TERM

Registrar, Fred Sandusky, is in process of finalizing enrollment statistics. The exact number has not been determined yet but it is obvious that the numbers are still strong.

Orientation for new students was held August 27-28.

Plans are practically complete to refurbish Appleby Classroom Building. This will include wall, floor, and ceiling treatment, as well as lighting and bathroom refurbishment. Hopefully, the small chapel can be included in the project when funds are available. Furnishings are also being sought for the classrooms. Funds from the Scott Appleby Trust are providing the major part of the resources for the project.

Both the Executive Council and the Faculty had workshops during late August. The Council contracted 63 institutional objectives for 1981-82. In addition a host of cost center objectives were negotiated.

EXECUTIVE
COUNCIL/FACULTY
WORKSHOPS

The Faculty enjoyed two fruitful days in getting adjusted with arriving Dean Morris Ashcraft and dealing with a long list of agenda items, many of them held over from the summer break.

The president's secretary, Anna Holden, has had back surgery. Her period of convalescence is estimated to be 6-8 weeks. She can be addressed at her home, 812 South Main, Wake Forest, 27587.
