### SPECIAL THANKS...

to all who helped provide housing for Mission and Ministry Conference participants this past weekend.

### STUDENTS ARE PUBLISHED:

The current issue of Proclaim magazine has published about 20 sermon illustrations from Southeastern students. During the spring semester of 1978 over 100 students in M 336 prepared  $\frac{1}{2}$  page illustrations as an exercise in written communication. Nearly 40 of these illustrations were purchased and will appear in the current and future issues of Proclaim. Initials and last names are used so the editor would not accidentally discriminate

against women. Congratulate our friends who have been recognized as able writers.
