RE: Assembly Bill No. 2645

Dear John:

We recently received a batch of new bills. I realize that the load is extremely heavy for this next meeting, but we hope that all of you will be able to attend and that we will be able to wade through all of the bills and conference resolutions at the next meeting on April 17.

I have also determined that some of you may not have received copies of the conference resolutions or bills from the Legislative Liaison office. If that is the case, please telephone me as soon as possible so that I can send copies to you.

Yours very truly,

Gary L. Bostwick
