5 The letter to the association read and approved

6 The following preamble and resolutions were unanimously adopted:-

Whereas: God in his infinite wisdom has seen fit to take from us by death on Sunday, September the eleventh, nineteen hundred and ten A.D., our highly esteemed and much beloved brother, Elder Wm. Woodard, who, He, by His Grace so richly blessed for thirty eight years to "go in and out before us with a well ordered walk and a Godly conversation" and to follow His command "As ye go preach" so diligently, beautifully and with much meekness and humility and with so much consolation to us:

Therefore be it resolved:-

First:- That in the death of Brother Woodard, the Church has lost an able Minister, a Wise Counselor, a loving comforter, whom we sadly miss from among us.
Second:- That his family has lost a patient, kind, tender and loving husband and father to whom we extend our most sincere sympathy.

Third: That we mourn not for him as for those who have no hope, for we feel that our loss is his eternal gain, "that it is far better to depart and be with Jesus", that he has been removed from this world of sin and sorrow and transplanted into that "House not made with hands, eternal in the Heavens" where he can "see Him as He is and be like him" and perfectly sing songs of everlasting joy and praise forevermore.

Fourth: That we desire to thank God for the example of such a long and useful life among us.

Fifth: that a copy of these resolutions be sent to each member of the family, one each to Zion's Landmark, and Wilson Times with request to publish, and a copy be spread upon our minutes.

My dear brother Gold: Since I cannot be with you at the meeting Saturday, I want to say to the church that my thoughts are still there and while I was conscious of this fact before it was more than ever impressed on my mind at our last meeting here, when brother Young speaking in ^{the} conference, said he had felt for some time that he wanted Cora and me to move our membership never before had I felt as I did then, what it would mean to me not to have my name recorded in the church I most love, Have we not sat together and listened the sweet Gospel as it dropped as the gentle rain from your lips, Have not all of us witnessed with my dear uncle when he lived it out

sighed it out, cried it out and
 died it out," Have we not heard and
 believed that all these things were fixed?
 You will all remember how often papa
 spoke of the fixed things.
 In my mind, I can see him now
 sitting there in church, smiling so
 sweetly. And have we not heard
 cousin Frank time and again
 remind us that "He hath delivered
 He doth deliver and whom we trust
 will yet deliver." I have thought
 of these ^{precious} things in connection with our
 church, and I trust that I feel thankful
 for so many truly great gifts surely
 no church ever had so many at one
 time. They are leaving us one by one,
 I often ask will God raise up others
 like these, If I can live in such a
 way as to be worthy of a name among
 you, I shall feel that it is enough.

Very Sincerely, Pattie Anderson

4 The following Preamble & Resolutions were unanimously adopted:-

Whereas; Our alwise, Eternal, Heavenly Father who doeth all things after the counsel of His own will, who is too wise to err and too good to be unkind, has deemed it wise to remove from among us by death on May 3rd last our highly esteemed, and dearly beloved brother Elder Jas. S. Woodard whom He in His loving kindness and tender mercy so wonderfully blessed to walk about Zion and gaze in the profound mysteries of the beautiful types and shadows of the Old and new testaments

and expounded them so sweetly to our understanding. Therefore be it resolved:—

1st That in the death of brother Woodard the church has lost a deep, and an able minister, and wise counselor whom we sorely miss from among us.

2nd That the family has lost an affectionate kind and loving father, to whom we extend our most sincere sympathy.

3rd That we mourn that for him as for those who have no hope, for we feel that our loss is his eternal gain, that he has been transplanted from this earthly Tabernacle into that "House not made with hands Eternal in the Heavens" where "unto him shall the gathering of the people be" and perfectly sing his praise forevermore.

4th That a copy of these resolutions be spread upon our minutes and a copy be sent to each member of the family and one to the Landmark and Times with request for publication.

Be it resolved first,

The church, the homes and all
with whom they came in contact,
have sustained an irreparable
loss, and it is with profound
sorrow to think that we shall
see their faces in our assemblies
no more. But we feel that our
loss is their eternal gain, therefore
we wish to bow in humble submission
to the will of God who doth all
things well. Second,
That we extend our prayers and heartfelt
sympathy to the bereaved ones, and that a

It has pleased our Heavenly Father
to remove from us
our dearly beloved brother and
fellow laborer in the gospel of
Christ. X

Our loss is keenly felt, but we
mourn not as those that are
without hope. The patience he
manifested in a long period of
intense suffering and his faith at
all times in the all sufficiency of the
Grace of God to supply all his
needs in time and eternity.
assures us that he rests from
all his labors.

Be it therefore resolved

That we bow in humble submission
to the will of him who doeth all
things well, and that a
copy of this resolution be recorded
upon our church record and
one sent to the family -

This image shows a blank ledger page. The page is ruled with a grid of lines. On the left side, there are 12 vertical red lines that create 11 narrow columns. The rest of the page is filled with horizontal blue lines, creating rows. The paper is off-white and shows some signs of age, such as slight discoloration and a few small dark spots. The right edge of the page shows the binding of the book.
