Dedication

INA GREENE TURPIN

Ina Green Turpin was born in the Greene Creek Community in 1909. She is the fourth of 11 children born to Estes and Elenora Ashe Greene. In 1924 she made a profession of faith and was baptized and received into the membership of the Old Savannah Baptist Church.

She graduated from Webster High School in 1926 and attended Western Carolina College for two years. She taught in a one room school on Dicks Creek for better than a year and substituted there for several years.

On December 21, 1929, Ina married Jarvis Turpin. They have three children: James of Candler; Zeb of Pisgah Forest; and Jo Meta Medford of Sylva. James and Zeb are deacons of their church and Jo is active at the East Sylva Baptist Church and serves on committees for the Tuckaseigee Baptist Association.

Ina has five grandchildren and one great-grandchild.

Ina has been Church Clerk and Treasurer at Dicks Creek Baptist Church since August 1946. She has served on the Missions Committee for the Tuckaseigee Association and has been an Assistant Clerk of the Association.

She has generously donated her time during special projects for the Association such as helping with the BOOK OF REPORTS. She served on an important committee to compile a book of history for all Baptist churches in the Association.

In public life she has worked at Belks Department Store, in the alteration department of the main store, and cafeteria work at Sylva-Webster High School. When her father-in-law and mother-in-law became ill, she left public work to care for them for the remainder of their lives.

She has been very active as a member of the Jackson County Homemakers Club. She is a past president of the Log Cabin Club, having served in that office twice. She is a past secretary and treasurer of the Jackson County Council of Homemakers as well as a past president of the county organization. In 1966 she was elected by her peers as "Club Woman of the Year."

Ina Greene Turpin has lived a long and fruitful life for the Lord. She continues to be an active member of her church and a strong supporter of the Association. Her love for the Lord and her faithful service in His kingdom continues to bless our lives. It is with deep gratitude and great joy that the Tuckaseigee Baptist Association dedicates the 1988-1989 Annual Minutes to Ina Greene Turpin.

Program Reports

Director of Missions Report

In II Corinthians 11:28 the Apostle Paul said, "Besides those things that are without that which cometh upon me daily, the care of all the churches." Paul was not the pastor of all the churches. Yet he had visited many of them in his ministry. Some churches he established. He prayed for and encouraged all of the churches.

God has given me a burden for spiritual prosperity of the Baptist churches here in Jackson County. I consider it both a privilege and a joy to serve as Director of Missions.

I enjoy my visits to the churches. I attend regular services on Sunday morning and evening and Wednesday Prayer Services. I try to attend as many homecomings and revivals as possible. I enjoy attending singings. I am called upon to preach, teach, and help ordain preachers and deacons. I especially enjoy singing in the choir. My greatest frustration is my inability to get around to all of the churches more often. I do try to worship with my family at Ochre Hill one Sunday each month. I have also committed myself to helping churches without a pastor by serving them from four to six Sundays until they can make provisions. My scheduling is on the bases of need and invitation.

My first task is to be a servant to the local church and work cooperatively with local leaders to help each church realize its potential before God. There are many other tasks to the ministry besides those I have already mentioned. I have been involved in helping pulpit committees. I am involved in planning, strategizing, training, equipping, and attending a host of meetings. Baptist churches are numerous and Baptist people are influential in the county. Often, I am called upon by different groups to give some input into their projects.

Our work with the Brazilian Association continues to grow. This past March many of our churches contributed to the sending of seven men and women to Brazil to participate in an evangelistic campaign in the churches of the Northern Baptist Association in the city of Sao Paulo. In July of this year several of our churches joined with other individuals and churches to help send the Ambassadors' Quartet and their wives to Brazil. In each of these visits hundreds of decisions were made in a short time span. I commend the churches for being true to God's Word which mandates the sending of missionaries. This is your invitation to go to Brazil in March of 1990 for a similar evangelistic campaign.

I am pleased with the continued progress of the Celebrate Christ Crusade held in March and sponsored by our Associational Youth Department. Several first time decisions were made as well as many rededications. We will postpone our Crusade next year because of

the HERE'S HOPE SIMULTANEOUS CRUSADE in April. I hope 20 churches will participate in the revivals.

A highlight for me this last year was the opportunity to serve as camp pastor at Truett Baptist Camp. Seven of our associational churches sent girls that week. I thank God for eight professions of faith and 35 rededications. There was an unusual moving of the Holy Spirit on Thursday evening of that week that I shall not soon forget. I plan to be camp pastor again next year.

I am grateful for underspread support for the Tuckaseigee Baptist Half Hour. Although this is not officially supported by the Association, I do believe it is an excellent means of Bible teaching and outreach. It keeps the activities of our churches and the Sunday School programs and lessons constantly in front of the county. Weekly, I encourage listeners to attend and to support their local church.

Each year there are certain meetings that I attend that have to do with our larger Baptist Family. I attended the regional Vacation Bible School Clinic, Key Leadership Conferences, our State Evangelism Conference and our annual Baptist State Convention meetings. The past year I was asked to serve as chairman of the Preacher, Place and Program Committee for our State Convention. I have been asked to serve in that role again subject to the approval of the messengers at our State Convention this fall. In August of this year, I attended the National Convocation of Directors of Missions held in Ridgecrest. This was one of the best planned, the most professionally helpful, and the most spiritual meetings I have attended in my seven and a half years in this work.

This year has been the best year financially for the Association, since I have been Director of Missions. Thirty-six of our churches have contributed either to the General Fund or through designated gifts. If current trends continue 87 percent of our budget will be met by local church gifts. So far we are ahead of our budget in receipts for the year. Our agreement with the Baptist State Convention is to reduce their Associational support to our general fund over the next six years until they provide no general fund support. That means our churches will be called upon to make up the difference. Currently the State Convention provides 14 percent of our budget. The State Convention desires to move towards a partnership concept in which we do certain projects that both our Association and the State Convention will jointly fund.

Since the beginning of the Brazilian Project our Association has received \$18,769.63. This does not include widespread support of churches that gave directly to those who went to Brazil, but not included in our records. May God be praised for your generous support.

We have committed ourselves to significant progress in the paving of our parking lot and our road. Currently we are receiving contributions from our churches to complete our goal of \$11,500 required to do the full job. Each church has been challenged to give \$74 by our Executive Committee. Let us encourage each church to help us and let us finish the project before cold weather.

I commend Mrs. Annie Hoyle for her fine work and for the many volunteer hours she contributes to the Association in a very quiet and unrecognized but not unappreciated way. She donates many things to the Association. We continue to be blessed by her gift of hospitality as she prepares refreshments for all of our meetings large and small. Her ability to deal with the public touches all our lives.

I am grateful to all the volunteer people, program leaders, officers, committee members who make the Tuckaseigee Baptist Association the positive witness for Jesus Christ in our community.

May God continue to grant us His Blessings as we work together for His Glory.

John Reid Director of Missions The Brotherhood Commission continues to feel the effects of its 1987 program changes that produced a comprehensive missions education package aimed at helping churches involve men and boys in missions.

In October 1988 James H. Smith, Brotherhood Commission president, presented a plan of austerity following the production of 31 new books in 1987 and 1988. The production costs had drained the agency's reserves. Smith set a goal of raising \$249,000 over expenses in 1988-1989. At the April trustees' meeting Smith reported that income was already \$177,000 over the expenses.

Located in Memphis, Tennessee, the Brotherhood Commission is pioneering several new aspects of missions education. In May the first RA University, an in-depth national training event for Royal Ambassadors counselors, directors, and committeemen, was held at Rhodes College in Memphis. More than 300 people from across the country attended.

The National Fellowship of Baptist Men, a ministry of the Brotherhood Commission's adult division, continued its expansion of volunteer missions enlistment. In April NFBM announced the expansion of its concert series, which will endorse up to 200 concert artists to present the story of Southern Baptist missions and recruit volunteers.

Baptist Men served more than 95,000 meals in Mexico following Hurricane Gilbert's destruction. In Jamaica Baptist Men worked jointly with the Foreign Mission Board to rebuild churches. More than 700 volunteers participated.

Perhaps the greatest effect of the Brotherhood Commission felt by the churches of the Southern Baptist Convention has again been the regular activities of Baptist Men and Royal Ambassadors. Men and boys have been actively engaged in missions and have developed their own personal ministries. These actions have helped maintain integrity as God's people for God's world and have helped believing men in their relationship to Christ.

Church Training

"M" Night was held at the Scotts Creek Baptist Church on Monday, November 28. There were 138 people present, representing 13 churches. The Reverend Fred Lunsford, Director of Missions of the Truett Baptist Association, brought an inspiring message. The Reverend Charles Dean, pastor of East Sylva Church, did the theme interpretation. Mrs. Frankie Shoupe and Dot Crowe of the Little Savannah Church did a skit. Special music was brought by the Scotts Creek Choir.

The awards and honors were won by the Scotts Creek Church for the most attendance and the Old Savannah for best attendance in Church Training during the year.

"M" Night 1989 will be held at the Jarrett Memorial Baptist Church, November 27. Maurice Cooper, Church Training Director for the Baptist State Convention of North Carolina, will be the speaker.

A Regional Conference sponsored by our State Convention was conducted in March of this year. The business was "Ingathering, Reclaiming the Inactive." This is a module designed to reach out in Christian love to inactive resident members to reclaim them in Christ.

Church Training will undergo a name change to DISCIPLESHIP if adopted at the June 1990 Southern Baptist Convention.

The Baptist Doctrine Study for 1989 was "The Doctrines Baptist Believe" and was written by Dr. Roy T. Edgeman.

A new Church Training Records System has been introduced. It will simplify the old five point Record System.

The Baptist Doctrine Study for 1990 will be the "Doctrine of the Christian Hope."

The Deacons, Pastors and Spouses Fellowship 1989

The Deacons, Pastors and Spouses of the Tuckaseigee Baptist Association met four times

this past year.

Ochre Hill was host for the first meeting held October 28, 1988. This was a special recognition service for our senior Deacons and Pastors. The Reverend Glen Blanton, Reverend Alexander Pasetti, Lunie Pangle and Robert Smoak were presented plaques for their many years of Christian service. Twenty churches were represented with 120 people in attendance. Officers for the new year were introduced: Haven Ensley, Chairman; Ronnie Henderson, Time and Place; Lois Ensley, Secretary; Clifford Cagle, Treasurer; Harry Vance, Music Director; and Clyde Vance, Program Chairman.

The second meeting was held at Scotts Creek Baptist Church, January 27, 1989. The Liberty Baptist Church choir brought the special music and their pastor, the Reverend Eugene Smith, brought the inspirational message. There were 103 present with 16 churches represented. A donation was presented to the Reverend Ray Houston to help finance his

mission trip to Brazil.

Webster Baptist Church was host for our thid meeting, April 26, 1989. There were 92 in attendance with 15 churches represented. Jimmy Buchanan, a new Deacon, attended for the first time. The Jamison Family singers were back by popular demand and presented a program of fine gospel singing.

Our last meeting for the year was held at Rockdale Baptist Church, July 28, 1989. John Reid, Director of Missions, recognized Mrs. Annie Hoyle and presented her with a copy of the 1987-1988 Minutes of the Tuckaseigee Baptist Association that were dedicated to

her for her many years of outstanding Christian service.

She received a standing ovation. Mark Haskett was recognized as a new deacon attending for the first time. Speaker for the evening was James Rogers from the First Baptist Church, Sylva, where he serves as a Deacon and a Sunday School Teacher.

A word to all churches in the Tuckaseigee Association: you can host the Deacons, Pastors, Spouses Fellowship. All we need is for you to invite us. We realize some of our churches do not have facilities to provide a meal. Don't let that stop you. We will be more than happy to stop "feasting" and start "fasting" in order to fellowship with more of our churches.

Haven Ensley, Associational Chairman

Evangelism Committee

The Evangelism Committee has met and has recommended that the Association participate in the HERE'S HOPE SIMULTANEOUS CRUSADE next April 22-27. A goal of 20 churches participating in the revival has been established.

It has been the long standing policy of our churches to leave revival planning and scheduling up to the pastor. Thus this will largely be up to the pastor to participate in the Here's Hope revival.

The Evangelism Committee affirmed the work of the Youth Crusade, Celebrate Christ Crusade, that we conducted last March. Several decisions were made for Christ.

Music

The music year has been a good one as far as we can tell. The music members have increased. Your music director has stayed busy. We led the music for the Executive Committee, the Deacons' quarterly meetings and on other occasions that arose. We attended the Key Leadership Conference in Ridgecrest. We had the music for the meetings at the Nursing Homes. As a Supply Pastor, I worked with the music and also worked with the Youth Director in the Youth Sing in March. We are now planning a county wide sing for March 1990. All in all we have had a very busy and profitable year.

Harry Vance, Associational Music Director

Ordination Committee

The Ordination Committee of the Association met twice this year. At the request of the New Savannah Baptist Church, Pastor Barry Almand was examined and recommended for ordination. He was examined on March 9 and ordained March 6 at the Ochre Hill Baptist Church.

At the request of the New Hope Baptist Church, Pastor Keith Ashe of Big Ridge Baptist Church was examined August 8 and ordained September 3.

The purpose of the Ordination Committee is to examine candidates for the ministry of the gospel. This is always done at the request of the local church. Candidates are examined on their knowledge of Baptist Doctrine, Polity and Ethics. Use of the Ordination Committee helps assure Associational churches that their men are sound in their thinking and cooperative in their relationships. The Ordination Committee only has the power to recommend. Each local church does the ordination.

Royal Ambassadors Report 1988

During the year we had several outstanding events take place. First there was the RA Racer Competition on the Associational level. This was a big success. The winners went to the State Level Race which was held during the Lad/Crusader Congress. Our winners came close to winning on the State Level. We were very proud of these young men and their accomplishments. Next, we had an Air Rifle competition which was won by a girl.

This was followed by RA Field Day. This event also turned out well. Finally, we had a "Pool Party" at the Sylva Pool with several participants. This was fun indeed.

As Director, I would encourage you to have your boys join up with us next year. We will be doing some of the same type events another year plus many others.

Also, I would like to encourage Counselors and Leaders to plan to attend a very helpful training session. Training sessions can be very helpful and beneficial in helping you in your planning of activities.

Please remember to keep the Association, the Royal Ambassadors Program and the Director (me) in your daily prayers. Pray that we may always keep within God's Will and will have the strength and courage to carry it out.

If you have questions about the Royal Ambassador Program, please call me.

Mike Moses, Associational RA Director

Single Adults

We have had an interesting year with our group. We have only been organized approximately two years, however, we are already beginning to function as an experienced group. This past year we had four meetings.

The fall meeting was a covered dish supper held at the Baptist Center. The program and decor centered around fall colors and harvest subjects. Christmas and spring meetings were similar. Most programs have consisted of a devotional period, group singing, homemaker tips for singles, and seasonal group games.

Recently for the summer meeting this group traveled to Asheville during the Belle Chere

festival. This was an all day event and a great time was had by all.

A service project is being planned during the Christmas Holidays to benefit the elderly citizens or shut-ins. The next meeting coming up will be held at the Baptist Center, Fridays at 6:30 p.m. The respective dates are October 20 and December 1.

Launching Century 2 reminds us that missions education has not only been somewhere, but is headed, full speed ahead, into an exciting second 100 years. Entering a new century is challenging with new goals, new dream, new vision, and new horizons laying before us. Much about the future is unknown, but some things are known...the WMU's purpose remains the same: to promote and support missions by teaching missions; engaging in mission action and personal witnessing; supporting missions through giving and praying; and interpreting and undergirding the work of the church and denomination. It is a

certainty that methods for accomplishing that purpose will change to meet the needs of new decades. We may also see change in our materials and our structure in order to involve today's woman.

Your WMU Council has been supportive and dedicated to challenging the women and our churches to meet the tasks of missions with new ideas and methods.

These ladies are trained and ready to serve your church. If you are interested in beginning or reorganizing one of these groups, please call upon them. They will come into your church as a resource person with literature, ideas, expertise and enthusiasm.

Quarterly meetings were held for inspiration, training and helping us to become more aware of mission opportunities. A Leadership Training workshop was led by Associational officers; a fall prayer retreat was held; a Personal Witnessing workshop was a good start to WMU Focus Week; as an introduction to our own United Christian Ministries, Pat Orr from Brevard's Sharing House spoke at our annual meeting last spring. To help keep us informed of activities and mission opportunities, a page of "Mission Matters" has been included the the Association Newsletter.

Our Mission Action was centered around the missions education night of the Baptist Student Union. Also, donations were sent for curtains for the United Christian Ministries. We participated in the Food Lion project "Karts for Kids" in conjunction with the Baptist Children's Homes. An on-going project has been in sending supplies to the Sao Paulo WMU.

It is alarming to see fewer churches actively participating in Associational missions although our membership is up...18 (-3) churches with 313 (= 34) members. It has been exciting to have another Baptist Young Women's group organize bringing that number to three. Perhaps as we launch into another new year, you can resolve to join us as together we "REACH, TEACH and TOUCH."

Institutional Reports

Baptist Children's Homes of North Carolina, Inc.

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plaque America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teenage mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teenage mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed \$1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than \$1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those date listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 807! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

CHRISTIAN EDUCATION. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

BAPTIST STUDENTS. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

COOPERATIVE PROGRAM. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healty institutions possible.

Baptist Hospital Report

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for

expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the Air-Care helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and AT&T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from 35 states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received \$668,937.39 through the Cooperative Program and \$303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

C.J. Harris Hospital Chaplaincy

Jesus said "Heal the sick." And the church has been working for nearly 2,000 years to carry out that order.

We at C.J. Harris Community Hospital believe strongly in the spiritual dimension of healing. When we allow the Lord to love us, healing can come because love is the strongest force in the world. That same gift of love is experienced every day in the lives of individuals who get in touch with the Lord while they are in the hospital.

It is a great honor for me to be the Hospital Chaplain. I appreciate the privilege of serving the Lord in this work and am grateful to you for your financial support.

Reverend David Webb, pastor of Shepherd of the Hill Lutheran Church, is our new parttime Chaplain at Mountain Trace Nursing Center. David's love for the work is evidenced by the time he spends every week in visiting, teaching the Bible, and praying with the patients there. He is working closely with the staff to include varied activities as part of the ministry. He has scheduled a variety of weekly worship services with the help of the churches of Jackson County.

Reverend Tommy Lamb, pastor at Ochre Hill Baptist Church, completed a 13-week chaplain internship course last summer at the hospital. Tommy is a student at Western Carolina University and received 12 hours credit toward his degree by working as a Chaplain Intern in our Chaplaincy Ministry.

My ministry with the hospital staff continues to develop in counseling opportunities and teaching. I taught a six-week course, USING HUMOR IN THE HOSPITAL SETTING. Also, the operating room nurses of Western North Carolina invited me to speak on the topic LAUGHTER AND HEALING at their August meeting.

Our HELPER IN MISSION campaign was launched in August. This is an effort to strengthen our base of support for the Chaplain's Ministry by asking individuals to contribute as little as \$2.00 or as much as \$25.00 per month. This will enable us to expand

our services in pastoral care for lay-people and pastors. Thanks to the people who have joined us in this mission. Others are invited to participate. Contact me at the hospital for more information.

National Pastoral Care Sunday is October 22. Please pray for our Chaplaincy Ministry and call attention to our needs. Remember that we depend on your financial backing to continue in this ministry.

Another Pastoral Care Course for pastors is scheduled to begin in February 1990. Continuing education credit will be awarded those who participate. Cost is \$45.00 for the entire ten-week course including lunch and materials. Let me urge our pastors and wives to take advantage of this opportunity to become more effective agents for the Lord through the hospital ministry. You will receive registration information in the mail or call me at the hospital (586-7000).

We are still saddened by the loss of our friend, W.C. Hennessee, who died on July 15. He was a strong supporter of the Chaplain's Ministry. But we rejoice in the vision he had to help develop and broaden the work. Let us continue this good work in the name of the Lord that people may know Him.

Sincerely, Jack Hinson, Hospital Chaplain

Baptist Retirement Homes of North Carolina, Inc.

This marks the 39th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of this State.

Charged in 1951 with the mission of providing residential care for "Aged Saints," the Homes provide care for Older Adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yanceyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem, will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for Older Adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need.

- * To work with churches and associations in the development of regional continuingcare retirement communities in the West, the Piedmont, and the East.
- * To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units).
- * To work with churches and associations in the development of alternative forms of residential care for Older Adults (Respite Care, Adult Day Care, and Home Health Care).

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes sees his challenge as a wonderful opportunity for ministry.

Truett Baptist Camp

We have just completed Youth Week at Truett Camp. There were 73 that attended and most are making plans for the 1990 camp. J. Gilbert was their camp director.

Girls GA weeks were a great success this season. Pam Graham, the director, with the help of Stephanie Elliott did a good job. Eight girls were saved and numerous decisions were made for the Lord. A total of 140 girls attended.

Aud Brown is going to be the director for Boys RA Camp this year. Several registrations have come in for the two weeks of camp. We are anticipating a good time for the boys and their leaders.

We would like to thank each counselor and camp pastor for their time and efforts with the camp this season.

Plans are being made for a new building at the camp to be built if contributions can be made from our churches for the financing of the project to help house more campers.

We want to thank each church in the association for their prayers and support the past year to make it possible for your children to have a good time at the camp.

Respectfully submitted, Richard Robertson, Camp Director

Agency Reports

American Bible Society

The churches and denominations of the United States are the mainstay of the American Bible Society's worldwide Scripture ministry. Conscious of the outstanding service which the Southern Baptist Convention has provided to the people of the world through your support of this ministry, we are happy to submit this report highlighting some of the Society's activities during 1988.

Opening new ways to the Word for people throughout the world is a challenge which grows in scope and urgency with every passing year. Many of the projects to which we commit ourselves each year are undertaken in faith—faith in God and in the generosity of concerned Christians in this county. The American Bible Society is sincerely grateful for the contributions, totaling \$251,951.11, received from your churches during 1988 and draws confidence from knowing that there are Christian communions such as yours who believe in the power of the Word of God and are committed to sharing it with people across the globe. Your partnership with us in the Bible cause enhances our own vision of what can be accomplished in response to the Scripture needs of our world.

Thank you.

Annuity

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord." Goals set by the Annuity Board Trustees for 1989 include:

- 1) Developing a long term care plan suitable to Southern Baptist ministers and their families.
- 2) Working through the Church Alliance to provide an approved IRA.
- 3) Providing more choices to meet the needs for family insurance protection.
- 4) Continuing to work hard to control health care costs.
- 5) Developing materials on financial planning.
- 6) Continuing to make churches and ministers aware of retirement and insurance plans.

Significent progress has occurred in meeting many of these goals.

This is what is happening in North Carolina:

- 1) There have been 27 new members enrolled in the retirement plans during the period April 1 June 30.
- 2) There have been 61 plan upgrades during this period.

- 3) There are now 2,162 North Carolina churches and associations contributing to retirement plans.
- 4) North Carolina has 1,892 signed Cooperative Agreements! More than any other state!
- 5) The number of churches participating at the old Plan A Level of \$33.34 has decreased from 439 to 92.
- 6) The average annuitant in North Carolina receives \$249.96 per month, up from \$234 last year.
- 7) North Carolina has 3,406 members making contributions to Annuity Board retirement plans.
- 8) There are 1,764 annuitants receiving benefits each month in North Carolina \$440,929 each month.

It is exciting to think about what has been done but there is still so much to be done! Consider these facts:

- 1) Only 64 percent of our churches are participating in our retirement plans.
- 2) Of this 64 percent, many do not actually make contributions. The minister does this on his own. Small contributions make the annuitant's benefits small.
- 3) We have 151 churches that have signed the Cooperative Agreement, but still make no contribution.

We have 457 churches that are making contributions but still have not signed the Cooperative Agreement.

There is GREAT challenge still before us!

The North Carolina Baptist Foundation

"Strengthening the Greater Service" had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its missions efficiently and that it involves more Baptist effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building, With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the ongoing work of the agency. We are pleased to report that the majority of the funds necessary to construct the new building have been secured. The new building will be erected beside the Baptist Building in Cary and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the on-going responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds, established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

We are continually grateful for the support of Baptists across the state who support the Foundation.

Respectfully submitted, Edwin S. Coates, Executive Director

The Biblical Recorder

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service in our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together on this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages where by we can save churches time, money and staff work by offering them a page in the Recorder in lieu of their

weekly newsletter. Watch for more details in the Recorder in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more—that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Speak a good word for the paper and urge others to subscribe and read it also. For more information on rates and special plans for subscribing, contact:

Christian Action League

When the 1989 session of the General Assembly of North Carolina convened on January 11th, the first bills to be introduced were three lottery proposals; one in the Senate and two in the House.

Such gambling legislation has become an annual event for the last six years. However, the pressure for establishing a state-wide lottery was stronger this time around due to two factors: 1. Virginia has started a lottery, and 2. Revenues were very tight, and some legislators were looking for some "easy" money to grant state employment and school teachers a pay raise.

The pro-gambling lobbyists and their favorite legislator, Senator Kenneth Royall (D-Durham) were successful in securing passage of lottery legislation in the Senate.

Senator Royall, one of the most powerful members of the Senate, used his political "clout" to keep the bill in committee until the closing days of the session.

He admitted to the media that he did not want the lottery to get tied in with the budget proposals. After the money bills had passed and the legislature was ready to go home; then, he made his move to put the lottery bill on a "fast track."

No time was left to call for a public hearing to give rank-and-file voters the opportunity for their input.

After the Senate passage, the gambling proposal hit a "snag" when House Speaker Joe Maveretic let it be known that the House would not delay the 1988 adjournment to take up the proposal.

The issue cannot be considered until the legislature convenes for its 1990 session on May 22, 1990.

This gives six months to solicit opposition to the measure from the membership of the N.C. House.

Contact your N.C. House member and secure his or her opposition to Senate Bill 4, the Lottery Act.

A lot of prayer, time, and energy has been exerted in the current legislative session to defeat any legislation; to prevent any erosion of our liquor laws; and to support efforts to strengthen our drunk driving statutes.

A Legislative Study Committee and the Governor's Highway Safety Committee held hearings throughout the state during the past year to get citizen input on ways to make our highways safer. As a result of these sessions, a Safe Roads Study proposal was introduced that consisted of the following features: 1. lower the breathalyzer threshold from .10 to .08 for drivers of motor vehicles; 2. ban open containers of alcoholic beverages in motor vehicles; 3. increase fines for drunk driving; and 4. establish a .04 standard for operators of commercial vehicles (bus and truck drivers). The House passed the bill, but the Senate Conference Committee members refused to accept the proposals. The bill can be considered in the May 1990 session.

Even with such a busy legislative agenda the League has assisted in numerous liquor elections across the state.

We are hearing a lot of voices talking about declaring WAR ON DRUGS. U.S. Surgeon General C. Everett Koop has given our nation some words of wisdom. "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The United States will one day have to choose between alcohol and health...because we can't have them together."

Amazingly, the pulpits of America have become silent in so many of our churches concerning this NUMBER ONE ADDICTIVE DRUG. May this condemnation not be laid on the steps of the churches of your association.

The Christian Action League is ready to stand with you in this ministry of Applied Christianity as we confront the moral and social evils of today's world.

The Gideons International

The Gideons International is composed of more than 90,000 Christian professional and business men in 140 countries. With the help of the local churches here and throughout all 140 countries, the Gideons are placing and distributing more than two million scriptures per month. Funding to purchase the scriptures comes from three sources: (1) local church offerings; (2) the Faith Fund Gideon donations by the individual members; (3) and the Memorial Bible contributions. All monies donated to the Gideons go toward the purchase of scriptures. The administrative costs of the organization are paid by the individual members.

The Jackson County Gideon Camp, one of 5,000 local camps, was founded in 1952. The present camp enrollment is 22 members. It has been the camp's pleasure to share a Gideon presentation in more than 38 churches during the past year. Members have also presented scriptures to the fifth grade students in Jackson County, as well as distributing more than 1,500 scriptures at Western Carolina University and Southwestern Community College. Gideons have also kept check to see that Bibles are in all hotel and motel rooms in Jackson County. The Jackson County Camp has received approximately \$12,000 during 1988 to be used for the purchase of scriptures.

Financial Reports

Stewardship Report

"The earth is the Lord's and the fulness thereof; the world, and they that dwell therein."
Psalm 24:1

The Biblical basis for stewardship begins with the truth that God is creator and owner of everything. That means He owns me and everything I have. As a Christian, it then becomes my responsibility to be a manager of all God has given me. To be a steward is to be a manager.

With that as a Biblical basis, the Christian asks: "How much of the resources that have been given to me, money and time, shall be returned to Him through my support of the local church?" The Bible teaches a tithe or a tenth as the starting place. Some people can give more. The church must also ask: "How shall we spend the resources that will support the work of God?" One must understand that God has work to do in the local community,

in the Association, in the State and Nation, and the world. The method to support His work is the church's financial support to the Association and through the Cooperative Program. To support missions is to be in the will of God.

Associational Financial support from the churches has broken all records this year. With one month yet to be reported we have already received 99.18 percent of the total budget. The previous record was last year when 79 percent of the budget was met by the churches.

While this is great cause to celebrate, let us not be unaware of the challenges of stewardship development both in the church and the Association. Hopefully each church will look at their own level of giving and make a commitment to increase that gift according to their ability.

The Tuckaseigee Baptist Association is CHURCHES WORKING TOGETHER in a cooperative spirit to accomplish God's work in Jackson County. We join with the churches and with the churches of other denominations in doing this. But ours is a special relationship that places special responsibilities on us because of our numbers and of our influence. My CHALLENGE is for each church to intentionally develop stewardship education in mission giving and to include the Association in its mission gifts.
