My dear Friends:

Many thanks for your letter. Certainly I meant to answer it before old Dec. But I am happy that tonight I have an opportunity. If some one were here to rusuban I should go to church for Jack Ellen is asleep, but since I can't go I'm going to write letters as fast as I can for there are many to write as usual.

We have located the pillows and the books which you wrote about, but I haven't gotten them fixed to send. They may really come along when we sail in July of next year if I can't get them off before that. You know that we keep busy indeed. This month we have several suppers here - so we are planning to keep the tables up for a week beginning the 13th. Then Foreigners' Guild first - then College and Middle School Bible classes.

I have Skubs dau still. He is so sincere. Then the telephone boy, Ous dau, wife works too. They are kept busy all the time. But I'm glad to have them work even for meals if this can bring glory to Christ.

We can't imagine Sonny Boy being taller than his mother, but if he is so large we shall ~~not~~ know him when we have furlough next year. He hope to live at Ridgecrest for one month and a half. During that time we hope you will choose to come to Ridgecrest. It has been Edwin's plea to study just what or where hasn't been decided as yet.

Mrs. Fielder and the two children certainly bring lots of joy to us. We have some lively times. Sarah Ellen adds her portion of the noise.

We have the Sackis, son and wife too - for a meal this week. There are two grand children now.

Twenty women gathered here for the Day of prayer this past week. We had a fine meeting. Love, Dray Ellen
