SELECTION ANNOUNCEMENT

Dear Marquis Biographee:

It is my pleasure to inform you that your biography has been selected to appear in the 3rd Edition of WHO'S WHO IN AMERICAN LAW. On behalf of our entire editorial staff, I congratulate you on the accomplishments that have made your career a subject of reference interest.

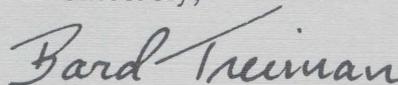

Please take a moment to review the enclosed copy of your sketch, as changes submitted within the last few weeks may not have been incorporated. Because this proof will be used in the actual production of this edition, I need your assurance that it is accurate and up-to-date. Even if no revisions are necessary, please sign the sketch and return it as quickly as possible.

As a selected biographee, you will be especially pleased with the new "Fields of Practice or Interest" Index that will be included in the 3rd Edition. Your name will appear in the Index under your chosen fields of practice or interest (printed immediately before your address on the enclosed sketch). The Index will allow you to locate prominent individuals in virtually every area of legal activity. I am sure that you will find it an interesting and useful feature.

Our records show that you have taken advantage of your pre-publication discount on WHO'S WHO IN AMERICAN LAW. Please feel free to order additional copies at the pre-publication discounts available only to biographees. Since this is the last contact you will receive from my office prior to publication, I suggest that you enclose your request for additional copies in the same envelope as your verified sketch.

Remember--it is important that we receive your signed sketch at the earliest date possible. Because our publication process operates within a firm timetable, your immediate attention would be appreciated

Sincerely,

Bard Treiman
