directions)

**Why:** (three best reasons to come):

1) Eat desserts and drink cider while you fellowship with fellow students and professors at this special time of year. Note especially the free food part.

2) Learn more exciting distinctives of Patristic preaching (like how to preach 59 points in one sermon). WARNING!!! Do not attempt this feat in preaching class nor at your church! If the urge should come upon you please seek help IMMEDIATELY!!! (We will be discussing the patristic sermon: *The Shepherd of Hermas* – a copy of which may be obtained from Mrs. Keith in Stevens-Mackie).

3) Bring your spouse or friend and enjoy the hospitality of the Patristics Club: then sit back and discover the mysteries of early Christianity through the words and ideas of the men who shaped many of the doctrines we hold (and some we don't hold) today.

**Our Purpose:** To become more familiar with the many interesting people and issues of the early Church thereby gaining insight into Christian doctrines and practices.
