My dear Friend:—

Many thanks for your letter. Certainly I meant to answer it before cold Dec., but I am happy that tonight I have an opportunity. If someone were here to run to church for the Ellen is asleep, but since I can't go I am going to write letters as fast as I can, for there are many to write around.

We have located the pillows and the books which you wrote about but haven't gotten them fixed to send. They may really come along when we visit in July of next year, if I can't get them off before that. You know that we keep busy indeed! This month we have several supper here, so we are planning to keep the table set for a week beginning the 13th. The Foreigners' Guild first, then College and Middle School Bible classes...
I have heard you still. It is as sincere.

Then the telephone has! Our Sani, wife

works too. They are kept busy all the
time. But I'm glad to have them work

even for meals, if this can bring glory
to Christ.

He can't imagine Sonny being
taller than his Brother but if he is

at large we shall note know him

when we have furlough next year.

He hopes to live at Ridgecrest for

one month and a half. During

that time we hope you will

choose to come to Ridgecrest. It

has been Edwin's plan to study

just what or where hasn't been

decided as yet.

Mrs. Fields and the two children

certainly bring lots of joy to us.

We have some lively times.

Sarah Ellen adds her portion of the

noise.

We have the Sasso's for and

wife too for a meal this week.

There are two grandchildren aged

twenty. Women gathered here

for the Day of prayer this past week.

They had a fine meeting. Love, Mangella.
