BEN C. COOK  
1886-1979

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in Heaven".  
Matthew 5:16

This scripture verse depicts well the life of the Reverend Ben Cook for he did let his life shine among the people of Jackson County for eighty of his eighty-three years.

Ben Cook, the son of a Baptist Minister, was often referred to as a "horseback circuit preacher" and a "Builder and Founder of Churches." An able evangelist he had great concern and compassion for people. As a result of his preaching and teaching he built or caused to be built not only the physical structure, but also the spiritual foundations for the body of believers who attended.

Ben Cook was not only a preacher but he was a family man, a neighbor and a man of God. He spent his life spreading the "Good News" to his fellow countrymen in the Tuckaseegee Baptist Association. While he is now gone to his eternal rest, his memory, faithfulness and good works will continue to live in the lives of the people in this part of the country.

It is to this great man of God that these minutes of the Tuckaseegee Baptist Association is lovingly dedicated. Ben Cook walked tall among the members of this Association.

### PROCEEDINGS

Thursday, August 16, 1979  
 Balsam Grove Baptist Church

The one hundred fiftieth annual session of the Tuckaseegee Baptist Association convened with the Balsam Grove Baptist Church as host, at 6:30 pm on Thursday, August 16, 1979. The host church served a delicious meal to 15 pastors, 72 messengers and 24 visitors, representing 27 churches of the Association. The moderator, the Reverend J. C. Robinson, called the meeting to order and presided throughout the two day meeting. Mrs. Mary Bennett led the Congregational singing using as the opening hymn "Send The Light". Mrs. Sherri Smith served as organist.

The following business was transacted:

1. The Reverend Abe Brooks, pastor of the Balsam Grove Church, gave the devotional emphasizing the Great Commission and our part in its fulfillment.
  2. A motion was made and passed that the BOOK OF REPORTS be adopted.
  3. The moderator gave a report on the work of the Executive Committee. A copy of the report is recorded in these minutes. The Reverend Robinson urged all pastors and lay representatives to attend the Executive meetings held each quarter.
  4. The moderator recognized the following pastors new to the Association and present at the meeting: Abe Brooks, Ben Cabe, Max Lindsey, John Reid, and David Blanton. Pastors making changes in churches within the Association were asked to stand.
  5. The Director of the Balsam Grove Baptist church, Clifford Parken, led the church choir in some musical numbers. Mrs. McMahan, sister of the Reverend Cook sang with the choir.
  6. The Reverend Kenneth Varner, a missionary serving in Tiwan but at present on furlough, spoke briefly on the work in that country and left the congregation with the challenge: "Do you believe in Foreign Missions?" "Then listen to God and heed his teachings and do His work."
  7. J. T. Flake gave a special welcome to Mr. & Mrs. Charles Ginn who have returned to the Association to live and make their home.
  8. The Reverend Luther Osment explained the new approach to the State Mission offering which is being implemented for the first time this year. North Carolina's part of two million dollars does not exceed greatly the former goals set for the six mission offerings formerly supported by this same offering.
- The state mission report is included in these minutes.
9. The Reverend Harry Vance, Association Treasurer, gave the financial report in the absence of the Financial chairman. This report was accepted and Vance highly commended for his fine reports

and the manner in which he kept the finance records.

10. Wesley Hooper presented the Committee on Committees Report.
11. The Nominating Committee report presented by Robert Blanton, chairman, was accepted and approved.
12. The Reverend Jack Hinson of the Constitution Committee presented the report on the Constitutional changes being proposed. The proposed changes will be voted on during the second session business meeting.

13. The Reverend John Reid, Chairman of the Continuing Education Committee, told of plans projected for Seminary Extension work. Both certificate credit and Seminary credit at Fruitland may be earned by taking these courses. The classes will begin on September 9, 1979. THE LIFE OF CHRIST will be taught by Reverend Conley at the Hamburg church and again at Rockdale Church. These courses are open to both pastors and laymen. The cost is \$7.50. Scholarships are available. Reid presented certificates to those persons completing the course or courses offered last year. Those receiving certificates were: David Blanton, Tommy Moore, Ray Houston, L. Phillips, Richard & Laverne Moore, Dillard Moore, J. E. Carnes, Robert Blanton, T. Enslley and K. Miller.

14. The Reverend Jack Hinson reviewed the work being done in the C. J. Harris Hospital by Chaplain Frank Anderson. He commended Anderson highly for his work. He reported that four additional churches had been added to the list of those giving to the Chaplaincy fund this year. An increase in the amount of gifts this year over last amounted to \$432.33. He urged continued support of the ministry and reported a trust fund being set up to help promote this work and provide a more secure financial basis for operation of this ministry. The Foundation is being set up under the chairmanship of Dr. James Dooley and the Reverend Terry L. Hammill.

15. The Director of Missions, Alvin A. Loiry, presented two items of business. First, he felt that as an association we should participate in the Churchmanship Conference set for Camp Caraway in March 1980. The purpose of this conference is to provide training in associational leadership. The registration fee is \$20 with an \$80 cost for lodging and meals. He suggested that the association send someone and pay expenses. Second, the new Church Training program has come out with some new material in the form of an Equipping Center which consists of eight separate areas. The cost of this material is \$87.32.

A motion made by John Reid, seconded by Billy Rogers that the Church Training Equipping Center material be purchased and kept in the Associational Office for loan to the several churches was passed.

A motion made by Hinson, seconded by Hyatt, that two people be sent to the Churchmanship Leadership Conference at Camp Caraway with all expenses paid and that one of these be the Moderator of the Association and the other the Director of Missions was passed.

16. The Reverend Billy Rogers, pastor of the Yellow Mountain Baptist Church, brought the message using the title "The Church is God's Special People" and scripture from Acts 4:1. He likened the spiritual growth of the church to the present oil crisis and concluded that we all need to be anointed with fresh oil from God and become a living organism carrying on God's work.

17. The message concluded the first session of the Associational meeting.

18. The second session of the annual Association meeting was called in session by Moderator Robinson at 9:30 AM. There were 24 churches represented with 15 pastors, 36 messengers and 17 visitors making a total of 92 persons.

19. The Reverend Ambrose and Mrs. Ambrose, Education Directors of the Sylva First Church opened the session with special music.

20. The Reverend Everett Wilson, pastor of Pine Creek Baptist Church read scripture from 2 Timothy 2 and led in prayer.

21. Max Smith, Director of the Sunday School, gave a report on the accomplishments of that department for the year. The detailed report is recorded in the minutes. He suggested that the church place more emphasis on Bible Study the coming year.

22. Annie Hoyle, WMU Director referred to the report contained in the minutes and shared some of the trends in the work.

23. J. E. Carnes presented the enclosed report for the Deacons and Pastors organization.

24. Ray McCall called attention to the Ordination Committee's report.

25. In the absence of Mildred Cowan, Alvin Loiry gave the report on Truett Camp. Attendance at the camp has been good this year. Forty-nine preachers attended the preacher conference, 28 youth attend the music camp, 178 girls and 117 boys attended during their special weeks. In all 978 persons attended the camp this summer. The most urgent present need is for a building in which camp leaders can be housed. He urged churches to include Camp Truett in their budgets.

26. Coy Privitte distributed materials and urged churches to encourage members to subscribe to THE BIBLICAL RECORDER in order to keep abreast of what is happening in the Baptist World in North Carolina. He urged the support of the Christian Action League through prayer and contributions. Several incidents of misrepresentation and misinterpretation of some of our current laws were presented. Baptist should be informed and know how their representatives vote.

27. John Bunn presented the "A B C's" of Christian Higher Education. The representatives present were Abrams for Gardner-Webb, Blackwell for Mars Hill and Clegg for Campbell.

28. Loiry speaking for Bold Missions presented a partial list of ways in which our state missions assisted in mission work in our Association. The list was distributed to all present. He reported that Miss Balleu, a U.S. 2er, would be working with the youth in our Association for the next two years.

The Association has been invited to assist with a mission project in West Virginia this year.

The Home Mission Board is requesting each Association to accept and assume the responsibility for at least one Indo-Chinese family in the area. Support of such a family would not be a budget item but gifts from the several churches would be necessary. This item will be brought to the attention of the Executive Committee at its October meeting.

29. Hugh Starnes brought a report on the Baptist Children's Homes. He related some of the unique contributions made by churches in this association to the Broyhill Home. Such items as wood, home canned commodities, the opportunities to speak in the several churches and the four children from this association in the Broyhill Home.

The emergency care center for the Children's Homes is located in Forest City with 8 beds for children and the Hawthorne Heights facility in the Tuckaseegee Association, which may become affiliated with the Baptist Children's Homes in the near future. There are 30 children in Foster Homes at present. There is a critical need for more Christian people to keep children in their homes.

30. A motion made by Smith and seconded by Vance to adopt the changes suggested by the Constitution Committee be approved, passed.

31. In the absence of the chairman of the Finance Committee, Harry Vance presented the proposed budget with the following changes made

to the Proposed Budget as presented in THE BOOK OF REPORTS: That the item under section 5 Projects for Progress "Training for Association Leaders" be changed to read \$500 not \$250. Included as the last item in this same category should be "Associational Missions" \$200.00. The item listed as "Housing for Director" should be removed from "Properties" and placed under section 2 "Personal Benefits". These changes will increase the total budget for 1979-80 to \$21,058.

32. Harry Vance moved that monies left from the cost of the publication of the minutes be used to publish a history of the Association. The motion passed.

33. Loiry recommended that the clerk be given an honorarium as a token of appreciation for the work done.

34. John Reid presented the following Resolution to be added to the list of Resolutions as stated by the Resolutions Committee:

We express our concern and our disagreement to the legislators representing Jackson County in the North Carolina House of Representatives and the North Carolina senate for their recent support to the legislature bill H B 936 which would have decriminalized possession of marijuana up to 4 ounces.

35. Robert Blanton, Interim Pastor of the Ochre Hill Baptist Church, brought the message selecting the scripture from Hebrews 12:13 and Tim. 2:2. The message was entitled "Follow Peace for all Men."

36. Annie Hoyle, Chairman of the Memorial Committee, presented a memorial service for the deceased members of all churches reporting.

37. Harry Vance brought the Benediction and gave the Blessing for the delicious meal following the close of the 150 annual session of the Tuckaseegee Baptist Association.

There was no afternoon session of the 150 annual session.

#### BAPTIST CHILDREN'S HOMES

The purpose of the Baptist Children's Homes is the care of dependent, neglected and homeless children; unwed mothers and their children; and the rendering of related services to their relatives.

In 1978 the lives of more than 4,175 people were affected in a significant way by the services of the Children's Homes.

The Homes provided care and related services for 1,440 children. Of this number 1,140 received continuing service while 340 received casework, counseling and referral services. Applications for 79 children were in process of evaluation at the end of the year.

Through members of the staff, a close working relationship was maintained with 2,222 adults while working with the children. Consultant services were provided more than 400 other adults through Child Development and Family Education services.

In Piedmont North Carolina the programs, services and facilities of the Homes are being utilized well for the care of children and in providing assistance to families.

Mills Home, foster homes, emergency care at Burlington and Charlotte, the Family Resource Center in Charlotte, the High Adventure program at Wall Home, the Child Development Center on the Mills Home Campus, programs of crisis intervention, counseling and family education fill a particular need in this area of the State.

As in other areas of the state, requests are coming for additional community-based services.

Approval has been given by the Planning-Zoning Commission and the City Council of Chapel Hill for the development of the Gree-Burriss Home near Chapel Hill.

In Eastern North Carolina the Indian Memorial Cottage at Odum Home has been completed and dedicated. Odum Home has been made an area center of operations for eight counties in the southeastern part

of North Carolina.

The Kennedy Home campus near Kinston continues to be the largest scene of child care activities in the eastern area. The regular cottage programs are maintained along with several specialized services which have been made available to children needing special help.

At Kennedy Home work is now proceeding on the preservation and restoration of Cedar Dell, the residence of the Kennedy family which donated this property to North Carolina Baptists for a child care ministry in eastern North Carolina.

People in Western North Carolina, with the establishment of Broyhill Home, as a center of operation, now have all the services which are provided elsewhere in the state.

During the past several months, members of the Children's Homes' administrative staff have been in dialogue with members of the Board of Directors of Hawthorne Heights group home near Sylva who have requested the assistance of the Children's Homes in providing emergency service for children in a seven county area in the far western part of the state.

The Baptist State Convention of North Carolina, in its 1977 Annual Meeting, voted to request the Children's Homes to develop a three year pilot program to serve mentally retarded adults. A committee from the Board of Trustees has engaged in a constructive study of services needed for this population in North Carolina. It is anticipated that a home will be provided for a small number of mildly retarded adults during 1979.

Modern day child care, as provided by the Baptist Children's Homes of North Carolina is a Christian Ministry and as we continue to expand and meet this growing need there is always a need for additional capital.

Changes within the Baptist State Convention's financial support structure for her institutions and agencies increase the necessity for intensive cultivation of individuals, families, industry, business, foundations and endowments. Free counsel, printed materials and assistance are offered as suggestions for estate planning that involves charitable bequests to the Homes by the Development Department.

This report is respectfully submitted for and in loving memory of my husband, Tom Clayton, who was always deeply grateful to the Baptist of North Carolina for providing him a home. He served as a member of The Board of Trustees of the Baptist Children's Homes from 1965-1978. He served as Children's Homes Representatives of the Tuckasegee Association for many years.

#### CONTINUING EDUCATION

The Continuing Education Committee was re-activated in January of this year. Planning meetings were held, the Seminary Extension Department of the Southern Baptist Convention was contacted, and in April two courses were offered. The Rev. Al Loiry is serving as Director of our Association Seminary Extension Department.

Two initial classes were conducted at Ochre Hill Baptist Church. The Reverend Max Smith taught the Basic Curriculum Series Course "Understanding the Bible" with an enrollment of seven students. The Reverend J. D. Grant taught the Basic Curriculum Series Course "How to Prepare and Deliver a Sermon" with an enrollment of eight students. There was a high level of enthusiasm among the participants

and many have indicated a continued interest in taking additional course work. The committee extends its appreciation to both the Reverend J. D. Grant and to the Reverend Max Smith for their excellent work as instructors.

Plans are currently being made to offer other courses this fall and coming spring. Plans will be finalized and will be announced at the Associational meeting as to the location, teachers, and titles of the courses to be offered.

#### DEACON AND PASTOR FELLOWSHIP

The Deacon and Pastor Fellowship met four times this past year. The October meeting was with the Lovedale Church at which time the new officers were installed. Miss Sharon Wolf, US 2 Missionary was present to tell about the work she has been doing in the county since September of 1977. The January meeting was with the Buff Creek Church. Huey D. Perry, Chaplaincy Division of the Home Mission Board, was the program speaker. The April meeting was with the Scotts Creek Church. The church provided a drama and special music. The Speaker for the meeting was Kenneth Ridings, pastor in Buncombe County and teacher at Fruitland Bible Institute. As of this writing, the July meeting is scheduled to be held with the Cashiers Church. There will be a missions emphasis presented. Each of these churches provide a delicious meal for the deacons, preachers and wives of these officers of our churches. This is always the best attended meeting that we have each quarter. We thank each church which hosted the meeting.

The officers of the Deacon and Pastor Fellowship for this year have been: J. E. Carnes, Chairman; Conrad Burrell, Vice Chairman; Jesse Smith, Meeting Place Chairman; Robert Blanton, Program Chairman; and Coy Deitz, Song Leader; Hattie Hilda Allison, Recording Secretary; Joe Wilkey, Treasurer.

#### DIRECTOR OF MISSIONS' REPORT

We have worked together for two years now, and I appreciate every kindness and consideration which have been extended to me. I want to thank every officer and committee person for the faithful work which was performed. This past year has been a year that allowed us to begin some planning and actual mission work which will serve as the foundation for increased mission and ministry in the future.

Words of appreciation are due to the churches of the association which have made me feel welcome as I visited, preached and taught in them. My desire is to be able to support every pastor in the work on every church field. On occasions when a church has no pastor I want to be available to assist the church in any way that is requested. During this past year I have had this privilege of counselling and of sharing information upon request. The association is grateful to every church for its financial support. We thank the churches that began making gifts to the association this year. We invite and encourage all churches to share gifts to support

increased mission and ministry opportunities in Jackson County.

During the year I represented the association at the State Director of Missions meetings in Raleigh and at Wingate College. I was able to attend a portion of the State Convention and the Director of Missions Conference. It is my privilege to serve on the Baptist State Convention Task Force on Sunday School which has the responsibility of helping the churches to reach more people in Bible study. I enjoy serving on the Truett Camp Committee. This camp is so very important and helpful to the churches of our association. We all need to send our children and youth to the summer sessions, and to give the much needed financial support for the camp.

Let us encourage our pastors and executive committee members to attend the executive committee meetings each quarter. Certainly, every church ought to be present for the annual meetings of the association. We need also to support the various meetings planned to help our churches in Sunday School, Church Training, Vacation Bible School, Stewardship, Missions and all areas of special interest and need. The association is a fellowship of churches working together to do that which no one church could do alone. The association provides inspiration and direction to each church in fulfilling God's commands and commission.

#### FOREIGN MISSIONS

. . . "Go ye into all the world, and preach the gospel to every creature." Mark 16:15. . . . "that repentance and remission of sins should be preached in His name among all nations. . . ." Luke 24:47. Southern Baptist, as always, believe that mandate is still in effect.

Through the channel of the Foreign Mission Board they have responded in part by sending from among their number men and women called missionaries. These messengers have gone to help share the good news of Jesus Christ in other lands--wherever there is invitation or opportunity. At the end of 1978 the total missionary staff was 2,906. New personnel gain in 1978 was 130.

Today Southern Baptist express their missions conviction in terms of the primary challenge and objective of Bold Mission Thrust: To provide every person on earth the opportunity to hear the gospel by the close of this century.

Southern Baptist seek to do their part, to be faithful in their responsibility. Your Foreign Mission Board added four new fields in 1978. At years end, missionaries were assigned to 94 geopolitical entities around the world.

Total gifts for Southern Baptist Foreign Missions in 1978 reached \$64,995,017. Of this total Cooperative Program and Lottie Moon Christmas Offerings provided 91.92 percent.

I am happy to report that the Tuckaseegee Baptist Association also believes in being faithful, doing its part and supporting Foreign Missions. A good percentage of our churches are involved in missions through WMU's Cooperative Program and Lottie Moon Christmas Offerings.

It is through our prayers, our messengers, and our gifts that the challenge of Bold Mission Thrust can be accomplished. Let us not grow weary, but continue to support Foreign Missions.

Dr. Baker J. Cauthen, Executive Director of Foreign Mission Board, says "Southern Baptist stand today on tiptoe, peering into the future with eagerness and expectation. To be sure, there are clouds on the

horizon, but God's promises shine like a rainbow against those clouds, and the assuring Words of our Lord, "Lo, I am with you always even to the end of the age," ring in our hearts.

Come on Baptist of the Tuckaseegee Association, let us dare to follow Jesus Christ wherever he leads, that all the world may know that He is the Saviour and Lord!

#### HOMES FOR THE AGING

One of the outstanding things that has happened in connection with the North Carolina Baptist Homes for the Aging is the completion, dedication and occupancy of the Western North Carolina Baptist Home in Asheville. This new home will accommodate 50 residents.

In Winston-Salem a new apartment complex has been completed and will accommodate 16. The North Carolina Baptist now have provision for the accommodation of 300 persons.

The Baptist homes are located in the following places: Resthaven, The Hayes Home, Apartments, The Skilled Nursing Unit, in Winston-Salem; the Albermarle Home; the Hamilton Home; the Yanceyville Home and the Western North Carolina Home.

Not having the special offering usually contributed on the third Sunday in February has caused the homes to dip into endowment funds. Once the new plan of contributions coming through the North Carolina Missions Offering in September, it is hoped that the Homes will be on a more secure financial basis.

The Cooperative Program supplies about 8% of the total budget. While this is a steady fund it does not provide all of the support needed to keep the Homes operating adequately.

Five out of every six people, who cannot pay the full cost of care, and are living in the Homes are supported partially through love gifts from the North Carolina Baptist.

Two new administrative staff members--Jack Hoyle, Director of Admissions and Social Services and the Reverend Jim Saul, Director of Denominational Relations and Development have been added to the administrative staff as replacements.

Because ministry to an older person is a ministry unto Christ, we must keep this ministry close to our hearts and not forget to give abundantly to the North Carolina Missions fund in September.

#### HISTORIAN'S REPORT

A Brief Report of the history of the Tuckaseegee Baptist Association was compiled for distribution to those attending the 150 Anniversary of the Association. The committee responsible for this report was composed of the following persons: Alvin Loiry, Director of Missions, J. C. Robinson, Moderator, Louise Edwards, Ina Turpin, Henry Hoyle, Robert Blanton and Annie Hoyle, and the Church Clerks. Interest in the project was keen. The Committee met several times with almost perfect attendance each time. The Clerks were most helpful in supplying needed information and the writers were diligent and faithful in their work. As the result of the wonderful cooperation a booklet was prepared in time for the Anniversary Celebration which was held in the Cullowhee Baptist Church--the Mother Church of the Association. This committee plans now to edit what has been done, add additional materials and hope-

fully publish a history of the Association from its beginning until its 150 anniversary. It is hoped that a supplement will be added to this history at least every ten years in the future. The clerks of the forty-eight churches should be certain to list all historical happenings on the Church Letter each year. The Association is rich in interesting and pertinent historical data that should be captured in print for future generations.

If you did not get a copy of the booklet entitled REPORT OF THE HISTORICAL COMMITTEE at the celebration you may secure a copy from the Director of Missions' office or from the Historian.

#### CHRISTIAN HIGHER EDUCATION

When North Carolina Baptist call the college/university roll, there are seven institutions that will respond; namely, Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. According to the latest figures 15% of all Baptist college enrollments are located in this state.

This year enrollments were stable. Wingate College made history by graduating the first senior class; Campbell, once known as a senior college announced a name change to Campbell University; the Campbell Law School graduated its first class.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to study the Wake Forest University Proposal. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. The results of the vote will affect the Convention and Wake Forest for many years to come. The churches are called upon to pray.

#### HOME MISSIONS

"There's a call comes ringing o'er the restless waves, Send the Light". "Send the Light"--Baptist of the Tuckaseegee Baptist Association! We are indeed making an effort to send a small part of the Light in our efforts to respond with boldness to the Bold Mission program launched in 1977 by the Baptist State Convention and the Southern Baptist Convention.

Before we can become concerned about missions we must know. In order to know more, key leaders in our Association have given of their time and energy to attend meetings and workshop at Ridgecrest and other places. They have returned to us and have shared and are sharing the information they received. Their enthusiasm has stirred within our hearts a desire to do more in the form of giving and in praying that every person might hear the gospel message and know that Christ is our Lord and Saviour.

The fifteen men and women from our Association who attended the Leadership Conference will bring information to Association in an associational meeting in September. We want to watch for that date and attend that our knowledge might be increased and our enthusiasm and zeal might be fed.

The major theme in the Division of Church programs has been growth in membership in all of the organizations in our churches. Reports have been rewarding in the field of church growth. A goal

set to double Baptisms by the year 1982 has been set. This is an area in which, we in the Tuckaseegee Association need to emphasize. During the past year only thirty of the forty-eight Baptist Churches in the Association reported Baptisms. The total number of baptisms reported was 132 persons.

We thank God that we live in a time in which we can witness. We pray for the courage and strength to become more aware of those people around us who do not know Christ as their Saviour and that we may reach out to them at the same time we are sending financial help and our prayers to those in other areas.

We have heard the Macedonian call today  
And a golden offering at the cross we lay.  
Let us pray that grace may everywhere abound  
And a Christ-like spirit everywhere be found.  
Let us not grow weary in the work of love  
Let us gather jewels for a crown above.

REPORT OF THE HOSPITAL CHAPLAIN  
C. J. HARRIS COMMUNITY HOSPITAL  
July, 1978--June, 1979

Four thousand, three hundred five (4,305) inpatients passed through the hospital July 1, 1978 through June 30, 1979. This is an average of 358 patients per month. Here were 4,305 opportunities to mediate the compassion of our loving heavenly Father.

During the past year, 36 churches, one person and a community service gave \$3,393.18 for the Chaplaincy. This represents an increase of \$433.72 over 1978. Four more churches participated in the program for which we are most grateful.

The Chaplaincy Program is made possible by the voluntary cooperative effort upon the part of the majority of the Christian denominations in Jackson County. A standing committee of the Jackson County Minister's Association supervises the program. Churches are urged to place the program in their budgets, making their donations monthly.

In addition to the voluntary gifts from the churches and individuals, a Chaplaincy Foundation has been established to further secure the chaplain ministry. The Board of Trustees of the hospital will invest the funds.

Dr. James E. Dooley, Vice Chancellor for Development and Special Services at WCU, and Rev. Terry Hammill, Pastor of First United Methodist Church in Sylva, are the Chairman and Vice Chairman for a campaign for the Foundation in mid-October. The campaign, promoted by representative citizens of Jackson County, will seek \$30,000. The interest will provide a supplement to the current annual contributions from County churches.

Jesus said, "Inasmuch as you have done it unto one of the least of these (sick) my brethren, you have done it unto me." Here is a challenge, a privilege and a stewardship to give an account for!

Address all gifts and communications concerning the Chaplaincy to Hospital Chaplaincy Program, 59 Hospital Road, Sylva, NC 28779.

ORDINATION COMMITTEE REPORT

The Ordinations Committee met twice this year for the purpose of examining two brethren for the Gospel Ministry. After examining their Christian experiences, doctrinal beliefs and call to the ministry, the Committee recommended that they be ordained by their home churches.

On April 19, 1979 it was recommended that Wilkesdale Baptist Church proceed with plans to ordain Brother Ben Cabe. He has been called to Long Branch Church.

On July 16, 1979 the Committee approved that Brother Rodney Wayne Bishop be ordained by Zion Hill Baptist Church.

STATE MISSIONS IN NORTH CAROLINA

Through more than fifty different types of ministry, State Missions programs of the Baptist State Convention are at work in North Carolina. Let us look at a few of them.

MIGRANT FARM WORKERS--These are some of God's most forgotten children. Because of their mobility and poverty, they are "outsiders" wherever they go. Through State Missions you are helping us sponsor migrant mission programs in twelve associations, including the Hendersonville area.

AID TO ASSOCIATIONS--Almost all State Mission programs involve local associations. Furthermore, a large portion of the state convention budget goes to assist associations with their programs. All but two associations in the mountain region receive financial assistance from the State Missions.

TRUETT CAMP--The camp is one of the fine ministries provided for boys and girls in Western North Carolina. It is located near Hayesville. In addition to the seven weeks of youth camps, Truett hosts Bible conferences, missionary and pastors' meetings, and church retreats. More than half of the Truett budget comes from State Mission sources.

DEAF MINISTRY--This ministry includes two full-time missionaries plus a statewide television ministry ("Light Unto My Path") for the deaf. One of the newest areas of Deaf Ministry is a program for deaf students at Gardner-Webb College, sponsored jointly by the college and the State Convention. Gardner-Webb is the only Southern Baptist college with a program for deaf young people.

CORRECTIONAL MINISTRIES--Working with men, women and youthful offenders in the state's 79 correctional institutions, it is one of the fastest growing State Mission Ministries.

FRUITLAND BAPTIST BIBLE INSTITUTE--With 200 plus students, no educational institution has meant more to the pulpits of Western North Carolina than Fruitland. Fruitland's total support comes from State Missions.

VACATION BIBLE SCHOOL

The following persons served on the Vacation Bible School faculty for the Association this past year: Gail Melton and Audrey Greene, Middle Preschool; Louella Brown, Older Preschool; Annie Hoyle,

Younger Children; Mary Bennett, Middle Children; Christine Loiry, Older Children; John Reid, Youth; Max Smith, Director. Most of these persons attended the State VBS Clinic at Ridgecrest, March 8 & 9, 1979. Each one did a good job at the Associational Clinic, which was held on May 8th. We appreciate the faithfulness and the work of this faculty. We believe the result will be that God will give the increase in new Vacation Bible School and souls on to Jesus Christ.

There have been many good reports received concerning the schools this year.

Lovedale Baptist Church hosted the Vacation Bible School Clinic on May 8th. We are grateful for their willingness of this Church family to have us again this year. At the clinic, we had 23 churches represented with 93 persons present. This was an increase in both churches represented and in the number of people present over the previous year. We pray this number will increase each year because Vacation Bible School is one of the greatest ways of reaching people with the good news about Jesus.

#### SUNDAY SCHOOL

There seems to be a growing interest in our churches in real Bible Study. Sunday School provides an excellent opportunity to do just this. The Baptist Sunday School Board provides three excellent series of literature for Bible Study; (1) the Convention Series; (2) the Life and Work Series; (3) the Bible Book Series, which is still rather new and is a complete study of each book in the Bible over a nine year period. We hope that each church in our Association will stress and support Bible Study at the same time emphasize the importance of Sunday School. This is a great way to witness and win the lost to Christ.

On March 30 of this year at the Cashiers Baptist Church we had a Sunday School Rally. Rockdale Baptist Church won the attendance banner for having the largest number present excluding the host church. We appreciate Cashiers' graciousness in hosting this meeting. The Reverend J. D. Grant brought a message on the word of God. The emphasis there was on Sunday School growth and we shared literature and programs with interested churches.

The Sunday School Director for the Association, Max Smith, has a filmstrip and materials available on the ACTION PLAN for Sunday School growth. If you need help in planning and developing a better Sunday School, he is available and interested in helping your church.

This year we had resource persons for Vacation Bible School and Sunday School and we hope to have many of these people working next year. These persons will be announced at a Sunday School meeting later.

On May 14 & 15th the Sunday School Director attended the State Key Leadership Conference at Ridgecrest and gained much information about Sunday School emphasis for '79-'80. He will share this information with the Sunday School Directors of our churches at the Association Key Leadership Conference on September 17th. Sunday School preparation week will be September 30-October 7th. Sunday School High Attendance day will be October 28th.

Any Church, Pastor or Sunday School Director who wants information about Sunday School, please get in touch with the Sunday School Director. All churches will receive a letter about Sunday School emphasis this year.

S/ Max Smith

#### MISSIONS COMMITTEE

The Missions' Committee met in the spring and presented several ideas to the Executive Committee of the Association. The Missions' Committee strongly supports the Seminary Extension program which began this past year. The Committee would encourage each church to elect a Missions' Committee to lead in local missions and emphasize Home Missions and Foreign missions.

The Missions Committee recommended that the Association provide an outreach ministry to interested campgrounds in and near the Association area and that this be coordinated through the US-2-er missionary and that interested churches be enlisted and involved in this mission. This was accepted by the Executive Committee. The Missions Committee is studying several other possible ministries for the Association; namely, (1) a Deacon Training School; (2) a Home missions project in West Virginia; (3) a jail ministry.

Pray and lend your support to this committee. If you have mission ideas, please share them with your Missions Committee. We hope that these ideas which are listed become realities in our association.

Respectfully submitted,  
S/ Max Smith, Chairman  
Missions Committee

#### TRUETT CAMP

Western North Carolina's Truett Camp has had a struggle in past years but is now recognized as one of our valued assets.

During the past year Truett Camp has progressed considerably through the combined interest, faith, and cooperation of the trustees, committee, and churches of the western region. Some of the improvements which may be mentioned are: Renovation and upgrading of the swimming pool, stainless steel kitchen equipment to replace the old aluminum which is no longer accepted by the State Department of Health, enlargement of the parking area, painting where needed, upgrading of the living quarters and facilities there, and a long dreamed of outdoor chapel for vesper services and presentation of dramas has been erected. Much of this work has been done by Brother Kenneth Crawford, Camp Supervisor, himself. Others have made sizeable donations and have given hours of volunteer labor.

Truett Camp offers three weeks for girls, grades 4-10; one week is designed to teach youth music skills on the individual study basis. This week is for both boys and girls. Three weeks are scheduled for boys grades 4-10. Brother Bob Watson of the State Brotherhood organization plans and leads the program for this week.

We are pleased to report that a number of youth from several Tuckaseegee Association churches have attended these camp schedules which offer Bible study, mission studies, and Evangelistic training along with a reasonable amount of supervised recreation. Some have made commitments for mission or religious work and professions of faith have been made through the leadership of State workers.

It is interesting to note that youth from "Down East" are coming to Truett Camp in the mountains.

The Associational WMU has offered assistance and some churches have given scholarships to assist or to send deserving boys and girls to Truett Camp. May we suggest that churches having Brotherhood organizations do the same for worthy boys who could not other-

wise attend camp.

Our program this year has been better advertized through the distribution of brochures to all the association churches, through magazines, newspaper coverage and by radio stations. During this season color slides are being made and assembled for use in the churches as a promotion effort. These slides will be available next year to any church organization that wishes to use them.

THE PROPOSED BUDGET  
1979-1980

Jesus came and left us a great Mission. He told us that we could do even greater things. We are faced with the challenge of following His Lordship.

We are most grateful to those churches who have been faithful in their giving down through the years. Also we thank God for those who have felt the need and have begun to give during the past year.

Inflation is a household word throughout the world today. We have felt it here as have people everywhere. As we prepared this proposed budget we saw the need for an increase in the area of automobile expense for our Director of Missions. We have attempted to fill this need through a small increase in his salary and an increase in car expense. With the cost of gasoline moving toward \$1.00 per gallon this need is ever present.

We have faith that God will provide for each need through His people. Let us work and pray together. May we be like the Apostle Paul and be able to say: "I have fought a good fight, I have finished my course, I have kept the faith." May God Bless You.

#### WOMAN'S MISSIONARY UNION

This has been an exciting year for WMU. Some of the dormant organizations have come back with new enthusiasm and zeal. Not only have the BW's reorganized but several of the age level organizations have been started. We now have at least four BYW groups. Isn't it great that interest in mission work is beginning to move forward with the Bold Mission Thrust.

The Acteens held a tea for all acteens in the Association. Debbie Monteith, as Director, has been enthusiastic and creative in her leadership.

The GAs under the direction of Jean Keener are eagerly looking forward to a Day Camp in the near future. The Buff Creek GA's took an active part in the annual WMU meeting. They sang a number of songs beautifully. These girls and their leaders have really been active in mission work. We thank all of the GA organizations of the Association for the hand made decorations for the Associational Executive Committee Christmas dinner. I only wish that every GA could have seen the tree after the Cullowhee girls completed decorating it with your trimmings. Thanks for your helpful contributions girls.

We thank all of the WMU organizations for your help in making this dinner possible.

At the annual WMU meeting held in May the members voted to set aside a sum of money to assist worthy GAs to attend Truett Camp for a week during one of the weeks for girls next year. The committee for this consists of Jean Keener, Chairman, Barbara Lakey, Mrs. J. D. Wyatt and Annie Hoyle. Girls if you need help call one of these people.

Mancy Curtis, our State Executive Secretary, brought us a challenging message at the May meeting. This was a well attended meeting. The ladies of the Buff Creek Church served as hostesses and did a fine job. Thank you, Ladies. The officers for the coming year were installed. Kathleen Buchanan was appointed Mission Director for the Association. After this the Mission's Director for the Association will be a regular elected officer and will become a member of the WMU Council.

The WMU Council has met each quarter. We appreciate the faithful attendance and helpful suggestions made by those who attended.

The Leadership Conference will be held the third Friday night in September at the Ochre Hill Baptist Church. It is hoped that all officers will make a special effort to attend. Your directors will have something worthwhile for you.

I wish to thank each person and each church for the helpful cooperation and support you gave me during my term of office. Your kindness and thoughtfulness will not be forgotten. You have been a wonderful group with whom to work. Please call on me anytime I can be of service. I shall always "love" you and the WMU work. I shall miss my close contacts with you. God bless your every effort.

Respectfully submitted,  
S/ Annie Hoyle
