### TRAVEL GRANTS FOR ISRAEL STUDY:

President Lolley has just announced that SEBTS has received \$10,000 from the Dorot Foundation for travel grants for study in Israel in the summer of 1985. In addition, the Seminary has received contributions to be used in support of our summer program in archaeology at Ekron Migne. The cost of this summer program at the moment is \$2,184.50, not including weekend expenses and an anticipated increase in the airfare to Israel. Interested students should pick up travel grant and summer program application forms from the Dean's Office as soon as possible. The dates of the summer program are June 17-August 2, 1985. Additional details are available from Drs. Balentine and Durham. Application deadline is March 15, 1985 but students are encouraged to apply as soon as possible.

### FROM THE BUSINESS OFFICE:

**REMINDER:** All account balances must be cleared by the end of the semester, May 9, 1985. **EFFECTIVE IMMEDIATELY:** To register for classes for the next semester, students must have a -0- balance and all fees (matriculation, student service fees, & surcharges) must be paid **IN FULL IN ADVANCE**. These fees are due upon registration. Those students receiving Keesee grants must, when registering, present their award letter from the Keesee foundation. No other scholarships qualify for clearance - the student must pay the fees in full at registration. Also, all loans which have matured must be paid before students can be cleared for registration.
