REPORT ON WOMEN'S WORK

As the year 1954 draws near to its close, let us say as Paul did in Philippians 3:13-14: "this one thing I do forgetting the things which

are behind and reaching forth to those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." Then let us be up and doing for our Master for the time is later than we think. Let us earnestly seek first things first. "Seek the Kingdom of God and His righteousness and all those things shall be added unto you."

There are two roads in life, the road of love, kindness, humility and service. The reward for this life is a crown of glory with Him. The other road has plenty of allurements and some say they are having a good time. Let's remember we take what we want in life but we pay for it. I am wondering if we are not now paying, in the lives of our children for some of our indifferences and idleness, and will continue to do so until we see the Cross and our Crucified Lord.

We had some small gains last year both in our WMS and the Young People's organizations for which we are very grateful. The lack of more gains is due to lack of laborers in consecrated loving services in our harvest field. The harvest truly is very great. Pray the Lord of harvest to send forth reapers. We have 19,250 people living in Jackson County. In all of our Baptist work we have 105 young people enrolled in YWA, GA, RA and Sunbeams. What are we doing and whose responsibility is it? I very strongly feel it is placed in the laps of our mothers. It is your duty to see that your little girls and boys are at the church in these organizations. The leaders cannot do it alone, and reverence for God and His work begins in the home. If our beloved America falls it will never be in war with Russia, China, or any other nation. It will be from the termites of SIN IN THE HOMES of our fair land. Wake up, mothers, and fortify your little ones against the attack of the evil one.

We regret to lose Miss Mildred Cowan as our Young People's leader, but we do welcome Mrs. Annie Hoyle who takes her place. Let's give her our loyal support in the work this year. We also wish to highly commend Mrs. Carrie J. Davis for her outstanding work with GA's in Scotts Creek Church. We can all learn some lessons in the work from her.

To our presidents of the 15 societies we now have in WMU work, if your society is not functioning as you know it should, and some are not, pray over it. Prayer accomplishes all things for good, and can overcome that being too busy to have your meetings. Let's remember we take what we want but we pay for it. We are held accountable for every responsibility and how we respond within ourselves to a call of duty. This is five years some of us have been together and God has blessed us in many ways, for which we are grateful and appreciate the faithful cooperation you have shown, but when I look back over the years I feel it is a miserable failure and I have done so very little for Him who did so much for me.

Now as we enter upon our new year I very prayerfully solicit the prayers and cooperation of not only our WMU officers but of the pastors of the 48 churches in our association. We hope to see a Woman's

Missionary Society in every one of these churches in the very near future. Only by prayer and cooperation with every one can God's work go forward.

In closing, I feel no better can be said than our Watch word for the New Year. "And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up." (John 3:14)

Respectfully submitted,
MRS. JOHN R. JONES.

REPORT ON BAPTIST TRAINING UNION

"Study to show thy self approved unto God." The churches of this Association have accepted this challenge to a far greater extent this year than in the past. We now have nineteen Training Unions, which is a gain of seven over last year; however, there are still thirty-one churches without Training Unions. It is still our utmost desire to have a Training Union in every church. A very good interest has been shown in our mass meetings of the Associational Training Union, of which we have had four. All were well attended. Three officers and leaders council meetings and two Executive Committee meetings were held, proving very worth while. Our four central training courses have also proved very successful even though not all the Training Unions were represented at these study courses. Approximately eighty from this Association attended the Regional meeting held in Franklin.

This year we had fifteen special workers for our enlargement campaign. A very fine spirit of cooperation was displayed. Several Training Unions were set on their feet again and two were newly organized. We would like to take this opportunity to thank the Associational Training Union officers who have served so faithfully in the past year for their cooperation and unselfish service.

Let us as an Association realize every possibility as far as Training Union is concerned and do our part to see that every person has an opportunity to attend the Baptist Training Union.

Respectfully submitted,
R. O. VANCE, JR.

REPORT ON CHRISTIAN EDUCATION

The Tuckaseegee Association should have an especial interest in the report of the activities of our colleges. The main reason is that we have a state sponsored college in our county and the fact that a positive relationship exists between Western Carolina College and the various Baptist colleges.

What have Baptists done during the past year that affects Western Carolina College? Some years ago the State Convention became aware of the importance of helping college communities (Baptist and otherwise) secure the finest leadership possible by making funds available to supplement local salaries. We, and members of the Cullowhee, church especially, realize the full effect of this fact. At the State Con-

vention this year the convention bound itself to continue and broaden this previous commitment. Not only has the convention recognized the invaluable services of the college pastor in our own Baptist schools, but in state schools.

Developments in other fields may be briefly stated as follows: Our total enrollment is now around 6,000 in our seven Baptist colleges; permanent improvements are presently being made in each institution and plans are being made for the future growth and development; plans for Community Colleges, ie, junior colleges in several localities, in addition to the present ones, are being pushed.

Our seven schools, Wake Forest, Mars Hill, Wingate, Chowan, Gardner-Webb, Meredith and Campbell, face fierce adversities. In order to attract students their teaching staffs, physical plants and student products must compare favorably with the state schools. The State is putting increasingly great sums of money into their schools. We must do our best to match this or our schools cannot hope to be as attractive.

The Wake Forest Building Program and move to Winston-Salem is moving along at a steady pace. The Southeastern Seminary showed a large increase in enrollment during the past year.

The purpose of our Baptist schools is to train personnel for Christian leadership. The colleges are surely succeeding in their purpose. For most of our trained ministers and lay leaders have been totally or partially trained at Baptist schools of higher learning. For judging the achievements of the labors of our colleges all that must be done is to look about you and see that the leaders have been trained in Baptist colleges. This reason alone amply justifies our sincere moral support and continued financial backing in the promotion of the growth of our Baptist schools in North Carolina and the Tuckaseigee Association.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

"And He healed many that were sick" (Mark 1:34). This statement refers to the ministry of Jesus when He was here in the flesh. Also, it describes the ministry of our Baptist Hospital today, where hundreds of sick people go each week in search of relief from disease and sickness of almost every nature. In many cases they go as a last resort when hope has all but failed. They go saying, "We have spent all our money and we are still sick. Can our Baptist Hospital help us?"

It is the business of our hospital to say, "Yes" to these pleas which come out of sickness and poverty. It is our opportunity through our Mother's Day Offerings to make it possible for our hospital to answer these calls for help from those who have little or no money.

The hospital admitted 10,886 persons as bed patients and rendered a total of 92,476 days of patient care last year. There were 49,205 visits made to the clinics for examinations and treatments. A large number

of these were people who couldn't pay for the care they received. Much of this service could not have been provided without the help of our Mother's Day Offerings. These funds are used exclusively to help pay the hospital expenses of these patients who can pay only a part of their hospitalization or nothing at all. The hospital provided free service in the amount of \$527,299.99 in addition to free doctor's care to needy persons in 1953.

Free hospitalization for regularly-ordained ministers and missionaries who devote their full time to the ministry is provided through the Out-Patient Department. Such persons pay fifty per cent of the cost of private accommodations if they elect to enter as private patients. A fifty per cent discount is given on all work done for actual dependents of pastors and missionaries. These discounts amounted to \$23,-242.67 in 1953.

Originally built as an 80-bed institution, the hospital was enlarged in 1942 to a capacity of 250 beds and 50 bassinets, The new South Wing is now being used as the construction is completed and the equipment is secured. It will increase the capacity of the hospital to 450 beds, including bassinets.

Patients and their families are visited daily by chaplains. A religious program is provided for nurses and medical students. Classes in Bible, marriage and the family, psychology of nursing and sociology are taught in the school of nursing. Personal counseling is available for students and personnel. Sunday School is conducted on Sunday mornings for children and adult patients. Vesper services are held two nights a week for students, hospital personnel and patients.

The hospital has a School of Nursing which is fully approved by the North Carolina Board of Nurse Examiners. Normal enrollment in the school is about 170. A class graduates each summer, and a new class is admitted each September. This school has graduated 605 nurses since it was opened in 1923. The Medical School has graduated 492 doctors since it opened in 1941.

Jesus said, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matthew 25:40). Let us give our best in the name of the Lord in meeting and accepting the opportunities of helping the sick people who need the services of our Baptist Hospital.

Respectfully submitted,
DOROTHY EDWARDS

REPORT ON CHRISTIAN LITERATURE

Baptists have compelling reasons for securing and reading Christian literature, especially from their own presses. The aim of it all is to promote Bible study, to build Christian character, and to inform, enlist, indoctrinate, inspire and unify our people in all the great work the Lord has committed to us. Dr. M. E. Dodd said, "A non-reading Baptist is a non-informed Baptist. A non-informed Baptist is a non-cooperative Baptist, and a non-cooperative Baptist is not much of a

TUCKASEIGEE BAPTIST ASSOCIATION

Baptist.”

“Seek ye out of the book of the Lord, and read: No one of these shall fail.” Isaiah 34:16. Every book that is truly religious represents man’s search for God, for ultimate reality, for a knowledge of the most High, for the assurance of forgiveness. Such literature represents man in some fashion or other seeking after God, and trying to describe the almighty in human language.

The Bible is different from all other Christian literature, in that in it God is seeking after mankind. From the beginning to the end of the Bible we find God is seeking to find the children of men and turning them into the true way of life. In the Garden of Eden, Adam and Eve did not seek after God, but, rather, He sought for them.

Isaiah said, “All we like sheep have gone astray, we have turned everyone to his own way; and the Lord hath laid on him (Jesus) the iniquity of us all.”

Christ said of himself, “I am the good shepherd, the good shepherd giveth his life for the sheep.” He also said, “The Son of Man is come to seek and to save that which is lost.” Through faith and by the grace of Him we become sheep of His pasture; and the deepest need of our heart is now met. As Christians we must have the desire to grow in truth and knowledge and there is no other means greater than the vast amount of Christian literature that is available for both the home and the church.

The home is the beginning of Christianity; therefore, we, as parents and teachers, should make available the best of religious literature for our children, and hold the responsibility for the fundamental principals of its teachings.

Some of the books and magazines that should be read and studied by every Baptist include the Bible, Sunday School and Training Union Quarterlies, Sunday School Builder, Training Union Magazine, Biblical Recorder, Charity and Children, Home Life Magazine, Home Mission and Commission Magazines, Royal Service, Ambassador Life, Window of the Y. W. A., Tell, Sunbeam Activities, Broadman Comment, and many other books and papers that can be obtained from our Baptist Book Store.

The advice that Paul gave to us in 2 Timothy 2:15 is a challenge to all: “Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of Truth.”

Respectfully submitted,
W. D. Buchanan

REPORT ON BAPTIST HOMES FOR AGING

The fourth Associational year of the Baptist Homes for the Aging has been one of considerable expansion and encouraging progress. There are many evidences of the continued blessing of God upon this newest phase of our North Carolina Baptist program.

A step forward was taken when the Albemarle Home opened its

doors on December 7, 1953. It afforded space for 35 additional residents making the total capacity of the two Homes 54 residents—Resthaven, Winston-Salem (19), and the Albemarle Home (35). The purchase price of the property at Albemarle—Hospital and Nurses Home buildings and 3 acres of land—was \$25,000. The cost of renovation was about \$75,000, thus making the total cost of this plant \$100,000. But, with the value of the equipment donated, the property there should now be worth at least \$300,000. Good fortune was ours again in securing the splendid staff of helpers at Albemarle. Rev. Zeb A. Caudle, former pastor of the First Baptist Church of Aberdeen, was selected to serve as superintendent of the Albemarle Home. Both the residents of and all who have visited, the Home have been greatly pleased with the program of service.

Resthaven, at Winston-Salem, which began operating March 16, 1951, has been filled to capacity throughout the year. Although the ages in both Homes range from 67 to 94 years, there has been no death within the past year. The general health has been remarkably good, and the spirit of satisfaction on the part of the residents has been most encouraging. The greatest loss came from the retirement of Miss Edna L. Heinzerling, supervisor of Resthaven since its opening. She had rendered most acceptable service. Mrs. Ethel Fulghum a resident of Resthaven, was selected to act as supervisor temporarily.

A tract of 34 acres of land, just outside the city limits of Winston-Salem, was purchased in 1953, for a central site for new buildings. The cost was \$25,000. A topographical map has been made and an architect engaged to prepare sketches of buildings to be erected on this central site, as money and circumstances will permit. It is the intention of the trustees, however, to proceed with one building at a time. The first unit will furnish space for additional residents and for offices, chapel, infirmary, laundry, refrigeration, etc. It is hoped that construction of the first unit can get underway within a year.

Inquiries have been received as to the possibility of a couple erecting a cottage on the central site, so that they might live in it until death, and then the cottage would be available to another couple. The cost of erecting and furnishing it would be paid by the couple, but it would become the property of the North Carolina Baptist Homes.

The second Special Day Offering, February 21, 1954, was encouraging. The total amount will probably be \$65,000 to \$70,000. In addition, the Homes received \$21,000 as their share of the Nine-Year Program. Word has come, too, of wills, from which the Homes will receive gifts. At least one will was probated in 1954, from which estate the Homes will receive \$2,000. But the most encouraging progress has been the response, on the part of our churches, to the program of the Homes. More and more of them are beginning to support the Homes through the Special Day Offering, or by specially designated gifts. These evidences indicate the future success of the Homes in providing more facilities and accomodating larger numbers of aging friends.

The residents and all who are serving in the Homes are deeply grateful for the help received thus far, and they covet the prayers and

continued support of our Baptist constituency in the future.

Respectfully submitted,
T. C. Bryson

REPORT ON TEMPERANCE

Temperance does not necessarily mean that we should abstain from the habit of intoxicating liquors only. We should be temperate in all things, according to the teachings of our Lord and Saviour, Jesus Christ.

1st Corinthians 9:25 tells us that every man that striveth for the mastery is temperate in all things. Now they do it to obtain a corruptible crown, but we incorruptible.

I therefore so run, not as uncertainly, so fight I, not as one that beateth the air.

When are we as Christians of North Carolina and the United States going to wake up to the fact that in our state and nation every year more and more alcoholic beverages are being manufactured and consumed, which means that each year more money can and is being spent for the advertising of this beverage?

To bring it a little closer home, have you noticed our local papers are now carrying ads almost every day? I dare say that the daily circulation of these papers has not decreased a single copy. If we sit by each year and watch this go on we can expect the sale of alcoholic beverages to soar upward in North Carolina and our nation.

It has been said that if the church members alone would abstain from the use of intoxicating liquors that most or all of the distilleries would go out of business.

It is true that there is a great tax on this, and that this tax money goes to a good cause of some kind. We see in our newspapers where large sums of money are turned over to our school systems. On the other hand, have you ever seen published in our papers the effect of alcoholic beverages even in our state upon humanity? Have there been published the number of accidents and the number of people who have who have lost their lives as a direct cause of alcoholic beverages? Have you been to the courts of Jackson County and seen the number there on the docket for drunken driving? Have you seen the number published of homes broken up by this drink? Have you seen the number published of innocent children who had to suffer from the lack of food and clothing? Have you seen published the number who are in our state mental and medical hospitals as a direct cause of intoxicating liquors? We are having to expand our hospitals to take care of this.

We have church members today who state that alcoholic beverages are here to stay and that there is not much we can do about it. It may be so, but sin has been in this world ever since Adam and Eve ate of the forbidden fruit in the garden of Eden, but we do not have to compromise with it or lay down our guard against it.

As brothers and sisters in Christ I urge you to renew your faith in the Lord Jesus Christ and take a definite stand against this when

the time of our opportunity comes in North Carolina.

Respectfully submitted,
R. Alden McClure

REPORT ON STATE MISSIONS

Let us not forget that North Carolina is a Mission field and that through our State Missions Program we are rendering service in the types of work that the Master taught us to carry on such as teaching, preaching and healing.

Dr. M. A. Huggins in his book, "North Carolina for Christ," says, "The question may well be asked, What is the purpose and function of State Missions. The answer in short is that the over-all objective is to make North Carolina a great Christian State. State Missions is merely an agency created by our Baptist people through which, by their gifts they have a share in reaching this over-all objective. Each Church has its own particular field of work; but our Convention through the agency of State Missions makes it possible for Churches to combine their offerings in an effort to reach the main objective—"TAKE NORTH CAROLINA FOR CHRIST."

Tuckasegee Association has received much benefit from the State Mission Program in recent years through money for Church lots, for the supplementing of Pastor's salaries, aid to Missionary Pastors, help from Sunday School Department, Training Union Department, Summer Student Program, etc. May we in turn do our part to promote this great work.

Let us as Baptists in North Carolina never slack in the great task Jesus gave us. "Go ye therefore and teach all Nations."

Respectfully submitted,
Kate P. Bryson

REPORT ON HOME MISSIONS

"Go ye, therefore, and teach all nations, baptizing them in the name of the Father, and of the son, and of the Holy Ghost," as commanded by Jesus does not mean that Christians are to be interested only in the salvation of those people in foreign fields. This is well proven when we consider the significance of Acts 5:8: "And Stephen, full of faith and power, did great wonders and miracles among the people." Also, Acts 5:42: "And daily in the temple, and in every house they ceased not to teach and preach Jesus Christ."

Jesus sent his disciples before him and said unto them, "The harvest truly is great, but the laborers are few: Pray ye therefore the Lord of the harvest that he would send laborers into his harvest."

As recorded by the 1954 Annual Report of the Home Mission Board, the past year was one of the best in the history of the Board. The missionary force of the Home Mission Board was 992 exclusive of the summer workers last year. These missionaries preached more than 113,850 sermons and reported 31,849 conversions. Also, 706 mis-

sion stations were opened and a total of \$419,184.00 was spent in purchasing and improving properties by these missionaries.

The Home Mission Board cooperated in 124 simultaneous programs of Schools of Missions using 328 missionaries in 831 weeks of mission service to reach 2,303 Baptist churches and 925,151 people with the message of missions last year.

Last year the Board distributed 188,749 copies of study books edited and published under the direction of the education department.

Last year it took 21.8 Baptists to win a convert as compared with 27 in 1944. Also, in 1944 more than one-fourth of the churches reported no baptisms while last year less than one-fifth reported no baptisms.

65.4 per cent of Southern Baptist churches now have full time services compared to 38.3 per cent six years ago.

The Home Mission Board is ministering to 37 different nationalities in the homeland and twice our present missionary force is needed to reach these people with the gospel. Also, \$3,500,000 is needed to build mission churches and chapels for the congregations belonging to these language groups.

During the first four years of the Five-Year Crusade, the workers of the Home Mission Board have increased in number from 754 regular and 271 student missionaries to 937 regular and 366 students. The total number of professions of faith for the four years was 131,404, and 2,573 missions were started.

During these four years churches have reported 1,467,829 baptisms. Approximately 1,710 new churches have been constituted. The value of church property has increased from \$645,271,741 to \$1,020,504,214.

The Home Mission Program is progressing; however, the work is far from a finished program. In fact, there can be no finish. The command and the challenge are ever present. May we as Southern Baptists put forth every effort to follow our Savior's commandment and meet the challenge that confronts us.

Respectfully submitted,
W. Vernon Cope

REPORT ON COOPERATIVE PROGRAM

The Cooperative Program is the plan and means of Southern Baptists whereby they seek to put into practical operation the Great Commission of Jesus. It is the program which enables the local church and the individual member of every church to share in all of the work of Southern Baptists. This is accomplished when the individual member places an offering in the offering plate of the local church at any service, if any part of that offering is given through the Cooperative Program. Through this plan, a Christian and church member is enabled to carry on the multiple ministry by means of his representatives around the world.

This plan has been proven by years of experience and is that which is used by our North Carolina Baptist State Convention and by the Southern Baptist Convention. It is the most effective plan yet

devised for carrying on a World Mission Program. We commend it most heartily to all our churches.

According to our Associational Minutes of last year only thirteen churches of our association gave directly through the Cooperative Program. Others gave designated gifts to objects in the Cooperative Program, but even with these the percentage is far too low for our association. In fact, it will remain too low until every church is giving directly through the Cooperative Program.

There is cause for alarm at this point, for a report from the Treasurer in Raleigh shows that during the first six months of this calendar year only ten of our churches have made offerings to the Cooperative Program. The trend should be upward, rather than downward. As an aid to this situation we urge all churches who have not given through the Cooperative Program this year to make an offering on Cooperative Program Day which is September 5, of this year. To do this will be a blessing to the churches and a way of honoring our Lord.

We hope to be able to report one hundred per cent participation in the Cooperative Program when we come to the Associational meeting next year.

Respectfully submitted,
Robert W. Abrams

AMERICAN BIBLE SOCIETY REPORT

The Chinese student expressed a missionary principle true in all lands when he said, "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart."

Every person must have the Bible in his own language if the word of God is to speak to his heart.

The Bible is the Missionary's chief tool. He uses it in every form of mission work. The Bible itself is a missionary. But there must be come one to take it to the lost people of the world. After the word of God has been carried, and explained to the lost people of the world; then it will work on in the life, and hearts of people long after the man of God has gone.

The American Bible Society aids in Bible translation, publishes the Scriptures without note or comment, and distributes them without profit, and when there is a case of need at home or abroad, they are given without charge. Scriptures for the Blind are supplied in raised-letter systems and on talking book records. The Society serves every form of our Southern Baptist Mission work around the world.

During 1953 the American Bible Society distributed throughout the world more than 15 million volumes of Scriptures.

In 1953 Southern Baptist Churches gave \$102,010 to the American Bible Society.

Gifts from churches of all denominations totaled \$785,897.

TUCKASEEGEE BAPTIST ASSOCIATION

REPORT ON EVANGELISM

At the heart of our mission and task as Christians churches is evangelism. To evangelize is to spread the good news, the Gospel of God's redemptive love in Christ. Jesus said, "Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost." (Matt. 28:19) In a sense evangelism is all that the churches do to impart the truth of Christ. But in its more particular sense we use "evangelism" to refer to the making of disciples—the bringing of people who are in need of light, hope, forgiveness, and love to Jesus Christ who fully satisfies their needs.

Now what have the churches of the Tuckasegee Association done during the past year to evangelize, to make disciples? Special services of evangelism, or revivals, have been held in most of our churches during this year. Baptisms have amounted to a total of 323. All that has been done gives us joy, for we can do no other than rejoice over every single one who is called into the Kingdom and received into our churches. We regret only that through our failure and neglect more men and women, girls and boys, have not found Christ as Lord and Saviour.

As we begin our new Associational year we face in a unique and opportune way a great challenge to accomplish more for the glory of Christ than ever before. In 1955, from April 10-24, Simultaneous Revivals are to be held in our area. This period of time is designated by the Southern Baptist Convention as the time when all the churches of our area can join together in concerted effort to bring men to Jesus Christ. Let all the churches of the Tuckasegee Association plan now to have a week or two weeks period of evangelistic services during these days set apart. Let us plan now, pray and work toward those days and God will richly bless us as we will surely experience a real revival of religion. The Association is making plans to stimulate interest and enthusiasm in this great effort. Dr. J. C. Canipe, Secretary of Evangelism for the North Carolina Baptist State Convention, will be in our Association Feb. 23-25 to lead us in the evangelistic rallies in preparation for the Simultaneous Revivals in the churches. Keep this matter before the churches and let the spirit of evangelism be the ever-burning fire in all our churches that God's Kingdom may indeed come and His will be done.

Respectfully submitted,
Rowland S. Pruette

REPORT ON SUNDAY SCHOOL WORK

The New Testament is the only authority for the program of a Baptist Church. A major part of the Great Commission deals with teaching. Jesus said teach all nations to observe all things I have commanded you, Matt. 28:19-20.

The Sunday School has developed as the chief teaching agency of a Baptist Church. It should never be thought of as separate from the Church. But it is the Church teaching the Bible both to saved and unsaved people. Our Southern Baptist Convention adopted the slogan,

TUCKASEEGEE BAPTIST ASSOCIATION

"A Million More In '54." This simply means we are endeavoring to reach one million more people in our teaching program this year than we did last year. Indications are that the goal will be reached.

We of the Tuckasegee Baptist Association have increased our Sunday School enrollment over last year. Now we should join the forces of the Convention in winning these additional people to Christ. Let's make 1954 and 1955 not only great years of Bible study in our Sunday Schools, but also great years in Soul Winning.

Several of our Churches have conducted Sunday School Study Courses this year. These have been well attended and great good has been accomplished. We heartily recommend that every church in the Association have a study course during the next year. It will be of great value to the officers and teachers of our Sunday Schools.

Daily Vacation Bible Schools have been taught in more churches of our Association this year than ever before. These have been well attended. Let us begin now to plan for a Daily Vacation Bible School in every Church in our Association next year. This is one of the finest programs ever undertaken for our children.

The Associational Sunday School Convention has held five meetings during the past year. It always meets on the 5th Sunday unless providentially hindered. We have had some unusually strong programs during the year. Some of our Baptist Institutions have provided programs for our meetings. Rev. J. M. Hayes attended one of our meetings and told us about the Baptist Home for the Aging. Gardner-Webb College brought a trio of singers who furnished music for this meeting. These and other programs were very uplifting. Many of us are disappointed that there are still some Churches in the Association that are not represented at these meetings. Won't you join us and help get one hundred per cent of the Churches represented at these Sunday School Conventions? It will mean better Bible teaching in all our Sunday Schools.

Jesus said, "Ye shall know the truth and the truth shall make you free." John 8:32. Let's work to get our people to Sunday School. Then let's teach them the truth of God that sets men free.

Respectfully submitted,
F. E. Parker

TUCKASEIGEE BAPTIST ASSOCIATION

the past year and make plans for the coming year, may we recapture a vision of the lost world and pray, work, and give Jesus first place in our life "witnessing unto Him both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost parts of the world." The success that we have this coming associational year in bringing our people to Christ, and in helping them to grow in grace and in knowledge of Christ will determine to a large extent our love for Christ. The task of the church is to evangelize the world which means not only winning to Christ, but helping individuals to grow into strong, happy, and servicable christians.

REPORT OF THE CREDENTIAL COMMITTEE

During the past Associational year this committee has been called upon for the examination of only one candidate for ordination. This was for Mr. Charles P. Ginn by the Sylva Baptist Church. After examination by the committee it was voted that the requesting church

be informed to continue their plans for the ordination service. Following this recommendation Mr. Ginn was ordained by the Sylva Church and is now serving as missionary to the Indians at Cherokee under the Home Mission Board.

The credential committee is always ready to give their service and aid to any church in the association towards the endorsement of candidates for the Baptist Ministry.

SOUTHERN BAPTIST REPORT

The Southern Baptist Convention had its last meeting in St. Louis, Missouri, June 2-5, with Dr. J. W. Storer as President. The theme of the convention was "Forward in Christ Jesus."

The Southern Baptist Convention is the largest Christian Convention in the world today. Please note that the Churches send messengers and not delegates to the convention. And what the messenger says or does is not binding upon his church back home.

Every Southern Baptist Church ought to send at least one messenger to the convention. There were 10,962 messengers enrolled in the last meeting of the convention.

The Southern Baptist Convention is just as important as your church conference.

The stronger each church member gets the stronger the church will be. The stronger the church gets the stronger the Association will be. The stronger the Association gets then the stronger our State Convention will be.

The stronger the State convention gets then the stronger our Southern Baptist work will be.

The stronger our Southern Baptist work gets the stronger our World-wide Mission Program will be.

Southern Baptist have four General boards:

1. Foreign Mission Board.
2. Home Mission Board.
3. Sunday School Board.
4. Relief and Annunity Board.

Southern Baptist also have nine Institutions:

1. Golden Gate Baptist Theological Seminary.
2. New Orleans Baptist Theological Seminary.
3. Southeastern Baptist Theological Seminary.
4. Southwestern Baptist Theological Seminary.
5. Southern Baptist Theological Seminary.
6. Southern Baptist Foundation.
7. Southern Baptist Hospital.
8. Woman's Missionary Union.
9. Carven School of Mission and Social Work.

Southern Baptist also have the following Commission.

1. Brotherhood Commissions.

2. Education Commissions.

3. Radio Commissions.

4. Christian Life Commissions.

5. Historical Commissions.

6. American Baptist Seminary Commissions (colored).

Southern Baptist have at present in the convention 29,496 churches. With a membership of 7,886,016.

One of the most encouraging aspects of our 1953 report is the decrease in the number of quarter-time, half-time and three-quarter time churches. There was a increase of 1,493 full-time churches.

Southern Baptist have the program and the methods that will enlist those we win for Christ. And will insure success on all fronts for our captains and marchings orders are in our hands. "The battle lines are drawn . . . and though this world with devils fills should threaten to undo us, we will not fear, for God hath willed his truth to triumph through us."

Respectfully submitted,

R. G. GREGG

DEACONS REPORT

"Take Mark," wrote Paul to Timothy, "and bring him with thee."

The presence of Mark was desired because he was useful for service. In the business world there is constant demand for men by whom it can profit. The man who can be used never lacks employment. So God's church is in constant demand of men who will be profitable in carrying out the business of our Lord and Master. Every Paul must have his Mark to hold up his hands, supplement his labors and cheer his heart. This applies to ministers and deacons.

Christianity is a religion of fellowship. Christ means love, righteousness, and service. These can be achieved and expressed through social relations. Because we are human we are imperfect, we need the support of each other. These quarterly deacon meetings have contributed to the cause of Christ by finding and experiencing unity and strength in fellowship.

The meetings for this year were held with Wilksdale, Cullowhee, Scotts Creek and Buff Creek with a total of 18 churches represented. We are grateful for the cooperation and fellowship of these churches: Buff Creek, Sylva First, Cullowhee, Fall Cliff, Jarrett Memorial, Lovedale, Scotts Creek, Wilksdale, Webster, Big Ridge, East Fork, Calvary, Johns Creek, Old Savannah, Tuckasegee, Long Branch, Hamburg and Cashiers and also for the leadership and supervision of our chairman, Dr. G. B. Woodward.

Respectfully submitted,

JOHNNY CUNNINGHAM, Sec.

REPORT ON EXECUTIVE COMMITTEE

The Executive Committee of the Tuckasegee Baptist Association held eight executive meetings during the past year. All matters of

routine business were taken care of at these meetings. The main item of business being the securing of the Associational worker, approving a working budget for the Association and making application to the Baptist State Convention for aid to help finance our Associational program. These meetings were well attended. In each case the Executive Committee was very cooperative and interested in working out the various problems connected with the Associational work.

Your Executive Committee stands ready at all times, and is willing to help you in any way that they can help to promote the spread of the Gospel of Jesus Christ in this Association.

Respectfully submitted,
 REV. J. E. BROWN, Moderator
 CARL CORBIN, Clerk

REPORT OF RESOLUTIONS COMMITTEE

We, your Resolutions Committee, feel that there has been a fine spirit of cooperation. The programs have been excellent and the meals as fine as could be.

Therefore, be it resolved that we express our appreciation and thanks to the Cullowhee and Lovedale Churches for the hospitality, food and fellowship.

We also recommend that the first Sunday in December be designated as commitment day as suggested by Mr. R. M. House representing the allied church league.

Respectfully submitted,
 CLYDE COLLINS

TUCKASEIGEE BAPTIST ASSOCIATION

HISTORIAN'S REPORT

The Association did not have a Historian last year, therefore, no report was given at the annual meeting. In the absence of this report we are listing some improvements and changes as shown in the church letters.

Balsam Grove built a new pulpit stand. Black Mountain bought new class room chairs. New Savannah purchased pews for their church auditorium. Old Savannah installed new lights. Pine Creek installed a new heating system. Scotts Creek completed their new auditorium. Sylva First expects to make final payment on their lot within the next year, and it is hoped that they will be able to begin building soon thereafter. Tuckaseegee is in the process of building, they also report that they have called a full time pastor. Johns Creek decided to have preaching service and their monthly conference on the third Saturday of each month. Ochre Hill called Robert Parris as their pastor, replacing Lawrence Crawford who passed away. Joe Messer was called as pastor of Rockdale. E. L. Gibbs was called to Big Ridge. Robert Dean was called to Black Mountain, and James E. Vanderford to Hamburg.

Miss Dorothy Edwards was called as Associational worker for this association. These churches are to be congratulated on these improvements to their buildings and property, and we realize that other churches have made improvements that were not listed in their letters.

The total registration for this year's meeting was 203, representing 33 churches.
