2. All new work does not necessarily need to be nor should be intended to become an organized or constituted church. New work may be started and maintained on the basis of a mission to meet particular need (this provides for institutional missions such as jails, prisons, rest homes, etc.)
3. The location of missions or new churches shall be determined by the need revealed in an adequate survey conducted by the Missions Committee and local interested groups or churches.

RANDOLPH BAPTIST ASSOCIATION

4. Any church, committee, group or individuals considering beginning new work, acting with or without church sponsorship, should approach the Missions Committee for guidance before having any service or choosing a temporary or permanent location.
 5. The Missions Committee shall institute basic, understandable operational procedures and practices for a mission that leads in establishing and strongly urges that each church establishing a mission does the same. That guidance of missions by the Missions Committee shall continue until a co-operating church or churches can be led to accept the responsibility of sponsorship.
 6. A mission organized or assisted by the Missions Committee shall accept the recognized principles and practices of a church cooperating with the Randolph Association, the Baptist State Convention and the Southern Baptist Convention.

The committee shall meet at least once each quarter and report its activities to the Executive Committee. The committee will give a written report to the annual session.
- f. *Ordinations*: The Ordination Committee shall be composed of three members, one serving three (3) years, one serving two (2) years, and one serving one year. - (2) The committee requires that the candidate be called by a church for ministry before requesting examination.
- (3) The chairman shall notify the candidate of the time, place and procedure.
- (4) The committee suggests that the candidate be questioned at least two weeks prior to his ordination.

The chairman shall report the committee's activities to the Executive Committee and provide a written report for the annual session.

- g. *Place, Time, and Preacher*: This committee shall be composed of three members, one serving three (3) years, one serving two (2) years, and one serving one year. The committee will receive invitations from the churches which desire the association to meet with them the next year. The committee shall also commend those persons and institutions that uphold Christian virtue, and shall support the churches in the teaching of Christian personal and social righteousness. The committee shall report to the Executive Committee and Annual Session when needed.

ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the Ordination Committee to act as a presbytery for the purpose of examining the brother according to the guidelines found under Duties of Ordination Committee.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

The vote on any proposed amendment so presented should be deferred until the second day, unless requested by two-thirds vote of the messengers present.

9 The Mission Committee Chairman, Carl King, presented his report at this time.

The Missions Committee

The Cross Road Baptist Church was begun May 31, 1978 with five families. They constituted with 24 members. They have adopted the Church Covenant in the Southern Baptist church life and have also adopted the Faith and Message Articles adopted by the Southern Baptist Convention in May of 1963. During the past year, they met in the VFW Building on Old Albemarle Road. Rev. Don McIntyre was called as their pastor at the beginning of the constitution of the church. Several months after the constitution as a church, they purchased 17 acres on top of a mountain on Cox Road. On September 30, they dedicated the first unit of their building program.

Their associational letter for the year 1978-79 is as follows:
 Baptism - 43 Other Additions - 64 Total Membership - 205 Sunday School Enrollment - 232 Average Attendance - 128 Church Training - 128 Average Attendance - 75 Total Gifts - \$106,450. Cooperative Program - \$3,077 Associational Missions - \$2,194 Total Gifts to Missions - \$11,972.

The Missions Committee and the Executive Committee recommend that the Cross Road Baptist Church after a year of watchcare, be accepted as full pledged members of Randolph Baptist Association.

Sunday School Report

This associational year, 1978-79, has been a year filled with many challenges and commitments in the Sunday School department. Our main thrust has been that of Bible Teaching — Bible Learning — and Bible Improvement along with special emphasis in Sunday School Outreach.

The following are some highlights of the activities within the Associational Sunday School work:

1. Pastor - Sunday School Director - Outreach Leader Workshop - January 29 at Balfour with 10 churches represented and 20 attending. My sincere thanks to Rev. Judson Rotan, our Director of Missions, for conducting the workshop for me. This came during the time I was hospitalized and was unable to be present.
2. Associational Bible School Clinic - April 9-10 at Asheboro, First. Faculty for this clinic was Rev. Cecil Johnson, Rev. & Mrs. Bill Smithwick, Mrs. Mildred Denson, Rev. James Womble, Mrs. Arlene Fretwell and Mrs. Pat Smith.

3. State-Wide ASSIST Program - Associational Sunday School Leadership. Those attending were Rev. Thomas Brown, Mrs. Mildred Denson, Rev. James Womble, and Mrs. Pat Smith.
4. On April 21, Robert Stewart, North Carolina State Sunday School Director, presented a very challenging and informative program on Sunday School Improvement and Bible Teaching. During the week the 8 churches had their special sessions of sharing and progress reports. As a result of the Bible-Venture Campaign, we are confident these churches have had a renewed interest in the total area of Sunday School work.
5. As associational Sunday School Director, I attended the Key Leadership Conference at Ridgecrest on May 14-16. This was a challenge and a motivating experience for all who attended.
6. On September 10, we had a Key Leadership Conference at Asheboro, First with approximately 125 people attending and 11 churches and Sunday School Directors participating.

Our hearts were challenged through the inspiring message of Rev. Dwane Campbell, pastor of First Baptist Church, Elkin, N. C.

I feel that as a result of this conference and others planned during the coming year our Sunday Schools will experience an area of challenge and growth.

Thomas G. Brown

15 Mrs. Hazel McCollum, Jr. of Greystone Baptist presented the report on Church Training.

Church Training Report

Church Training is a vital organization that makes, trains and equips disciples for the up building of God's Kingdom. This organization seeks to involve all ages nursery through adults so that there may be a continuous training period all through the Christians' life.

This year has been another exciting year in Church Training and one that has inspired us on to greater heights in the Lord.

Your 1978-79 Council who has served so faithfully with me this year are:

- Mrs. W. T. (Mildred) Denson — Preschool Director
- Mrs. J. R. (Cindy) Parker — Childrens Director
- Rev. Cecil Baughman — Youth Director
- Mr. Joe Anderson — Adult Director
- Mr. Doyle Owen — New Member Orientation Director

We appreciate your prayers and support as we have all worked and shared together this year.

"M" Night was our first and largest meeting of the year which was held at First Baptist Church in Liberty. A warm and spirit filled welcome was felt by all. According to our records we registered 290 attending with 10 churches represented, 10 Pastors and 9 Church Training Directors .

We had 8 young ladies who represented their church in the "M" Night and Church Training Queen Contest. Miss Wendy Parker from Liberty, First was crowned Queen and was presented with both trophies by having the largest percentage of her church membership present and also the largest number. Marcie Mitzzer from Sandy Creek was 1st runner up, Joy Owen from Oakwood Park was 2nd runner

up, and Pam Taylor from Greystone was 3rd runner-up. We are truly thankful to these young ladies who helped so much to make "M" Night a success for God.

We had 5 participating in the Children's Poster Contest and the winner was Kim Covington from Greystone. She was presented with a plaque to be displayed in the church.

The promotional features added much to the program, thanks to Pat Ray and Clinton McNeill from Union Grove and Tani Williamson and Pam Farlow from Oakhurst.

Rev. Judson Rotan climaxed "M" Night with a very inspiring and challenging message.

This year for the first time we had a youth rally which was held at Oakhurst Church, March 10 on a Saturday, thanks to Rev. Cecil Baughman who is our Youth Director. The spirit of the rally was great. The youth were all involved in the program. Five churches were represented. We were thankful for the attendance and spirit that prevailed.

Exciting things continued to happen in Church Training. Whites Memorial Church organized a Church Training and had 37 present Sunday, May 20. Congratulations go to Rev. Jack Sherron, their pastor and Mr. George Joyce, their Church Training Director.

Rev. Cecil Johnson was our representative for Church Training at the Key Leadership Conference at Ridgecrest, May 14-16. He brought back vital information and shared it with us at our local Key Leadership conference this year. We are indeed grateful to Rev. Johnson for this.

Another exciting event was our Associational Children's Bible Drill Tournament which was held Sunday, May 27 at Greystone. Mrs. Johnny Parker, our Childrens Leader directed the drill. We had 13 participating who represented 3 churches as follows: 5 from Oakhurst, 5 from First Baptist, Asheboro and 2 from Greystone. All 13 were associational winners and represented us in the State Tournament which was held Saturday, June 2 at First Baptist Church in Asheboro.

Five of the 13 winners were 3 year winners in their local church and association.

I had the privilege of attending Ridgecrest during Church Training Week, July 7-13 and it was truly a mountain top experience in the mountains all week. The fellowship was wonderful. The inspiration was overwhelming. The food was delicious and a spirit of unity engrossed us all as we worshiped together. I truly hope more of our people will be able to attend this coming year.

A lot of us felt younger because of our involvement with our youth at Youth Night Friday, August 24 which was held at Oakhurst Baptist Church. We had 12 churches represented with 7 pastors and 2 Church Training Directors attending. A total of 107 were registered.

The spirit of God was truly in our midst as Blake Lambert from Appalachian College led our time of worship. He shared slides of his team's mission work this summer with us which was most inspirational. He also charmed us with his ability with his guitar which accompanied several songs he shared. His testimony permeated the whole service and was a challenge to all of us. We were truly blessed of God through Blake's witness to us. Rev. Cecil Baughman, our Youth Leader, involved several of our local youth in our worship service which climaxed the program in a very meaningful way.

Our food was delicious, thanks to all our dedicated people who prepared it for us.

The fellowship was wonderful as always when we get together. We thank God for the beautiful and loving spirit we had among our people at Youth Night.

This closes out another year in our Church Training. God has been so good to us and continues to be as we look forward to the new Equiping Centers that have come into being just this year. We also have a new Survival Kit for new Christians and a new build up program for our Church Training along with many new ideas that have been tried successfully and shared with us by God's people.

We would like to thank God for his blessings as we witness new life and vision all over our association and state.

Thank you again for your prayers and support that have made this year possible.

Respectfully submitted,
Mrs. T. B. (Hazel) McCollum, Jr.

16 The Brotherhood Report was presented by Clinton McNeill.

Brotherhood Report

1978/79 has been a good year for the Brotherhood. We have had good participation from many of our Brotherhood units. Some were not able due to illness or recovering from operations at time of our sessions.

In January, our Workshop was well attended as 13 of our 19 Brotherhood units were present. Also in September, we had a good time of review at the Key Leadership Conference as we put our heads together to face the coming year with questions of what can we do and the answers as we looked at the potentials of the coming year before us. Much good groundwork was laid at this conference

Through the year we sensed the desire of many to become *involved* in missions outreach. We look to the coming year with hopes that this can become a reality. With one of the associational goals of being to team up with a pioneer association for mission projects where help is needed. Also, with the project of disaster relief coming to surface, ground work being laid for ministry at our Zoo. Truly, this can be a year of Missions.

We are happy to announce added personnel to our team this year. Ronnie Hicks is with us this year to help start or strengthen R A units. Those of you who desire help, we would encourage your call. Also serving you again this year along with us are Paul Bouldin and Larry Cahoon. We offer ourselves in service to our churches.

Respectfully submitted,
Clinton McNeill

17 Director of Missions report and a message from Judson Rotan.

Director of Missions Report

What an exciting year this has been. I feel like a lady at the Southern Baptist Convention just after Bill Graham finished speaking in the Astro-Dome where 50,000 Baptists gathered for the Bold Mission Rally. She said "All this and heaven too." From visting the churches to attending Ridgecrest for Home Missions Week. From preaching in 20 of our churches to being involved in two World Missions Con-

ferences, speaking in twenty churches. From sharing in Mission Team Conferences at Caraway to preaching at Mars Hill College during the Week of Christian Studies and Fellowship for pastors and family. This has been a very busy year as I have traveled around our association to all of our churches, over 16,000 miles. Beyond preaching in many churches, I have conducted January Bible Studies, Mission Studies, Stewardship emphasis, Associational emphasis, Deacon clinics, and sharing in several ordination services for deacons. Five groups have been to our associational building to learn more about our work.

We have been very busy planning for the new associational program. Strategy planning has given us our priorities to which has come the results of the Associational Master Plan. This will help us strengthen our organizations and programs, plus conserve our energy for a lot of meetings. I believe this will become a strong arm for growth and development.

The two big events that were a blessing to our churches were the World Mission Conference in March and the Bible-Venture Campaign for Sunday School Improvement in April. Many lasting results came from these events.

The growing heartbeat is for Bold Missions not so much as people reached, or dollars given, or programs used, as much as a spirit that must be caught, a spirit that possesses us for evangelism and missions. It is the true spirit of Christ — His compassion possessing us for hundreds of people in our communities that need help, care and love. We boldly give of ourselves in witness, sharing, and support. If this spirit of Christ possesses us, then the goals for Bold Missions that we adopt will be reached.

Some of the exciting things that are happening and we pray will happen are:

- (1) The Resource Center is becoming a reality. In the next several months we pray and hope for its completion. Literature, pamphlets, filmstrips, materials from all organizations will be displayed and available for our churches and their leaders.
- (2) 1980 emphasis is on Evangelism. Events for this year are Reaching Book Clinics for Sunday School teachers and officers in March, Witnessing training in late summer, a Evangelism Rally and the week of Simultaneous Revivals in October.
- (3) Leadership training of Association leaders at Caraway will be in November which will help build a strong Associational leadership.
- (4) The Bold Missions Goals — fifteen goals for our association over the next five years — to be adopted and fulfilled.
- (5) The effort to increase our associational giving for ministries in our county — N. C. Zoo, Rest Homes, Radio, Senior Citizens, Seminary Extension, and Fall Festival.
- (6) Quarterly Leadership Meetings with all organizations. How can our churches relate to all that we are doing? One of the best ways is prayer and participation. Then make sure that your church is giving 3% on a regular basis to the association. If all of our churches would give 3%, then we can accept the challenge of mission work in our own area.

My heart is full with gratitude to Randolph Baptist for allowing me to serve as Director of Missions. My prayer is that God will lead us forward to fulfil the dreams and accept the task for reaching people for Christ and developing them into strong disciples.

In Ministry,
Judson Rotan, Director of Missions

Master Plan For Association

The Associational Council has spent this year studying our associational program and schedule. After looking at several plans and ideas for our association, the council presented the following plan to the associational Executive Committee on May 10, 1979 for its discussion and approval. It was accepted unanimously.

It is presented to the Annual Associational Meeting for its consideration and approval.

The Master Plan is an attempt to conserve our efforts in the association with meetings. It is an attempt to build fellowship among our church leaders and to provide training and encouragement to our organizations.

PLAN:

1. The Monday after the 2nd Sunday in each month is Associational night.
2. Quarterly.
 - a. First Month — Quarterly Leadership Meeting (S.S., C.T., WMU, Bro., Deacons, and others).
(It may be possible for some organizations not to meet each time.)
 - b. Second Month — Executive Committee Meeting.
 - c. Third Month — Special Event (Such as World Mission Conference, Witnessing Training, etc.)

SCHEDULE:

- 7:00 P.M. General Session with a special emphasis
 7:40 P.M. Organizational Conferences
 8:45 P.M. Fellowship Time
 9:00 P.M. Adjournment

(or the plan could be reversed with organizational conferences first, followed by general sessions.)

OTHER EVENTS

This plan will still provide for the annual meetings for the organizations, such as Sunday School Preparation and Rally; Church

Training Youth Night and "M" Night; Brotherhood — R.A. Rally and Event; WMU Annual Meeting; and Week of Prayer Mission Rallies. Also the Annual Associational Meeting.

SPECIAL EVENTS:

The association may vote for a special emphasis or event to take place during other weeks or months than has been stated, such as Simultaneous Revival in October, 1980.

PURPOSE:

This Master Plan can provide the pastor and his leadership the opportunity to come once each quarter to the Quarterly Leadership Meeting for training and inspiration. These meetings would seek to confront issues in our churches, emphasize the current emphasis and train the leadership. One of the basic problems in our churches is training and informed leadership. This plan will attempt to reach our leadership with training and challenge. Instead of each organization having its own meeting on different nights, this will be an effort to combine our training each quarter

PROPOSED SCHEDULE FOR 1980

19 The Clerk presented the Executive Committee report.

Executive Committee Report

I am happy to report to you that the debt on the Associational Office building has been paid in full. This was made possible by your church having a Week of Prayer for Associational Missions in May of this year to raise money to retire the debt.

Your Association lost one church this year, Jackson Creek. The office received their letter of resignation some two months ago.

We lost one, but you will be adding another to full fellowship, Cross Road Baptist Church, which has been under watchcare for the past year. This was approved at the August 9 Executive meeting.

Your Council has met ten times in the past year and the Executive Committee held their regular four meetings

20 The Evangelism Report was presented by Vernon McDaniel.

Evangelism Report

Baptists in search of unsaved and unchurched persons, are joining together in a Statewide Evangelistic Crusade scheduled for 1982. It is expected that the effort will include Simultaneous Revivals with

dates and other activities to be announced soon. The Joint Evangelistic Crusade Committee, composed of both white and black Baptists, is chaired by Mark Corts of Winston-Salem, and co-chaired by C. W. Ward of Raleigh. The committee requests prayer support of the churches for this effort to reach every person in North Carolina with the gospel of Christ by the end of 1982.

The 33rd Statewide Evangelism Conference was held at the Cumberland County Memorial Auditorium, Fayetteville, North Carolina, during February 5-6, 1979. Over 2,500 pastors and lay persons were challenged by evangelistic preachers to involve church members more in direct witnessing for Christ to the unsaved.

Many churches from different associations across the state have already participated in Bold Evangelism Clinics, using the notebook — **BOLD EVANGELISM THROUGH THE LOCAL CHURCH** — with the emphasis related to on-going programs of evangelism in the local church. Other associations need to plan a Bold Evangelism Clinic. Every church in all our associations are encouraged to double baptisms by 1982, or sooner.

Pastors and lay persons participated in an important seminar on **GROWING AN EVANGELISTIC CHURCH** during March 26-29 at Caraway Conference Center. The seminar was co-sponsored by the Division of Evangelism and several of the staff of the Evangelism Section of the Home Mission Board. In-depth training sessions placed an emphasis on long-range planning to develop an evangelistic local church.

The Division of Evangelism now has the TELLset and training cartridges to train small groups in direct witnessing. There will be a renewed emphasis on Lay Evangelism Schools with the use of new materials and TELL witness training.

Decisions for Christ are being made by youth and adults as a result of the Youth Revivals led by four Summer Youth Evangelism Teams in one-week efforts among 36 churches across our state.

Churches and associations are now involved in Bold Revival Planning Clinics, using the *Revival Planbook for the Local Church*, *Counseling Guide*, and the *Follow-Up Manual for New Christians*. The Revival Planbook can help pastors and church leaders to plan for a more effective revival effort.

The 34th Statewide Evangelism Conference will be held in Greensboro during February 4-5, 1980.

Randolph Baptist Association will present plans through the Executive Committee for some kind of witness training in the spring of 1980. Our chairman of Evangelism will be attending the seminar in March, 1980 on "Growing an Evangelistic Church." The association is planning a simultaneous revival effort for October 5-12, 1980.

State Missions Report

Every year North Carolina Baptists have one opportunity to give to a special offering for foreign missions — the Lottie Moon Christmas Offering. This year we gave approximately 4 million dollars.

Every year North Carolina Baptists have one opportunity to give to a special offering for home missions — the Annie Armstrong Easter Offering. This year we gave over 1 million dollars.

This year North Carolina Baptists will have an opportunity to give to a special offering for North Carolina missions — the North Carolina Missions Offering. We are being asked to give 2 million dollars.

Some of the things that will have to be left out if the offering goal is not met are:

- ... a migrant child will not have a chance to attend Vacation Bible School.
- ... churches that need loans in order to build needed additions will be told they have to wait another year.
- ... some Japanese families residing in North Carolina will not hear the good news about Christ.

Jim was a student summer missionary last year in Alaska. Gene spent his Spring break this year helping migrants in Florida. Coy surrendered to preach late in life and now attends Fruitland. Charles teaches a Seminary Extension class in Goldsboro. Olna helps people learn to read in her living room in Gastonia. Maurico is a Spanish-speaking pastor in Fayetteville. Ron is director of Christian Social Ministries there. Donna of North Wilkesboro teaches deaf people and "hearing" people how to teach the deaf. Art does the same work in Raleigh.

All of these people are part of North Carolina Baptists' mission program, a unity of caring. They all give and receive. They are all united for ministry.

We want these people to hear about Christ. I believe you do too. For their sake, let's reach the \$2,000,000 goal. State Missions is one of six offerings that will be included in the North Carolina Missions Offering next year.

Tina Kincaid

38 Mrs. Faye McDaniel presented the Home Mission Report.

Home Missions Report

The Home Mission Board is now deeply involved in strategy related to BOLD MISSION THRUST. A booklet entitled: *TARGET: A.D. 2000* states guidelines of action for the agency to the end of the century. The overall plan is, of course, broad; but the agency will be filling in the details during the next twenty-two years.

Plans have been drawn up for developing a long-range strategy for winning America to Christ. Second, the great spiritual needs of key cities and key counties over our nation are being genuinely and systematically attacked with the gospel. Third, the Mission Service Corps has come into being, and at the end of 1978, 100 persons were assigned to serve in 36 states.

The "era of the volunteer" has arrived and in 1978 over 21,671 persons were involved in volunteerism with some home mission activity. The expertise of lay people who are willing to serve is being tapped and put to use all over our nation. Over 1200 places of service have been identified where Mission Service Corps are needed.

Baptists are becoming concerned in an unprecedented way about the spiritual and moral life of our country. The Spirit of God is on the move all over America. Excitement about Bold Mission is evident in our churches and there is new realization that Christ is the answer to the gnawing hunger of souls and spirits.

Staff at the Home Mission Board stands at 104 and receives financial support from the Cooperative Program and the Annie Armstrong Easter Offering for the carrying on of its programs through 34 state conventions throughout the nation. The various programs supported by these funds include: Evangelism Development, Personal Evangelism, Mass Evangelism, Chaplaincy Ministries, Church Loans, Associational Administration Service, Metropolitan Missions, Rural-Urban Missions, Christian Social Ministries, Church Extension, Cooperative Ministries with National Baptists, Interfaith Witness, Language Missions, and Pioneer Missions.

39 The Foreign Missions report was presented by Mrs. Aleta Stetler.

Foreign Missions Report

The sending out and maintaining of missionaries is primary in Southern Baptist missions through the channel of the Foreign Mission Board. Total board appointments reached a new high in 1978 for the third straight year. Appointments in all categories totaled 350, a 25 percent increase over 1977.

Net missionary personnel gain for 1978 was 130, the largest gain since 1966. At the end of the year, the missionary staff totaled 2,906, including 224 missionary associates, 183 journeymen, and 12 special project medical workers. The Bold Mission Thrust objective to increase the missionary staff to more than 5,000 by A.D. 2000 remains a challenge.

In 1978 workers on mission fields reported growth from 8,533 churches and 1,071,922 members to 10,440 churches and 1,214,699 members. Field reports indicated a total of 94,543 baptisms. The Bold Mission Thrust objective of a tenfold increase in churches calls for still larger efforts since the achievement of this goal is not yet on schedule.

In 1978, Southern Baptists' contributions for foreign missions totaled \$64,995,017.

The 1978 Lottie Moon Christmas Offering topped off as of May 31, 1979 at \$35,919,605.40. The 1979 offering goal is \$40,500,000.

Approximately 50 percent of the Southern Baptist Convention Cooperative Program funds is made available annually for foreign missions. Still urgently needed on overseas fields are land, buildings, and equipment, amounting to several million dollars' worth. As the overall missionary personnel picture begins to express new boldness, the financing for world missions must also show a bold new thrust.

Respectfully submitted,
Aleta H. Stetler

40 The Rev B. C. Owenby presented the Cooperative Program report.

Cooperative Program Report

The Southern Baptist Convention was organized in 1845 for the purpose of mission support. In 1925 the Lord led Southern Baptists to establish the Cooperative Program. This great system for channeling prayer concern and financial support to the great missionary enterprise was formed. It has never been surpassed in efficiency. The way it works is ingenious, yet simple. This system makes it possible for

every Southern Baptist to be at work in every part of the world every day. There are some simple steps in the Cooperative Program. The Cooperative Program begins with you. You must decide what you will give. You bring your gifts to the church. The Bible teaches us that we are to submit our-selves one to another. As we purpose in our hearts, we bring our gifts to the church. You, as a part of that church, must decide with other members how much you will share for the church's task beyond the church and how much you will retain for ministries closer home.

Whatever it decides, the church allocates a certain percentage for ministries through the association and a certain percentage for ministries through the Cooperative Program. The money for associational missions is sent to the associational office. The money for Cooperative Program ministries is sent to the office of the state Baptist convention. The churches in the state decide in their convention sessions each year how they are going to use the Cooperative Program money. In the Southern Baptist Convention sessions each year, messengers from the churches decide how the money will be distributed among the various ministries.

The way Baptists work is unique: there is no hierarchical organization. The association is made up of your church and other churches working cooperatively. The state convention is formed by messengers from your church and other churches in the state. The Southern Baptist Convention is also made up of messengers from your church and other churches in the Convention. Authority is not handed down, so to speak, from one organization to another. The individual churches in the Convention control each organization. This is important. Each church maintains its independence and autonomy. The churches are thus freed to cooperate voluntarily with each other. And cooperate they do. Souls are won, lives are changed, bodies are healed, and we grow stronger together as we share the redemptive task as we pray and as we give through the Cooperative Program. When bodies are healed, you are there. When homes are mended, you are there. When a hand is extended, you are there. When souls come to Jesus, you are there-in your church, in your state, throughout the nation, and around the world. You are there when you take the world task upon you in prayer, and when you give through your church-through the Cooperative Program.

Let us consider the goals of Bold Missions in stewardship programming

- (1) Every church doubling its budget by 1982.
- (2) Doubling of Cooperative Program giving by 1982, and doubling twice again by the year 2000.
- (3) Every church in North Carolina making an annual Cooperative Program increase.
- (4) Doubling gifts to associational missions.

Cooperative Program is the Life-line on our World Mission Program. Your Gifts and Participation is important.

44 Report on the Homes for the Aging presented by Reginald Dawkins.

Baptist Homes For The Aging

There are six Baptist Homes for the aging in North Carolina. In addition, there is the skilled nursing facility on the grounds of Hayes Home. Other homes are in Albemarle, Hamilton, Yanceyville, Winston-Salem, and the recently opened home in Asheville.

The homes were founded by the Baptist State Convention almost 30 years ago. Directed now by Reverend William A. Poole, they provide a comfortable secure home with an average age of 80. There is also an apartment complex for people who would prefer to do their own light housekeeping. The nursing care unit serves about 80 patients at a time.

The homes offer private rooms, meals in a dining room, medical care available 24 hours a day, physical therapy, and a variety of activities. There are church services, shopping trips, concerts, crafts classes, parties and such sports as fishing and golf. But the privacy and individual interests of residents are respected.

Reverend Poole, addressing himself to fellow Baptists in the July-August CHURCH LEADER states. "The tie between our North Carolina pastors and churches and our North Carolina Baptist Homes for the Aging is a sacred one indeed, one that has been strengthened through the twenty-eight years of our ministry. You have supported this ministry loyally in many ways, not among the least of them being the special love gifts that you have given through a special offering for the Homes. This offering has been the means of not only contributing to the total financial strength of the homes, but has been a direct life-line of supplemental financial support for five out of every six residents who could not possibly have paid the cost of care."

"The new plan of continuing special support for the Homes is now a united ministry through the North Carolina Missions offering which will include all of our ten Baptist institutions as well as the special challenges of State Missions.

"The total goal is \$2,000,000 and North Carolina Baptist Homes, if the goal is reached, will receive 15 percent of the offering, or \$300,000."

"Never has a group of people been more dependent upon the success of this offering than those in our Baptist institutions, and this is particularly true of our Baptist Homes for the Aging."

Respectfully submitted,
 Reginald Dawkins

45 Bro. T. W. Nelson presented the report on Baptist Hospital.

Baptist Hospital Report

Although growth in bed capacity at Baptist Hospital has leveled off at just under 700 beds, there is continuing expansion of the hospital's services. This expansion results from new discoveries made through medical research, and is in response to the health care needs of people.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and some cardiac problems.

A new six-bed burn unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This fully automated analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplains ministers to families during three critical periods: When a child has received a recent diagnosis of cancer, when a child is terminally ill, when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. They also provide a pastoral ministry to patients, their families and to staff members; provide more than 15,000 hours of personal counselling annually; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world. Ministries of the Pastoral Care department are made accessible to people across the state through satellites in Fayetteville, Raleigh, Morganton and Charlotte.

Baptist Hospital has actively participated in the Voluntary Effort to keep hospital costs as low as possible. Our hospital and several of its employees have been recognized and received awards for their cost-saving ideas and efforts. Our patients benefit in that the hospital's room rate increase this year — despite continuing inflation — is only 5%, as compared to an annual increase of 6% in recent years.

In recent months the hospital's oldest building — "Old Main" — has been torn down and a new six-story Focus Building is now rising on this site.

Our hospital staff members have been working with representatives from other denominational agencies and with leaders of the Baptist State Convention to promote the North Carolina Missions Offering. The hospital looks forward to receiving its share of this offering, as gifts from the churches in the fiscal year ending June 30 were \$196,516, as compared to \$388,122 in the preceding fiscal year.

May each of us do his best for the State Missions Offering which is already in swing in our association and pray for our sick and shut ins. May God richly bless you.

Respectfully submitted,
T. W. Nelson

46 The Baptist Children's Homes report was presented by Albert Taylor.

Baptist Children's Home Report

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Home of North Carolina. Today's children will become the adults who shape tomorrow's world. No task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Home is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best possible solution. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of homes and parents.

Increasingly, you Homes are being called upon to serve Children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible — especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

May we in the Randolph Association continue to do our best through our giving to the Cooperative Program, and our North Carolina Baptist State Missions Offering to be received each September.

Respectfully submitted,
Albert L. Taylor

47 Miss Sara Ann Hobbs, Director of Division of Missions for the Baptist State Convention speaking to the reports.

48 Mr. Carl King presented the Annuity Report.

Annuity Report

The year 1978 was a "banner year" and a year of challenge for Annuity Board in serving churches and agencies of the Southern Baptist Convention, according to Dr. Darold H. Morgan, president.

Among the challenges he listed were extremes of market variations, staggering pressures of escalating costs, changes in personnel and organization, and the eroding presence of governmental regulations.

The banner side highlights included:

1. A "13 Check" equalling and additional full month's benefit and amounting to \$1,036,914 was mailed to almost 10,000 annuitants in Board retirement programs.

2. A total of \$25,558,637 was paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs topped \$13 million.

3. An Endowment Department, designed to seek funds for undergirding protection programs, was established. A goal of \$25 million by 1988 was set.

4. New churches in the retirement program numbered 630, a record enrollment. New pastors and church employees totaled 2,545, with 3,721 members upgraded programs.

5. Participants in the new Southern Baptist Retirement Program grew to 6,066. Family Benefit Section (Plan A) counted 23,986 members, and Age Security Section (Plan B) recorded a marked increase from 33,062 in 1977 to 44,324. Variable Benefit Section (Plan C) membership declined from 4,885 to 4,217.

6. Premium income reached \$51,797,996 (includes relief). Total assets climbed to \$569,734,471, compared with \$498,977,661 a year earlier.

In North Carolina as of March 31, 1979, 2,953 staff members of 2,290 churches and associations are participating in the Southern Baptist Retirement Program.

Bro. Sam Oneal came to Randolph Association during the year and invited the pastors for a discussion of programs.

In Randolph Baptist Association 31 churches and 36 staff members are participating in the retirement program.

50 Rev. Hansel Neathery presented the Christian Literature report.

Christian Literature Report

Since the printed page is an important means of promoting the work of the Kingdom of God, Southern Baptists, through the Sunday School Board, the State Baptist Papers, the Broadman Press and

other publishing agencies are continually striving to increase the quantity and the quality of literature for our denomination. During 1977-78 the Sunday School Board continued its efforts in at least three priority areas as follows:

(1) Bible teaching for the masses. In this area the Bible Book Curriculum Series was introduced for its first use in October, 1978. The series immediately claimed about 13 percent of total Sunday School youth and adult circulation in spite of the fact that its first focus was upon Genesis which had just been studied by more than half of the youth and adults enrolled in Sunday School

(2) Support and Enrichment of Family Life. In this area strong emphasis has been given to two fine magazines, *Home Life*, which has been given a circulation of 9,688,959 copies and *Mature Living* which has been given a circulation of 1,556,719 copies. Approval was also given for the production of a monthly magazine for single adults entitled, *Christian Single*.

(3) Equipping the Saints. In this area the most significant achievement was the enrollment of 1,382,104 persons in Church Music ministries which is the largest enrollment in history in the field of music. The Sunday School Board reports a periodical distribution of approximately 65,967,000 pieces.

The Sunday School Board has also spent some \$27,850 in publishing literature giving strong support to the Bold Mission Thrust for promotional activities related to Mission Service Corps and other Bold Mission Thrust projects.

The work of the Broadman Press in the past year has also been significant. In 1978 the Broadman Press produced 541 new products. During the same period 119 old products were dropped by being declared out-of-print. Broadman, therefore, had a net increase of 422 new products in 1977-78.

Another bright spot in our field of Christian literature is our State Baptist Papers. The Southern Baptist Committee on Baptist State Papers reports that their outreach is steadily increasing. In the 1974 Convention in Dallas a combined circulation of 1,734,374 was reported. At the Southern Baptist Convention meeting in Atlanta in 1978, the committee reported an increase of approximately 100,000 in circulation. This increase has continued in 1979. Thus, a goal has been set of two million in circulation by 1980.

A word also must be said about our own State Baptist Paper, the *Recorder*, which is perhaps, one of the finest in the country and is in its 146th year of publication. It gives excellent coverage to denominational news and events, but perhaps the thing that makes it unique is its emphasis on and coverage of the local church which it believes in as the foundation stone of our mission enterprise. So, may we one and all be aware of the unique contribution of the State Baptist Papers to Southern Baptist life and work.

H. C. Neathery

51 The Christian Education was presented by Cecil N. Johnson.

Christian Education Report

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud; Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention,

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15% of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senior class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class; and churches all across the state answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to Study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention,

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian higher education for almost 150 years.

Respectfully submitted,
Cecil N. Johnson

52 WMU report was presented by Mrs. Pat Ray.

W.M.U. Report

Go ye into all the world and preach the gospel to every creature.
Mark 16-15.

This command of Jesus should be a personal one to every believer. It is our job and privilege to share the love of Christ to everyone upon the earth; this takes dedication and vision, and my heart is heavy because I feel we are losing it. Sure, we have great programs, plans, and make many fine speeches, but when the showdown comes, we are failing.

The Randolph Association has 82,000 people with 50% unchurched. It takes 41 people to lead one person to be saved right here at home.

Dr. D. L. Johnson, Professor of Religion of Furman University, the Bible teacher at Ridgecrest for WMU Week gave this illustration that is a sad but true picture of the average church of today.

There was once a dangerous, fog shrouded harbor that caused many ships to wreck; thus many lives were lost to the sea. The people in the small seaport were concerned enough about the loss of so many lives that they formed a group of "life-savers." They bought a small boat and everytime there was trouble, they would sound an alarm and go to the rescue. Many people were rescued from certain death, but the townfolk weren't satisfied. They said, "If we knew better how to save lives and had a larger boat, we could save more people." So, they started having "life-saving" classes and soon they had so many interested people they needed a larger place for their meetings. They

decided to build a hugh building in which they could accommodate all the people interested in saving lives and went deep in debt for the building and a much larger boat that would hold many more as they dipped them from the sea.

The trap into which they were falling is all too familiar. Soon, they were so far in debt, they had to spend more time working to pay off their indebtedness and their spare time was spent "learning to be a life-saver." No time was left to go into the harbor so all the while people were dying - dying - dying.

By now, I'm sure you have seen the parallel between this situation and our local churches.

Isn't it tragic that while we are having lay-witness revivals - WIN schools - and "Share Your Faith seminars," people all around us are dying without ever having a chance to accept Christ?

What is the answer?

Sometimes the medicine is worse than the disease! The tests to diagnose the illness are far more painful than the symptoms and just as it hurts to probe a wound, so it is when someone lays a finger on our spiritual illness.

Bro. Judson Rotan recently preached a message I wish everyone could hear titled, "Where Have We Lost Jesus?" It was such a challenge to the local church, associational organizations, and to each individual.

Somewhere along the way we have lost Jesus in our churches.

There is an answer and it is found in the WMU Wachword for 1979: "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem, and in all Judea and Samaria and to the end of the earth." Acts 1:8 (R.V.)

There is no power that can equal the power of the Holy Spirit and I'm so grateful that because of Him we had some climatic moments in WMU.

Many meetings and conferences were conducted and attended by our Council, and I pray God has used these to strengthen each of us.

We had two unique WMU meetings: Feb. 26 at Russell's Grove our guest speaker was Rev. Ellis Fullbright, missionary to Zambia with Fran Davis from Greystone as guest soloist. There were 125 in attendance and I felt God move in a very special way as we united as one in prayer. Rev. Tommy Butler and his fine people made us feel right at home.

April 30: Ramseur, First was another inspiring fellowship at the WMU-Brotherhood Annual Meeting. Dr. Ivan deSouza - home missionary to seamen at Mobile, Alabama was our speaker and we gave him all the time he needed as he entertained us with guitar and singing in many languages the song "God is so Good" and "Because He Lives." The music was gloriously provided by Karen Brady and Kevin Allen from the host church. I'm sure it was God's plan for us to use these two talented young people at that time because they no longer are able to perform together. Kevin went home to be with God in August. Neither will we be able to engage Dr. deSouza because he and his family have moved back to Brazil, his home country. There were 180 present. Rev. Justus McKeel and his church prepared refreshments for fellowship afterward.

We had two more outstanding meetings here in the association. G. A. Daycamp on August 18 at Camp Caraway was highlighted with Rev. & Mrs. Gary Harthcock, Antiqua leading the first half with swimming from 1-3.

September 10 at Ashebro First we had a Key Leadership Conference with 16 in the WMU Conference. A challenge was given that

I pray will motivate our people to support missions in a way they never have before.

The Acteens were fortunate enough to go to the Acteens Convention at Ridgecrest April 20-22. I am grateful to Sue Donnell for being responsible for the group and to Union Grove for providing the bus and drivers for transportation.

I believe in the association and I know that God uses these times we have together to draw us closer to each other and to Him. No one can live alone. We need each other. Aren't you glad God gave us other Christians from which we can learn, we can love and have fellowship?

But let's don't stop there! Let us commit ourselves to them go out and "teach all nations."

Respectfully submitted,
Mrs. Pat Ray

Christian Life and Public Affairs Report

The Council on Christian Life and Public Affairs is made up of twenty persons selected by the Convention. Eight come from the General Board, while the remaining twelve are elected at-large. These persons give overall leadership to the Council's staff.

There have been two changes in the staff. W. Douglas Cole has recently been named Director of the Division of Christian Life and Public Affairs. Earlier in the year Ted W. Williams was named Director of the Department of Aging.

The Christian Life Council has been concerned with a number of moral issues during 1979. The status and health of the family is of great importance. In an effort to strengthen family relationships, the Council has been involved in marriage enrichment retreats and associational family life conferences. In addition, a marriage enrichment retreat was held for ministers and their spouses. A family life poster has been printed and is being made available to churches.

More than seven hundred North Carolina Baptists participated in the newly-formed Legislative Information Network. Members of the Network received a guide-book containing relevant information on the North Carolina General Assembly. In addition, a regular newsletter was mailed to all participants, keeping them informed on a wide variety of legislative issues of interest to Christians.

Work by the Department of Aging was begun this year. Under the leadership of Ted Williams, the Council has sponsored a Senior Adult Conference and a Senior Adult Retreat. Efforts are being made to designate a senior adult co-ordinator in many churches and associations. As the number of senior adults in our society grows, it will be increasingly important for us to find creative ways to minister with senior adults and to help them to deal with the problems of growing old.

The plight of millions of hungry and starving people around the world has continued to hold the attention of Baptists. A packet of materials was prepared by the Christian Life Council to aid churches in the observance of World Hunger Day in August. Many churches have participated, through special services, offerings, study groups and other means, in helping hungry people around the world. Many more need to become active in feeding some of Jesus' brothers and sisters, in his name.

Applying the radical teachings of our Lord to our day-by-day lives is not easy. Jesus said that in order for his followers to come after him, they must first take up their crosses. The task of the Council on Christian Life and Public Affairs is to help North Carolina Baptists to live life as Christ would have us to live it.

Respectfully submitted,
Justus McKeel
