## Thank You

The Annual Meeting Committee would like to thank Greens Creek Baptist Church and Mt. Pleasant Baptist Church for hosting the annual meetings of the Tuckaseegee Baptist Association. They would also like to thank Rev. Aaron Langston and Rev. Hayward Tomblin for presenting motivating and uplifting messages.

Thank you to all officers, committee members and associational representatives who have so capably served this year. We extend sincere appreciation to all who have served to honor our wonderful Savior Jesus Christ.

We would be remiss if we failed to thank our churches for the offerings to associational missions. Many churches send an offering each month while some send their offering on a quarterly or annual timing. Many people donate their time and talents that go unreported and are not reimbursed. These add considerably to our mission to share the Gospel of Jesus Christ.

A final thank you to our church clerks who gather the individual church information and pass onto the association. This information is used currently by the association and the Baptist State Convention. It is also a wonderful historical source.

## **Building and Grounds Report 2018-2019**

The Building and Grounds committee has been busy this year coordinating much needed repairs and capital improvements at the Baptist Center. Below is listed some of the projects that have been finished.

- Converted Fluorescent to LED lights in offices, foyer, hallway, bathrooms and kitchen (Labor provided by Moses Creek Baptist Church)
- Installed vinyl siding and replaced guttering on the Baptist Center
- Repaired some of the drainage at the Baptist Center
- Replaced the HVAC system
- Fruitland class provided funds for mowing Baptist Center grounds

## **Missions Committee Report, 2018-2019**

Several churches came together to participate in the Appalachian Regional Ministry's (ARM) Backpack Ministry in 2018. We requested 20 backpacks for each of the local elementary schools from ARM and some churches in our association packed more. These backpacks were distributed by the churches at a party, to the schools and in low income areas of the county. We have once again ordered backpacks for Christmas 2019 and encourage churches to pack more from our association. Tuckasee Baptist Association is partnering with Macon Baptist Association to plan a big distribution party at Victory Baptist Church in December. Contact Tracy Salter for more information.

The Missions Committee discussed and approved the following Annie Hoyle mission scholarship requests. They were approved and awarded by the Executive Committee.

**Association led:** (July 11-13, 2019) Sparta, KY to help with the KY Raceway Ministry (8 people and 3 churches) New Hope let us use their van at no cost. Only spent funds on gas. \$98.51

**Awarded** a scholarship of \$500 to Cashiers Baptist Church mission team for their Romania Mission Trips in 2019.

## Executive Committee Report 2018-2019

January 14, 2019 - 7:00 p.m.

The quarterly meeting was called to order by Chuck Norris, Moderator at the Baptist Center. There were 11 executive committee members and one visitor with seven churches represented. (No quorum and no business conducted.) Chuck led the group in an opening prayer. Eddie Potts led the group in singing "Victory in Jesus". Rev. Emery Brooks, pastor of New Savannah Baptist Church, lead the devotion. No changes were made to the agenda. No new members were recognized. The July 9, 2018 executive committee minutes and the October through December 2018 financial statement were presented.

Associational WMU Director, Doris Melton, reported that plans are in the works for a county wide Associational WMU planning meeting for March. As soon as she gets confirmation for a host church, the date and time will be announced. This meeting will include a salad supper and will give everyone an opportunity to have input on project selections for the calendar year. Plans for the TBA WMU Associational Annual Meeting will also be discussed. In the meantime, Ms. Melton will make contact with Ms. Margaret Harding and the Red Box Ministry so that those attending the planning meeting will be able to select a project for the coming year. The goal of 500 bars of soap for this prison ministry was almost double with 915 bars collected this past year. Matthew 25:40 "And the King shall answer and say unto them, Verily I say unto to you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Rev. Gerald Morris presented his Director of Mission's Report. The quarter had been a time of evaluation He is always tinkering with what we do to be better at serving you and your church. Early last year he shared with the churches the need to make repairs and improvements on the Baptist Center building. As usual, the churches stepped up to the need and those needs have been met. The two biggest jobs were to replace the fluorescent lights in the building with LED and to install siding on the outside. The men of Moses Creek Baptist replaced all of the lights in the building except those in the big meeting room. They decided to wait on those because they are still working well and do not use enough to save vey much electricity.

A&M General Services is in the process of installing vinyl siding, soffits and metal fascia and should be finished soon. This was a needed upgrade because the wooden siding on the back of the building was in such shape that it needed to be replaced. With the vinyl siding we will not be required to paint every few years to maintain the building. Several other repairs/ improvements were made and he appreciates all that have volunteered to keep our building looking great.

The semiannual Associational Singing was again a great time of fellowship for the churches and has become a time that many look forward to each Spring and Fall.

The Annual Meetings in October were a great success and he has heard positive feedback on the changes made to streamline the meetings and to make hosting it easier for each church.

He was able to help plan a fourth trip to Lumberton to help with the rebuild efforts. This time he was not able to go but Sergio Barranco, pastor from Highlands, was able to lead men from La Primera, Faith and El Centro to work three days. They were able to accomplish a great deal once again. Gerald is looking at the possibility of leading a group in the next couple of months. Please let him know if you could go on a Thursday-Saturday trip.

In September the sixth annual Missions Conference was held and plans are being made for this year's. In the past few years a limited number of churches hosted five missionaries during five sessions over four days. This year we are trying something new. He wants to invite five missionaries for two days (Saturday and Sunday). On Saturday, a Missions Fair would be held where the missionaries would have displays and meet with you directly. Local missions/ ministries will be invited to the missions fair also. A mission speaker may speak that night. On Sunday, the missionaries would then speak at churches for the morning and evening services. Your church could request a speaker for either service or maybe even both. Please let Gerald know if you are interested in hosting a missionary in your church. More details will come.

He is in the early planning stages of the semiannual Spring Worship Rally. His hope is to have a speaker come and encourage us to develop a deeper and richer prayer life. More details will come. In the past, this has been a great time of fellowship and worship.

Another event being planned with anticipation is the second Pastors' and Wives' fellowship. This is planned as a time for our pastors and their wives to have a night out with food, fellowship and fun. We plan to have a catered meal and inspiring speaker. The funds for this night have been generously provided by the Baptist State Convention.

Again he asked that everyone pray for the pastors of our churches and their families. Satan has been on the attack lately and the pastors, their families and the churches they serve have been hurt. We need to always be vigilant in prayers for the men of God that serve as pastors. Also, pray for the six churches that are currently without a pastor, some have been looking for years. (Dicks Creek, Locust Field, Long Branch, Mt. Pleasant, Ochre Hill, and Rockdale)

The last quarter of the year is always a time of reflection and planning. Gerald looks back at what God has done in Jackson County through His churches and gets even more excited about what God is going to do this new year.

### **Old Business (information only)**

- Lumberton, NC - It has been approved to spend Up to \$400 of Annie Hoyle Funds to be used for gas and a van to take a mission trip to Lumberton, NC to help rebuild homes damaged by Hurricane Matthew.

- Converted Florescent to LED Lights in offices, foyer, hallway, bathrooms and kitchen (Labor provided by Moses Creek Baptist Church. \$988.68 spent)
- Installing Vinyl Siding and Replacing Guttering at this time

#### **No New Business**

Donal Shular led the group in closing prayer.

Rev. Gerald Morris, Director of Missions

Chuck Norris, Moderator

Gracella Morris, Clerk

#### **April 15, 2019 - 7:00 p.m.**

The quarterly meeting was called to order by Chuck Norris, Moderator at the Baptist Center. There were 13 executive committee members with eight churches represented. Chuck led the group in an opening prayer. Eddie Potts led the group in singing "At the Cross". The agenda was changed with Doris Melton presenting her WMU report next and Rev. J.D. Grant unable to be there to give the devotion. No new members were recognized.

Associational WMU Director, Doris Melton, presented the following report. The WMU leadership team met March 23, 2019 at Faith Baptist Church to plan for our WMU Annual meeting. Faith Baptist Church will be our host and the door of the church will open at 6 pm with a salad supper to begin promptly at 6:30 pm. Our meeting will follow at 7 pm with Tracy Salter to be the keynote speaker. All WMU groups are encouraged to attend. The project for our Red Box Ministry is sandwich bags of hard candy with a goal of 500 bags. All WMU groups are asked to share any activities that they are involved in or plan for this year at our meeting. As we celebrate Easter, remember the women who went to the tomb only to find it empty. According to the Gospel of Mark 28:7, they were told to "go" and "tell" (his disciples) that "He is risen from the dead". We as WMU women have an opportunity to share this message through our prayers, projects, and substances. Matthew 25:40 reminds us that, "...Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

The January 14, 2019 executive committee minutes and the October 2018 through March 2019 financial statement were presented and approved.

Rev. Gerald Morris presented his Director of Mission's Report as follows: Once again as I prepare this report I am amazed at what God is doing through the churches of the Tuckasegee Baptist Association. During this past quarter I have been busy preaching at and visiting churches, preparing for missions and training events and providing support to churches and pastors. The Association exists only for the purpose of supporting your church in its divinely appointed task of glorifying our Lord. Therefore the churches of this Association ARE the Association. To that end, Gracella and I have been working diligently this past quarter to prepare missions and training opportunities and I have been visiting, encouraging, counseling churches and church leaders.

#### Missions and Evangelism

I have been working with Tom and Shirley Smith, a retired missionary couple living in Waynesville, to find ways to reach the International students attending WCU. In February, the Smiths, Randy Brooks and I attended a Chinese Lunar New Year festival on the WCU campus. We were able to make contact with the director of the program. This past week we attended the annual International Festival on the WCU campus. We were able to talk to several international students. We are praying that these contacts will bear much fruit in the future.

We have been working on the preparations for the September 2019 Missions Conference. This year we are trying a new format for the conference. It will be on Saturday and Sunday. Lovedale Baptist is hosting a missions fair and speaker on Saturday. At the Missions Fair, several local, state and national missions groups will be setting up booths and will be available to answer questions and discuss their ministry. The Missions Conference will continue Sunday morning and evening as 10 churches host missionaries from the International Mission Board. The missionaries will be speaking about their work throughout the world. Our Missions Conference has attracted attention in the surrounding counties. Because of this I met with two representatives from the Haywood Baptist Association about how they can start their own Missions Conference.

We have also been busy with other missions planning. I planned to lead an April trip to Lumberton to help with the rebuild effort, but the trip was ultimately cancelled because many of the volunteers were not able to take time off from work for the trip. Just last night (4/14) I was in contact with men from Cashiers Baptist about planning a trip soon. (possibly May)

We have also been working on the annual three-day mission trip to the NASCAR race in Kentucky in July. We usually work in the children's tent. This is a great trip for families - even if you do not like racing.

The Missions Committee met to plan the mission trips, outreaches and to award scholarship funds. The committee is recommending the need to suspend the scholarship program until the Annie Hoyle funds are replenished to the \$10,000 level that was set in the past.

The Committee discussed two missions outreach opportunities in Jackson County. The first opportunity is Mountain Heritage Day. The committee is asking for help in manning a booth at the festival hosted at WCU in September. I have met

with the Mountain Heritage Center about developing a display that will attractively advertise the work of the Baptists in Jackson County over the years and share about churches in the Association.

The committee also began planning the Christmas Backpack distribution. We are partnering with Macon Baptist Association and Victory Baptist Church to plan a distribution party.

#### Church support

As your Associational Missionary, I enjoy helping churches in their God given duties to glorify the Lord. One of the ways I do this is to visit churches. By visiting I get to hear the needs of the church, celebrate special events and support the pastors and other leaders of the church.

One special day I was able to attend El Centro Del Señor's first worship service at Webster Baptist Church as the two churches begin a wonderful new partnership. El Centro's needs had outgrown their current facilities and a partnership with Webster is a perfect fit. After worshipping with El Centro and Webster I immediately went to worship with several Associational churches at the Annual Spring Worship Rally. I always love to see God's churches coming together as one to worship Him.

One of the ways the Association helps the churches is to help strengthen the pastors that serve them. Gracella and I had the great pleasure in hosting the second Pastors' and Wives' Banquet. Everyone enjoyed the meal catered from Bogart's and the wonderfully encouraging message from Lewis Smith. Most everybody stayed around after the meal for quite some time for fellowship. We are working on providing more opportunities for pastors to get together for encouragement and support.

Gracella has been busy scheduling and distributing the Rest Home Service Schedule starting in May 2019. This is the second year that she has worked on this. I would encourage everyone to go to the rest home when your church is scheduled so that you can be a blessing and be blessed. The Sunday rest home service is often the only chance that the residents have to worship together.

#### Training

I am always looking for training opportunities so that I can serve you better and I am always looking for training to bring to the Association. I was able to go last month to training about how to deal with problems in the church. Unfortunately we still live in a fallen world and the problems of the world creep into the church. The training I attended should help me help churches if the need arises.

I also attended the Creation Science Seminar at the WCU campus. Jobe Martin presented a very compelling case as to why we can trust the Word of God when it comes to creation over evolution.

Gracella and I plan to attend the Go Georgia Conference and would like to invite anyone who is interested in going to come along. This conference is hosted by the Georgia Baptist Convention and is comprised of many different classes over a two day period. There are classes for all parts of the church (Sunday School, evangelism, music, financial, etc.) The Go Georgia Conference is on two dates in August at two locations. If this sounds interesting to you, please let me know and I will get you more information.

Looking forward to the 2020 Associational Church Leadership training, I met with Chris Schofield. Chris is the Director of the Office of Prayer for the NC Baptist State Convention. He will be coming to teach about prayer at the Leadership Training on Saturday and will preach the message on Sunday evening at the Spring Worship Rally. I am looking forward to this time of renewal through prayer.

#### Building and Grounds

This quarter has been a flurry of activity around the Baptist Center. Mauricio was able to install the vinyl siding and guttering on the building. The siding has added a fresh new look to the building, and we have already received many comments about how nice it looks. Mauricio went above and beyond in the work that he was contracted to do. He did several additional things to improve the building and grounds.

The last few days we have been busy receiving bids for a new heat pump for the Baptist Center. Over the last couple of years the heat pump has been requiring more and more costly repairs. The present unit is almost 20 years old and is in need of replacement. We have several bids and I will be meeting soon with the Buildings and Grounds committee to decide how we want to proceed.

#### Association Support

May is Associational Emphasis month. We would ask you to please remember us in your prayers. Pray that Gracella and I will have the wisdom to serve each church. Also, pray for each sister church and its leadership. Pray especially for those churches without pastors. It is becoming more and more of a struggle to find qualified pastoral candidates.

I would also like to remind you about this year's Associational Offering. While I have been serving the Association, the churches have done a fantastic job of supporting the Association financially and each year we have been close to meeting our expenses. For the last few years we have alternated between having a little money left over and not having quite enough. Last year we were lacking \$600 to meet all of our expenses. I would like to see the Association get to the point that we meet all of our expenses every year.

This year, in addition to collecting a special offering for the Association in May, I encourage each church to give just \$5 more per month. We should then have enough to meet our present expenses. Would you please consider encouraging your church to do this? It would help us serve your church better in the future.

I will end this report like I started it. I am amazed at what God is doing through the churches of the Association. I am also amazed at how the churches have come together more and more each year to glorify God in Jackson County and beyond. Let us all keep on serving our Lord until He comes again.

### **July 15, 2019 - 7:00 p.m.**

The quarterly meeting was called to order by Chuck Norris, Moderator at the Baptist Center. There were 12 executive committee members and three visitors with seven churches represented. Chuck led the group in an opening prayer. Eddie Potts led the group in singing "Tis So Sweet to Trust in Jesus". Rev. Justin Hall, pastor of Calvary Baptist Church, lead the devotion. No changes were made to the agenda and no new members were recognized.

The April 14, 2019 executive committee minutes and the October 2018 through June 2019 financial statement were presented and approved.

Associational WMU Director, Doris Melton, presented the following report. "But my God shall supply all your need according to his riches in glory by Christ Jesus." Philippians 4:19. I am happy to report that WMU groups in the TBA are busy! Cookies were baked and matchbox toys gathered and given to our TBA Director, Gerald Morris, for the Kentucky Raceway Ministry by Calvary, Locust Field, Long Branch and New Savannah Baptist Churches. Deep Impact at Faith Baptist Church went to Fort Caswell at Oak Island where they served on construction projects, servant evangelism, children's beach ministry, and served at a thrift store. One student was saved at Deep Impact Caswell. Cameron Cabe is serving as Deep Impact Director and Ruthie Salter is serving as the Deep Impact summer intern. They are on their way to Puerto Rico this week, please pray for them. In addition, Faith Baptist Church has a "30 project" going on with their youth to collect items for United Christian Ministry. Ochre Hill's mission group has gone to the coast this month to assist with North Carolina "Hurricane Rebuilding". Locust Field Baptist Church will be hosting a yard sale to support WMU projects. Calvary Baptist Church WMU raised over \$500 for mission projects with a "Build Your Own Sandwich," an after-church meal and will be going to Deep Creek on August 11, 2019 for service and outreach. Several of our WMU groups report helping with Vacation Bible School. Calvary's Vacation Bible School collected food items and raised \$600 for the Jackson County Public Schools Comfort Closets. We praise the Lord for it is good to hear of our young people giving their lives to Christ and becoming servants for Him. Several church WMU groups are continuing to work on Operation Christmas Child boxes and the Operation Backpacks as well as collecting individually wrapped hard candies for our Red Box Prison Ministry. On August 10, 2019 at First Baptist Church of Swannanoa, Swannanoa, NC, the North Carolina WMU will have a regional training conference. Our WMU Groups are invited to attend. To learn more information about this meeting, WMU groups can check out the website [WWW.WMUNC.ORG/TRAINING](http://WWW.WMUNC.ORG/TRAINING).

Rev. Gerald Morris presented his Director of Mission's Report as follows: This quarter we have been busy mostly with continuing the work started in the Spring Quarter of this year. Therefore this report consists mostly of updates to the last report. Several wonderful things are happening in the Association because the churches continue to work together to do more than we ever could apart.

### **Missions and Evangelism**

We have continued working on the **Missions Conference** coming up this September. This year we are trying a new format for the conference. The conference will be on Saturday evening and Sunday. Lovedale Baptist is hosting a missions fair and speaker on Saturday. At the Missions Fair, several local, state and national missions/ministry groups will be setting up booths and will be available to answer questions and discuss their ministries. If your church has done any missions/outreach locally, nationally or internationally we would love for you to host a booth and share what God is doing through your church.

The Missions Conference will continue Sunday morning and evening as 10 churches host missionaries from the International Mission Board. The missionaries will be speaking about their work throughout the world. If you would like for your church to host a missionary speaker we currently have one morning speaker slot and two for the evening service (I think the evening service is a better time to host a speaker because it is less formal with more time to hear and ask questions).

Three Associational churches were represented by eight people that went for three days to **the NASCAR race in Kentucky** last week. Gracella's mother and sister graciously hosted us for two nights. The Annie Hoyle funds and an anonymous donor paid for the gas while New Hope Baptist furnished the van. With everyone working together the expense for each participant was minimal. This year we worked in the Ponderosa Campground. Duties included serving food, providing games and entertainment for children, distribution of New Testaments and Gospel information and most of all sharing the Gospel throughout the campgrounds.

We are still working on an outreach tent for **Mountain Heritage Day**. The plan is to host a tent so that we can share the Gospel and invite people to church. We will need help manning the tent from 10 a.m. -5 p.m. We will also need help setting up the tent at 8 a.m. and taking it down after 5:30 p.m. My hope is to have someone from each area of the county to invite people to a church that is close to where they live. This will be a wonderful opportunity to reach thousands of people with the Gospel and invite them to your church. Please let me know ASAP if you can help.

The **Christmas Backpack Distribution** planning is moving along. We are partnering with Macon Baptist Association and Victory Baptist Church to plan a distribution party December 7. The plan is to host children from both counties at Victory Baptist Church. During the time with us they will go to the gym where there are booths each with a part of the Roman Road plan of salvation. Then the children will have a chance to respond to the Gospel. They will then be taken into the cafeteria and fed lunch. Before leaving, they will be given an age appropriate backpack that has school supplies, canned food, toys and a Bible.

Several churches will need to be involved in several ways. First of all we need churches to begin now packing backpacks (instructions attached). We will also need many people on December 7th. There will be a planning meeting July 23 at 6:30 p.m. at Victory Baptist Church near the top of Cowee. This would be a great time to hear more about what is going on. Prayerfully consider sending a representative from your church to that meeting.

We delivered several thousand pounds of used **Sunday School literature** in two separate loads in June. We delivered approximately 5,000 pounds to Book Link Int. in Eubank, Ky and a pickup truck load to a church in Shelby, NC that delivers it to a ministry called "Love Packages."

#### Church support

Recently a large part of helping churches has been during times that the church does not have a pastor. I have been preaching at several of the churches and when I have not been available I have been able to share a list of men that are willing to preach when needed. With eight churches (one fourth of the churches in our Association!) without a pastor now there is a great need for men of God to be willing to pastor. But, I am not seeing many coming forward to lead God's church. Please pray that God will raise up a new generation of men that are willing to do the hard work of pastoring a local congregation.

This quarter I also worked with two churches' search teams. One is searching for their first children/youth leader and the other is searching for a new pastor. It is always an honor and privilege to help search teams begin their important task.

The Spring Worship Rally was wonderful but not very well attended. Mike Weaver, missionary to Peru, preached on our need to shy away from superstitions and focus on trusting God. His message was a challenge to all there and I wish more could have heard it.

#### Training

As your Associational Missionary, I have the pleasure of helping the churches of the Association in a large variety of ways. I have been to several training events in my ongoing quest to learn how to serve you better and also to find good training to the Association.

I have been encouraged that the State and National Conventions have begun to see the need to help existing churches more. I am seeing more emphasis in "church revitalization." In May, I attended the "Renovate" conference in Georgia. I heard great speakers and many great ideas that can be used to help small churches begin to grow again. I also have been listening to a great online lessons about church revitalization.

In June, I attended training at the Buncombe Baptist Association on how to prevent Child Sexual Abuse. It was not a pleasant evening but it was informative. I have some great information that I can share with you and your church about this important topic.

Also in June, I attended training at the Transylvania Baptist Association on refocusing your Sunday School. This training was very informative and inspirational. I have invited Mike Miller, the TBA DOM, to come and teach this class here at next year's Associational Church Leadership Training.

We have been working on the line up for next year's Associational Church Leadership Training and the line up of teachers is already good. As I stated above, we have Sunday School training but in addition we are working on classes for church security, child safety and others. If your church would like a class on another subject, please let me know ASAP so that I can work on that for you.

Gracella and I plan to attend the Go Georgia Conference August 22 and 23 in Statesboro, Ga and would like to invite anyone who is interested to come along. The Go Georgia Conference is hosted by the Georgia Baptist Convention and is

comprised of many different classes over a two day period. There are classes for all parts of the church (Sunday School, evangelism, music, secretarial, financial, etc.) If this sounds interesting to you, please let me know and I will get you more information.

#### Building and Grounds

This year we have seen great improvements in the building and grounds of the Associational Baptist Center. I continue to hear compliments on the siding of the building. It has made the building brighter and protected for many years to come.

Unfortunately, the **heat pump** decided it was time to stop working. Much of this quarter, more than I had hoped, I have been occupied with getting the heat pump replaced. The new one was installed a couple of weeks ago, but unfortunately it came with a bad part. The installer has been working hard to obtain a part and replace it. Hopefully by the time that you read this the air conditioning will be working again.

The building continues to be used for God's kingdom in several ways. Fruitland continues to teach Bible courses here in Spanish each Friday night. They have also expanded to teaching counseling courses one Saturday a month. In a gesture of thanks, the Friday night class has been keeping the grass mowed around the building for a number of years now. This has saved the Association a lot of money.

Other groups have been using the building for meeting such as the Association WMU, Broyhill Food Roundup, etc. It is wonderful to see this building being used to serve God.

#### Association Support

The May Associational Emphasis was a mixed success. We had a few churches give very generously to the special offering and a few respond to the \$5 challenge. It is still not too late to take up a special offering for the Association or add another \$5 (or more) to your monthly contribution for the Association. We are so close to meeting all of our yearly financial needs that every little bit helps.

I will end this report like I started it. I am amazed at what God is doing through the churches of the Association. I am also amazed at how the churches have come together more and more each year to glorify God in Jackson County and beyond. Let us all keep on serving our Lord until He comes again.

Gerald reported 8 visits to churches, preached 21 times and attended 10 meetings.

#### **Old Business (information only)**

- Corbin and McMahan are replacing the heat pump for \$7,800. They are finishing up installing it this month. We thank New Hope Baptist Church for donating \$500 toward the cost of the heat pump.

#### **New Business**

- Donal Shular made the motion that the requested pathway from Love's Chapel Methodist Church's cemetery to our lower parking lot be discussed and dealt with by the Building and Grounds Committee. Joe Allison seconded this motion. It was approved.

Announcements and prayer requests were taken. Donal Shular led the group in closing prayer.

## Director of Missions Report 2018-2019, Gerald Morris

The 2018-2019 Associational year has once again been an exciting and busy one. It has been exciting to see how God is working in Jackson County through His churches as they come together as one. It has been busy because we see the day of the Lord approaching.

One of the biggest challenges this year has been the number of churches that have been without a pastor. At one point there were eight churches (one fourth) looking for a new pastor. This resulted in me preaching most Sunday mornings and many evenings both Sunday and Wednesday services, an average of 1 ½ times a week for the year. I have also met with pulpit committees and consulted with several leaders in the church on how to find supply preachers and how to look for their next pastor.

In my continued support of God's church, I have often been a listening ear and an understanding heart. I love when a church leader feels able to come to me and share what is on his heart. Often in church leadership, pastoral or otherwise, there are few that you can confidently share your burdens. I count it as a privilege to serve in this way. I am available during or outside office hours, at the office, at the hospital or anywhere, in times of crisis and times of joy. I love being a "pastor to the pastors."

I also count it a joy to celebrate our pastors and their families. To that end, Gracella and I, with the help of many others, were privileged to host the pastors' and wives' fellowship meal in the Spring of 2019. We are working on plans to make this an annual, if not more often, event. It is wonderful to see pastors coming together so that iron can sharpen iron.

Work on the building and grounds of the Association has continued over from last year. The major projects that were completed this year were to replace the siding and guttering, converting most of the lights in the building with better looking and more efficient LED lights and replacing the failing heat pump. All of these repairs were necessary but should also prove beneficial in the years to come with savings on the power bill. I would love to thank everyone that helped with improving the building and protecting it for the future. The only unfortunate side effect of all of this work is that it has depleted the Annie Hoyle Endowment Fund to the point that we will have to pause the awarding of Mission Scholarships until the fund can be replenished.

It is wonderful to see the Baptist Center being used so much for God's Kingdom work. This year we have seen Fruitland continue to use the building for their Bible classes in Spanish but also to expand to having Biblical counseling classes taught in Spanish. The building is often used for many other uses; WMU meetings, pastors' appreciation meal, Mission Conference meal, and collections for Broyhill's Food Roundup, Christmas backpacks, WMU Red Boxes and Book-Link.

In May, Moses Creek hosted the Associational Spring Worship Rally. The speaker this year was Mike Weaver. He is a retired missionary who served in Peru and has spoken at our Missions Conference in the past. The congregation was small but the preaching was challenging and Spirit-led.

Missions should always be and have been a big focus on our work in the Association this year. I led our annual mission trip to the Kentucky Speedway to join churches from all over the US to reach out to the thousands of NASCAR fans.

September was a particularly busy month starting off with the Youth Missions Event. What was planned as a small food giveaway in which the youth of the churches would deliver food donated by Manna Foodbank bloomed into an "all hands on deck" mission project for over 100 people from several churches (association and non-association member churches). The volunteers packed and delivered food to needy people throughout the county.

The Missions Fair and Conference, held on the third weekend of September, was a great success. This was the first year for the Missions Fair and we had 11 groups and churches (local, state and international) and five IMB missionaries set up booths to share what God is doing.

Following the Missions Fair, we held a supper for the IMB missionaries, host church contacts and all of the pastors in the Association. Then on Sunday, we had five IMB missionaries speak to 10 churches throughout the area. We are already working on plans for next year and how we can work on a combination of one day and multi-day conferences.

The success of the Mission Conference has encouraged other associations in the area to explore the possibility of starting one. I have consulted with Haywood and Tennessee River Associations about how we go about hosting this wonderful conference each year.

The last Saturday of September found us engaged in a new mission endeavor. The Association set up and sponsored a booth at WCU's Mountain Heritage Day. At the booth, we featured a display with information and history of the churches of the Association. With the display we were able to invite some people to a church near where they live. We also gave out various things to spread the Gospel (New Testaments, Tracts, coloring sheets) but the most popular item was a small cookbook with several recipes. The final recipe on the back was entitled "Recipe for Hope" and was the plan of salvation using the Romans Road. We were able to give 200-250 of the cookbooks to visitors and vendors. The response was great until the rain reduced the crowd.

I have been fortunate to find several excellent training events to help equip me for serving the churches. I was able to attend training on church revitalization, Sunday School emphasis (I have invited this teacher to our Spring SS training), how to deal with problems in the church, child abuse prevention and a creation seminar held at WCU. I feel that these trainings will bear fruit in the future.

The finances of the Association continue to be a mix of "good news-bad news". First the bad news - as you can see from the financial statements, our income did not meet all of our expenses again this year. I believe this is due to a lower amount taken up for the Special Offering during the May Associational Emphasis. Next Spring maybe your church can renew your commitment to giving to this important offering and we can raise enough to meet all of our needs.

The good news is that many churches have increased their giving each month and continue to do so. This has led us to close the gap between income and expenses. We have come so far from nine years ago when I started this position.

I would also like to brag for a moment and say that we have a higher number of churches financially supporting the Association than any other association that I have seen in the state of North Carolina.

I love to see how God has used the cooperation of the churches of the Tuckaseegee Baptist Association and can't wait to see how God is going to use us this new year.

**Doing more together for God, than we ever could apart.**

## WMU Report 2018-2019 by Doris Melton, WMU Director

### Introduction

**"I can do all things through Christ who strengthens me."** Philippians 4:13 We need only to view the news on our televisions, read our newspapers, or talk with our neighbors to realize we as Christians have a formable task of spreading the Gospel and ministering to our brethren. As intimidating as this challenge is, WMU groups and churches are working diligently to fulfill our commission (Luke 24:47). It has been so humbling to see how WMU groups are working not only on their own adopted projects but within the groups reaching out to each other to support one another. Please continue to pray for one another that God may be glorified, and that God will use us as messengers of grace and peace.

### Annual WMU Meeting hosted by Faith Baptist Church April 25, 2019.

Our annual meeting was preceded with a salad supper and fellowship at 6:30 and our meeting began at 7 pm.

"**Service for His Glory**" was the continuing theme at the WMU Annual Meeting held on April 25, 2019 at Faith Baptist Church (Thank you Faith!). Ten churches were represented at this meeting! WMU Director, Doris Melton welcomed the group of women and recognized the on-going work to spread the gospel. Ms. Virginia Pangle was honored for her Mission work with a bowl made in Uganda. Ms. Mary Barnes recognized our missionaries celebrating their birthday and Ms. Cathy Farmer led us in prayer. Miss Ruthie Salter, Miss Shea Massingale, and Mrs. Tiffany Jones provided our worship through music and sign language. Ms. Debbie Hooper gave us our financial report with a current balance of \$484.83. WMU groups were encouraged to pay their annual dues to help support our mission efforts. Ms. Cheryl Blanton and Ms. Kim Fiskeaux from Ochre Hill Baptist Church shared vital information on The Lord's Closet and other projects and trips that their group is active in and how "we can't out give God". Ms. Nancy Wheatley introduced our keynote speaker, Ms. Tracy Salter, Faith Baptist Church, who serves on the Mission Committee and CARE Leadership Team. She also serves as our Regional Coordinator for our Backpack Ministry. She is a member of the NC Baptist on Mission Student Mobilization Team, and has participated in mission trips locally, regionally, and internationally. Ms. Salter shared her testimony and the importance of praying and mentoring others. "**How Can I Serve?**" showed us the many ways and opportunities for us to be involved in mission work. An enthusiasm and love for the Lord radiated from our speaker and overflowed! We were all blessed! Our thanks to Ms. Tammy Cabe for providing our program and highlighting our ministries and missions. Ms. Pangle and Ms. Jones announced that planting flowers for the prayer garden at Camp Truett would be May 21, 2019. Officers for the coming 2019 year are unchanged and Ms. Melton shared our Red Box Prison Ministry Project for the year as individually wrapped hard candy packaged in zip-lock sandwich bags. Our goal is 500 bags of candy. Lovedale Baptist Church WMU will host our meeting next year.

**Officers for 2019** are as follows: Director, Doris Melton, Assistant Director, Nancy Wheatley, Secretary-Funds Consultant, Debbie Hooper, Adult/Churchwide Consultant, Betty Greene, Mission Involvement Consultants, Melissa Jones and Virginia Pangle, Youth Mission Consultants, Mary Barnes, Gail McMahan, and Beckie Langston, and Nominating Committee Members, Mary Barnes, Martha Robinson, and Tracy Salter.

**Food Ministry:** Distributed food, supplies, Bibles, tracts, and children's activity books to low income neighborhoods across the county. On September 7, distributed food county-wide through Manna Food Bank. Food was distributed on Wednesdays last year to low income families in collaboration with Ochre Hill Baptist Church with low income families participating in the van ministry. This is the food ministry the WMU voted to sponsor in 2017; however, Manna Food Bank has not made the official name change yet, so it will continue to operate as is. WMU and TBA provided housing, medication, and Christmas gifts to families in the local homeless shelter throughout the year.

**Camp Truett 2019:** Ms. Virginia Pangle and Ms. Melissa Jones planted flowers in the Mildred Cowen Prayer garden.

## **UNited Christian Ministries 2019**

### **DID YOU KNOW????**

In 2018 United Christian Ministries had 10,423 client contacts; THAT IS 40 LESS CLIENTS THAN THE PREVIOUS YEAR. We are pleased that 40 clients from the previous year did not need our services again in 2018. One of our goals is to help our clients have sufficient resources and the ability to care for themselves.

Seventy-one percent were over the age of 18. Twenty nine percent were children in the household.

United Christian Ministries gave out more than 271,670 pounds of food. Four hundred fifty school break bags were delivered to our elementary schools in December. Our ministry also furnished 130 households with a turkey for their Thanksgiving meal.

Food donations were abundant during the year.

Our ministry helped with electric bills for 243 families in the amount of \$33,448.78.

Thirty- four families received \$4966.29 in heating assistance.

Fifty- three families received help in the amount of \$9918.50 to pay rent and prevent eviction.

Forty- eight families received \$1266.78 for medical assistance.

Diapers/depends were given 186 times.

Household items and personal items were given 2799 times; our ministry spent \$2522.38 purchasing these items during the year. Many donations were also received during the year.

One thousand five hundred forty-eight dollars and forty cents helped 28 families with their water bills.

In addition to all the food donations, \$19,046.86 was spent for food.

Transportation assistance was given to 6 families in the amount of \$230.00

Donated linens, bed covers, furniture, and kitchen items were also given to our clients.

Six hundred twenty- six families were assisted with clothing.

Two hundred eight individuals were first time clients to our ministry in 2018.

**Maintenance and Capital Improvements:**

**Accomplishments:** We have been able to finalize our previous projects / improvements:

- The repurposing / remodeling of one building into new office space
- The repurposing / remodeling of another building into living space for our newly implemented Internship program as well as a summer staff meeting area
- The cleaning and remodel of the basement, of our office, to now be designated as a laundry site for Interns, overnight/long term volunteers as well as a warehouse space that allows us to buy "in bulk" now for long term savings
- We have also been able to purchase certain supervised recreational activity equipment to implement as a part of summer camp as well as to be able to offer our "off season" guests as they attend (IE. Mountain bikes, Sit on top Kayaks, Canoes, Pellet Rifles, Archery Equipment, etc.)
- Our partnership with the local High School carpentry class continues to be a huge blessing. We have been able to extend the partnership into this school year as well with several smaller projects
- Continued work to upgrade safety concerns such as exposed electric lines, having lighted Exit signs and fire extinguishers in the proper locations, etc. are an ongoing task.
- We were able to schedule volunteer groups to come in to assist us in some of the renovation tasks on other buildings that is much needed. IE. Bath house at the pool
- The property and home which joins the camp, at 126 Truett Lane, was purchased for housing the Summer Camp and Special Programs Coordinator and family. The house was in need of some repair and rejuvenation which is 99% complete at this point.

**Ongoing Goals:**

We continue to work on improvements across the property. Our next goals are:

- Repair / Seal sections of our asphalt drive and parking area
- To replace the mattresses in the Conference Center that have springs "popping through" them
- To replace outdated and worn furniture in our Conference Center Meeting room. We have already acquired a large conference table from the surplus of the convention.
- We have two apartments that are in great need of remodeling
- Our "Lodge" which is being evaluated now for structural issues we are addressing due to floor collapsing.
- Truett staff continue visiting the local churches to create a greater awareness of the Camp property and what we have to offer in the community. A much greater emphasis has been placed on marketing and social media to 6 different surrounding states (SC, GA, FL, AL, TN, VA) along with our 76 associations in NC.

**Attendance:**

Attendance continues to hold steady. We have added several new programs to our schedule with the goal in mind to better serve our NC Baptist Churches while creating opportunities for increased revenue for improvements. IE. Coed Youth camp, Grand Parent camp, Children's Camp, Father / Son weekend, Man Camp, Valentines Marriage Retreat, Senior Adult Retreat, Worship Leader retreat, Mother / Daughter retreat.

**Personnel:**

Truett currently has 4 full time staff and has recently hired our first Intern that started Sept. 16th. We have also heavily recruited volunteers from several organizations to join us through our summer season and "off season" with great success.

**Final Remarks:**

Please continue to pray for us in the Western end of NC...we are dealing with a great deal of challenges to "get the word out" and to let our NC Baptists know we are even out here, let alone the services we are trying to offer and have them attend. We realize it is going to be challenging to inform folks about who we are and what we have to offer so "keep us in your prayers".
