminary student should result in a sense of achievement:

(a) The degree of his mastery of his field of study is more important than the credits and grades which he accumulates.

(b) The sense of achievement may be encouraged through academic concentration, or through "honors" work, or through other plans for increasingly independent work with as much initiative on the student's part as he is able to use with profit.*

* The content of this statement is taken from a bulletin of the American Association of Theological Schools.

This Seminary concurs in the judgment of the American Association of Theological Schools "that a normative pattern of pre-seminary education will include many of the following subjects:

"English language and literature; history, including non-Western cultures as well as European and American; philosophy, particularly its history and its methods; natural sciences, both the physical and the life sciences; social sciences, where psychology, sociology, and anthropology are particularly appropriate; the fine arts and music, especially in their creative and symbolic values; biblical and modern languages; religion, both in the Judaeo-Christian and in the Near and Far Eastern traditions.

"It is the understanding gained in these fields rather than the total of credits or semester-hours which is significant. Students who have been prepared in religion and equipped with the tools of theological study will be set free, not to complete their theological course more quickly, but to pursue more advanced studies. The principle constantly to be kept in mind is not that of satisfying paper regulations and minimum requirements, but of making the most of opportunities for education."

ENTRANCE REQUIREMENTS

For those seeking the M.Div. degree the standard academic prerequisite is an A.B. degree or an equivalent degree from a recognized four-year college or university. Seventy-five semester hours of the content of the work leading to the degree must be in liberal arts subjects, distributed approximately as suggested in the above statement on Pre-Seminary Studies by the American Association of Theological Schools. Those seeking enrollment in degree work who have not completed these requirements may be conditionally enrolled for the M.Div. degree provided they have earned at least 100 semester hours of college work, including 75 semester hours in liberal arts subjects. The student who is so enrolled may take no more than 32 semester hours of Seminary work before completing the college degree.

A transcript of all academic work must be filed with the Registrar's office as a part of one's application for entrance to the Seminary.

CERTIFICATE ENTRANCE

The Seminary receives the applications for admission to the Certificate Program of persons who cannot meet the prerequisites for degree study. Although a degree may not be earned for Seminary study under these conditions, a certificate will be awarded upon the satisfactory completion of the prescribed program of work, as shown on page 88.

DATE OF APPLICATION

Applicants are encouraged to submit applications to the Registrar's office at least 30 days prior to matriculation day of the semester in which the student expects to begin his work.

All applications for the course leading to the Th.M. degree must be made to the Committee on Graduate Study at least 60 days prior to matriculation and must be approved by the Faculty.

DATE OF MATRICULATION

The matriculation days are August 30-31, 1973 and January 18, 1974. Students will not be admitted to classes for credit after the second week of the semester. *All students must meet with their faculty advisors at the time of matriculation.*

COLLEGE STUDENT'S PRE-ENROLLMENT

Under the provisions of Selective Service regulations, pre-theological students pursuing a course of study at the college level may secure pre-enrollment in the Seminary and certification to their local Selective Service Board.

Upon request, forms for this purpose will be supplied by the Registrar's office to those who are eligible.

BYPASSING REQUIRED COURSES AND ADVANCED STANDING

An entering student who has made grades of "C" or above in college or university courses which closely parallel the required courses in Old Testament, New Testament, General Church History, or Systematic Theology, may request permission to bypass those required courses and fulfill the requirements by completion of an equivalent number of semester hours in advanced courses in the same area. *Such requests must be made to the Registrar in writing at least ten days prior to the dates indicated for matriculation in the Academic Calendar.* Similarly, college or university courses paralleling certain elective courses in the M.Div. or M.R.E. curriculum may qualify as prerequisites to advanced courses in the same area of study. *In such cases, students are advised to consult with the professors involved.*

Entering students who claim unusual proficiency in studies in Old Testament, New Testament, General Church History, Systematic Theology, Hebrew or Greek, are urged to take examinations to determine advanced standing in these areas. *Such advanced standing examinations must be requested and taken at the beginning of the student's first semester of study. Requests must be made to the Registrar.*

trar in writing at least ten days prior to the dates indicated for examinations for advanced standing in the Academic Calendar.

The student applying for permission to bypass a required course must confer with a member of the Faculty who teaches such a course who will determine whether such permission will be granted.

SYSTEM OF GRADING

- C—The C grade is the instructor's certification that the student has demonstrated the required mastery of the material.
- B—The grade of B signifies that the student has, for any combination of reasons, gained a significantly more effective command of the material than is generally required in that course.
- A—The A grade may be interpreted to mean that the instructor recognizes exceptional capacities and exceptional performance.
- D—A student is graded D when his grasp of the course is minimal, but when the instructor believes the student would not profit materially by repeating the course.
- F—The F grade indicates failure to master the essentials and the necessity for repeating the course before credit may be allowed.
- I—Incomplete. Given in cases in which providential circumstances prevent a student's completing the requirements of a course. This notation must be removed as quickly as possible and in no case later than the end of the sixth week of the next semester whether or not the student registers. Otherwise the I becomes F.
- E—Conditioned. The professor may give this grade in continuing courses to a student who has not met the minimum requirement but shows promise of sufficient improvement in the second semester to be given a permanent grade of D. A grade not less than C must be earned the following semester; otherwise the grade becomes F.
- W—Withdrawal. After the last day for dropping courses without penalty, a student may withdraw from a course only for providential reasons and only after consultation with the Dean of the Faculty.

Quality-point system to encourage academic achievement:

A 3; B 2; C 1; D 0; F minus 1. A student enrolled for the M.Div. degree is required to earn a minimum of sixteen quality points per academic year. In order to qualify for the M.Div. degree, a student must earn one quality point for each semester hour taken (a C average). A minimum of 84 semester hours is required for graduation. Not more than ten additional semester hours may be taken to make

up a deficiency in quality points that are required for the M.Div. degree. Not more than seven additional semester hours may be taken to make up a deficiency in quality points that are required for the M.R.E. degree. Students who fail to earn the required quality points for the M.Div. degree may be graduated with a Certificate in Theology.

CLASS ATTENDANCE

While there is no requirement for class attendance, the student is responsible for the mastery of materials required for credit. *Class participation is considered an important part of the learning process.*

WITHDRAWAL

Students who wish to withdraw from school or from any class are required to make this fact known to the registrar, who will outline the formal procedures to be followed. *Withdrawal without penalty after the last day set for dropping courses is permitted only on the basis of providential reasons and after consultation with the Dean of the Faculty.*

DISCIPLINE

Students admitted to the school are expected to order their lives by Christian standards of character and conduct and to respect regulations adopted by the trustees, the administration, and the faculty.

Any action contrary to the norms of Christian behavior or inimical to the best interest of the school may lead to probation or dismissal.

INCLEMENT WEATHER

The policy of the seminary in reference to closing of classes during inclement weather is as follows: When the schools of Wake County are closed because of adverse weather conditions, the classes of the seminary will not meet. The time the seminary cancels classes will coincide with the time classes are canceled in Wake County.

1973 SUMMER SCHOOL

The first term of the 1973 summer school will be held June 12-July 6. The second term will be held July 10-August 3.

Two courses may be taken and four semester hours earned during each term or eight semester hours earned for both terms. For summer supplement to this catalog, write to registrar.

1974 SUMMER SCHOOL

The first term of the 1974 summer school will be held June 11-July 5. The second term will be held July 9-August 2.

The Curriculum

EDUCATIONAL OBJECTIVES

The tasks of the Christian ministry for which the school gives guidance through the curriculum are the pastoral, educational, and missionary ministries. Within the framework of these three major fields is the opportunity for specialized training of teachers in Christian colleges, directors of music, chaplains in the armed services or in industries or hospitals, and denominational leaders (such as campus ministers).

Persons interested in a teaching ministry should keep in mind that specialization in any one of a number of fields is possible, such as Old Testament, New Testament, missions, sociology, ethics, church history, philosophy of religion, pastoral care, theology, preaching, or religious education. Pastors and others, however, may well make a broad selection of electives from many or all of these fields.

STUDENT LOAD

Students who enroll in this Seminary are expected to give priority to the program of studies in which they have enrolled. Students with extra-curricular responsibilities should carry a correspondingly reduced academic load.

The Faculty recommends that a student employed in church work for as many as two week-ends per month on a regular basis, or who works for as many as twenty hours per week, should not register for more than twelve semester hours. For such students, four-year sequences of courses have been provided for the Master of Divinity and the Master of Divinity with Religious Education degrees. A student without such extra-curricular responsibilities is expected to take a three-year sequence of courses for one of these degrees.

Every student should examine his academic program and his outside work in the light of his Christian stewardship. *For help in this matter, he is expected to consult his advisor.* The maximum academic load per semester shall be eighteen semester hours. Any student who fails to maintain a "C" average will not be permitted to enroll for more than twelve hours in the succeeding semester. Students who take less than 8 semester hours of class work will not be eligible for residence in seminary housing.

FIELD EDUCATION

Theological education takes place wherever the church's confrontation with the Lord and with the world are studied as encounters of learning and of faith. A seminary student becomes involved in this process in such settings as the classroom, the library and off-campus experiences and responsibilities.

The Seminary maintains a program of Field Education designed to implement the basic courses of theological education in pastoral, educational, institutional, and other roles. Each student becomes involved in a course of study in Field Education which includes both classroom and supervised field activity.

Each student will complete and return to the Field Education Office no later than the end of the first week of enrollment at the Seminary the personal, educational, and other data requested in the appropriate form. Other reports will be filed as they are requested.

REQUIREMENTS IN FIELD EDUCATION

Two semester hours of credit in Field Education will be given upon the fulfillment of the following requirements:

1. Class Requirements. Each student will enroll in Field Education (M 191) preferably during his first year.
2. Supervised Field Activities. For the equivalent of one semester or one summer (a minimum of ten weeks), after class requirements in Field Education have been met and prior to graduation, the student will engage in supervised study of ministry in a specific life situation. This activity will be approved and supervised by the Office of Field Education.

The satisfactory completion of eighty-four semester hours of work is required for the M.Div. degree. This consists of twenty-four hours of core curriculum and sixty hours of electives.

Alumni Association

The Alumni Association of Southeastern Baptist Theological Seminary is composed of all graduates and former students of Southeastern Seminary.

It endeavors to perpetuate friendships formed in the seminary and to foster the cause of theological education in general and specifically at Southeastern. It purposes "to provide a mutually helpful relationship for the glory of God by interrelating effectively and efficiently the alumni with the Seminary and with each other through fellowship, communication, and service."

With its 19th annual commencement in 1972, Southeastern has granted 328 Certificates in Theology, 2,151 Master of Divinity (B.D. 1954-67), 29 Master of Religious Education and 192 Master of Theology degrees to 2,543 persons. (157 have received two degrees.) At the present time 2,369 of these have current addresses in the alumni office. An additional 205 former students have kept their address up-to-date.

For the year 1972-73 the officers of the Association are: Aubrey J. Rosser of Richmond, Va., president; Woodrow Neal of Washington, D. C., vice-president; Philip Lykes of Lake City, Fla., secretary; directors: Henry Finch of Hartsville, S. C.; Brightie White of Durham, N. C.; and Tom Womble of Clemmons, N. C.

The Association meets annually during the meeting of the Southern Baptist Convention. The officers with the presidents of the state chapters comprise the General Board.

State Chapters of the Alumni Association are active in the following states: Alabama, District of Columbia, Florida, Georgia, Maryland, Missouri, North Carolina, South Carolina, Tennessee and Virginia. These meet at least once a year, concurrent with the meetings of their respective Baptist State Conventions.

CONTINUING THEOLOGICAL EDUCATION

In the fall term of 1967 the faculty began offering a course on Monday afternoons for qualified persons interested in continuing theological education. Guest lecturers from nearby educational institutions and agencies join members of the faculty in offering instruction on a team-teaching basis. It is anticipated that a course offering two semester hours of credit will be taught in the fall term.

Abstract of Principles

ARTICLE VIII OF THE BY-LAWS OF THE SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY, INC., ADOPTED DECEMBER 7, 1950, PROVIDES THAT "All members of the faculty shall be required to subscribe to the Articles of Faith, or Beliefs, as adopted by the Board, and Publicly sign these articles at the opening of the session at which they enter upon their duties. . . ." These articles were adopted also by the Southern Baptist Theological Seminary, founded in 1859.

I. THE SCRIPTURES.

The Scriptures of the Old and New Testaments were given by inspiration of God, and are the only sufficient, certain and authoritative rule of all saving knowledge, faith and obedience.

II. GOD.

There is but one God, the Maker, Preserver and Ruler of all things, having in and of himself, all perfections, and being infinite in them all; and to Him all creatures owe the highest love, reverence and obedience.

III. THE TRINITY.

God is revealed to us as Father, Son and Holy Spirit each with distinct personal attributes, but without division of nature, essence or being.

IV. PROVIDENCE.

God from eternity decrees or permits all things that come to pass, and perpetually upholds, directs and governs all creatures and all events; yet so as not in any wise to be author or approver of sin nor to destroy the free will and responsibility of intelligent creatures.

V. ELECTION.

Election is God's eternal choice of some persons unto everlasting life—not because of foreseen merit in them, but of His mercy in Christ—in consequence of which choice they are called, justified and glorified.

VI. THE FALL OF MAN.

God originally created man in His own image, and free from sin; but through the temptation of Satan, he transgressed the command of God, and fell from his original holiness and righteousness; whereby his posterity inherit a nature corrupt and wholly opposed to God and His law, are under condemnation, and as soon as they are capable of moral action, become actual transgressors.

VII. THE MEDIATOR

Jesus Christ, the only begotten Son of God, is the divinely appointed mediator between God and man. Having taken upon Himself human nature, yet without sin, He perfectly fulfilled the law, suffered and died upon the cross for the salvation of sinners. He was buried, and rose again the third day, and ascended to His Father, at whose right hand He ever liveth to make intercession for His people. He is the only Mediator, the Prophet, Priest and King of the Church, and Sovereign of the Universe.

VIII. REGENERATION.

Regeneration is a change of heart, wrought by the Holy Spirit, who quickeneth the dead in trespasses and sins, enlightening their minds spiritually and savingly

to understand the Word of God, and renewing their whole nature, so that they love and practice holiness. It is a work of God's free and special grace alone.

IX. REPENTANCE

Repentance is an evangelical grace, wherein a person being, by the Holy Spirit, made sensible of the manifold evil of his sin, humbleth himself for it, with godly sorrow, detestation of it, and self-abhorrence, with a purpose and endeavor to walk before God so as to please Him in all things.

X. FAITH.

Saving faith is the belief, on God's authority, of whatsoever is revealed in His Word concerning Christ; accepting and resting upon Him alone for justification and eternal life. It is wrought in the heart by the Holy Spirit, and is accompanied by all other saving graces, and leads to a life of holiness.

XI. JUSTIFICATION.

Justification is God's gracious and full acquittal of sinners, who believe in Christ, from all sin, through the satisfaction that Christ has made; not for anything wrought in them or done by them; but on account of the obedience and satisfaction of Christ, they receiving and resting on Him and His righteousness by faith.

XII. SANCTIFICATION.

Those who have been regenerated are also sanctified, by God's word and Spirit dwelling in them. This sanctification is progressive through the supply of Divine strength, which all saints seek to obtain, pressing after a heavenly life in cordial obedience to all Christ's commands.

XIII. PERSEVERANCE OF THE SAINTS.

Those whom God hath accepted in the Beloved, and sanctified by His Spirit, will never totally nor finally fall away from the state of grace, but shall certainly persevere to the end; and though they may fall, through neglect and temptation, into sin, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the Church, and temporal judgments on themselves, yet they shall be renewed again unto repentance, and be kept by the power of God through faith unto salvation.

XIV. THE CHURCH.

The Lord Jesus is the Head of the Church, which is composed of all His true disciples, and in Him is invested supremely all power for its government. According to His commandment, Christians are to associate themselves into particular societies or churches; and to each of these churches He hath given needful authority for administering that order, discipline and worship which He hath appointed. The regular officers of a Church are Bishops or Elders, and Deacons.

XV. BAPTISM.

Baptism is an ordinance of the Lord Jesus, obligatory upon every believer, wherein he is immersed in water in the name of the Father, and of the Son, and of the Holy Spirit, as a sign of his fellowship with the death and resurrection of Christ, of remission of sins, and of his giving himself up to God, to live and walk in newness of life. It is prerequisite to church fellowship, and to participation in the Lord's Supper.

XVI. THE LORD'S SUPPER.

The Lord's Supper is an ordinance of Jesus Christ, to be administered with the elements of bread and wine, and to be observed by His churches till the

end of the world. It is in no sense a sacrifice, but is designed to commemorate His death, to confirm the faith and other graces of Christians, and to be a bond, pledge and renewal of their communion with Him, and of their church fellowship.

XVII. THE LORD'S DAY.

The Lord's day is a Christian institution for regular observance, and should be employed in exercise of worship and spiritual devotion, both public and private, resting from worldly employments and amusements, works of necessity and mercy only excepted.

XVIII. LIBERTY OF CONSCIENCE.

God alone is Lord of the conscience; and He hath left it free from the doctrines and commandments of men, which are in anything contrary to His word, or not contained in it. Civil magistrates being ordained of God, subjection to all lawful things commanded by them ought to be yielded by us in the Lord, not only for wrath, but also for conscience sake.

XIX. THE RESURRECTION.

The bodies of men after death return to dust, but their spirits return immediately to God—the righteous to rest with Him; the wicked, to be reserved under darkness to the judgment. At the last day, the bodies of all the dead, both just and unjust will be raised.

XX. THE JUDGMENT.

God hath appointed a day, wherein He will judge the world by Jesus Christ, when everyone shall receive according to his deeds: the wicked shall go into everlasting punishment; the righteous, into everlasting life.
