Arrangements are being made by Mr. Rod Byard, Mr. Lyman Franklin, and Miss Jeanette Scott to make available box lunches at a reasonable price in Mackie Hall. Guests who choose to eat on campus and students who make no other dining arrangements my purchase a box lunch or other food in the Seminary store.

In addition, since parking may be a problem, each of us is asked to be sensitive to the needs of our guests in this regard. The Inaugural committee will appreciate your assistance in making this Inauguration a memorable event.

ANNUAL STUDENT CONFERENCE
ON MISSIONS AND MINISTRY:

The Annual Student Conference will be held March 26, 27, 28 and will center around the theme, "Creation and Creativity."

The conference is intended to be: A time for celebrating creation, and a time to create! A time of "celebrating" the Christian faith, using creative processes as means of bringing us to an encounter with the God who creates and celebrates with us. A time of "exposure" to art and its meaning in our pilgrimage. A time of "sharing," through creative expression, values and experiences we know to be true and real in our lives. A time of "teaching" the communication of beliefs and theologies...viewing the creative arts as a way of interpreting and actualizing God's presence in history...past, present, and future. All persons in the "Seminary family" are invited and encouraged to attend and participate; and we ask you to invite the college, career, and graduate students in your community of faith to be a part of this important event. A registration fee of \$2.00 is required of non-seminary participants. Further information concerning registration and housing can be found in the Student Activities Office upstairs in Mackie Hall, or by contacting Richard Tumbleston 556-3224 or Lee Tuten 556-9921
