BI/POLAR SEMINAR: "Dynamic and Resourceful! A great experience! Should be required of every Seminary Student!" That's what a Southeastern Student who took the Seminar this summer said in his evaluation! Bi/Polar is a practical and useable way to discover, understand and make use of all your God-given strengths and potential! Southeastern Students, their spouses and friends, will have the opportunity to participate in a BI/POLAR SEMINAR on Friday and Saturday, October 10-11, 1980, here on campus! This nine hour workshop, to be led by Professor Bob Poerschke, presents a positive way of understanding yourself, other people, and relationships with others. This is an exciting and challenging way to "find yourself", and at the same time learn how to relate more effectively with others. Husbands and wives will find special value in Bi/Polar--both as a device for strengthening the way they deal with one another, and also as a basis for relating to and enjoying their children. Additional information and application blanks are posted on a number of bulletin boards on campus, and are also available at the office of Bob Poerschke, room 301, Stealey Hall.

VIRGINIA STUDENTS: On Thursday, September 18, there will be a brief meeting at 10:30 a.m. (after chapel) in the cafeteria to get acquainted, elect officers and discuss the organization of the Virginia Club for this academic year. If you are interested and cannot attend, please contact Margaret Tyree at 556-6202.

FOLLOW THE RED BRICK ROAD: The Business Office would like to encourage all students to appreciate the beauty of God's creation as you walk to class. We take pride in our campus--the buildings, flowers, trees, and grass. It has been traditional to walk along the brick paths designed for walking and not upon the grass. Please show your appreciation for the beauty of our campus by following these paths and staying off the grass. Use your ten minutes between classes to appreciate nature, to meditate, or to talk to a friend as you FOLLOW THE RED BRICK ROAD to class!!

M.DIV MIDLERS: A class meeting of all M.Div middlers will be held Friday, September 19 at 10:00 a.m. in the cafeteria. Topics for discussion will include Student Council elections and graduation, 1982.
