

The largest number of new students ever received orientation in late August in preparation for the beginning of classes September 2. Every available housing unit and all dorm spaces are filled. Still there are eight men without permanent housing. Convocation for the 30th year was well attended with the congregation practically filling Binkley Chapel. The year 1980-81 is off with a fine beginning.

During the last days of August intensive evaluation sessions were held with each member of the Executive Council. President Lolley spent over 30 hours with the six persons who constitute the Council. Objectives for 1979-80 were thoroughly reviewed and evaluated. Institutional as well as departmental objectives have been negotiated for 1980-81.

The fall Faculty Workshop was held August 25-26. All faculty members were present. The format was varied, including plenary sessions as well as time for the areas of the faculty to meet for planning.

FACULTY  
WORKSHOP

Dr. Robert Culpepper was welcomed as he began his teaching task. With his arrival as Professor of Theology the faculty is full strength.
