ASSOCIATIONAL MISSIONARY

My intentions are not to define Associational Missions but to simply present some needs and try to challenge you into second-mile territory as we attempt to meet those needs.

1. The need to strengthen the fellowship among our Churches and find ways of recognizing and expressing our unity in Christ.

2. The need to find ways and means of giving a UNITED BAPTIST MINISTRY and WITNESS to the thousands of unreached people in our area.

(a) Youth needs are of primary importance.

(b) There are pockets of people all over the association who will never be reached through our usual church channels. Ibelieve our Savior would have us join hands to reach them.

3. The need to assist Churches to develope THEIR OWN LEADERSHIP and PRO-GRAMS in accordance with THEIR OWN INDIVIDUAL NEEDS.

4. If we attempt the ambitious program that our county needs and deserves, we must have more and better co-operation and understanding. We must have increased financial support and willingness in all good faith to attempt great things for our God.

Toward a progressive spiritual advance for this Association, I would dare make a few suggestions.

1. That each Church become more aware that it is the Missionary Body of Christ.

2. That the Pastors be allowed to once again be God's Prophets and Evangels of God's Good News to His People.

3. That each body of believers vote to take a positive stand against the social evils of this day as opportunities make it possible.

What we have been doing might be good, but it hasn't been nearly enough. I challenge you to mould the changes that are so rapidly taking place into a new era for Jesus Christ.

Prayerfully submitted, Walter Middleton Supt. of Missions

SUNDAY SCHOOL

Since 1891 the Sunday School Board has sought to aid churches in winning people to Christ. and educating them in the faith. This continues to be the emphasis through the 25 programs of work assigned to the board by the Southern Baptist Convention.

The board stands ready to answer the call to individual and collective needs whether by service through Baptist Book Stores, or through Sunday School quarterlies for Junior boys all over the country or through direct consultant service to the local church.

Consultants and editors strive daily to supply requested study materials and planning services through education and service programs. Assistance is available to churches and individuals in the areas of literature, books, music, supplies, films, Sunday School, Vacation Bible School, Bible study, Training Union, Church Music, church administration, audiovisual education, student work, family ministry, vocational guidance, Bible and tract distribution, church architecture, church library and church recreation.

Glorieta (N.M.) and Ridgecrest (N.C.) Baptist Assemblies, operated by the board, are used each summer for conferences, youth activities, mission studies and leader-ship training sessions. Both assemblies are available during winter months for church

and campus groups. Additionally, at the Sunday School Board and in local churches, seminars, conferences and clinics are held throughout the year for many church program areas. Through every means Southern Baptist churches are seeking more efficient, effective means to spread the gospel and to glorify God. It is the goal of Sunday School Board personnel to work jointly with the churches as servants of God.

TRAINING UNION

"M" Night was held at the First Baptist Church with the Rev. Joe Stacker, from Greenville, Tenn. as guest speaker. There was a very good attendence with a very good spirit.

During the year there were two T.U. Clinics held. The State Clinic was held at the First Church, Asheville with excellent speakers from the Southern Baptist T.U. Department of Nashville, Tenn. and our State T.U. Department.

Our Associational Clinic was held with the First Church of Sylva.

With our new literature it will help us to better carry out the command of Jesus when he said, "to teach them whatsoever I have commanded you."

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

The contribution of our Baptist people through the Cooperative Program the Thanksgiving offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Saviour and Lord.

BAPTIST FOUNDATION

The fact that The North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from \$350, 000 to more than one million dollars. This includes trust funds and real estate.

The Foundation advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Cooperative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

The Foundation has again this year put a major interest on the making of wills. Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

The Baptist Foundation has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

ANNUITY BOARD

"Good Experience credit" is a new term in Protection Program vocabulary. "Good experience credit" means larger benefits for active and retired members as of January 1, 1970.

For the active member and his family the stipulated amounts of eligible benefits in Plans A10 and A11 (formerly Southern Baptist Protection Plan) now are the minimum. The "good experience credit" will be extra - over and above the minimum. For 1970 the "good experience credit" will be about 2% of the retirement credits accrued as of that date. The amounts credited in the future may vary, depending on interest earned.

For the fourth consecutive year the Annuity Board mailed a "13th Check" to all recipients of life retirement benefits. The extra check, amounting to 13% of the annual benefit, was the largest to date.

Since 1918 the Annuity Board has paid \$73,717,267 in benefits to Southern Baptist ministers, agency and church employes, widows and children through the programs administered.

Highlights of 1969 were: 24,256 active members in Plan A of Protection Program, 9,756 in Plan B, and 3,358 in Plan C. There are 14,871 active members in Health Benefit Plan, and 9,336 in Life Benefit Plan. The Total Benefits paid were \$7,273,851.

The Tuckaseigee Association and 12 churches are participating in the Protection program.

CHRISTIAN EDUCATION

The seven North Carolina Baptist colleges had enrolled last year more than 600 students who have dedicated their lives to full-time Christian service. The largest

number of these young people will become pastors, missionaries, directors of religious education, directors of church music, chaplains, denominational workers, and Christian college teachers. There were enrolled last year in Southern Baptist colleges 7,070 who have chosen to give their lives to the service of the denomination. These include 3,671 ministerial students, 863 home and foreign mission volunteers, 610 church education volunteers, 853 church mission volunteers, and 1,081 who have volunteered for some category of Christian vocational service.

The North Carolina Baptist colleges are grateful for the generous support they have received during the past year from the Cooperative Program: Campbell College - \$293,223; Chowan College - \$175,583; Gardner-Webb College - \$166,804; Mars Hill College - \$252,840; Meredith College - \$252,840; Wake Forest University - \$430, 178; and Wingate College - \$184,362.

Now is the time to begin preparation for the observance of Baptist College Day Sunday, June 20, 1971. The Baptist College Day offering helps to meet critical financial needs.

The Council on Christian Higher Education continues to serve as a coordinating agency of the Baptist colleges and the Baptist State Convention. Special material may be obtained concerning all of our Baptist colleges by writing the Council on Christian Higher Education, 301 Hillsborough Street, Raleigh, N.C. 27603.

CHRISTIAN LITERATURE

More than ever before, North Carolina Baptists need a dependable source of information. For 137 years, North Carolina Baptists have had the BIBLICAL RECORDER as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, W.M.U., Brotherhood and all other church organizations. The RECORDER is just as important and should be in the budget just as this literature is. The cost is only 4ϕ a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

HOMES FOR THE AGING

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes - Resthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albermarle Home in Albermarle; the Hamilton Home, in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard, and the offering, of \$168,349.34, from July 1,1969 through June 30, 1970 from our Baptist Churches, has exceeded all other offerings in previous years. The Tuckaseigee Association of churches responded with an offering of \$709.87.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of \$80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accommodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

BAPTIST HOSPITAL

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problem s, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are able better to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

After paying the difference between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt. There were 34 churches of the Tuckaseigee Association contributing \$2,761.38 to the Mother's Day offering. Last year 1969 we had 40 churches contributing \$3,786.45.

REPORT OF HOSPITAL CHAPLAINCY

Paul A. Barker, Chaplain, C.J. Harris Community Hospital

Mr. Moderator, Member and Friends of The Tuckaseigee Association.

How tremendous is the power available to us who believe in God. That power is the same divine energy which was demonstrated in Christ when God raised Him from the dead." (Eph. 1:19,20 - Phillips")

As we participate in the Hospital Chaplaincy in our own community we are indeed seeking to "LIVE THE SPIRIT OF CHRIST IN OPENNESS AND FREEDOM".

Among the numerous duties and privileges of the Hospital Chaplain, let me mention a few of those mentioned by The Committee on Chaplaincy, of The Jackson County Ministerial Association:

- 1. The Chaplain will serve from 9:00 A.M. to 1:00 P.M., Monday, through Friday.
- 2. The Chaplain shall notify all Pastors of their patients in the hospital, by the telephone or by mail.
- 3. The Chaplain shall visit all out-of-town and non-church patients.
- 4. The Chaplain shall keep a Chaplain's File for Local Ministers to check daily.
- 5. The Chaplain shall be available to give assistance to the doctors, nurses and hospital administration.
- 6. The Chaplain shall be available to the local churches and other organizations to promote the chaplaincy program.
- 7. The Chaplain shall be responsible for an annual Institute, for laity and clergy, in hospital visiting.

On June first, 1970 this work was begun. Let me describe one day at the hospital, which took place just last week. Upon arriving fifteen minutes early the chaplain discovered that he could use the extra time, for, as he looked over the roster of patients there were 62, plus eight babies! This is considerably above our average of 47.6 and 4.1 babies.

Fortunately there had been no deaths during the night. The chaplain checked each patient by name, pulled the cards from the files of those who had been discharged, looked for the names of the pastors whom the patients had listed to be notified, called the pastors who could be reached and then mailed cards to nine others.

The chaplain visited twelve patients on second floor and fifteen on third, listening to the deep needs which each one was seeking to tell someone. These visits led to five interviews expressing personal spiritual needs. Before one knew it the time was 12:45 P.M. A nurse reminded the chaplain that he had promised to speak to the student nurses on "The Christian Family." There was an excellent response and interested participation. The day ended at 3:45 P.M. What a day of spiritual challenge, witness and service.

There are many phases of the work in a hospital which will tug at your heart. For

example, one day an expectant mother was critically ill. The doctor asked me to visit her again. She said, "Do you think that God hears my prayers?" "What would you like to tell Him?" the chaplain asked. "I want to give Him my life anew!" she said. Assurance was given her, "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness" I John 1:9. We had prayer together. She said, "He does! He does receive me. I will soon be with Him!"

The next morning I saw a new baby boy, but the mother was gone. She had gone to meet her Lord and Saviour!

The chaplain called a local pastor who administered to the family. This family will never forget that Pastor. One can never forget the words, of Jesus, "Inasmuch as ye have done it unto one of the least of these, ye have done it unto me."

Almost two months have passed and that precious baby has grown from 3 lbs. 14 oz. to 5 lbs.! Day by day the nurses have given this little boy tender love and care under the wise direction of the doctors, and with the encouragement of the chaplain and the pastors of this area.

Different Christian men and women have asked about adopting this little boy, but his grandparents came for him last week to take him home.

The nurse accompanied them to the car, and smiling through her tears, returned to the nursery, to shower her love and care upon other children entrusted to her for a few days. This is "LIVING THE SPIRIT OF CHRIST IN OPENNESS AND FREEDOM."

Thank God for Christian nurses and doctors! Thank God for our pastors and laymen who visit the sick in the spirit of the Master.

It has been the privilege of the Chaplain to visit three churches and to preach at the following churches: Webster Baptist, Sylva Presbyterian, Old Savannah, Shoal Creek, Tuckaseigee, First Baptist and First Methodist in Sylva and Presbyterian in Cullowhee. It is the desire of the Chaplain to visit every church possible, by invitation of the pastor, as time permits.

May I ask your prayers and continued cooperation as we seek together to "LIVE THE SPIRIT OF CHRIST IN OPENNESS AND FREEDOM."

Respectfully submitted:

Paul A. Barker, Chaplain C.J. Harris Community Hospital, Sylva, N.C.

GEORGE W. TRUETT BAPTIST CAMP

Again we must praise the Name of our Lord! There is no other way to explain the phenomenal growth that has occurred at Truett Camp over these past three years. We have just completed our second consecutive year of victory in all areas of Camp life. We praise our Lord for all of these blessings, and thank you, the people and churches of Region 10, for your help in making them possible.

Among the many improvements this year were the newkitchen, remodeled showers, redecorated dining hall, and the Rev. Yancey Clegg Memorial Library. There are still many other physical improvements needed, but we know that with your continued support we will be able to soon meet these needs also.

Probably the three greatest needs facing the Camp now are:

- (1) The completion of a combination office and canteen building. It is already under construction and is being built with part of the logs from the original George Truett house.
- (2) The erection of a semi-open air chapel, with class room space. This too, will be partly built from the Truett home logs.
- (3) The purchasing of new bedding. There is desperate need for new bunks, mattresses and springs.

The attendance this year averaged 32 campers and 8 staff members each week. The total average 40 per week was down by 2 from last year. The total attendance this year was 222 campers as compared with 230 last year. Of these 222 there were 29 professions of faith. There were 65 other types of decisions made for Christ. A total of 94 decisions for Christ were recorded for the 7 weeks.

Finances made another leap forward this year. Last year we received gifts totaling \$5,252.91, which more than doubled the previous years income from gifts. The State Baptist Convention contributed \$2,530.00 of the amount given last year. The gifts this year from churches and individuals within Region 10 was \$5,445.26. In addition the Baptist State Convention of North Carolina gave \$3,000.00. This brings our total gifts this year to \$8,445.26.

The Advisory and Promotional Committee is suggesting that all of the churches in Region 10 observe Truett Camp Day on the first Sunday in June each year. You will be receiving more information on this later.

In spite of the increased gifts it has become necessary to increase tuition next year. The exact amount will be determined by the Camp Committee and will be publicized in the new literature. The cost of operating the Camp has exceeded the income from operations by almost \$1,000 this year.

We rejoice over a great year. We pray for and expect a continued growth in the years ahead.

Respectfully submitted, Jesse A. Bailey

W.M.U.

As it relates to the entire church and its other organizations, the W.M.U. seeks to worship, witness, educate, minister and apply. Frank Smith stated it well when he said the church should be "a divine adventure filled with holy excitement - no longer satisfied to make religious noises, compile statistics, feed, entertain, and coddle the saint; but bring a healing gospel to the open sores of the world." We are in "An era characterized by conviction, courage, compassion, and commitment." This should be the desire and goal of W.M.U. NOW.

The Fall Leadership Conference was led jointly by the Director and Associate Director. This meeting, held at Sylva, First, was well attended, and we believe much was accomplished. Here it was agreed that we would have a Home Mission Study for the

entire Association. Later, this study proved to be a great success.

The regional "Shaping the 70's" clinic was attended in Asheville by the W.M.U. Director and Sunbeam Director. Later Kathryn Bullard led our Associational Clinic which was attended by representatives from 13 churches.

Dr. David Daniel was the featured speaker of our Annual W.M.U. meeting at East Sylva. Everyone went away with a deep sense of need for suffering humanity. He challenged us to share Christ with the world.

We are pleased with our Girls Auxiliary work. The annual prayer retreat was held at Field of the Woods in Murphy. This meeting always encourages our girls and gives greater incentive to attend our camp provided at Truett. We understand this was a record year for G.A. camps, and many decisions for Christ were made.

Beginning in October of this year, all boys four years and up will have work especially geared to their interests. If the men in our churches fail to respond to their challenge in this area that is so vital to mission development of our children, we urge the W.M.U. to continue to sponsor their organizations. We must not let our boys go without leadership just because there is no active Brotherhood in our church. We ask all W.M.U. members to make it a sincere matter of prayer that God will lead men to see the necessity of a mission organization such as Brotherhood.

For four years as your Director of W.M.U., I have appreciated the support and cooperation of a faithful Executive Committee. My prayer for you now is that you will continue to study to be inspired, informed, and motivated to a great movement for Christ which should be felt in our own association, state, and to the uttermost part of the earth.

Respectfully submitted, Mrs. Robert L. Clegg

EVANGELISM

In associational evangelism clinics a strong emphasis was placed upon: Shaping the 70's through Evangelism, Strength for Living Revivals, and Youth Evangelism. Some churches across the state experienced outstanding revivals as a result of dependance upon the Holy Spirit, genuine prayer, careful planning, and involvement of adults and youth in witnessing.

All Christians need to accept the challenge of Acts 2:32 - "This Jesus hath God raised up, whereof we all are witnesses." Inhis book, "Exploring Evangelism", Mendell Taylor reminds us of this tremendous truth: "When Christians fail to evangelize, the very existence of the church is threatened. Evangelism is indispensable in the life of the church." All Christians can reveal to the world a greater concern for evangelism and total Christianity.

New materials on lay witnessing written by Dr. Kenneth L. Chafin and other SBC leaders will be available by January 1, 1971 in the Baptist Book Stores. Training clinics on the use of these materials for pastors and laymen will be held in all associations during 1971.

An Evangelism Research Seminar has been planned at Southeastern Seminary, Wake Forest for October 5-6, 1970. This seminar will include an in depth study of five papers related to evangelism.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many youth will make genuine decisions for Christ.

Respectfully submitted,

Ralph Easterly

COOPERATIVE PROGRAM

In a day when many major denominations are cutting back their missions programs we are pleased to report that Southern Baptists are making large advances. For instance, in the last seven years we have gone from \$8,452,410 to \$13,836,619 given to foreign missions through the Cooperative Program.

In order to help the churches of Tuckaseigee Association grow in support of Cooperative Program work we recommend:

- 1) That our churches keep in mind the inflationary trends of our economy and plan to increase their contributions to missions.
- 2) That every church observe Cooperative Program Month in October.
- 3) That every church observe Cooperative Program Day in April.
- 4) That contributions through the Cooperative Program be on a percentage basis rather than a fixed dollar figure. To implement a program of percentage increase to world missions through the Cooperative Program we suggest:
 - A. For churches giving under 20%, advance 2% each year up to 20%.
 - B. For churches giving 20% but under 30% level, advance 1% each year to 30%.
 - C. For churches reaching the 30% level, advance 1/2% each year until the objective set by the church is reached.

There are now five programs to help in the matter of planning, promoting and pledging church budgets offered by the Stewardship Commission.

- 1) The Forward Program of Christian Stewardship. The theme for this year is "If You Really Care Share".
- 2) Growth In Christian Stewardship, a program designed for the church with 300 members or under.
- 3) The Christian Family Acknowledging the Lordship of Christ through Stewardship. This program is designed to teach sound money management principles to the Christian family by acknowledging the Lordship of Christ.
- 4) Tithers Enrolment Week plans
- 5) Weekend Stewardship Revival plans.

In addition to these materials, which have become standard items, graded materials have been produced to help our churches begin teaching the principles of stewardship development during the early years. "My Money Helps" and "Money and Me" are for children six through eleven. "Youth In Stewardship" (called YIS) is a five session youth fellowship emphasis.

FOREIGN MISSIONS

On May 1, 1970, Southern Baptist missionaries were under appointment to 71 geographical or political entities. At the close of 1969 the Southern Baptist Foreign Mission Board had an overseas missionary staff of 2,490. This included 153 missionary associates, 4 special project nurses, and 128 missionary journeymen. Appointments during the year totaled 261 (139 career, 49 associates, 62 journeymen, 1 special project nurse, and 10 career reappointments). Between January - May, 1970, 18 more were added.

Underlying all our missionary endeavors is the ultimate purpose of leading people to new life in Jesus Christ and the cultivation of New Testament churches. At the end of 1969, reports from the Missions (organizations of Southern Baptist missionaries) totaled 5,303 churches (3,821 self-supporting), 7,375 mission points, and 4,574 national pastors. Also reported were 54,994 baptisms and 631,259 church members.

A major focus of attention during the year was the completion of the Crusade of the Americas. Plans were continued for international campaigns on a large scale in 1970 in Europe, Africa, and Asia.

The 758 schools (in 43 countries) with which our missionaries are related enrolled 93,005 students and were staffed by 3,150 national and 460 missionary teachers and administrators.

Twenty-seven publication centers overseas and at El Paso, Texas, produced over 29 million pieces: tracts, books, periodicals, Bibles, hymnbooks. Staffing these centers were 83 missionaries and 590 national workers. The COMMISSION, our foreign missions journal of the Board, reported an average monthly circulation of 79,698 in 1969.

Medical institutions in which Southern Baptist missionaries serve included 21 hospitals and 92 clinics and dispensaries, with a total of 1,538 beds. In 1969, 194 national and 47 missionary physicians labored with 387 national and 77 missionary nurses. They treated 64,508 inpatients and cared for 815,512 outpatients. Engaged additionally in the medical ministry were 1,575 nationals and 38 missionaries.

During 1969 the Foreign Mission Board provided emergency funds for the relief of human distress in Nigeria and Vietnam and in Chile where a severe drought brought much suffering. Forth-six good will and community centers were in operation in 1969, reaching people in varied ways: literacy classes, homemaking courses, Bible study clubs, and evangelistic services. Staffed by 42 missionaries and 138 nationals, these centers extended their ministry to 457,615 children and adults. Two missionaries assisted national workers in caring for 838 boys and girls in 19 children's homes.

Total contributions for Southern Baptist for foreign missions amounted to \$31,005, 797 as 1969 closed (a per capita gift of \$2.70). The 1969 Lottie Moon Christmas offering had reached a total of \$15,297,558 by May 1, 1970.

Our prayer for foreign missions must be that a new tide of spiritual power and purpose will come in and lift us up into even new and greater dimensions.

> Respectfully submitted, Mrs. Edwin W. Allison

STATE MISSIONS

The Division of Missions works through six departments and various specialized

ministries. In order to serve more effectively there is a Department of City Metropolitan Missions (centers over 2500 population); Town and Country (towns under 2500 population and all rural areas); Fruitland Baptist Bible Institute; Deaf Work; Interracial Cooperation; and recently approved Department of Chaplaincy Ministry. In addition, there are specialized ministries at Cherokee; in military areas; and the following institutions: Leonard Training School, Samarcand Training School; McCain Sanitorium; Odom Prison; and Morrison Training School.

The Division of Missions emphasizes service to local churches, especially those that may be classified as missions. Pastoral aid is granted to many churches in both rural and city areas. Lot aid is provided in needy situations. Along with financial aid, competent counsel will be given by department secretaries when requested by the church.

The leadership of the Division of Missions is emphasizing the salvation of the whole man. Our approach is based upon deep convictions concerning the necessity of both faith and works.

HISTORIAN

This report is prepared with the hope that it may be added to at each session of the annual association till it may become in content concurrent with each annual meeting of the body. The information given herein is drawn from two sources, one being the HISTORICAL SKETCH OF TUCKASEIGEE ASSOCIATION prepared by Professor E.H. Stillwell for the celebration of our first one hundredth anniversary in 1929, and the other the MINUTES OF THE SEVENTY-EIGHTH ANNUAL SESSION OF THE TUCKA-SEIGEE BAPTIST ASSOCIATION held with the Shoal Creek Baptist Church, Whittier, North Carolina in 1907.

Professor Stillwell tells us that the Baptist were among the first comers to the mountains of North Carolina. He also gives us some strong evidence that the first of these to come soon established churches in the area between the Blue Ridge and the Smokies. He further states that the first probable church was established in 1790 and given the name of Three Forks Baptist Church in what is now Watauga county. Soon other churches were founded and finally grouped themselves into the Three Forks Baptist Association. From these churches brave men and women moved on and out, leading their families into other vallies and settling in their homes. Soon Buncombe and Haywood were occupied by these brave and industrious lovers of the Bible, their churches, homes and country. The names of Humphrey Posey, James Whitaker, Stephen Morgan, Thomas Snelson, Thomas Justice, and Benjamin King were prominent pioneer Baptist preachers.

The names of these brave men and their families remind us that they remembered names of men of the Bible. Some of these men including Humphrey Posey were among the first to come into the territory of our own association.

In 1821 ten members of the Locust Old Field Baptist church in Haywood county received letters from their mother church to form a new church west of the Balsam Mountain. These ten members met with Adam Corn and Joseph Bryson from Crabtree Baptist church in Haywood County and were duly "constituted a church of Jesus Christ of the Baptist faith and order". This church was located at the mouth of Bumgarner Branch near Webster. Reverend Adam Corn was their first pastor and served them for eighteen years on one Saturday and one Sunday each month. James Styles and Benjamin Hatfield served as the first deacons. The church was known as The Tuckaseigee Meeting House. It bore this name until it was moved to a place near the mouth of Cullowhee Creek nine years later. After moving to the new location the n ame was changed to Cullowhee Meeting House.

Out of this has grown the present Cullowhee Baptist Church located on grounds joining the campus of Wester Carolina University.

On November 6, 1892 delegates from seven churches in the counties of Haywood and Macon met in Cullowhee and organized the Tuckaseigee Baptist association. Jackson county had not yet formed and Cullowhee was then in Macon county. The first moderator was Elder Humphrey Posey. The churches presenting representatives were Locust Old Field, Waynesville, Cullowhee, Mount Zion, Cowee, Franklin and Head of Tennessee.

From the minutes of 1907 we find this note of interest telling us that sixty three years ago there was a felt need of associational missions. A committee was formed to employ an associational missionary. The name of Reverend M.A. Love was presented to the association. The board or committee gave him his instructions to work with the destitute, assist the pastors, foster and develop the spirit of missions, and promote the cause of education. He was to receive four hundred dollars as straight salary and later to have one church to pastor one Saturday and one Sunday in each month substracting the amount of the offerings received from his set salary. The report of the committee was not accepted by the association and the effort failed.

I prayerfully hope that this report may be added to till it is brought up to date. If you have later copies of Professor Stillwells STUDIES IN CHURCH HISTORY see that the historian for next year has access to them, also if you have old minutes of the association they will be valuable.

CALENDAR OF ACTIVITIES

FOR 1970-71

Recognizing that it is impossible to remove all conflicts from the calendar, the Calendar Committee felt however that an effort should be made to remove as many

conflicts as possible. Therefore, the committee suggests that the 4th MONDAY night of each month be set aside by the pastors and churches and by the associational organizations as "ASSOCIATIONAL NIGHT". These nights could be used as follows:

- "Association Night" of the first month of each quarter would be pastor's and Sunday School Director's night. These meetings would be used by state and local leaders to lead and interpret the program of the 70's.
- 2) "Association Night" of the second month of each quarter would be Area Night or some special mass meeting. The Association Missionary and the associational leaders will direct this endeavor in an attempt to meet with the churches of the different areas and discover how the association might best serve them.
- 3) "Association Night" of the third month of each quarter would be Leadership Conferences for Sunday School, Church Training, Deacons, and W.M.U.

The Calendar Committee also suggest that the Associational Council meet as soon as possible after the Association Meeting with the new officers and plan a more definite and complete calendar of dates and events. Also we suggest that this calendar of events be mimeographed and given to pastors and church leaders by the middle of September, 1970.

The Calendar Committee offers these suggestions recognizing that if any plan works it must be God's plan and have the cooperation of the pastors, churches and officers who make up the association.
