Accreditation

Southeastern Baptist Theological Seminary is accredited by the Association of Theological Schools in the United States and Canada. SEBTS is also accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Associate, Masters and Doctor of Ministry degrees.

Admission

Students applying for admission to degree programs who plan to begin studies in either term of summer school should follow the admission instructions as outlined in the Catalog, 1992-93 p. 10, and register on the designated days.

Currently enrolled students need only to register on the designated days.

Applications for admission to summer school on any other basis should be received in the admissions office at least fifteen days prior to the registration date. For additional information, write: Registrar, Southeastern Baptist Theological Seminary, P.O. Box 1889, Wake Forest, North Carolina, 27588-1889.

Curriculum

The curriculum consists of courses for students continuing in the A.Div., M.Div., M.A./C.E., M.A./C.M., and D.Min. programs. Th.M. or D.Min. students may take advanced electives. Applications for admission to summer school are welcomed from alumni or others who want to pursue post-degree studies.

The maximum load permitted per term is four hours. Students who elect Elementary Hebrew may take only that course.

Classes meet four days a week, Tuesday through Friday, unless otherwise noted. Except where otherwise cited, Catalog prerequisites for summer school courses are waived. Students are encouraged to consider carefully their level of proficiency when selecting electives in areas where no formal study has been done.

The seminary reserves the right to limit the size of classes in order to maintain a reasonable student-teacher ratio or to cancel a course if enrollment is not sufficient.

In addition to courses offered on campus, students may earn up to eight semester hours' credit for the completion of a basic unit of clinical pastoral education at an accredited training center as provided in the Catalog, 1992-93 pp. 58-59. In order to receive credit, the student must register with the Registrar prior to the beginning of the program and the supervisor must file a grade report at the conclusion of the course (M 4360 - M 4361 and M 4362 - M 4363).
