Mr. Herman H. Fussler  
Director of Libraries  
University of Chicago  
Chicago, Illinois

Dear Herman:

One of our graduate students, John W. Montgomery, expects to spend a week or so in Chicago, beginning about June 7 or 8, and would like the privilege of using the University of Chicago Libraries while he is there. Mr. Montgomery's subject is a bio-bibliographical study--description, translation, and evaluation--of Lomeier's De Bibliothecis Liber Singularis, so he would need access to rare book materials. Mr. Montgomery has made an outstanding record with us and I can vouch for him. I shall be grateful, as he will be, for your assistance to him.

Sincerely yours,

  
J. Periam Danton  
Dean
