GENERAL INFORMATION

HISTORY

Southeastern Baptist Theological Seminary had its origin in the conviction of many Southern Baptist people that there was great need for a Seminary in the southeastern section of the Convention. The Seminary, therefore, is a direct result of a thorough study of theological education, first authorized by the Southern Baptist Convention in May, 1947, at St. Louis, Missouri, and concluded in a report to the Convention in May, 1950, at Chicago, Illinois.

The Convention at that time approved the establishment of a seminary at Wake Forest, North Carolina, to be called "The Southeastern Baptist Theological Seminary, Inc.," agreed to purchase Wake Forest College campus as a site, and elected trustees to plan for the opening of the Seminary.

The trustees secured a charter and accepted as the Articles of Faith for the Seminary the doctrinal statement approved by the Southern Baptist Convention in 1858 for the Southern Baptist Theological Seminary. They set up a budget, elected Dr. Sydnor L. Stealey as president, and other members of the faculty, and authorized the opening of the Seminary in September, 1951.

Upon Dr. Stealey's retirement in 1963, Dr. Olin T. Binkley was elected the Seminary's second president. The Seminary now has completed nineteen years of operation and has graduated sixteen classes.

It has awarded 2,348 degrees and certificates to men and women who now are serving as pastors, professors, missionaries, chaplains, and other religious leaders throughout the country and in many parts of the world.

PURPOSE

The primary purpose of Southeastern Seminary is to prepare men and women for Christian leadership in various ministries. These include preaching and pastoral care, missionary work at home and abroad, religious education, the teaching of religion and other subjects in secondary schools and colleges, religious leadership on college campuses, the chaplaincy, social service, and such other forms of ministry as require specialized preparation.

Vital to all these areas of service is an understanding of the origins, content, and history of the Christian faith and its contemporary relevance. Courses of study directed toward such an understanding constitute the curriculum and are regarded as basic.

While the Seminary is conscious of its responsibility to the Southern

Baptist Convention, its facilities are open on an equal basis to students of all denominations and it is the aim of the Seminary to help produce a leadership for the whole Christian movement.

To accomplish these ends, the Seminary proposes to maintain a God-called faculty who are especially qualified by academic preparation and experience to offer leadership in maintaining high standards of achievement in the intellectual and spiritual spheres. Provision has been made for adequate physical facilities and for an excellent library.

In the pursuit of these objectives, the Seminary is conscious of certain great emphases which undergird its program of education: (1) a thorough knowledge of the Bible; (2) a wholesome and intelligent evangelism; (3) a challenging vision of the world-wide mission of Christianity; (4) a prevailing spiritual dynamic in the lives of students and faculty; (5) a sense of the significance of the local church—urban and rural; and (6) a commitment to academic excellence.

PLANT

The Seminary plant consists of four hundred forty-nine acres of land and buildings purchased by the Southern Baptist Convention from the trustees of Wake Forest College.

The campus proper consists of a twenty-five acre plot within a rock wall in the center of the town. It was built originally around a clump of oak trees which existed at the time Wake Forest College was founded in 1834. Successors to these oaks, together with magnolias and other trees and shrubs, help to make it a beautiful campus. The recent planting of boxwoods and a rose garden makes pleasing additions to the landscape.

Olin T. Binkley Chapel. Commanding the center of the campus is the chapel building. Its tall spire is visible for several miles along every approach to the Seminary.

Stealey Hall. In this building are located the administrative and faculty offices.

Appleby Building. This building provides classroom facilities, and contains a small chapel.

The Emery B. Denny Library Building. This building is located near the center of the campus, adjacent to Stealey Hall. For further information on the Library, see page 37.

Mackie Hall. This is the new student center building which includes the Commons Room, Campus Store, Baptist Bookstore, Office of

Director of Counseling, Student Coordinating Council offices and conference room, and carrels for fellows and graders.

The William Amos Johnson Building. This is the main classroom building.

Gore Gymnasium. The Seminary conducts an intramural athletic program in this building, and students are free to use the building for indoor sports such as basketball, volleyball, handball, badminton.

Athletic Field. The athletic field is utilized for recreational activities such as softball, baseball, touch-football and archery.

Health Center. This building contains offices for diagnostic consultation and rooms for treatment. The Seminary physician and the director of counseling maintain a daily schedule of service at the Health Center.

Church Building. Wake Forest Baptist Church is located within the campus enclosure, although this property is owned by the church. The church makes an important contribution to the life of the Seminary.

Heating Plant. This unit furnishes heat to all the Seminary buildings. It contains a modern shop for the use of the buildings and grounds department.

The President's Home. This home is located off the southwest corner of the Seminary campus.

Manor Guest House. This facility is located on property contiguous to the main campus and provides pleasant accommodations for visitors and guests of the seminary.

RESIDENCE HALLS

For information concerning Southeastern housing facilities see pages 26-28.

LOCATION

Wake Forest, North Carolina, the location of the Seminary, is only sixteen miles north of Raleigh, the capital of the state, and twenty-two miles east of Durham, a city of more than 100,000 population. It is on the Seaboard Coastline Railroad and at the intersection of U. S.

Highway Number 1 and North Carolina Highway Number 98. It is twenty-five miles from the Raleigh-Durham airport. It is therefore easily accessible by air, rail or highway from any part of the southern and eastern sections of the United States.

Wake Forest is a town of over 4,000 inhabitants in the center of a large area which offers the Seminary a great opportunity for training pastors and leaders for both rural and urban communities.

The near-by cities offer opportunities for employment to students or their wives. Some students may prefer to live in one of them and commute to the Seminary.

The location of seven colleges and universities within thirty miles of the seminary offers additional cultural and educational advantages.

SEMINARY LIFE

One of the essentials of a normal Seminary life is an opportunity for faculty and students to worship together. To this end chapel services are held each day Tuesday through Friday. The entire program of the Seminary is designed to encourage the personal spiritual experience of the student preparing for vocational service.

The Seminary puts special emphasis upon missions. There will be held during the year five days of Missionary Emphasis, with addresses by various speakers on different phases of the missionary enterprise. In this way students will have opportunities to hear secretaries of the boards of the Southern Baptist Convention and of the various state conventions, missionaries, and other outstanding world leaders.

Special lecturers and visitors will be brought to Wake Forest by the Seminary as often as possible, and the students will have opportunities for conferences and forum discussions with these leaders.

The Student Coordinating Council serves in an advisory capacity in promoting the general welfare of all students in stimulating participation in those campus and off-campus activities which are vital for the spiritual, social, mental and physical well-being of every student and assists the administration in the planning and execution of those activities which demand the cooperation and support of the council.

The wives of students and the women students have a Fellowship Club and a campus W.M.U. Picnics, parties and other social functions are held at various times during the year.

Recreational and athletic activities are provided for students, faculty, staff and their families. A program of intramural events is planned and conducted throughout the school terms.

Each student is assigned a faculty adviser and is encouraged to counsel with him on personal problems and academic matters.

CHILD CARE CENTER

Established in 1956, the Child Care Center has four objectives on the seminary campus: (1) to provide a laboratory for teachers and students who desire to explore ways of working with children; (2) to provide care for children, ages 2-5, of students attending the Seminary, especially students whose wives are either working or attending classes; (3) to provide a setting in which parents may discover new ways to enrich their family living; (4) to provide a center in which churches and other agencies involved in the care of children may receive counsel related to the improvement of their programs.

Since enrollment in the Center must be limited, student-parents who are interested in having their children in the Center should write for further information and application forms prior to the parents' registration in the Seminary. Address: Director, Child Care Center, Southeastern Baptist Theological Seminary, Wake Forest, North Carolina 27587.

ALUMNI ASSOCIATION

The Alumni Association of Southeastern Baptist Theological Seminary is composed of all graduates and former students of Southeastern Seminary.

It endeavors to perpetuate friendships formed in the seminary and to foster the cause of theological education in general and specifically at Southeastern. It purposes "to provide a mutually helpful relationship for the glory of God by interrelating effectively and efficiently the alumni with the Seminary and with each other through fellowship, communication, and service."

With its 16th annual commencement in 1969, Southeastern has granted 262 certificates in Theology, 1,918 Master of Divinity (B.D. 1954-67), 2 Master of Religious Education and 166 Master of Theology degrees to 2,213 persons. (135 have received two degrees.) At the present time 2,165 of these have current addresses in the alumni office. An additional 215 former students have kept their addresses up-to-date.

For the year 1969-1970 the officers of the Association are: Ray K. Hodge of Durham, N. C., president; W. Chester Smith, Tifton, Ga., vice-president; Robert L. Mobley, Richmond, Va., secretary-treasurer; directors or members-at-large—Thomas A. Jackson of McLean, Va.; Morris S. Hollifield of Church Hill, Tenn.; and Robert M. Winecoff of Durham, N. C.

The Association meets annually during the meeting of the Southern Baptist Convention. The officers with the presidents of the state chapters comprise the General Board.

State Chapters of the Alumni Association are active in the following states: Alabama, District of Columbia, Florida, Georgia, Maryland, Missouri, North Carolina, South Carolina, Tennessee and Virginia. These meet at least once a year, concurrent with the meetings of their respective Baptist State Conventions.

CONTINUING THEOLOGICAL EDUCATION

In the fall term of 1967 the faculty began offering a course on Monday afternoons for qualified persons interested in continuing theological education. Guest lecturers from nearby educational institutions and agencies join members of the faculty in offering instruction on a team-teaching basis. It is anticipated that a course offering two semester hours of credit will be taught in the fall term.

AFFILIATION WITH THE AMERICAN SCHOOLS OF ORIENTAL RESEARCH

Southeastern Baptist Theological Seminary is one of the supporting members of the Corporation of the American Schools of Oriental Research. Accordingly, students in Southeastern Seminary have the privilege of attending the American School in Jerusalem or the one in Bagdad without charge for tuition. They may also compete for the financial aids which are offered annually by the Schools. These consist of fellowships, the stipends depending upon available funds. Through the American Schools the Seminary has a part in the work of excavation and exploration in the ancient Near East.

MEMBER HEBREW UNION COLLEGE BIBLICAL AND ARCHAEOLOGICAL SCHOOLS CONSORTIUM

Southeastern Seminary is one of more than fifty members of the Archaeological Consortium which engages in scientific excavations of biblical sites in the Holy Land.

STUDENT FINANCIAL ASSISTANCE

This school believes that theological students should, so far as possible, be self-supporting. It is recognized that many men and women, who give promise of outstanding usefulness in Christian service, require assistance to complete their Seminary course. *Each student, however, should have sufficient funds or income to see him through at least the first semester before he seeks aid from the Seminary.* The Seminary will stand ready to help students in real financial emergencies. The Seminary has a limited fund, provided by gifts from individuals, to help those students who otherwise might be forced to withdraw from school.

POSSIBILITIES OF SELF-HELP

Wake Forest is offering new opportunities for employment of students and/or students' wives with the coming of two large industrial plants to the town. Two cities are adjacent: Raleigh, sixteen miles south, and Durham, twenty-two miles west. In these are considerable opportunities for part-time student employment; and students' wives who can do secretarial, stenographic and general office work, or have department store experience, will find little difficulty in finding situations.

There are three ways by which we help our students to help themselves:

Church Work—The Seminary encourages students to work in the churches as student pastors, assistant pastors, supply pastors, interim pastors, mission pastors, revival preachers, youth revival preachers, song leaders for congregations, directors of music, directors of religious education, directors of recreation, organists, pianists, workers in church organizations. All students are urged to seek the counsel of the Field Work Office concerning such employment.

On the Campus—The Seminary furnishes each year a number of work scholarships for students. This work includes work in the Library, campus store and cafeteria, office work, and special assignments such as news bureau, photography, etc. The seminary employs several students' wives for secretarial, stenographic, and clerical work.

Raleigh-Durham and Other Communities—Students may secure remunerative work in nearby cities and towns. Wake Forest is within 25 minutes' driving distance of Raleigh, the capital city, and within 30 minutes of Durham, a great industrial city. Many students and their wives find employment in these centers. Many wives secure teaching positions in

nearby schools. *In no instance can definite employment in the churches or in the adjacent communities be guaranteed by the Seminary.*

REMUNERATIVE EMPLOYMENT

The Office of Field Education will assist students in securing remunerative employment by exploring possibilities for students to work in the church and elsewhere. They will seek to introduce students to prospective employers, but they cannot guarantee employment for any student.

When a student assumes responsibilities in addition to his scholastic work, he has a moral obligation to fulfill all these tasks in a satisfactory manner. The Faculty recommends that a student with as many as twenty hours per week of secular employment or as many as two weekends per month of church-related responsibilities on a regular basis not register for more than fourteen semester hours. Any student who fails to maintain a "C" average will not be permitted to enroll for more than fourteen hours.

Students who find it necessary to engage in outside work in the amounts indicated above are strongly advised to take the four-year sequence.

SCHOLARSHIPS AND LOANS

In addition to the Student Loan and Aid Funds, there are scholarships and loans made available by various individuals, foundations, and state denominational groups to a limited number of qualified men and women who attend Southeastern. The Seminary will help qualified students to obtain these scholarships.

Scholarships in memory of Dr. Sydnor L. Stealey and Dr. J. B. Weatherspoon are provided by the First Baptist Church, Raleigh, N. C.

Information concerning any of these scholarships or loans may be obtained by writing to the Director of Counseling at Southeastern Baptist Theological Seminary, Wake Forest, North Carolina.

ACADEMIC INFORMATION

PRE-SEMINARY STUDIES

The Seminary Faculty advises that students in college shall take courses that will especially prepare them for receiving the highest values from their Seminary courses. College courses prior to theological seminary should provide the cultural and intellectual foundations essential to an effective theological education. They should issue in at least three broad kinds of attainment.

1. The college work of a pre-seminary student should result in the ability to use certain tools of the educated man:

(a) The ability to write and speak English clearly and correctly. English composition should have this as a specific purpose, but this purpose should also be cultivated in all written work.

(b) The ability to think clearly. In some persons this ability is cultivated through courses in philosophy or specifically in logic. In others it is cultivated by the use of scientific method, or by dealing with critical problems in connection with literary and historical documents.

(c) The ability to read at least one foreign language and in some circumstances more than one.

2. The college work of a pre-seminary student should result in increased understanding of the world in which he lives:

(a) The world of men and ideas. This includes knowledge of English literature, philosophy and psychology.

(b) The world of nature. This is provided by knowledge of the natural sciences, including laboratory work.

(c) The world of human affairs. This is aided by knowledge of history and the social sciences.

3. The college work of the pre-seminary student should result in a sense of achievement:

(a) The degree of his mastery of his field of study is more important than the credits and grades which he accumulates.

(b) The sense of achievement may be encouraged through academic concentration, or through "honors" work, or through other plans for increasingly independent work with as much initiative on the student's part as he is able to use with profit.*

*The content of this statement is taken from a bulletin of the American Association of Theological Schools.

This Seminary concurs in the judgment of the American Association of Theological Schools "that a normative pattern of pre-seminary education will include many of the following subjects:

English language and literature; history, including non-Western cultures as well as European and American; philosophy, particularly its history and its methods; natural sciences, both the physical and the life sciences; social sciences, where psychology, sociology, and anthropology are particularly appropriate; the fine arts and music, especially in their creative and symbolic values; biblical and modern languages; religion, both in the Judaeo-Christian and in the Near and Far Eastern traditions.

It is the understanding gained in these fields rather than the total of credits or semester-hours which is significant. Students who have been prepared in religion and equipped with the tools of theological study will be set free, not to complete their theological course more quickly, but to pursue more advanced studies. The principle constantly to be kept in mind is not that of satisfying paper regulations and minimum requirements, but of making the most of opportunities for education."

ENTRANCE REQUIREMENTS

For those seeking the M.Div. degree the standard academic prerequisite is an A.B. degree or its equivalent from a recognized four-year college or university. Seventy-five semester hours of the content of the work leading to the degree must be in liberal arts subjects, distributed approximately as suggested in the above statement on Pre-Seminary Studies by the American Association of Theological Schools. Those seeking enrollment in degree work who have not completed these requirements may be conditionally enrolled for the M.Div. degree provided they have earned at least 100 semester hours of college work, including 75 semester hours in liberal arts subjects. The student who is so enrolled may take no more than 32 semester hours of Seminary work before completing the college degree.

A transcript of all academic work must be filed with the Registrar's office as a part of one's application for entrance to the Seminary.

CERTIFICATE ENTRANCE

The Seminary receives the applications for admission to the Certificate Program of persons who cannot meet the prerequisites for degree study. Although a degree may not be earned for Seminary study under these conditions, a certificate will be awarded upon the satisfactory completion of the prescribed program of work, as shown on page 88.

DATE OF APPLICATION

Applications for admission should be in the Registrar's office at least 30 days prior to matriculation day of the semester in which the student expects to begin his work.

All applications for the course leading to the Th.M. degree must be made to the Committee on Graduate Study at least 60 days prior to matriculation and must be approved by the faculty.

DATE OF MATRICULATION

The matriculation days are September 10, 11, 1970, and January 22, 1971. Students will not be admitted to classes for credit after the second week of the semester.

COLLEGE STUDENTS' PRE-ENROLLMENT

Under the provisions of Selective Service regulations, pre-theological students pursuing a course of study at the college level may secure pre-enrollment in the Seminary and certification to their local Selective Service Board.

Upon request, forms for this purpose will be supplied by the Registrar's office to those who are eligible.

ADVANCED STANDING FOR COLLEGE STUDENTS

Students who have achieved proficiency in courses of study which closely parallel courses in the Seminary core curriculum may be granted permission and are urged to take entrance examinations in order to qualify for advanced standing. Such advanced standing examinations must be requested and taken at the beginning of the student's first semester in Seminary. Those who pass these examinations will be permitted to bypass the corresponding courses in the core curriculum and will receive credit toward the M. Div. or M.R.E. degree upon validation of this credit by successful completion of an advanced course in the same subject area with a grade of C or above. (Advanced Standing Examinations are not offered in BHTM 100, BHTM 110, BHTM 300 and M 191.) Students are encouraged to apply for advanced standing in Hebrew and Greek.

Students desiring to take examinations in any subject must make application to the Registrar at least 10 days prior to the examination dates indicated in the Seminary calendar.

SYSTEM OF GRADING

C—The C grade is the instructor's certification that the student has demonstrated the required mastery of the material.

- B—The grade of B signifies that the student has, for any combination of reasons, gained a significantly more effective command of the material than is generally required in that course.
- A—The A grade may be interpreted to mean that the instructor recognizes exceptional capacities and exceptional performance.
- D—A student is graded D when his grasp of the course is minimal, but when the instructor believes the student would not profit materially by repeating the course.
- F—The F grade indicates failure to master the essentials and the necessity for repeating the course before credit may be allowed.
- I—Incomplete. Given in cases in which providential circumstances prevent a student's completing the requirements of a course. This notation must be removed as quickly as possible and in no case later than the end of the sixth week of the next semester whether or not the student registers. Otherwise the I becomes F.
- E—Conditioned. The professor may give this grade in continuing courses to a student who has not met the minimum requirement but shows promise of sufficient improvement in the second semester to be given a permanent grade of D. A grade not less than C must be earned the following semester; otherwise the grade becomes F.
- W—Withdrawal. After the last day for schedule changing, a student may withdraw from a course only for providential reasons and after consultation with the Dean of the Faculty.

Quality-point system to encourage academic achievement:

A 3; B 2; C 1; D 0; F minus 1. A student enrolled for the M.Div. degree is required to earn a minimum of sixteen quality points per academic year. In order to qualify for the M.Div. degree, a student must earn one quality point for each semester hour taken (a C average). A minimum of 100 semester hours is required for graduation. Not more than twelve additional semester hours may be taken to make up a deficiency in quality points. Students who fail to earn the required quality points for the M.Div. degree may be graduated with a Certificate in Theology.

CLASS ABSENCES

Absences for any reason from as many as one-fourth of the scheduled meetings of the class in any course will preclude the student from receiving credit for the course. The student who fails except for providential reasons to meet this requirement for class attendance will receive a failing grade.

WITHDRAWAL

Students who wish to withdraw from school or from any class are expected to make this fact known to the Registrar, who will outline the formal procedures to be followed.

DISCIPLINE

Students admitted to the school are expected to order their lives by Christian standards of character and conduct and to respect regulations adopted by the trustees, the administration, and the faculty.

Any action contrary to the norms of Christian behavior or inimical to the best interest of the school may lead to probation or dismissal.

LIBRARY

The Seminary Library is dynamically involved with faculty and students in the achievement of educational objectives. It provides resources and services to support the research and study of the Faculty and to meet the needs of students for the free and independent study which is stimulated by classroom, chapel, place of work, and by other components of student life situations. Provided also is a broad range of materials for the general educational, cultural, and recreational interests of students, faculty, and their families.

The Library occupies the Emery B. Denny Building, a three-story structure completed in 1958. An open-stack system and comfortable, air-conditioned reading areas in close proximity to materials promote maximum use of library resources. Study-carrels, typing facilities, audiovisual facilities, microform readers, and photocopying equipment are also provided. In this setting, personal service is emphasized, with four staff members devoting full time to circulation and reference work.

The Library's collection has grown to approximately: 92,000 volumes of books and periodicals; the equivalent of an additional 65,000 volumes on microcards and microfilm; 3,500 pamphlets; 16,000 Baptist convention annuals and associational minutes; and 7,800 audio-visual items. Currently, 590 periodicals are received. The microcards and microfilm add great strength to the collection, as they consist largely of Early American and Early British imprints and of Baptist historical materials. The Baptist annuals and minutes constitute important primary historical sources. In seeking to develop a collection of unqualified excellence for the objectives to be served, a vigorous and discriminating acquisitions program is pursued.

In addition to funds allocated to the Seminary by the Southern Baptist Convention, the Library benefits from the generosity of many individuals and organizations. Each year, a number of cash gifts are received for the purchase of books, frequently in honor of persons either living or deceased. Fifty-five gifts, each of one thousand dollars or more, are providing endowment income for the purchase of books for "memorial book shelves." In addition to the occasional donation of a small number of books by an individual or an organization, twenty significant collections have been donated from personal libraries. Two plaques in the foyer of the Library identify each memorial book shelf and each gift collection. An appropriate gift plate is affixed to each book which is either donated or purchased from gift funds.

THE CURRICULUM

EDUCATIONAL OBJECTIVES

The tasks of the Christian ministry for which the school gives guidance through the curriculum are the pastoral, educational, and missionary ministries. Within the framework of these three major fields is the opportunity for specialized training of teachers in Christian colleges, directors of music, chaplains in the armed services or in industries or hospitals, and denominational leaders (such as B.S.U. secretaries).

Persons interested in a teaching ministry should keep in mind that specialization in any one of a number of fields is possible, such as archaeology, Old Testament, New Testament, missions, sociology, ethics, church history, philosophy of religion, pastoral care, theology, preaching, or religious education. Pastors and others, however, may well make a broad selection of electives from many or all of these fields.

STUDENT LOAD

Students who enroll in this Seminary are expected to give priority to the program of studies in which they have enrolled. Students with extra-curricular responsibilities should carry a correspondingly reduced academic load.

The Faculty recommends that a student employed in church work for as many as two week-ends per month on a regular basis, or who works for as many as twenty hours per week, should not register for more than fourteen semester hours. For such students, four-year sequences of courses have been provided for the Master of Divinity and the Master of Divinity with Religious Education degrees. A student without such extra-curricular responsibilities is expected to take a three-year sequence of courses for one of these degrees.

Every student should examine his academic program and his outside work in the light of his Christian stewardship. *For help in this matter, he should consult his advisor.* The maximum academic load per semester shall be eighteen semester hours. Any student who fails to maintain a "C" average will not be permitted to enroll for more than fourteen hours in the succeeding semester.

FIELD EDUCATION

Theological education takes place wherever the church's confrontation with the Lord and with the world are studied as encounters

of learning and of faith. A seminary student becomes involved in this process in such settings as the classroom, the library and off-campus experiences and responsibilities.

The Seminary maintains a program of Field Education designed to implement the basic courses of theological education in pastoral, educational, institutional, and other roles. Each student becomes involved in a course of study in Field Education which includes both classroom and supervised field activity.

Each student will complete and return to the Field Education Office no later than the end of the first week of enrollment at the Seminary the personal, educational, and other data requested in the appropriate form. Other reports will be filed as they are requested.

REQUIREMENTS IN FIELD EDUCATION

Two semester hours of credit in Field Education will be given upon fulfillment of the following requirements:

1. Class Requirements. Juniors will enroll in Field Education (M 191) in the spring semester.
2. Supervised Field Activities. For the equivalent of two semesters, after class requirements in Field Education have been met and prior to graduation, the student will engage in supervised study of ministry in a specific off-campus setting. The specific activity will be approved and supervised by the Office of Field Education.

MASTER OF DIVINITY DEGREE

Prerequisite:

An A.B. degree or its equivalent from a recognized college is prerequisite to the course of study leading to the M.Div. degree. At least 75 semester hours of the content of the work for the degree must have been in the liberal arts subjects. (See entrance requirements on page 33.)

Requirements:

Total 100 semester hours

The satisfactory completion of one hundred semester hours of work is required for the M.Div. degree. This consists of fifty-six hours of core curriculum and forty-four hours of electives.

The last twenty-six semester hours toward the M.Div. degree must be taken at Southeastern Seminary.

ABSTRACT OF PRINCIPLES

ARTICLE VIII OF THE BY-LAWS OF THE SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY, INC., ADOPTED DECEMBER 7, 1950, PROVIDES THAT "All members of the faculty shall be required to subscribe to the Articles of Faith, or Beliefs, as adopted by the Board, and Publicly sign these articles at the opening of the session at which they enter upon their duties. . . ." These articles were adopted also by the Southern Baptist Theological Seminary, founded in 1859.

I. THE SCRIPTURES.

The Scriptures of the Old and New Testaments were given by inspiration of God, and are the only sufficient, certain and authoritative rule of all saving knowledge, faith and obedience.

II. GOD.

There is but one God, the Maker, Preserver and Ruler of all things, having in and of himself, all perfections, and being infinite in them all; and to Him all creatures owe the highest love, reverence and obedience.

III. THE TRINITY.

God is revealed to us as Father, Son and Holy Spirit each with distinct personal attributes, but without division of nature, essence or being.

IV. PROVIDENCE.

God from eternity decrees or permits all things that come to pass, and perpetually upholds, directs and governs all creatures and all events; yet so as not in any wise to be the author or approver of sin nor to destroy the free will and responsibility of intelligent creatures.

V. ELECTION.

Election is God's eternal choice of some persons unto everlasting life—not because of foreseen merit in them, but of His mere mercy in Christ—in consequence of which choice they are called, justified and glorified.

VI. THE FALL OF MAN.

God originally created man in His own image, and free from sin; but through the temptation of Satan, he transgressed the command of God, and fell from his original holiness and righteousness; whereby his posterity inherit a nature corrupt and wholly opposed to God and His law, are under condemnation, and as soon as they are capable of moral action, become actual transgressors.

VII. THE MEDIATOR.

Jesus Christ, the only begotten Son of God, is the divinely appointed mediator between God and man. Having taken upon Himself human nature, yet without sin, He perfectly fulfilled the law, suffered and died upon the cross for the salvation of sinners. He was buried, and rose again the third day, and ascended to His Father, at whose right hand He ever liveth to make intercession for His people. He is the only Mediator, the Prophet, Priest and King of the Church, and Sovereign of the Universe.

VIII. REGENERATION.

Regeneration is a change of heart, wrought by the Holy Spirit, who quickeneth the dead in trespasses and sins, enlightening their minds spiritually and savingly

to understand the Word of God, and renewing their whole nature, so that they love and practice holiness. It is a work of God's free and special grace alone.

IX. REPENTANCE.

Repentance is an evangelical grace, wherein a person being, by the Holy Spirit, made sensible of the manifold evil of his sin, humbleth himself for it, with godly sorrow, detestation of it, and self-abhorrence, with a purpose and endeavor to walk before God so as to please Him in all things.

X. FAITH.

Saving faith is the belief, on God's authority, of whatsoever is revealed in His Word concerning Christ; accepting and resting upon Him alone for justification and eternal life. It is wrought in the heart by the Holy Spirit, and is accompanied by all other saving graces, and leads to a life of holiness.

XI. JUSTIFICATION.

Justification is God's gracious and full acquittal of sinners, who believe in Christ, from all sin, through the satisfaction that Christ has made; not for anything wrought in them or done by them; but on account of the obedience and satisfaction of Christ, they receiving and resting on Him and His righteousness by faith.

XII. SANCTIFICATION.

Those who have been regenerated are also sanctified, by God's word and Spirit dwelling in them. This sanctification is progressive through the supply of Divine strength, which all saints seek to obtain, pressing after a heavenly life in cordial obedience to all Christ's commands.

XIII. PERSEVERANCE OF THE SAINTS.

Those whom God hath accepted in the Beloved, and sanctified by His Spirit, will never totally nor finally fall away from the state of grace, but shall certainly persevere to the end; and though they may fall, through neglect and temptation, into sin, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the Church, and temporal judgments on themselves, yet they shall be renewed again unto repentance, and be kept by the power of God through faith unto salvation.

XIV. THE CHURCH.

The Lord Jesus is the Head of the Church, which is composed of all His true disciples, and in Him is invested supremely all power for its government. According to His commandment, Christians are to associate themselves into particular societies or churches; and to each of these churches He hath given needful authority for administering that order, discipline and worship which He hath appointed. The regular officers of a Church are Bishops or Elders, and Deacons.

XV. BAPTISM.

Baptism is an ordinance of the Lord Jesus, obligatory upon every believer, wherein he is immersed in water in the name of the Father, and of the Son, and of the Holy Spirit, as a sign of his fellowship with the death and resurrection of Christ, of remission of sins, and of his giving himself up to God, to live and walk in newness of life. It is prerequisite to church fellowship, and to participation in the Lord's Supper.

XVI. THE LORD'S SUPPER.

The Lord's Supper is an ordinance of Jesus Christ, to be administered with the elements of bread and wine, and to be observed by His churches till the end of

the world. It is in no sense a sacrifice, but is designed to commemorate His death, to confirm the faith and other graces of Christians, and to be a bond, pledge and renewal of their communion with Him, and of their church fellowship.

XVII. THE LORD'S DAY.

The Lord's day is a Christian institution for regular observance, and should be employed in exercise of worship and spiritual devotion, both public and private, resting from worldly employments and amusements, works of necessity and mercy only excepted.

XVIII. LIBERTY OF CONSCIENCE.

God alone is Lord of the conscience; and He hath left it free from the doctrines and commandments of men, which are in anything contrary to His word, or not contained in it. Civil magistrates being ordained of God, subjection in all lawful things commanded by them ought to be yielded by us in the Lord, not only for wrath, but also for conscience sake.

XIX. THE RESURRECTION.

The bodies of men after death return to dust, but their spirits return immediately to God—the righteous to rest with Him; the wicked, to be reserved under darkness to the judgment. At the last day, the bodies of all the dead, both just and unjust will be raised.

XX. THE JUDGMENT.

God hath appointed a day, wherein He will judge the world by Jesus Christ, when everyone shall receive according to his deeds: the wicked shall go into everlasting punishment; the righteous, into everlasting life.
