Paige Patterson
President

Dear Southeasterner,

You have probably been to an old time memorial service where they sang "Precious Memories." When we are young, or before we have lost friends and loved ones to the passing years, it is difficult to imagine how precious a picture can be.

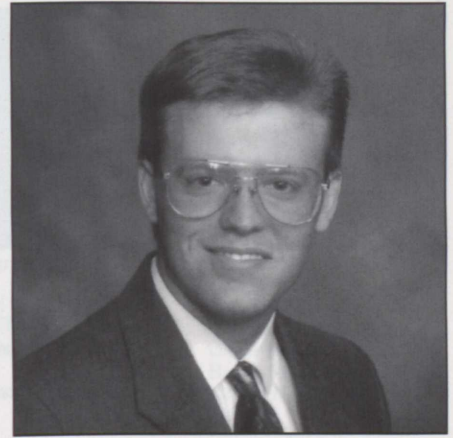

One of the most precious memories that you will have throughout your ministry is the memory of your fellow students with whom you shared a classroom and living experiences during your years here at Southeastern. In addition to that, having the pictures of those of us who are your professors will also be interesting to you and your children across the years. Most of us remember going through the books such as this one and pointing out to our children one professor or another and saying this one really helped, this one was terribly difficult, etc.

Therefore, I commend this book to you and urge you to protect it and keep it as a valuable resource for years to come. Periodically I find myself coming across someone who was influential in my college or seminary days. I go back to my "funnybook" and find their picture and remind myself of the happy days there.

May God bless you as you walk with your fellow saints of God pictured in this book during this year.

Until He Comes,

Paige Patterson

Dear Southeastern Family,

What a wonderful privilege it is to serve as your Student Body President this year. As you know, our coming days at Southeastern will be filled with success as well as failure. It is during these days that we will realize the providence of God has placed each of us here. He has brought us together and molded us into the Southeastern family.

The following pages are filled with the faces of our brothers and sisters in Christ. Our seminary family members have been called and surrendered to many areas of ministry. Some have followed a path which has led them to be Administrators and Educators; others have given themselves to be Pastors and Staff of the local church.

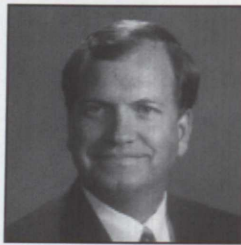

No matter to what area of ministry our Southeastern family members have surrendered, each person is in great need of prayer. I want to encourage each of you to take a page a day from this book and pray for each person by name on that page. What a wonderful opportunity to pray for specific ministers on a daily basis.

Another use of this book is building relationships. The friends made at Southeastern are for a lifetime. Take time this year to get acquainted with as many people as you can. These are people who will stand beside you in times of trouble and turmoil, and will celebrate with you in times of blessings. I encourage you to make this year a year of witnessing, prayer and building Godly relationships so we can all stand strong and voice the words of Micah, "As the Lord lives whatever the Lord says to me, that I will speak."

Your Brother in Christ,

A handwritten signature in cursive script that reads "James S. Smyrl". The ink is dark and the signature is written in a fluid, connected style.

Jim Smyrl
